**The Wolf and the Watchman** Niklas Natt och Dag 2019-10-01 "The *Alienist* set in eighteenth-century Stockholm: Brawny, bloody, intricate, enthralling—and the best historical thriller I've read in twenty years." —A.J. Finn, #1 bestselling author of *The Woman in the Window* "Thrilling, unnerving, clever, and beautiful." —Fredrik Backman, #1 bestselling author of *A Man Called Ove* "Chilling and thought-provoking. Relentless, well-written, and nearly impossible to put down." —Kirkus Reviews (starred review) One morning in the autumn of 1793, watchman Mikel Cardell is awakened from his drunken slumber with reports of a body seen floating in the Larder, once a pristine lake on Stockholm's Southern Isle, now a rancid bog. Efforts to identify the bizarrely mutilated corpse are entrusted to incorruptible lawyer Cecil Winge, who enlists Cardell's help to solve the case. But time is short: Winge's health is failing, the monarchy is in shambles, and whispered conspiracies and paranoia abound. Winge and Cardell become immersed in a brutal world of guttersnipes and thieves, mercenaries and madams. From a farmer's son who is lead down a treacherous path when he seeks his fortune in the capital to an orphan girl consigned to the workhouse by a pitiless parish priest, their investigation peels back layer upon layer of the city's labyrinthine society. The rich and the poor, the pious and the fallen, the living and the dead—all collide and interconnect with the body pulled from the lake. Breathtakingly bold and intricately constructed, *The Wolf and the Watchman* brings to life the crowded streets, gilded palaces, and dark corners of late-eighteenth-century Stockholm, offering a startling vision of the crimes we commit in the name of justice, and the sacrifices we make in order to survive.

**The Accident on the A35** Burnet Graeme Macrae 2018-10-16 The Accident on the A35 returns to the scene of Burnet's accomplished first novel, The Disappearance of Adèle Bedeau--the small French town of Saint-Louis. Detective Gorski is called away from his night of solitary drinking to the site of a car accident that left Bertrand Barthelme, a respected solicitor, dead. When the deceased's rather attractive wife suggests that the crash may not have been an accident, Gorski looks closer into Barthelme's circumspect movements on the night of his death. His investigation leads him to various bars, hotels, and brothels in the nearby city of Strasbourg. At the same time, Barthelme's rebellious son, drunk on Jean Paul Sartre novels, is conducting an investigation of his own. Their independent, dual inquiries lead the reader down a twisted road marked by seedy back rooms, bar brawls, a moment of accidental incest, and--as we have come to expect from Burnet--copious amounts of wine. The Accident on the A35 is a darkly humorous, subtle, and sophisticated novel that burrows into the psyches of its characters and explores the dark corners of life in a sleepy town.

Putting it down." -Miami Herald "Captivating, suspenseful...tantalizing." -People Magazine The new novel from Liane Moriarty, the #1 New York Times bestselling author of *The Husband's Secret*, *Big Little Lies*, and *What Alice Forgot*, about how sometimes we don't appreciate how extraordinary our ordinary lives are until it's too late. In *Truly Madly Guilty*, Liane Moriarty turns her unique, razor-sharp eye towards three seemingly happy families. Sam and Clementine have a wonderful, albeit, busy life: they have two little girls, Sam has just started a new dream job, and Clementine, a cellist, is busy preparing for the audition of a lifetime. If there's anything they can count on, it's each other. Clementine and Erika are each other's oldest friends. A single look between them can convey an entire conversation. The Book of Mirrors E. O. Chirovici 2017-02-21 An elegant, page-turning thriller in the vein of *Night Film* and *Crooked Letter*, *Crooked Letter*, this tautly crafted novel is about stories: the ones we tell, the ones we keep hidden, and the ones that we'll do anything to ensure they stay buried. When literary agent Peter Katz receives a partial book submission entitled *The Book of Mirrors*, he is intrigued by its promise and original voice. The author, Richard Flynn, has written a memoir about his time as an English student at Princeton in the late 1980s, documenting his relationship with the protégée of the famous Professor Joseph Wieder. One night just before Christmas 1987, Wieder was brutally murdered in his home. The case was never solved. Now, twenty-five years later, Katz suspects that Richard Flynn is either using his book to confess to the murder, or to finally reveal who committed the violent crime. But the manuscript ends abruptly—and its author is dying in the hospital with the missing pages nowhere to be found. Hell-bent on getting to the bottom of the story, Katz hires investigative journalist John Keller to research the murder and reconstruct the events for a true crime version of the memoir. Keller tracks down several of the mysterious key players, including retired police detective Roy Freeman, one of the original investigators assigned to the murder case, but he has just been diagnosed with early-onset Alzheimer's. Inspired by John Keller's investigation, he decides to try and solve the case

once and for all, before he starts losing control of his mind. A trip to the Potosi Correctional Centre in Missouri, several interviews, and some ingenious police work finally lead him to a truth that has been buried for over two decades...or has it? Stylishly plotted, elegantly written, and packed with thrilling suspense until the final page, *The Book of Mirrors* is a book within a book like you've never read before.
