51 Great Books You Should Have Read (and Probably Didn't) Walsh Simple words have had the most profound effect on the world - its history, literature, art, science, religion and economics. To know and to have read the great masters is to understand and appreciate the complex interaction of world events as the unfolded. 51 Great Books You Should Have Read (and Probably didn't) is the first attempt to organize the great literature, both fiction and non-fiction, in such a way as to demonstrate their world-wide impact. This invaluable book is a selection of 51 seminal works and a fascinating peep into the beliefs, teachings and thought-processes of some of the greatest and the finest minds who ever walked this planet. Every attempt has been made to introduce readers to books and literature that is international in scope and spans the centuries. The works included are from Homer's The Iliad, Plato's The Republic and Mahabharata to Nelson Mandela's The Long Walk to Freedom and Alan Turing's On Computable Numbers. The works chosen are not necessarily the most famous - nor are their authors. Rather, they are world literature masterpieces that every educated individual should have at least some familiarity with. In a few short

pages, you will learn about the authors, their background and influences, as well as a good deal about the works themselves. In many ways this is a very sophisticated book with many important topics - but it is presented in an easy-to-read reference style. While not being simplistic by any means, every effort has been made to ensure basic understanding of the authors and their works. Do remember that the book has attempted to channel some of the greatest minds and the greatest works into a few pages - which is a trick in itself! Nevertheless, readers will get a treat of their intellectual lifetimes when they begin sampling the many and the variety of writers and books.

**The Complete Fairy Tales and Stories** Hans Christian Andersen 2011-01-26 This definitive collection of work from Hans Christian Andersen—one of the immortals of world literature—not only includes his own notes to his stories but is the only version available in trade paperback that presents Andersen's fairy tales exactly as he collected them in the original Danish edition of 1874. Recognizing the literary merit of Andersen's own simple colloquial language, which Victorian translators and their imitators very often altered to sentimentalize or vulgarize, translator Erik Haugaard has remained faithful to the original text. The fairy tales Hans Christian Andersen wrote, such as "The Snow Queen," "The Ugly Duckling," "The Red Shoes," and "The Nightingale," are remarkable for their sense of fantasy, power of description, and acute sensitivity, and they are like no others written before or since. Unlike the Brothers Grimm, who collected and retold folklore, Andersen adopted the most ancient literary forms of the fairy tale and the folktale and distilled them into a genre that was uniquely his own.

90 Masterpieces You Must Read (Vol.1) Walt Whitman 2020-05-01 Invest your time in reading the true masterpieces of world literature, the greatest works by the masters of their craft, the revolutionary works, the timeless classics and the eternally moving storylines every person should experience in their lifetime: Leaves of Grass (Walt Whitman) Siddhartha (Herman Hesse) Middlemarch (George Eliot) The Madman: His Parables and Poems (Kahlil Gibran) Ward No. 6 (Anton Chekhov) Moby-Dick (Herman Melville) The Picture of Dorian Gray (Oscar Wilde) Crime and Punishment (Fyodor Dostoevsky) The Overcoat (Gogol) Ulysses (James Joyce) Walden (Henry David Thoreau) Hamlet (Shakespeare) Romeo and Juliet (Shakespeare) Macbeth (Shakespeare) The Waste Land (T. S. Eliot) Odes (John Keats) The Flowers of Evil (Charles Baudelaire) Ivanhoe (Sir Walter Scott) Robinson Crusoe (Daniel Defoe) Little Women (Louisa May Alcott) Pride and Prejudice (Jane Austen) Emma (Jane Austen) Jane Eyre (Charlotte Brontë) Wuthering Heights (Emily Brontë) Lorna Doone (R.D. *The Masterpiece* Fiona Davis 2018-08-07 In this captivating novel, New York Times bestselling author Fiona Davis takes readers into the glamorous lost art school within Grand Central Terminal, where two very different women, fifty years apart, strive to make their mark on a world set against them. For most New Yorkers, Grand Central Terminal is a crown jewel, a masterpiece of design. But for Clara Darden and Virginia Clay, it represents something quite different. For Clara, the terminal is the stepping stone to her future. It is 1928, and Clara is teaching at the lauded Grand Central School of Art. Though not even the prestige of the school can override the public's disdain for a "woman artist," fiery Clara is single-minded in her quest to achieve every creative success—even while juggling the affections of two very different men. But she and her bohemian friends have no idea that they'll soon be blindsided by the looming Great Depression...and that even poverty and hunger will do little to prepare Clara for the greater tragedy yet to come. By 1974, the terminal has declined almost as sharply as Virginia Clay's life. Dilapidated and dangerous, Grand Central is at the center of a fierce lawsuit: Is the once-grand building a landmark to be preserved, or a cancer to be demolished? For Virginia, it is simply her last resort. Recently divorced, she has just

accepted a job in the information booth in order to support herself and her college-age daughter, Ruby. But when Virginia stumbles upon an abandoned art school within the terminal and discovers a striking watercolor, her eyes are opened to the elegance beneath the decay. She embarks on a quest to find the artist of the unsigned masterpiece—an impassioned chase that draws Virginia not only into the battle to save Grand Central but deep into the mystery of Clara Darden, the famed 1920s illustrator who disappeared from history in 1931.
