Great Music for Wind Band 2009 (Meredith Music Resource). The individual selection of quality literature one of the most important responsibilities facing today's band director is greatly simplified using this one-of-a-kind publication. It is the ultimate tool in concert planning and programming benefiting both entry-level and experienced conductors by compiling all of the information needed for reliable music selection. Assisting conductors recall works they may have heard but not yet conducted, brief incipits of prominent melodic themes are included, as are cost, duration, availability, instrumentation, recordings, publishers, solos, and tips on programming. With hundreds of new works produced each year, this handy "survival guide to music selection" is a must for the serious wind band conductor. "... a much-needed addition to our profession ... this is a must for every band library!" Ray E. Exercises for Ensemble Drill Raymond C. Fussell 1939 These exercises are uniquely presented in one book which may be used by any and all instruments together. The book is divided into three main sections. The warm-up exercises consist of fully harmonized chords for the entire band; the technical exercises are scored in unison and cover fundamental scales, intervals and arpeggios in all keys; the rhythm drill presents 195 fundamental rhythms followed by 40 exercises applying certain rhythms to interval studies. An exceptionally useful, practical and worthwhile book!

101 Rhythmic Rest Patterns Grover Yaus 1985-03 Division of measure includes counting rest values as well as note values. A mistake in counting note values while playing is heard and corrected by the instructor, but counting rest values is a silent business and difficult at times for the instructor to detect just where the mistake was made, or who made the mistake. 101 Rhythmic Rest Patterns will help solve that problem, as the unison feature will enable the instructor and the whole ensemble to count aloud all in unison on any or all rest patterns until each rest pattern is perfect. This resource will help your students learn to count both notes and rests through the use of short, unison exercises that increase in difficulty throughout the book. It is not

technically difficult so students can focus on counting, and is in three key signatures (F, B-flat, and E-flat).
