[58 Minutes \(Basis for the Film Die Hard 2\)](#) Walter Wager 2013-02-18 After Die Hard blew the doors off movie theaters, there was no doubt that Bruce Willis's one-man-army of a cop would hit the big screen again, even harder. And Die Hard 2 made it happen—doubling down on the explosive action. And just like the original blockbuster, the sensational sequel leaped from the pages of a suspense master's pulse-pounding novel... A massive blizzard has shut down nearly every East Coast airport, stranding travelers on the ground and in the air. But those circling the skies above New York's Kennedy Airport have far more to worry about than missed connections. When the control tower's radar suddenly goes dark, a

mysterious caller known only as “Number One” announces that the countdown to terror has begun. Nineteen planes, and their helpless passengers, are now airborne hostages—in the ruthless hands of a dangerous man on a deadly mission. And if the U.S. government doesn’t bow to his demands, hell will rain from above as one jetliner after another exhausts its fuel... and plunges to earth. With only 58 minutes between life and death, there may be nothing anyone can do...except one New York City cop, with nerves of steel, attitude to burn, and a reputation for being hard on crime—and even harder to kill.

A Christmas Story Jean Shepherd 2010-10-27 A beloved, bestselling classic of humorous and nostalgic Americana—the book that inspired the equally classic Yuletide film and the live musical on Fox. The holiday film *A Christmas Story*, first released in 1983, has become a bona fide Christmas perennial, gaining in stature and fame with each succeeding year. Its affectionate, wacky, and wryly realistic portrayal of an American family's typical Christmas joys and travails in small-town Depression-era Indiana has entered our imagination and our hearts with a force equal to *It's a Wonderful Life* and *Miracle on 34th Street*. This edition of *A Christmas Story* gathers together in one hilarious volume the gems of autobiographical humor that Jean Shepherd drew upon to create this enduring film. Here is young Ralphie Parker's shocking discovery that his decoder ring is really a device to promote Ovaltine; his mother and father's pitched battle over the fate of a lascivious leg lamp; the unleashed and unnerving savagery of

Ralphie's duel in the show with the odious bullies Scut Farkas and Grover Dill; and, most crucially, Ralphie's unstoppable campaign to get Santa—or anyone else—to give him a Red Ryder carbine action 200-shot range model air rifle. Who cares that the whole adult world is telling him, “You'll shoot your eye out, kid”? The pieces that comprise *A Christmas Story*, previously published in the larger collections *In God We Trust*, *All Others Pay Cash* and *Wanda Hickey's Night of Golden Memories*, coalesce in a magical fashion to become an irresistible piece of Americana, quite the equal of the film in its ability to warm the heart and tickle the funny bone.
