A Journey in Faith Parenthood 101 David Hill 2014-02-18 PRAYING BEFORE I go to sleep at night has been a habit since childhood. The night I thought of writing this book I prayed, "God help me have good dreams and good thoughts as I sleep tonight." That is a prayer I have prayed ever since I was a child growing up. During the night I started thinking of ways we should raise our children, and how they need to be prepared for life. I told myself, "I should write a book about this: ways to raise a successful child." I was afraid I would forget this idea by morning, so I arose at 3:00 AM and went to the kitchen to start writing down my ideas. I began to consider just what would be my definition of a "successful" child or adult. I realized that it depends on whose point of view we are coming from. The world defines success quite differently from God. The world would say it is to be rich and famous. However, since we are made in the image of God, it seems only logical that we should be a reflection of Him in our daily lives.

The Spirit Whisperer John Holland 2010-02-15 There's a special language that transcends time and space—a language that's not constrained by the limitations of just words—but one that consists of signs, symbols, energy, and thought. A language that can only be heard when one truly listens. It's the language of The Spirit Whisperer. In John Holland's past books, he explained how he came to terms with, and learned to accept and embrace, his spiritual gifts as a psychic medium; and how "readers" could develop their own intuitive psychic abilities. In this book, John picks up the fascinating story of his personal journey of growth and development as one of the most respected practicing mediums today. This work chronicles his career to date and includes some enlightening and heartfelt real-life case studies. He candidly discusses

readings with clients, including those who've had their own After Death Communications (ADCs) —from the outrageous to the profound. John also explains the signs and symbols that our loved ones continually try to send us. One of his most popular sayings is: "Those on the Other Side want to talk to you —as much as you want to talk to them!" John divulges for the first time some of the extraordinary paranormal occurrences he's witnessed throughout his career, and provides a rare glimpse behind the scenes of what it's like to be a "Psychic Time Machine" for several television shows. He'll also help parents who have a psychic child themselves. *The Spirit Whisperer* is a book you'll want to read over and over, as many of the stories will touch your heart as well as your soul!

Beyond the Mayan Prophecy Paul Shavelson 2012-10-30 ***Featuring contributors such as: John Edward, Char Margolis, Sandy Anastasia, Rick Levine, Glynis McCants, Mark Van Stone, Mary Jo McCabe, Gahl Sasson, Dr. Alicia Tisdale, Maggie Kerr, Kala Ambrose, Mirabai Devi, Linda West, Derek O'Neill, Alan Oken , John Holland and Austyn Wells.*** For the past forty years there have been a growing number of people who believe that nothing less than a cataclysmic change is coming in the evolution of Mankind. From the dawning of the Age of Aquarius to cosmic forces—read *Aliens*—coming to engineer our DNA, to the doomsday scenarios triggered by the end of the Mayan calendar, there have been those who are sure that the world as we know it is coming to an end. And soon. But that cataclysmic end has not (de)materialized, or has it? In 2012 new data was discovered in Guatemala that gives us concrete evidence of a new paradigm concerning the Mayans and their calendar. We are now

faced with the idea that perhaps we aren't staring at Armageddon but stand in the middle of a 33-year transformative process. While the Mayans might have seen a change for humanity it isn't an ending per se. And if there is change, why does that change need to imply destruction? Couldn't it be an opportunity for mankind to assess their place in the universe and engage in a positive rebirth in a new era? Beyond The Mayan Prophecy posits that our modern day weakness or confusion can be attributed to a less spiritual way of thinking. Perhaps our left side brain thinking has held us back from discovering and accepting higher planetary secrets for centuries. To move forward with more balanced understanding, Paul Shavelson, a multi-media story teller and former Executive Producer of the hit psychic television show CROSSING OVER, has spent the last decade exploring the world of psychics and mystics. Paul has assembled a "psychic dream team" to decode the past and to predict the future. With famed metaphysical experts such as Char Margolis, Rick Levine, Maggie Kerr, Alan Oken, and Numerologist Glynis McCants, Paul covers everything from alien communication to instant collective thinking (The Collective Unconscious) being cultivated on the internet. The dialogue and interviews will be discussed through sidebars by psychic medium, author, and TV personality, John Edward, who also provides the forward, and afterword of this provocative subject. With positive energy and a willingness to have us think outside the box (and a personal journey by the author that brings an unexpected and moving aspect to the experience), Beyond The Mayan Prophecy is an entertaining, thought provoking work that will let the reader embrace why the second half of this transition could be remarkable and inspiring. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Born Knowing John Holland 2003-02-01 Given the phenomenal change in attitudes about life

after death, public interest in the Other Side is ever-increasing. Born Knowing will show you that even after the loss of a loved one, you're never truly alone. Born Knowing is John Holland's first book. In an open and candid way, he explains how he dealt with his conflict of coming to terms, and finally accepting, his rare ability as a spirit messenger who helps people connect with those who have passed on. Born in the tough suburbs of Boston, John coped with a difficult childhood, where he was ridiculed by his family and society, leaving him feeling isolated because of his psychic abilities. He refused to acknowledge his gift until a near-fatal automobile accident amplified his abilities to the point where he had to learn how to control what was once pushed away. Drawn by the history and knowledge of spiritualism in England, John takes you on his two-year journey throughout Britain. He tells the story of his training to be a top medium in the British spiritualist organizations, which he humorously refers to as A Spirit Boot Camp, and how he gained acceptance and respect within this tightly knit, often-conservative spiritual community. Born Knowing takes out the "psychic babble" by validating and dispelling some of the mystery and myths regarding mediumship. Throughout the book, John presents real-life case studies, where he discusses his readings with clients, the effect on their lives, and the sense of closure people feel, knowing that their loved ones who have passed on are still with them. The book will also help you develop your own psychic and intuitive abilities, recognize signals from the Other Side, and make spiritual connections for yourself.
