The Running Dream Wendelin Van Draanen 2012-01-10 When Jessica is told she’ll never run again, she puts herself back together—and learns to dream bigger than ever before. The acclaimed author of *Flipped* delivers a powerful and healing story. Jessica thinks her life is over when she loses a leg in a car accident. She’s not comforted by the news that she’ll be able to walk with the help of a prosthetic leg. Who cares about walking when you live to run? As she struggles to cope, Jessica feels that she’s both in the spotlight and invisible. People who don’t know what to say act like she’s not there. Jessica’s embarrassed to realize that she’s done the same to a girl with CP named Rosa. A girl who is going to tutor her through all the math she’s missed. A girl who sees right into the heart of her. With the support of family, friends, a coach, and her track teammates, Jessica may actually be able to run again. But that’s not enough for her now. She doesn’t just want to cross finish lines herself—she wants to take Rosa with her. “Inspirational. The pace of Van Draanen’s prose matches Jessica’s at her swiftest. Readers will zoom through the book just as Jessica blazes around the track. A lively and lovely story.” —Kirkus Reviews

Address Terms in the Modern Dramas "Ruined" and "A Raisin in the Sun". Main Characters Addressing Other Characters Kamal Hussein 2021-03-02 Academic Paper from the year 2021 in the subject English Language and Literature Studies - Literature, University of Mosul (University of Mosul/ Iraq), language: English, abstract: This is a pragmatic study that explores the relationship between language and society. The study aims to analyse the phenomenon called address-terms performed by the main characters in the selected English dramas "Ruined" and "A Raisin in the Sun". This study has four main objectives. It wants to detect the main types of addressing-terms used by the characters in these dramas as well as their functions. Furthermore, it analyses the factors affecting their selection by the characters and the difference between the two genres, modern and classical, and effect in using the address-terms. The theoretical framework that has been employed in the data-analysis is the "Communication Accommodation Theory". The type of adjustment whether convergence or divergence as well as the way its components affect the communication, and the strategies that are used for adjusting are analysed. This study employs the mixed content-analysis method since the data underlying the study are books and documents. Moreover, the findings are presented in the narrative form and tables with numbers and percentages to support the analysis. The results show the great connection between the address terms that are used, the "Communication Accommodation Theory", and the themes of the two plays.

Rosencrantz and Guildenstern Are Dead Tom Stoppard 2007-12-01 Acclaimed as a modern dramatic masterpiece, *Rosencrantz & Guildenstern are Dead* is the fabulously inventive tale of Hamlet as told from the worm's-eye view of the bewildered Rosencrantz and Guildenstern, two minor characters in Shakespeare's play. In Tom Stoppard's best-known work, this Shakespearean Laurel and Hardy finally get a chance to take the lead role, but do so in a world where echoes of *Waiting for Godot* resound, where reality and illusion intermix, and where fate leads our two heroes to a tragic but inevitable end. Tom Stoppard was catapulted into the front ranks of modern playwrights overnight when *Rosencrantz and Guildenstern Are Dead* opened in London in 1967. Its subsequent run in New York brought it the same enthusiastic acclaim, and the play has since been performed numerous times in the major theatrical centers of the world. It has won top honors for play and playwright in a poll of London Theater critics, and in its printed form it was chosen one of the "Notable Books of 1967" by the American Library Association.

account of Tupac Shakur's life and legacy, timed to the fiftieth anniversary of his birth and twenty-fifth anniversary of his death. In the summer of 2020, Tupac Shakur's single "Changes" became an anthem for the worldwide protests against the murder of George Floyd. The song became so popular, in fact, it was vaulted back onto the iTunes charts more than twenty years after its release—making it clear that Tupac's music and the way it addresses systemic racism, police brutality, mass incarceration, income inequality, and a failing education system is just as important now as it was back then. In *Changes*, published to coincide with the fiftieth anniversary of Tupac's birth and twenty-fifth anniversary of his death, Sheldon Pearce offers one of the most thoughtful and comprehensive accounts yet of the artist's life and legacy. Pearce, an editor and writer at *The New Yorker*, interviews dozens who knew Tupac throughout various phases of his life. While there are plenty of bold-faced names, the book focuses on the individuals who are lesser known and offer fresh stories and rare insight. Among these are the actor who costarred with him in a Harlem production of *A Raisin in the Sun* when he was twelve years old, the high school drama teacher who recognized and nurtured his talent, the music industry veteran who helped him develop a nonprofit devoted to helping young artists, the Death Row Records executive who has never before spoken on the record, and dozens of others. Meticulously woven together by Pearce, their voices combine to portray Tupac in all his complexity and contradiction. This remarkable book illustrates not only how he changed during his brief twenty-five years on this planet, but how he forever changed the world.

Womanism in Lorraine Vivian Hansberry's "A Raisin in the Sun" - Beneatha and the Triple Oppression of African American Women Antje Bernstein 2007-04-04 Seminar paper from the year 2006 in the subject American Studies - Literature, grade: 1,0, Ernst Moritz Arndt University of Greifswald, 19 entries in the bibliography, language: English, abstract: The question of discrimination has been an important issue ever since. In history there have always been human beings that were considered to be inferior to others. There are many reasons that caused people to consider other people to be less valuable and consequently made them think that these people can and have to be treated in a different, mostly unfair way due to their not belonging to the dominant majority. The most prominent forms of discrimination are due to racial, sexual, and social differences. If a person does not fit into the predominating norms

he or she is often regarded as being no equal member of the society to which he or she belongs. Such people often try to assimilate into the society that oppresses them and adjust to the dominant majority as much as possible. But since there has been discrimination there have always been people who would not let anybody force them to be an outcast. They do not want to deny who and what they are and they struggle to be accepted and respected like everybody else. That is why whole movements like the Civil Rights Movement or the Women's Movement evolved in the United States of America to improve the situation of discriminated people and put an end to their subordinate roles within their society. Black feminists or womanists are the ones that deal with the discrimination of black women in particular. The struggles of African American women for equality can not only be seen in everyday life but in literary texts as well. Although the term womanism was not coined until the 1980's, the "concept" of black feminism had of course appeared in many literary works before that time. An example for that is Lorraine Hansberry's award-winning play *A Raisin in the Sun*. The drama about an African American working class family, which comes to money, is a portrait of a typical black family, their dreams, and their struggles to realise these dreams. One of these family-members is Beneatha – a young, black woman who has to assert herself over the values of her family and the prejudices of her society. Although the play addresses several topics like the "[...] value systems of the black family; concepts of African American beauty and identity; class and generational conflicts; the relationships of husbands and wives, black men and women [and] feminism [...]" (Hansberry 1994, p.6), it will be the aim of this term paper to focus on black feminism and Beneatha's struggles within the play in particular. Natasha: I'm a girl who believes in science and facts. Not fate. Not destiny. Or dreams that will never come true. I'm definitely not the kind of girl who meets a cute boy on a crowded New York City street and falls in love with him. Not when my family is twelve hours away from being deported to Jamaica. Falling in love with him won't be my story. Daniel: I've always been the good son, the good student, living up to my parents' high expectations. Never the poet. Or the dreamer. But when I see her, I forget about all that. Something about Natasha makes me think that fate has something much more extraordinary in store—for both of us. The Universe: Every moment in our lives has brought us to this single moment. A million futures lie before us. Which one will come true? *** "Beautifully crafted."--People Magazine "A book that is very much about the many factors that affect falling in love, as much as it is about the very act itself . . . fans of Yoon's first novel, *Everything Everything*, will find much to love—if not, more—in what is easily an even stronger follow up." –Entertainment Weekly "Transcends the limits of YA as

Saints, Sinners, Saviors T. Harris 2016-04-30 Saints, Sinners, Saviors: Strong Black Women in African American Literature posits strength as a frequently contradictory and damaging trait for black women characters in several literary works of the twentieth century. Authors of these works draw upon popular images of African American women in producing what they believe to be safe literary representations. Instead, strength becomes a problematic trait, at times a disease, in many characters in which it appears. It has a detrimental impact on the relatives and neighbors of such women as well as on the women themselves. The pattern of portraying women characters as strong in African American literature has become so pronounced that it has stifled the literature.

Montana 1948 Larry Watson 2010-08-01 The tragic tale of a Montana family ripped apart by scandal and murder: "a significant and elegant addition to the fiction of the American West" (Washington Post). In the summer of 1948, twelve-year-old David Hayden witnessed and experienced a series of cataclysmic events that would forever change the way he saw his family. The Haydens had been pillars of their small Montana town: David's father was the town sheriff; his uncle Frank was a war hero and respected doctor. But the family's solid foundation was suddenly shattered by a bombshell revelation. The Hayden's Sioux housekeeper, Marie Little Soldier, tells them that Frank has been sexually assaulting his female Indian patients for years—and that she herself was his latest victim. As the tragic fallout unravels around David, he learns that truth is not what one believes it to be, that power is abused, and that sometimes one has to choose between loyalty and justice. Theme Analysis: Lorraine Hansberry's "A Raisin in the Sun" Gabriel Sutton 2012-08-06 Essay from the year 2011 in the subject American Studies - Literature, The University of North Carolina at Wilmington, course: ENG 502, language: English, abstract: Lorraine Hansberry's Tony Award-nominated play, *A Raisin in the Sun*, spotlights the dreams and struggles of an African American family in mid-1950s Chicago. This was a time before affirmative action, when racial tensions were at their peak. Changes in public opinion and legislation were leading to race riots all over the nation. Through character relationships, dialogue and conflict, Lorraine Hansberry shows how classism, discrimination and gender roles inhibited minorities at the height of the Civil Rights Movement.

The theme of racism in Harper Lee's "To Kill a Mockingbird" Joe Wessh 2019-08-26 Seminar paper from the year 2019 in the subject Didactics - English - Literature, Works, grade: 4.1, , language: English, abstract: In Harper Lee's "To Kill a Mockingbird", the theme of racism is highlighted in various

interactions between the characters. The story is narrated through the eyes of the protagonist, Scout, who resides in a fictional town in Alabama named Maycomb with her father Atticus and brother Jem. In the novel, various aspects of the vice are depicted, mainly in the conflict between the whites and the African-American community. Most of the misunderstandings in the town are caused by stereotypes that are told by members of opposing races. Thus, the narration details how prejudices and injustices along racial lines can impede social harmony. The discrimination against individuals based on their race was a common phenomenon in the 1930s. In history, people of color, particularly the blacks, were not accepted in white society. The white majority exercised supremacy over the black minority, and the latter was mainly involved in manual labor.

immense physical, emotional, and logistical resources into the foundation of a viable first-rate West Indian theatre company and continuing to write his inimitable poetry, he was also busy writing newspaper reviews, chiefly for the Trinidad Guardian. His prodigious reviewing activity extended far beyond those areas with which one might most readily associate his interests and convictions. As Gordon Rohlehr once presciently observed, "If one wants to see a quotidian workaday Walcott, one should go back to [his] well over five hundred articles, essays and reviews on painting, cinema, calypso, carnival, drama and literature," articles which "reveal a rich, various, witty and scrupulous intelligence in which generous humour counterpoints acerbity." These articles capture the vitality of Caribbean culture and shed additional light on the aesthetic preoccupations expressed in Walcott's essays published in journals. The editors have examined the corpus of Walcott's journalistic activity from its beginnings in 1950 to its peak in the early 1970s, and have made a generous selection of material from the Guardian, along with occasional pieces from such sources as Public Opinion (Kingston) and The Voice of St. Lucia (Castries). The articles in Volume 2 are organized as follows: the performing arts; general surveys of anglophone Caribbean drama, theatre, and society; festivals, theatre companies, and productions; British and American drama; dance and music theatre; Carnival and calypso; and cinema screenings in Trinidad. Volume 2 additionally contains an exhaustive annotated and cross-referenced chronological bibliography of Walcott's journalism up to 1990. The co-editor Christopher Balme has written a searching introductory essay on a central theme – here, a survey of West Indian theatre and Walcott's engagement with it, particularly the idea of a 'National Theatre', coupled with an illustrative discussion of the playwright's seminal dramatic spectacle *Drums and Colours*.

A Taste of Honey Shelagh Delaney 2014-10-13 It's chaotic - a bit of love, a bit of lust and there you are. We don't ask for life, we have it thrust upon us. Written by Shelagh Delaney when she was nineteen, *A Taste of Honey* is one of the great defining and taboo-breaking plays of the 1950s. When her mother, Helen, runs off with a car salesman, feisty teenager Jo takes up with a black sailor who promises to marry her before he heads for the seas, leaving her pregnant and alone. Art student Geoff moves in and assumes the role of surrogate parent until misguidedly, he sends for Helen and their unconventional setup unravels. *A Taste of Honey* offers an explosive celebration of the vulnerabilities and strengths of the female spirit in a deprived and restless world. Bursting with energy and daring, this exhilarating and angry depiction of harsh, working-class life in post-war Salford is shot through with love and humour, and infused with jazz. The play was first presented by Theatre Workshop at the Theatre Royal Stratford, London, on 27 May 1958.
