**Wild Reckless** Ginger Scott 2015-03-17 Kensington Worth had a vision for her senior year. It involved her best friends, her posh private school in downtown Chicago and time alone with her piano until her audition was perfected, a guaranteed ticket into the best music programs in the world. Instead, a nightmare took over. It didn't happen all at once, but her life unraveled quickly—a tiny thread that evil somehow kept pulling until everything precious was taken from her. She was suddenly living miles away from her old life, trapped in an existence she didn't choose—one determined to destroy her from the inside, leaving only hate and anger behind. It didn't help that her neighbor, the one whose eyes held danger, was enjoying every second of her fall. Owen Harper was trouble, his heart wild and his past the kind that's spoken about in whispers. And somehow, his path was always intertwined with Kensington's, every interaction crushing her, ruining her hope for any future better than her now. Sometimes, though, what everyone warns is trouble, is exactly what the heart needs. Owen Harper was consumed with darkness, and it held onto his soul for years. When Kensington looked at him, she saw a boy who'd gotten good at taking others down when they threatened his carefully balanced life. But the more she looked, the more she saw other things too—good things...things to admire. Things...to love. Things that made her want to be reckless. And those things...they were the scariest of all.

**From the Notebooks of a Middle School Princess** Meg Cabot 2015-05-19 Return to the world of Meg Cabot's bestselling and beloved Princess Diaries series in *From the Notebooks of a Middle School Princess*—this time through the illustrated diary of a spunky new heroine: Princess Mia's long lost half-sister, Olivia! Olivia Grace Clarisse Mignonette Harrison is a completely average twelve-year-old: average height, average weight, average brown hair of average length, average brown skin and average hazel eyes. The only things about her that aren't average are her name (too long and princess themed), her ability to draw animals (useful for her future career as a wildlife

illustrator), and the fact that she is a half-orphan who has never met her father and is forced to live with her aunt and uncle (who treat her almost like their own kids, so she doesn't want to complain). Then one completely average day, everything goes wrong: the most popular girl in school, Annabelle Jenkins, threatens to beat her up, the principal gives her a demerit, and she's knocked down at the bus stop . . . Until a limo containing Princess Mia Thermopolis of Genovia pulls up to invite her to New York to finally meet her father, who promptly invites her to come live with him, Mia, Grandmère and her two fabulous poodles . . . . Maybe Olivia Grace Clarisse Mignonette Harrison isn't so average after all!

Thomas Mann auf Leinwand und Bildschirm Yahya Elsaygha 2019-09-02 Welche Rolle spielten die Verfilmungen seiner Romane und Erzählungen bei der Entstehung und Aushärtung der Vorstellungen, die man sich heute gemeinhin von Thomas Mann macht? Inwiefern trugen sie hüten und drüben zur deutschen Selbstvergewisserung bei? Um welchen Preis wurden sie diesem Zweck dienstbar gemacht? Welche Kürzungen, Erweiterungen und Abänderungen wurden dafür in Kauf genommen? Was für wirtschaftliche und politische Interessen waren dabei im Spiel? Und entstellten die Filme die verfilmten Texte immer nur? Oder deckten sie gelegentlich vielleicht auf, was in der anderweitigen Rezeptionsgeschichte durch ein immer schon mitüberliefertes Vorverständnis des Autors verschüttet war? Vermochten sie auch Einsichten zu eröffnen, die der je zeitgenössischen Forschung noch verschlossen blieben?

**Es lebe di Ente** Mark Blaschitz 2005-10-12 Whoop to the Duck! is a comprehensive retrospective of the Splitterwerk workshop that has been involved in the research and design of architecture, fine arts, and new media since 1988. Founded at the Institute of Architecture, Design, and Process Engineering in Judenburg, Splitterwerk has investigated the "dematerialization" of architecture in the era of media reproduction. In a cityscape that has long been a figurative backdrop an image of a city Splitterwerk places their buildings as oversized components of the image. By their inappropriate scale, "the duck" and "the frog" become symbols that speak neither of power nor of technological feasibility, neither of style nor of function, but simply refer to themselves and the imagery of their environment. The investigation of experimental surfaces has led Splitterwerk to fundamentally reassess imagery in architecture.
