Carnet de bal (3) Marc Lambron 2011-05-18 Qui n'est pas invité au bal de Marc Lambron ? Le chroniqueur le plus étincelant de Paris nous enchante avec ses carnets de bal où l'observation du monde le dispute à l'érudition. Une foule se presse à l'entrée de ce bloc-notes : voici Kate Moss « dont la bouche imite le canapé Mae West dessiné par Dali », Andrée Putman, « un faux air de George Sand coiffée par Carita », Richard Avedon, « un écrivain dont la plume était la lumière », Michael Jackson, « même les enfants ont un jour 50 ans », et du passé surgissent Rubirosa, « le sextoy aux mille fortunes », Françoise Sagan, l'Irrégulière Romy Schneider, Louis Malle, Yves Saint Laurent, tant d'autres, des fêtes, des lieux, des larmes aussi, car beaucoup, qui figurent ici, nous ont quittés. Un portrait de notre époque tout en strass.

Cici's Journal Joris Chamblain 2017-11-07 Cici dreams of being a novelist. Her favorite subject: people, especially adults. She's been watching them and taking notes. Everybody has one special secret, Cici figures, and if you want to write about people, you need to understand what's hiding inside them. But now she's discovered something truly strange: an old man who disappears into the forest every Sunday with huge pots of paint in all sorts of colors. What is he up to? Why does he look so sad when he comes back? In a graphic novel interwoven with journal notes, scrapbook pieces, and doodles, Cici assembles clues about the odd and wonderful people she's uncovered, even as she struggles to understand the mundane: her family and friends.

Georges Auric Colin Roust 2020-04-01 Jean Cocteau, Erik Satie, Moulin Rouge - the names popularly associated with film composer Georges Auric's career conjure visions of a distant and glamorous early twentieth-century Parisian art world. Auric wrote well over 100 film scores, including the soundtrack for Roman Holiday, and was notably affiliated with Les Six, a group of French composers reacting to the musical establishment of the 1920s. But Auric's life and work spanned far beyond this limited sphere. A lifelong involvement in politics - from his leftism during the Popular Front years of the 1930s to his significant role in the French Communist Party's musical resistance of the 1940s - heavily influenced his sound and aesthetic. His advocacy on behalf of his fellow musicians led him into the fight for fair copyright laws, initially in France and then worldwide. And over the course of a seven-decade-long career, Auric took on roles as diverse as music critic, opera director, and arts administrator, revealing a deep involvement in his country's musical life that makes the label of "composer" seem inadequate. The first English-language biography of Auric, *Georges Auric: A Life in Music and Politics* rethinks the conventional ideas of what it means to be a composer. Drawing from an astonishing three dozen untapped archives, including the private archives of Auric's widow, author Colin Roust presents a picture of Auric that is as multifaceted as the man's career. Using Auric's life as a lens, Roust reveals the transforming role of music - and the composer - in twentieth-century society.

The Negro Motorist Green Book Victor H. Green The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

McCartney songs with first-person commentaries on his life and music. Spanning two alphabetically arranged volumes, these commentaries reveal how the songs came to be and the people who inspired them: his devoted parents, Mary and Jim; his songwriting partner, John Lennon; his “Golden Earth Girl,” Linda Eastman; his wife, Nancy McCartney; and even Queen Elizabeth, among many others. Here are the origins of “Let It Be,” “Lovely Rita,” “Yesterday,” and “Mull of Kintyre,” as well as McCartney’s literary influences, including Shakespeare, Lewis Carroll, and Alan Durband, his high-school English teacher. With images from McCartney’s personal archives—handwritten texts, paintings, and photographs, hundreds previously unseen—The Lyrics, spanning sixty-four years, becomes the definitive literary and visual record of one of the greatest songwriters of all time.
