The Prophet Kahlil Gibran 2021-01-08 The Prophet is a book of 26 prose poetry fables written in English by the Lebanese-American poet and writer Kahlil Gibran. It was originally published in 1923 by Alfred A. Knopf. It is Gibran's best known work. The Prophet has been translated into over 100 different languages, making it one of the most translated books in history, and it has never been out of print. The prophet, Al Mustafa, has lived in the city of Orphalese for 12 years and is about to board a ship which will carry him home. He is stopped by a group of people, with whom he discusses topics such as life and the human

condition. The book is divided into chapters dealing with love, marriage, children, giving, eating and drinking, work, joy and sorrow, houses, clothes, buying and selling, crime and punishment, laws, freedom, reason and passion, pain, self-knowledge, teaching, friendship, talking, time, good and evil, prayer, pleasure, beauty, religion, and death. Among the most significant works Kahlil Gibran: "Broken Wings", "The Madman", "The Earth Gods" , "The Garden of the Prophet".

The Remarkable Life of John Murray Spear John Benedict Buescher 2006 "In midlife Spear turned to the new revelation of spiritualism and came under the thrall of what he believed were spirit messages. Spear's spirits dictated that he and a small group of associates embark on plans for a perpetual motion machine, an electric ship propelled by psychic batteries, a vehicle that would levitate in the air, and a sewing machine that would work with no hands. As Buescher documents, Spear's spirit-guided efforts to harness technology to human liberation - sexual and otherwise - were far stranger than anyone outside his closest associates imagined, and were aimed at the eventual manufacturing of human beings and the improvement of the race. Buescher also examines the way in which Spear's story was minimized by his embarrassed fellow radicals. In the last years of his life, retired by the spirits and regarded by fellow Gilded Age progressives as a visitor from another age, if not another planet, Spear helped organize support for anarchist, socialist, peace, and labor causes."--BOOK JACKET.

Fifty Words for Rain Asha Lemmie 2021-06-08 A Good Morning America Book Club Pick and New York Times Bestseller! From debut author Asha Lemmie, "a lovely, heartrending story about love and loss, prejudice and pain, and the sometimes dangerous, always durable ties that link a family together." —Kristin Hannah, #1 New York Times–bestselling author of *The Nightingale* Kyoto, Japan, 1948. "Do not question. Do not fight. Do not resist." Such is eight-year-old Noriko "Nori" Kamiza's first lesson. She will not question why her mother abandoned her with only these final words. She will not fight her confinement to the attic of her grandparents' imperial estate. And she will not resist the scalding chemical baths she receives daily to lighten her skin. The child of a married Japanese aristocrat and her African American GI lover, Nori is an outsider from birth. Her grandparents take her in, only to conceal her, fearful of a stain on the royal pedigree that they are desperate to uphold in a changing Japan. Obedient to a fault, Nori accepts her solitary life, despite her natural intellect and curiosity. But when chance brings her older half-brother, Akira, to the estate that is his inheritance and destiny, Nori finds in him an unlikely ally with whom she forms a powerful bond—a bond their formidable grandparents cannot allow and that will irrevocably change the lives they were always meant to lead. Because now that Nori has glimpsed a world in which perhaps there is a place for her after all, she is ready to fight to be a part of it—a battle that just might cost her everything. Spanning decades and continents, *Fifty Words for Rain* is a dazzling epic about the ties that bind, the ties that give you strength, and what it means to be free.

Awareness Anthony De Mello 1990 Mixing Christian spirituality, Buddhist parables, Islamic sayings, Hindu breathing exercises, and psychological insight, spiritualist and Jesuit priest Anthony de Mello challenges readers to identify our most submerged, darkest feeling, accept them, not let them rule us, and allow this new awareness of ourselves to change us. Copyright © Libri GmbH. All rights reserved.

The Book of Lies Aleister Crowley 2018-01-23 Aleister Crowley's *The Book of Lies* is an important and complex work of occultism. Deciphering its many layers of hidden meaning requires a little patience and more than a beginner's knowledge of Thelema. For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth the effort. This new 2018 edition of *The Book of Lies* from Kismet Publishing restores all of Crowley's original text, including the important keys, sigils and diagrams often omitted from reprints.

The Abundance Book John Randolph Price 2014-01-02 Demonstrates that consciousness is the key to life, and that nothing is impossible, not even the manifestation of unlimited wealth and financial independence--also includes The 40-Day Prosperity Plan on CD, which will expand your consciousness and help you create a more abundant life. Original.

Who Would You Be Without Your Story? Byron Katie 2008-10-15 This book is a collection of 15 dialogues that occurred throughout the United States and Europe with Byron Katie. Some of the people who worked with Katie have painful illnesses, others are lovelorn or in messy divorces. Some are simply irritated with a co-worker or worried about money. What they all have in common is a willingness to question, with Katie's help, the painful thoughts that are the true cause of their suffering. In every case we see how Katie's acute mind and fierce kindness helps each person dismantle for themselves what is felt to be unshakable reality. Although these dialogues make fascinating reading—some are both hilarious and deeply moving at once—they are intended primarily as teaching tools. Each took place in front of an audience, and Katie never lost connection with that audience, repeatedly reminding each person in the room to follow the dialogues inwardly, asking themselves the questions the participant must ask. The dialogue between Katie and these volunteers is an external enactment of precisely the kind of dialogue each person can have with their own thoughts. The results, even in the seemingly most dire situation, can be unimagined freedom and joy.

The Line That Held Us David Joy 2019-07-09 An accidental death, and the cover-up that follows, sparks a dark series of events that reverberates through the lives of four people who will never be the same again. When Darl Moody went hunting after a monster buck, a kill that could make the difference between meat for the winter and an empty freezer, he never expected he'd accidentally shoot a man digging ginseng. Worse yet, he's killed a Brewer, a family notorious for vengeance and violence. With nowhere to turn, Darl calls on the help of the only man he knows will answer, his best friend, Calvin Hooper. But when Dwayne Brewer comes looking for his missing brother and stumbles onto a blood trail leading straight back to Darl and Calvin--and to Calvin's girlfriend, Angie--a nightmare of revenge rips apart their world. A story of friendship and family, *The Line That Held Us* is a tale balanced between destruction and redemption, where the only hope is to hold on tight, clenching those you love. From a writer whose stories are "like a pull from a bottle of Appalachian moonshine: smooth and elegant with a punch in the gut that lingers a while after you're done" (Garden & Gun), Joy's book is another masterwork of Southern noir.

The Book of Negroes Lawrence Hill 2010 Abducted from her West African village at the age of eleven and sold as a slave in the American South, Aminata Diallo thinks only of freedom - and of finding her way home again. After escaping the plantation, torn from her husband and child, she passes through Manhattan in the chaos of the Revolutionary War, is shipped to Nova Scotia, and then joins a group of freed slaves on a harrowing return odyssey to Africa. Lawrence Hill's epic novel, winner of the Commonwealth Writers' Prize, spans three continents and six decades to bring to life a dark and shameful chapter in our history through the story of one brave and resourceful woman.

Loving What Is Byron Katie 2002-05-07 Out of nowhere, like a cool breeze in a marketplace crowded with advice, comes Byron Katie and "The Work." In the midst of a normal life, Katie became increasingly depressed, and over a ten-year period sank further into rage, despair, and thoughts of suicide. Then one morning, she woke up in a state of absolute joy, filled with the realization of how her own suffering had ended. The freedom of that realization has never left her, and now in *Loving What Is* you can discover the same freedom through *The Work*. *The Work* is simply four questions that, when applied to a specific problem, enable you to see what is troubling you in an entirely different light. As Katie says, "It's not the

problem that causes our suffering; it's our thinking about the problem." Contrary to popular belief, trying to let go of a painful thought never works; instead, once we have done The Work, the thought lets go of us. At that point, we can truly love what is, just as it is. Loving What Is will show you step-by-step, through clear and vivid examples, exactly how to use this revolutionary process for yourself. You'll see people do The Work with Katie on a broad range of human problems, from a wife ready to leave her husband because he wants more sex, to a Manhattan worker paralyzed by fear of terrorism, to a woman suffering over a death in her family. Many people have discovered The Work's power to solve problems; in addition, they say that through The Work they experience a sense of lasting peace and find the clarity and energy to act, even in situations that had previously seemed impossible. If you continue to do The Work, you may discover, as many people have, that the questioning flows into every aspect of your life, effortlessly undoing the stressful thoughts that keep you from experiencing peace. Loving What Is offers everything you need to learn and live this remarkable process, and to find happiness as what Katie calls "a lover of reality."

The Hundred Names of Darkness Nilanjana Roy 2016-07-12 "A delight to read. Eliot's Old Possum would have enjoyed these Practical Indian Cats." Salman Rushdie In the sequel and conclusion to her critically acclaimed, internationally bestselling novel, *The Wildings*, Nilanjana Roy takes us back to the Delhi neighbourhood of Nizamuddin, and its unforgettable cats--Mara, Southpaw, Katar, Hulo and Beraal. As they recover slowly from their terrible battle with the feral cats, they find their beloved locality changing around them. Winter brings an army of predators--humans, vicious dogs, snakes, bandicoots--along with the cold and a scarcity of food...Unless Mara can help them find a safe haven, their small band will be wiped out forever. With the assistance of a motley group of friends including Doginder, a friendly stray; Hatch, a cheel who is afraid of the sky; Thomas Mor, an affable peacock; Jethro Tail, the mouse who roared; and the legendary Senders of Delhi, Mara and her band set out on an epic journey to find a place where they can live free from danger.

A Thousand Names for Joy Byron Katie 2008-04-01 "Byron Katie is one of the truly great and inspiring teachers of our time. I encourage everyone to immerse themselves in this phenomenal book." -Dr. Wayne W. Dyer In her first two books, *Loving What Is* and *I Need Your Love-Is That True?* Byron Katie showed how suffering can be ended by questioning the stressful thoughts that create it. Now, in *A Thousand Names for Joy*, she encourages us to discover the freedom that lives on the other side of inquiry. Stephen Mitchell--the renowned translator of the Tao Te Ching--selected provocative excerpts from that ancient text as a stimulus for Katie to talk about the most essential issues that face us all: life and death, good and evil, love, work, and fulfillment. With her stories of total ease in all circumstances, Katie does more than describe the awakened mind; she lets you see it, feel it, in action.

Chaser John W. Pilley 2013 Shares the uplifting story of a Border Collie who recognized an unprecedented number of human words to explore her role in advancing understandings about animal intelligence, recounting how she also demonstrated an ability to use deductive reasoning and imitation. 100,000 first printing.

Question Your Thinking, Change the World Byron Katie 2007-10-01 In this powerful book of quotations, Byron Katie talks about the most essential issues that face us all--love, sex, and relationships; health, sickness, and death; parents and children; work and money; and self-realization. The profound, lighthearted wisdom embodied within is not theoretical; it is absolutely authentic. Not only will this book help you on many specific issues, but it will point you toward your own wisdom and will encourage you to question your own mind, using the four simple yet incredibly powerful questions of Katie's process of self-inquiry, called The Work. Katie is a living example of the clear, all-embracing love that is our true

identity. Because she has thoroughly questioned her own mind, her words shine with the joy of understanding. "People used to ask me if I was enlightened," she says, "and I would say, 'I don't know anything about that. I'm just someone who knows the difference between what hurts and what doesn't.' I'm someone who wants only what is. To meet as a friend each concept that arose turned out to be my freedom."

The Joy Luck Club Amy Tan 2006-09-21 "The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational." —Kevin Kwan, author of *Crazy Rich Asians* Amy Tan's beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary *Amy Tan: Unintended Memoir* on Netflix Four mothers, four daughters, four families whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

The Thousand Names Django Wexler 2013-07-02 Set in an alternate nineteenth century, muskets and magic are weapons to be feared in the first "spectacular epic" (Fantasy Book Critic) in Django Wexler's *Shadow Campaigns* series. Captain Marcus d'Ivoire, commander of one of the Vordanai empire's colonial garrisons, was serving out his days in a sleepy, remote outpost—until a rebellion left him in charge of a demoralized force clinging to a small fortress at the edge of the desert. To flee from her past, Winter Ihernglass masqueraded as a man and enlisted as a ranker in the Vordanai Colonials, hoping only to avoid notice. But when chance sees her promoted to command, she must lead her men into battle against impossible odds. Their fate depends on Colonel Janus bet Vhalnich. Under his command, Marcus and Winter feel the tide turning and their allegiance being tested. For Janus's ambitions extend beyond the battlefield and into the realm of the supernatural—a realm with the power to reshape the known world and change the lives of everyone in its path.

A Book of Psalms Stephen Mitchell 2009-10-13 From the author of *The Gospel According to Jesus* comes a new adaptation of the psalms. Leading biblical scholar and translator Stephen Mitchell translates fifty of the most powerful and popular bible psalms to create poems that recreate the music of the original Hebrew verse.

Revelation 1999-01-01 The final book of the Bible, *Revelation* prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

[The Purpose Driven Life](#) Rick Warren 2012-10-23 Discover and fulfill your God-given purpose by joining the more than thirty-five million others who have embarked on a spiritual journey that started with this #1 New York Times bestselling book by Pastor Rick Warren. Before you were born, God knew what your

life had in store for you. His hope for you is to discover the life he created just for you--both here on earth, and forever in eternity. Let Rick Warren guide you as you learn to live out your true purpose. The Purpose Driven Life is more than a book; it's a road map for your spiritual journey. Combining thoughtful verses from Scripture with timely stories and perspectives from Warren's own life, The Purpose Driven Life will help you discover the answer to one of life's most important questions: What on earth am I here for? Throughout The Purpose Driven Life, Warren will teach you to spend time getting to know yourself and your creator in order to live your life to the fullest. Unlocking your true purpose will also reduce your stress, simplify your decisions, increase your satisfaction, and, most importantly, prepare you for eternity. Designed to be read over the course of forty-two days, The Purpose Driven Life will help you see the big picture, giving you a fresh perspective on the way that the pieces of your life fit together. Every chapter of The Purpose Driven Life provides a daily meditation and practical steps to help you uncover and live out your purpose, starting with exploring three essential questions: The Question of Existence: Why am I alive? The Question of Significance: Does my life matter? The Question of Purpose: What on earth am I here for? Each copy of The Purpose Driven Life also includes thoughtful discussion questions, audio Bible studies that go along with every chapter, and access to a supportive online community, giving you the opportunity to dive even deeper into each life-changing lesson.

Loving What Is, Revised Edition Byron Katie 2021-12-07 Discover the truth hiding behind troubling thoughts with Byron Katie's self-help classic. In 2003, Byron Katie first introduced the world to The Work with the publication of Loving What Is. Nearly twenty years later, Loving What Is continues to inspire people all over the world to do The Work; to listen to the answers they find inside themselves; and to open their minds to profound, spacious, and life-transforming insights. The Work is simply four questions that, when applied to a specific problem, enable you to see what is troubling you in an entirely different light. Loving What Is shows you step by step, through clear and vivid examples, exactly how to use this revolutionary process for yourself. In this revised edition, readers will enjoy seven new dialogues, or real examples of Katie doing The Work with people to discover the root cause of their suffering. You will observe people work their way through a broad range of human problems, learning freedom through the very thoughts that had caused their suffering—thoughts such as “my husband betrayed me” or “my mother doesn't love me enough.” If you continue to do The Work, you may discover that the questioning flows into every aspect of your life, effortlessly undoing the stressful thoughts that keep you from experiencing peace. Loving What Is offers everything you need to learn and live this remarkable process, and to find happiness as what Katie calls “a lover of reality.”

I Need Your Love - Is That True? Byron Katie 2006-11-28 In Loving What Is, bestselling author Byron Katie introduced thousands of people to her simple and profound method of finding happiness through questioning the mind. Now, I Need Your Love—Is That True? examines a universal, age-old source of anxiety: our relationships with others. In this groundbreaking book, Katie helps you question everything you have been taught to do to gain love and approval. In doing this, you discover how to find genuine love and connection. The usual advice offered in self-help books and reinforced by our culture advocates a stressful, all-consuming quest for love and approval. We are advised to learn self-marketing and manipulative skills—how to attract, impress, seduce, and often pretend to be something we aren't. This approach doesn't work. It leaves millions of walking wounded—those who, having failed to find love or appreciation, blame themselves and conclude that they are unworthy of love. I Need Your Love—Is That True? helps you illuminate every area in your life where you seem to lack what you long for most—the love of your spouse, the respect of your child, a lover's tenderness, or the esteem of your boss. Through its penetrating inquiry, you will quickly discover the falseness of the accepted ways of seeking love and approval, and also of the mythology that equates love with need. Using the method in this book, you will inquire into painful beliefs that you've based your whole life on—and be delighted to see them evaporate.

Katie shows you how unraveling the knots in the search for love, approval, and appreciation brings real love and puts you in charge of your own happiness. “Everyone agrees that love is wonderful, except when it’s terrible. People spend their whole lives tantalized by love—seeking it, trying to hold on to it, or trying to get over it. Not far behind love, as major preoccupations, come approval and appreciation. From childhood on, most people spend much of their energy in a relentless pursuit of these things, trying out different methods to be noticed, to please, to impress, and to win other people’s love, thinking that’s just the way life is. This effort can become so constant and unquestioned that we barely notice it anymore. This book takes a close look at what works and what doesn’t in the quest for love and approval. It will help you find a way to be happier in love and more effective in all your relationships. What you learn here will bring fulfillment to all kinds of relationships, including romantic love, dating, marriage, work, and friendship.” —Byron Katie

The Book of African Names Osuntoki (Chief.) 1991

Live Your Bliss Terry Cole-Whittaker 2010-10-04 After years of teaching metaphysical principles all over the world through her seminars, books, church, and international television ministry, Terry Cole-Whittaker realized that there was something extremely important missing from her teachings. Divine discontent led her on an amazing spiritual journey that eventually yielded all that had been missing plus the sacred wisdom whereby everyone can enjoy the benefits of ever-increasing bliss, prosperity, and love. Terry shares this most empowering knowledge, the knowledge of who we really are — perfect souls possessing godlike powers and qualities.

A Friendly Universe Byron Katie 2013-12-26 Internationally acclaimed bestselling author Byron Katie presents inspiring sayings in this beautiful work, which features illustrations by award-winning artist Hans Wilhelm In this vibrant book of inspiring and challenging wisdom, Byron Katie offers powerful aphorisms that can change the lives of readers forever. These delightful “Katieisms” are presented along with full-color, full-page illustrations from celebrated and award-winning artist Hans Wilhelm. This book will brighten the lives of readers who are searching for inner harmony and an end to suffering.

A Thousand Names For Joy Byron Katie 2008-12-26 Inspired by the Tao Te Ching, this is Byron Katie's inspiring and pragmatic approach to achieving an awakened mind and living more simply and profoundly. Using the template of the 81 chapters of the Tao Te Ching she talks about her own experience of living in harmony with the way things are, and the difference between what hurts and what doesn't. Katie has written two books that teach how suffering can be relieved by questioning the thoughts that create it, the thoughts that argue with reality. This questioning takes courage and, in this her third book, she gives readers profound encouragement by showing them the freedom and love that live on the other side of self-inquiry. Many people believe that although enlightenment was attainable thousands of years ago by a few great saints or ascetics, such a state is out of reach of anyone living in the modern world, let alone themselves. This richly detailed account has the ability to change that belief. Katie's comments on life, and how to live it, are profound, vibrant, funny and crystal clear and all rooted in the familiar circumstances of everyday life.

The Seventh-day Adventist Hymnal. 1996

Tiger-Tiger, Is It True? Byron Katie 2009-11-15 *Tiger-Tiger, Is It True?* is a story about a little tiger who thinks that his whole world is falling apart: his parents don’t love him, his friends have abandoned him, and life is unfair. But a wise turtle asks him four questions, and everything changes. He realizes that all his problems are not caused by things, but by his thoughts about things; and that when he questions his

thoughts, life becomes wonderful again. This is a heartwarming story with a powerful message that can transform the lives of even very young children. Byron Katie's wisdom-filled words and Hans Wilhelm's vivid, magical illustrations combine to make a book that will become one of the classics of children's literature.

A Cry in the Desert Christin Lore Weber 1996

[A Pebble for Your Pocket](#) Thich Nhat Hanh 2006-04-09 Drawn from Thich Nhat Hanh's Dharma talks given to young people, *A Pebble for Your Pocket* presents the basic teachings of the Buddha in accessible and modern language. Combining the stories and mediation practices from the previous edition of *A Pebble for your Pocket* with those collected in *Under the Rose Apple Tree* plus several new stories, this completely revised edition is written in a conversational style, and is comprised of Buddhist parables, and stories from the author's own childhood experiences. They elucidate principles of Buddhism and mindfulness practice, and give the young reader and their parents concrete advice on handling difficult emotions such as anger, from which the title - a pebble for your pocket - is taken. Written in a highly accessible style that doesn't rely on lot of jargon or difficult vocabulary requiring breaks for explanation, Thich Nhat Hanh emphasizes the importance of the present moment through vivid metaphors, original allegories, and colorful stories. Young readers will learn about handling anger, living in the present moment, and "interbeing" — the interconnectedness of all things. Thich Nhat Hanh offers various practices that children can do on their own or with others that will help them to transform anger and unhappiness and reconnect to the wonders of nature and the joy of living in the present moment. This revised edition contains teachings and stories that the whole family can enjoy, as well as practices such as transforming anger in the family, instructions on how to invite the bell, breathing and sitting meditation, touching the Buddha inside, and others. This revised edition of *A Pebble for your Pocket* remains a unique and classic title in a market with few other substantial offering on this topic. It's teachings on spirituality and awareness are thought provoking on a child's level. This significantly expanded version includes all stories and practices previously published in *Under the Rose Apple Tree* plus 3 never before published stories. With 10 b/w illustrations by Philippe Ames and Nguyen Thi Hop. Ages 6-13. (Second graders and up)

Cloud Cuckoo Land (Large Print Edition) Anthony Doerr 2021-09-28 Follows four young dreamers and outcasts through time and space, from 1453 Constantinople to the future, as they discover resourcefulness and hope amidst peril.

Peace in the Present Moment Eckhart Tolle 2010 Presents inspirational passages from Eckhart Tolle's "A New Earth" and Byron Katie's "A Thousand Names for Joy," enhanced by color photographs of flowers.

[The Thirty Names of Night](#) Zeyn Joukhadar 2021-07-13 "From the author of the acclaimed and award-winning debut *The Map of Salt and Stars*, a remarkably moving and lyrical novel following three generations of Syrian Americans who are linked by the truths they carry close to their hearts. Five years after a suspicious fire killed his mother, a closeted Syrian American trans boy sheds his birth name and searches for a new one. He has been unable to paint since his mother's ghost has begun to visit him each evening. The only time he feels truly free is when he slips out at night to paint murals on buildings in the once-thriving Manhattan neighborhood known as Little Syria. One night, he finds the tattered journal of a Syrian American artist named Laila Z. She famously and mysteriously disappeared more than sixty years before, but her journal contains proof that Laila Z's past is intimately tied to his mother's--and his grandmother's--in ways he never could have expected. Even more surprising, Laila Z's story reveals the histories of queer and transgender people within his community that he never knew. Following his

mother's ghost, he uncovers the silences kept in the name of survival by his own community, his own family, and within himself, and discovers the family that was there all along. The Thirty Names of Night is an imaginative and intimate exploration of how we all search for and ultimately embrace who we are"--.

Pale Blue Dot Carl Sagan 2011-07-06 "Fascinating . . . memorable . . . revealing . . . perhaps the best of Carl Sagan's books."—The Washington Post Book World (front page review) In *Cosmos*, the late astronomer Carl Sagan cast his gaze over the magnificent mystery of the Universe and made it accessible to millions of people around the world. Now in this stunning sequel, Carl Sagan completes his revolutionary journey through space and time. Future generations will look back on our epoch as the time when the human race finally broke into a radically new frontier—space. In *Pale Blue Dot*, Sagan traces the spellbinding history of our launch into the cosmos and assesses the future that looms before us as we move out into our own solar system and on to distant galaxies beyond. The exploration and eventual settlement of other worlds is neither a fantasy nor luxury, insists Sagan, but rather a necessary condition for the survival of the human race. "Takes readers far beyond *Cosmos* . . . Sagan sees humanity's future in the stars."—Chicago Tribune

The Way of Forgiveness Stephen Mitchell 2019-09-17 "A unique and special kind of masterpiece." —John Banville Stephen Mitchell's gift is to breathe new life into ancient classics. In *Joseph and the Way of Forgiveness*, he offers us his riveting novelistic version of the Biblical tale in which Jacob's favorite son is sold into slavery and eventually becomes viceroy of Egypt. Tolstoy called it the most beautiful story in the world. What's new here is the lyrical, witty, vivid prose, informed by a wisdom that brings fresh insight to this foundational legend of betrayal and all-embracing forgiveness. Mitchell's retelling, which reads like a postmodern novel, interweaves the narrative with brief meditations that, with their Zen surprises, expand the narrative and illuminate its main themes. By stepping inside the minds of Joseph and the other characters, Mitchell reanimates one of the central stories of Western culture. The engrossing tale that he has created will capture the hearts and minds of modern readers and show them that this ancient story can still challenge, delight, and astonish.

The Second Book of the Tao Stephen Mitchell 2009-02-19 Enhanced by Stephen Mitchell's illuminating commentary, the next volume of the classic manual on the art of living The most widely translated book in world literature after the Bible, Lao-tzu's *Tao Te Ching*, or *Book of the Way*, is the classic manual on the art of living. Following the phenomenal success of his own version of the *Tao Te Ching*, renowned scholar and translator Stephen Mitchell has composed the innovative *The Second Book of the Tao*. Drawn from the work of Lao-tzu's disciple Chuang-tzu and Confucius's grandson Tzussu, *The Second Book of the Tao* offers Western readers a path into reality that has nothing to do with Taoism or Buddhism or old or new alone, but everything to do with truth. Mitchell has selected the freshest, clearest teachings from these two great students of the Tao and adapted them into versions that reveal the poetry, depth, and humor of the original texts with a thrilling new power. Alongside each adaptation, Mitchell includes his own commentary, at once explicating and complementing the text. This book is a twenty-first-century form of ancient wisdom, bringing a new, homemade sequel to the *Tao Te Ching* into the modern world. Mitchell's renditions are radiantly lucid; they dig out the vision that's hiding beneath the words; they grab the text by the scruff of the neck—by its heart, really—and let its essential meanings fall out. The book introduces us to a cast of vivid characters, most of them humble artisans or servants, who show us what it means to be in harmony with the way things are. Its wisdom provides a psychological and moral acuity as deep as the *Tao Te Ching* itself. *The Second Book of the Tao* is a gift to contemporary readers, granting us access to our own fundamental wisdom. Mitchell's meditations and risky reimagining of the original texts are brilliant and liberating, not least because they keep catching us off-guard, opening up the heavens where before we saw a roof. He makes the ancient teachings at once modern, relevant, and

timeless. Listen to a special podcast with Stephen Mitchell:

The Book of Lost Names Kristin Harmel 2021-05-25 Eva Traube Abrams, a semiretired librarian in Florida, is at the returns desk one morning when her eyes lock on to a photograph in a newspaper nearby. She freezes; it's an image of a book she hasn't seen in sixty-five years--a book she recognizes as the Book of Lost Names. The accompanying article describes the looting of libraries across Europe by the Nazis during World War II--an experience Eva remembers all too well. As a graduate student in 1942, Eva was forced to flee Paris after the arrest of her father, a Polish Jew. Finding refuge in a small mountain town in the Free Zone, she begins forging identity documents for Jewish children fleeing to neutral Switzerland. But erasing people comes with a price, and along with a mysterious, handsome forger named Rémy, Eva decides she must find a way to preserve the real names of the children who are too young to remember who they really are. The records they keep in the Book of Last Names will become even more vital when the Resistance cell they work with is betrayed and Rémy disappears. As the Germans close in, Eva records a last, vital message in the book. Decades later, does she have the strength to seek out its answer--and help reunite those lost during the war?

A Thousand Names for Joy Byron Katie 2007-02-06 In her first two books, Byron Katie showed how suffering can be ended by questioning the stressful thoughts that create it, through a process of self-inquiry she calls The Work. Now, in *A Thousand Names for Joy*, she encourages us to discover the freedom that lives on the other side of inquiry. Stephen Mitchell—the renowned translator of the Tao Te Ching—selected provocative excerpts from that ancient text as a stimulus for Katie to talk about the most essential issues that face us all: life and death, good and evil, love, work, and fulfillment. The result is a book that allows the timeless insights of the Tao Te Ching to resonate anew for us today, while offering a vivid and illuminating glimpse into the life of someone who for twenty years—ever since she “woke up to reality” one morning in 1986—has been living what Lao-tzu wrote more than 2,500 years ago. Katie’s profound, lighthearted wisdom is not theoretical; it is absolutely authentic. That is what makes this book so compelling. It’s a portrait of a woman who is imperturbably joyous, whether she is dancing with her infant granddaughter or finds that her house has been emptied out by burglars, whether she stands before a man about to kill her or embarks on the adventure of walking to the kitchen, whether she learns that she is going blind, flunks a “How Good a Lover Are You?” test, or is diagnosed with cancer. With her stories of total ease in all circumstances, Katie does more than describe the awakened mind; she lets you see it, feel it, in action. And she shows you how that mind is yours as well.

The Gospel According to Jesus Stephen Mitchell 1993-02-19 A dazzling presentation of the life and teachings of Jesus by the eminent scholar and translator Stephen Mitchell.
