Children's Books in Print 1993

Crackle Glass Arlene Weitman 1997-09-01 Crackle glass is an elaborate and intriguing type of glass that is known for its sun-catching vibrant colors. Invented by the Venetians in the sixteenth century, it has enjoyed ages of admiration and is highly collectible today. Generally, it is made by plunging hot glass into cold water to make fine cracks, then reheating and reblowing the glass to seal the cracks. Crackle glass was the focus of a book by Stan & Arlene Weitman just two years ago, and at that time no book had been written on this subject. Collectors everywhere welcomed that book to the point that the authors have written an all-new Book II. This book is a companion volume to the first book, establishing a two-volume set. Book II has no repeats of Book I and contains over 550 different full-color photographs. Since Book I came out, crackle glass has exploded onto the antique and collectible market and much new information has been found. Crackle glass is still being made today and the authors have added a whole section on how to distinguish the new glass from that made years ago. This all-new book includes in-depth information on crackle including manufacturers and how to identify their works; histories; production;

old catalogs and brochures; and an important bibliography. 1998 values. 8.5 X 11.

How to Find a Princess Alyssa Cole 2021-05-25 New York Times and USA Today bestseller Alyssa Cole's second Runaway Royals novel is a queer Anastasia retelling, featuring a long-lost princess who finds love with the female investigator tasked with tracking her down. Makeda Hicks has lost her job and her girlfriend in one fell swoop. The last thing she's in the mood for is to rehash the story of her grandmother's infamous summer fling with a runaway prince from Ibarania, or the investigator from the World Federation of Monarchies tasked with searching for Ibarania's missing heir. Yet when Beznaria Chetchevaliere crashes into her life, the sleek and sexy investigator exudes exactly the kind of chaos that organized and efficient Makeda finds irresistible, even if Bez is determined to drag her into a world of royal duty Makeda wants nothing to do with. When a threat to her grandmother's livelihood pushes Makeda to agree to return to Ibarania, Bez takes her on a transatlantic adventure with a crew of lovable weirdos, a fake marriage, and one-bed hijinks on the high seas. When they finally make it to Ibarania, they realize there's more at stake than just cash and crown, and Makeda must learn what it means to fight for what she desires and not what she feels bound to by duty.

Nationalism and Identity Stefano Harney 1996 The nation-state of Trinidad and Tobago offers a unique nation-space, as Homi K Bhabha would say, for the study of the forces and ideologies of nationalism. This book reveals how this ethnically diverse nation, independent for less than forty years, has provided fertile ground for the creative tension between the imagination of the writer and the official discourse on nationalism. Harney argues that this discourse has in turn been embedded in a struggle that propelled the nation's story. He explores the influences on the sense of national identity caused by migration and the ethnicization of migrant communities in the cities. Adding to the

comparative tone of much of this book, models of nationalism and ethnicity, often based on other societies, are tested against the imaginings of Trinidad by such essayists as VS Naipaul, CLR James, Willi Chen, Valerie Belgrave and Earl Lovelace. Using the wealth of imaginative literature produced by Trinidadians at home and abroad over the last forty years, together with European-based scholarship on theories of nationalism, this book provides a fascinating understanding of the forging of a national identity.

Address to the General Assembly Virginia. Governor 1926 Includes inaugural addresses, annual and special messages, and proclamations.

The Warriors Sol Yurick 2007-12-01 The basis for the cult-classic film *The Warriors* chronicles one New York City gang's nocturnal journey through the seedy, dangerous subways and city streets of the 1960s. Every gang in the city meets on a sweltering July 4 night in a Bronx park for a peace rally. The crowd of miscreants turns violent after a prominent gang leader is killed and chaos prevails over the attempt at order. *The Warriors* follows the Dominators making their way back to their home territory without being killed. The police are prowling the city in search of anyone involved in the mayhem. An exhilarating novel that examines New York City teenagers, left behind by society, who form identity and personal strength through their affiliation with their "family," *The Warriors* weaves together social commentary with ancient legends for a classic coming-of-age tale. This edition includes a new introduction by the author.

Meerly A. Bair Gale Cooper 2013 MEERLY A. BAIR: ONE TEDDY BEAR'S ADVENTURES - at 168 pages and illustrated with charming pen and ink drawings - is a tale for the young and young-at-heart. Here is a world where toys live and animals talk. The good-hearted teddy bear, Meerly A. Bair and his young owner face fantasies and fears with touching and funny triumphs of love. In the fanciest department store in town, a lonely, rich, little girl, whose parents are always away on business, smiles at a stuffed bear, and he smiles back. They have many adventures - despite a rigid nanny and a crotchety butler - with a delightful assortment of creatures: an ambitious mouse; a timid earthworm; a forgetful elephant; a sweet toy rabbit; a troublemaking, most expensive doll in the world; and a marvelous mechanical dragon. The author and illustrator, GALE COOPER, is a Harvard educated, M.D. psychiatrist, who has written and illustrated other books on fantasy, animal anatomy, human interest, and Old West history. Other Books by the Author: *One Unicorn*; *Unicorn Moon*; *Inside Animals*; *Introduction to Animal Anatomy*; *Anatomy of the Frog*; *Anatomy of the Guinea Pig*; *Joseph Naiman and his Family*; *Animal People*; *Joy of the Birds: A Novel*; *Billy and Paulita: A Novel*; *Billy the Kid's Writings, Words, and Wit*; *MegaHoax: The Strange Plot to Exhume Billy the Kid and Become President*; *Billy*

the Kid's Pretenders: Brushy Bill and John Miller; and Pardon for Billy the Kid: An Analysis.

Camp Grandma Breedlove Jessica 2004-01-30 Camp Grandma Mini Books include beautifully-illustrated, thought-provoking verses and phrases. Ideal gifts for friends and family.

The Magic of Merrythought John Axe 1986 'The Magic of Merrythought', the book I researched, photographed and wrote in 1984, and which was published in 1986, has enriched my life immeasurably. This book introduced me to Shropshire, which I consider the most wonderful part of England, and specifically to the Merrythought Company, which will always be the most magical place in the world for me... Merrythought Limited is my best serendipity in over 25 years of researching collectable dolls, teddy bears and other toys. I am proud that my book has played some part in the increased interest that has developed in Merrythought's past among collectors. Merrythought's continued innovation in the production of toys and collectibles that appeal to people more now than ever in its long history has caused an unprecedented event in publishing. Public demand from all over the world, particularly from members of the Merrythought International Collectors Club, has resulted in 'The Magic of Merrythought', which has not been available for years, being reprinted after all this time. -- from the author

Madame Alexander Dolls Stephanie Finnegan 1999 The first full-colour, illustrated, comprehensive book on this legendary American doll-maker and the company she founded in 1923, is also the first ever produced with the co-operation of the Alexander Doll Company and Madame Alexander's family. The magnificent book features a rich compilation of lavish, never-before-seen photographs, which bring to life the magical legacy of Madame Alexander. Collectors of both historical and contemporary dolls will be enthralled by the all-new colour photography of 758 mint dolls dating from 1930-1998.
