**The New York Times Lazy Weekend Crossword Puzzle Omnibus** Will Shortz 2005-06 "The New York Times" and its crossword puzzle editor bring readers this volume, overflowing with 200 selected crosswords from the pages of the "Times," puzzles free of the obscure trivia of older crosswords, and full of modern, fresh vocabulary and fun wordplay.

*Dead Man's Puzzle* Parnell Hall 2009-04-14 Sherry is off on her honeymoon when Chief Harper comes to Cora Felton, asking her to solve a crossword puzzle found on the body of Old Man Overmeyer. Small problem. Cora is the Milli Vanilli of cruciverbalists. Her niece, Sherry, writes the crossword puzzle column for her. Cora pokes into Overmeyer's death, hoping to prove he died of natural causes. She learns the cranky hermit was the sole surviving member of a forty-year-old stock pooling agreement, and before she can say "capital gain," the town is full of heirs. Complicating things is Sherry's ex-husband, Dennis, who is playing detective in the hopes of impressing his ex-wife. With Sherry out of town, her restraining order against him is moot, and he is taking full advantage of the fact. With *Dead Man's Puzzle*, Parnell Hall delivers another stellar, puzzle-packed entry in his entertaining *Puzzle Lady* series.

**And a Puzzle to Die On** Parnell Hall 2013-05-22 When nerdy cruciverbalist Harvey Beerbaum throws a birthday bash for Cora Felton at the Bakerhaven Library, it's no surprise that the centerpiece, a huge cake decorated like a crossword puzzle, is a complete bust--until a corpse thrown from the second floor stacks hits it dead center and fills in 14 down. Cora may hate birthdays almost as much as she hates crossword puzzles--but when it comes to solving crimes, no one can hold a candle to the *Puzzle Lady*.

Hague Girls Part One: Fleeing Ewurabena Ewurabena 2021-12-03 After being targeted by a coordinated campaign of threats and media harassment, Ewurabena was forced to flee Ghana with her young family. But the last thing she expected was for President Obama to endorse the journalist behind it all.

More Mathematical Puzzles of Sam Loyd Sam Loyd 1960-01-01 Second collection of amusing, thought-provoking problems and puzzles from the "Cyclopedia." *Charley Harper - Tree of Life* Pomegranate Communications, Inc. 2012-09-01

**Puzzled to Death** Parnell Hall 2011-02-02 Miss Cora Felton, the eccentric amateur detective better known as the Puzzle Lady, likes nothing better than to solve a good mystery—and this time she’s got a killer on her hands. What isn’t puzzling is why critics agree that “Cora is emerging as a lovable and unique sleuth” (Chicago Sun-Times) in “a fun series for mystery fans and cruciverbalists” (USA Today). Bakerhaven, Connecticut, seems like the ideal place to host a charity crossword-puzzle tournament—after all, the town is home to Cora Felton, the beloved puzzle columnist known as the Puzzle Lady. A slew of celebrity contestants are on the way. And the locals have been invited to challenge the veteran puzzlers head-on. But soon the town’s attention is fixated on something far more controversial than crosswords...when the body of the town tart is discovered lying dead on her kitchen floor. Before anyone can stop her, Cora is hot on the trail of the truth, interviewing nosy neighbors, digging up dirt, and drawing out a lonely recluse who just may hold the key to cracking the crime. But will she solve the case before the contest comes to a deadly end? Cora once again proves that sleuthing spells S-U-S-P-E-N-S-E-up, across, and down!

### The Minnesota Horticulturist 1911

**A Puzzle to Be Named Later** Parnell Hall 2017-01-17 "The Puzzle Lady couldn't be happier. Matt Greystone, the rookie sensation who just signed a huge contract with the Yankees after coming to the team as the player to be named later in a trade with the Diamondbacks, winning 17 games as a starting pitcher, was coming to town to rehab from an arm injury. A diehard Yankee fan, Cora was delighted when Matt invited her to a weekend pool party. On the plus side, she got to meet Derek Jeter. On the minus side, she had to solve a puzzle (that was also named later) and a couple of the guests got killed"--

### **Proceedings** Bristol Naturalists' Society (Bristol, England) 1899

**The Canterbury Puzzles** H. E. Dudeney 2002-10-01 This book includes 110 puzzles, not as individual problems but as incidents in connected stories. The first 31 are amusingly posed by pilgrims in Chaucer's Canterbury Tales. Additional puzzles are presented using different characters. Many require only the ability to exercise logical or visual skills; others offer a stimulating challenge to the mathematically advanced.

*The Purloined Puzzle* Parnell Hall 2018-03-13 Amateur sleuth and crossword impresario Cora Felton is asked to solve a puzzle, only to find that it's been stolen - and a murder weapon has been left in its place. Now it's up to the Puzzle Lady to figure out what really happened.

### **Report of the Minnesota State Horticultural Society 1911**

**With This Puzzle, I Thee Kill** Parnell Hall 2004-09-28 Crime, cryptograms, and killer conundrums abound for the Puzzle Lady in the fourth installment of the series USA Today raves is “a fun series for mystery fans and cruciverbalists!” It looks like wedding bells again for the much-married Cora Felton when distinguished widower Raymond Harstein III moves into town and makes a play for the Puzzle Lady. That is, it does until the mail brings puzzling cryptograms, which, when deciphered, warn Cora off the match. Or do they? As the puzzles keep coming, a killer’s game must be played in earnest, and it’s up to the Puzzle Lady to solve the riddle—if anyone is going to live to make it to the altar!

Mystery Women, Volume Three (Revised) Colleen Barnett 2010-12-31 Like other fictional characters, female sleuths may live in the past or the future. They may represent current times with some level of

reality or shape their settings to suit an agenda. There are audiences for both realism and escapism in the mystery novel. It is interesting, however, to compare the fictional world of the mystery sleuth with the world in which readers live. Of course, mystery readers do not share one simplistic world. They live in urban, suburban, and rural areas, as do the female heroines in the books they read. They may choose a book because it has a familiar background or because it takes them to places they long to visit. Readers may be rich or poor; young or old; conservative or liberal. So are the heroines. What incredible choices there are today in mystery series! This three-volume encyclopedia of women characters in the mystery novel is like a gigantic menu. Like a menu, the descriptions of the items that are provided are subjective. Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3. These are more recently discovered sleuths who were introduced during the period from January 1, 1990 to December 31, 1999. This more than doubles the number of sleuths introduced in the 1980s (298 of whom were covered in Volume 2) and easily exceeded the 347 series (and some outstanding individuals) described in Volume 1, which covered a 130-year period from 1860-1979. It also includes updates on those individuals covered in the first edition; changes in status, short reviews of books published since the first edition through December 31, 2008.

*American Agriculturist* 1865

*You Have the Right to Remain Puzzled* Parnell Hall 2008-12-10 When Benny Southstreet, a small-time hustler with a big-time gift for constructing crosswords, accuses Cora of stealing one of his creations, it's clearly a case of mistaken identity...until Cora's own attorney files a plagiarism suit against her. To add to the enigma, when Benny is found dead, the police charge Cora with his murder! At the heart of the matter is the not-so-little white lie Cora has been living for years: assuming the grandmotherly public face of her publicity-shy niece Sherry, who designs crossword puzzles and publishes them under Cora's name—aka the Puzzle Lady. It turns out that Sherry's and Benny's cruciverbalist paths had recently crossed, resulting in the current incriminating conundrum. As if Sherry's wedding engagement jitters and a nasty battle over missing antique chairs weren't enough to deal with, now Cora has to solve the ultimate mystery: how to keep the secret of her identity without losing her life. Because not only does all evidence point to Cora, but someone seems to want her dead. It looks like a riddle with no answer. Luckily for Cora and Sherry, that's their favorite kind!

**Puzzle Girl** Rachael Featherstone 2020-10-19 Love is a riddle, waiting to be solved... Clued-up career girl Cassy Brookes has life under control until one disastrous morning changes everything. When she finds herself stuck in a doctor's surgery, a cryptic message left in a crossword magazine sends her on a search to find the mysterious puzzle-man behind it. Cassy is soon torn between tracking down her elusive dream guy, and outwitting her nightmare workmate, the devious Martin. Facing a puzzling love-life, will she ever be able to fit the pieces together and discover the truth behind this enigmatic man? An uplifting and heartwarming romance, perfect for fans of Laura Jane Williams and Mhairi McFarlane. Praise for Puzzle Girl! Puzzle Girl is a fantastic debut. Sparklingly funny, original and brilliantly clever. It's a real treat. I loved it! Miranda Dickinson, Sunday Times bestselling author of *Take a Look at Me*

Now 'Hugely entertaining and well written, I loved this book.' Katie Fforde, Sunday Times bestselling author of *A Rose Petal Summer* 'Clever, funny and utterly engaging.' Jules Wake, author of *Covent Garden In the Snow*

Westlake and many others. This book's a killer! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*The Very Oldest Pear Tree* Nancy I. Sanders 2020-08-01 In the 1630s in the Massachusetts Bay Colony, a Puritan settler planted a pear tree—the first pear tree in America. More than a century later, the tree still bore fruit, impressing a famous poet and one of the first US presidents. The pear tree survived hurricanes, fire, and vandalism, and today, more than 350 years after it was first planted, it's alive and strong, and clones of it grow all around the US. This is the amazing true story of the Endicott Pear tree, and how it grew up with our nation.

Puzzled Indemnity Parnell Hall 2015-01-20 It's been a cold, lonely winter for Cora Felton. Long distance has cooled the Puzzle Lady's on-again-off-again affair with Sergeant Crowley, and the only case Chief Harper has for her to investigate is a routine liquor store robbery. So when attorney friend Becky Baldwin asks her to check out whether Brittney Wells' philandering husband is planning to kill her to collect on a million dollar, double indemnity insurance policy, Cora jumps at the chance. Cora has no problem tracking hubby to his love nest, but when Brittany refuses to believe he's cheating on her, Cora has to blackmail him to prove the affair. Before she can, a car bomb rocks the quiet streets of Bakerhaven, and the stakes escalate to murder. To save Becky's clueless client from the clutches of the law, Cora will manipulate a TV reporter, cast suspicion on an innocent man, crack crossword and Sudoku clues, solve the liquor store robbery, and enlist the aid of both Sergeant Crowley and his girlfriend in Parnell Hall's *Puzzled Indemnity*, this outrageous new entry in the *Puzzle Lady Mystery*

series featuring Sudoku by Will Shortz.

Are We Pears Yet? Miranda Paul 2017-09-19 Two seeds can't wait to be pears, but growing takes time and patience in this funny and informative picture book from Miranda Paul, the author of *Water is Water*. "When will we be pears?" —"After we find soil." "Hooray! We are going to be pears! Are we pears yet?" —"No! Just be patient and wait." Written entirely in dialogue and staged as a play, *Are We Pears Yet?* is a clever and hilarious informational picture book that will make you look at growth cycles and fruit trees in a whole new way. Carin Berger's artfully composed collaged stage sets will delight and amaze you.

*NYPD Puzzle* Parnell Hall 2014-01-21 When young attorney Becky Balwin hires Cora Felton to accompany her to New York City to meet a new client in his penthouse apartment, the Puzzle Lady jumps at the chance. Cora is just coming off a bad breakup, and finding out that Chief Harper testified at a parole hearing for a killer she helped put away has her feeling old. But when she and Becky arrive at the apartment, they find the man is dead. There's a puzzle on his chest, and a prowler is searching the bedroom. Cora pulls her gun and gets off a shot as the intruder ducks out the window. The NYPD now think Cora is the murderer. Getting her off should be a breeze for Becky, but when the fatal bullet is too badly damaged to identify, Cora is lucky to get out on bail. Meanwhile, a diabolical killer is leaving puzzle clues. If only they were just sudoku puzzles-Cora can't solve the crosswords without the help of her niece, Sherry, who's back in Bakerhaven taking care of her toddler. In order to clear her name, Cora must match wits with a gruff NYPD homicide sergeant who is quite attractive, except for the fact that he suspects her of murder. *NYPD Puzzle* is a clever mystery, boasting madcap hijinks as well as fun puzzles. Mystery readers will thoroughly enjoy this latest from acclaimed author Parnell Hall.

**Stalking the Puzzle Lady** Parnell Hall 2006-08-29 Puzzle Lady Cora Felton is confronted by a stalker who is using her own crossword column to follow her every move, a situation complicated by her niece Sherry's domestic crisis involving her ex-husband and new bride, as she races against time to unmask a killer. Reprint.

**St. Nicholas** 1920

**Arsenic and Old Puzzles** Parnell Hall 2013-01-22 The Puzzle Lady embarks on another adventure involving one classic movie and featuring new puzzles by Will Shortz When an elderly boarder at a Bakerhaven bed-and-breakfast drops dead during afternoon tea, there's nothing particularly suspicious about it—except for the Sudoku in his jacket pocket. But when a second body turns up in the window seat and an autopsy shows both men were poisoned with elderberry wine, the Puzzle Lady suspects she's dealing with a cold-blooded killer who for some reason is copying the Cary Grant movie *Arsenic and Old Lace*, in which two old ladies who run a boarding house poison elderly widowers and bury them in the basement. More murders, more puzzles, and a grave dug in the cellar seem to cement the theory. Ordinarily, Cora would eat a case like this for breakfast, but for once she can't figure it out. And she's not sure if the clues don't add up, or if the much-married Puzzle Lady is just distracted by being involved in her first romantic entanglement in years. *Arsenic and Old Puzzles* is filled with laughs, mayhem, and fun new puzzles by Will Shortz. Mystery and puzzle fans will find much to enjoy in this latest treat from Parnell Hall.

*A Shot Rang Out* Jon L. Breen 2008-09-08 A collection of mystery criticism and essays from the reviewer of books for *Ellery Queen Magazine*. Jon Breen is the worthy successor of Anthony Boucher and his

hundreds of reviews of books and authors is a must-have for all serious mystery fans. A Ramble House book

Parsonage in a Pear Tree Arlo T. Janssen 2009-01-29 Arlo Janssen, the author of PARSONAGE IN A PEAR TREE, writes about his being brought up in a small town in Minnesota in the 1930's and early 40's. The large family, of which he was number seven, lived in a parsonage, next to the church, where his father was the pastor. Though the family was poor, humor abounded in their home life. They were able to smile in virtually all circumstances. The title of the book comes from their singing, as a joke, the "Twelve Days of Christmas" with the words, "And a Parsonage In a Pear Tree." The book contains episodes and information from the life of the children in the family, especially the youngest. Arlo, number seven of ten siblings, was "the oldest of the youngest." Some episodes are touching; some are humorous; all are interesting. People who have been brought up in small towns say, when they read the book, that they can identify with almost everything. PARSONAGE IN A PEAR TREE is not Christian book, as such; however, it definitely has a heartwarming Christian message in various chapters. The Janssens were all committed Lutheran Christians.

Includes reports of meetings.

\$10,000 in Small, Unmarked Puzzles Parnell Hall 2012-01-31 Stumbling over a murder scene while making a blackmail payment for a young attorney, Cora Felton's efforts to solve the crime put her in the path of a psychological killer who would target her niece and her niece's new baby. By the Edgar- and Shamus Award-nominated author of *The KenKen Killings*.

**The Canterbury Puzzles** Henry Ernest Dudeney 1908

A Puzzle in a Pear Tree Parnell Hall 2003-11-04 The Chicago Sun-Times crowns Parnell Hall's Puzzle Lady mysteries "a joy for lovers of both crosswords and frothy crime detection...Cora Felton is a lovable and unique sleuth." Now the crime-solving powers of the inimitable Cora and her clever niece, Sherry Carter, are put to the ultimate test as they square off against a yuletide killer who hides within the white-and-black shadows of an acrostic.... A Puzzle In A Pear Tree 'Tis the season to be jolly, but Cora Felton, shanghai'd into "The Twelve Days of Christmas" as a most reluctant maid-a-milking, has every right to feel like a grinch. When someone steals the partridge from the pear tree and replaces it with a cryptic puzzle she has no hope of solving, it's almost more than the Puzzle Lady can bear. But then smug crossword creator Harvey Beerbaum solves the acrostic, and it turns out to be a poem promising the death of an actress. This is more like it! Could the threat be aimed at Cora and her thespian debut? Or at Sherry, one of the ladies-dancing? Or at Sherry's nemesis, the pageant's predatory lead, Becky Baldwin? Cora and Sherry barely have time for a mystery, what with trimming Christmas trees and buying Christmas presents, but rehearsals go on, under police protection--until a killer strikes elsewhere in a most unexpected manner. Ordinarily Cora Felton would be delighted to have two murders to solve. But this time she finds herself vying with a visiting Scotland Yard inspector who appears to have an all-too-personal stake in solving the crimes. Cora does too when her own niece becomes a prime suspect and the murderer strikes again. Is someone trying to shut down the Christmas pageant? Cora would be only too happy if that were the case, but she fears the secrets lie deeper. Now she is interviewing witnesses, breaking into motel rooms, finding evidence, planting evidence, and having a merry old time. In fact, she would be perfectly happy--if this wasn't turning out to be a Christmas to die for!

*Lantern Puzzle* Ye Chun 2015-02-01 Poetry. Asian American Studies. Berkshire Prize for First or Second Book, chosen by D. A. Powell. Entranced by time and location and the body's longings, this is a book of self-translation. Each poem has gone through a transmigration process, as the poet negotiates between her native Chinese and her adopted English, attempting to condense, distill, and expand seeing and understanding.

*A Clue for the Puzzle Lady* Parnell Hall 2011-02-02 Cruciverbalists, rejoice!!! Pick up a pencil and get ready to solve the puzzle--and a puzzling murder--in this lively debut of a unique amateur detective, Miss Cora Felton, the reigning queen of crosswords. Cora's an eccentric old lady with a nationally syndicated puzzle column, an irresistible urge to poke into unsettling events, and a niece who's determined to keep her out of trouble. In a slyly amusing and wickedly suspenseful mystery, this delightful heroine takes her first crack at playing sleuth. Only this isn't fun and games....It's murder. Violent crime is rare in tiny Bakerhaven. When the body of an unknown teenage girl turns up in the local cemetery, Police Chief Dale Harper finds himself investigating his first homicide. Nothing about this case is straightforward. Even a thorough search of the crime scene fails to reveal who she was, the murder weapon, or why the killer left her body in a graveyard minus her shoes. A cryptic message on a scrap of paper she carried seems to be a crossword puzzle clue. Could it have been left by the killer? If so, what does it mean? Fortunately for Harper, Bakerhaven is the new home of Miss Cora Felton, the famed "Puzzle Lady" herself, whose popular crossword puzzle column graces newspapers nationwide. Yet bringing Cora Felton into this case could be his most costly mistake. For though she may look like someone's sweet old grandmother, behind those twinkling eyes and that slightly mysterious smile lies a woman with a whopping secret...and some hidden vices. What's worse, one whiff of mystery turns Miss Felton into a modern-day Miss Marple. Now Cora is snooping through crime scenes, questioning witnesses, and gaining a lot of unwanted attention. It's just the sort of meddling, mischief-making behavior that drives Chief Harper to distraction and inspires many cross words from her long-suffering niece Sherry. But when another body turns up in a murder that hits much closer to home, Cora must find a killer--before she winds up in a black box three feet across...and six down. A delicious brew of colorful characters, irresistible intrigue, and dazzling plot twists, Parnell Hall's *A Clue for the Puzzle Lady* is just what a mystery should be--a generous helping of fun and a puzzle that never fails to surprise and entertain.

*A Puzzle in a Pear Tree* Parnell Hall 2007-12-18 The Chicago Sun-Times crowns Parnell Hall's *Puzzle Lady* mysteries "a joy for lovers of both crosswords and frothy crime detection...Cora Felton is a lovable and unique sleuth." Now the crime-solving powers of the inimitable Cora and her clever niece, Sherry Carter, are put to the ultimate test as they square off against a yuletide killer who hides within the white-and-black shadows of an acrostic.... *A Puzzle In A Pear Tree* 'Tis the season to be jolly, but Cora Felton, shanghaied into "The Twelve Days of Christmas" as a most reluctant maid-a-milking, has every right to feel like a grinch. When someone steals the partridge from the pear tree and replaces it with a cryptic puzzle she has no hope of solving, it's almost more than the *Puzzle Lady* can bear. But then smug crossword creator Harvey Beerbaum solves the acrostic, and it turns out to be a poem promising the death of an actress. This is more like it! Could the threat be aimed at Cora and her thespian debut? Or at Sherry, one of the ladies-dancing? Or at Sherry's nemesis, the pageant's predatory lead, Becky Baldwin? Cora and Sherry barely have time for a mystery, what with trimming Christmas trees and buying Christmas presents, but rehearsals go on, under police protection--until a killer strikes elsewhere in a most unexpected manner. Ordinarily Cora Felton would be delighted to have two murders to solve. But this time she finds herself vying with a visiting Scotland Yard inspector who appears to have an all-too-personal stake in solving the crimes. Cora does too when her own niece becomes a prime suspect and the murderer strikes again. Is someone trying to shut down the Christmas

pageant? Cora would be only too happy if that were the case, but she fears the secrets lie deeper. Now she is interviewing witnesses, breaking into motel rooms, finding evidence, planting evidence, and having a merry old time. In fact, she would be perfectly happy--if this wasn't turning out to be a Christmas to die for!

*Presumed Puzzled* Parnell Hall 2016-01-19 "Jessica Fletcher meets Groucho Marx!"—RT BookReviews A shocking crime of passion has Bakerhaven buzzing! In Parnell Hall's *Presumed Puzzled*, the Puzzle Lady gets more than she bargained for when she's hired to track down Paula Martindale's straying husband. She finds him, all right—hacked to pieces on his living room rug, while his blood-drenched wife haunts the crime scene clutching a butcher knife. It's a tough spot for attractive young attorney Becky Baldwin. Paula is presumed innocent until proven guilty, but try to find one juror who's going to think so. It's up to Cora to find the evidence to save the day. She has just two problems: She's a witness for the prosecution, and every bit of evidence she finds in Paula's favor, from crossword puzzles to Sudoku to alibi witnesses, tends to indicate that Cora herself is the killer!
