Okanagan Odyssey Don Gayton 2011-02-01 Okanagan Odyssey is a quirky and lyrical examination of British Columbia's Okanagan Valley. Sticking to the backroads and byways, Gayton gently pokes and prods local ecosystems, histories, vineyards and people. From Osoyoos in the south to Armstrong at the head of the Valley, the author revels in the biological and social diversity while sampling local wines and fruit along the way. In his unique version of wine pairing, Gayton matches up local books and landscapes with local vintages, giving terroir a whole new meaning. An ecologist by profession, Gayton deftly negotiates the tension between the Okanagan that is home to many endangered species and ecosystems, and the same Okanagan that is a mecca for developers and urban refugees. Okanagan Odyssey is not a travel guide, but represents travel writing at its idiosyncratic best. Please visit Don at www.dongayton.ca.

Bruce Walker Travel Adventures Bruce Walker 2015-04-21 Learn about the human experience of loss of a loved one and coming to terms with the grief. A few years after losing his spouse, Bruce Walker spent the summer of 2012 touring Canada from Nova Scotia right across the country up to Dawson City and Whitehorse, Yukon. From there he traversed British Columbia, including his birthplace on Vancouver Island. With only his trusty Rav4, a foam mattress, his rooftop carrier and many memories, Bruce reconnected with places and people and even family he hadn't seen in decades. And along the way he reconnected with himself and came to a life-altering realization: he was learning to live with the past rather than living in the past. Come along as Bruce explores Canada, revels in its beauty and finds his place in it as he enters the third act of his life – retirement and travel adventures. Bruce's bucket list is a long one. And he keeps adding to it. But just maybe, you'll find some of his destinations landing on your bucket list – like Tofino, Victoria, Nanaimo, Athabaska, Wawa, Thunder Bay, Gaspé, the 1,000 Islands...

The compilation was made after a dare to tour the British Columbia Wine Country with a TESLA. The Guide delves into the "range anxiety" and puts forward an interesting anecdote to whether the TESLA Tour of the Okanagan Wine country was possible or not. Find out what happened, and use the Simple B.C. Wineries Tour Guide when visiting the Okanagan wine country, from Kelowna South to Osoyoos, if you are coming from the USA, the maps and wineries are listed from KELOWNA south to Osoyoos as you would meet them on Highway 97, simply start at the end of the book. Have you ever heard of the legends in British Columbia of the sasquatch and the ogopogo? They are legends in the area of the wine country in Okanagan Canada, is it because of the excellent wines? The wines, the wineries, the Canadian legends, the wildlife and the parks, all part of the adventure and included in the Tour. Maps at the beginning of the book and also in the wineries links section at the end of the book, as well as in the Route taken outline within the Guide, as a bonus the maps and wineries Links are shown and listed from Kelowna south to Osoyoos. With a TESLA electric vehicle used to Tour, bonus information on charging stations in the Okanagan Wine Country, with links to charging maps included for your ease of reference. Simply put, there

is no other Guide to the British Columbia Wine Country like the Simple British Columbia Wineries Tour Guide. Find out if the TESLA "range anxiety" was warranted or if the TESLA was stranded, what do you think happened?

The Okanagan Wine Tour Guide John Schreiner 2020-04-28 The definitive guide to Interior BC wineries, covering the Okanagan, Similkameen, Thompson and Kootenays. With updated maps and travel tips, it's your ultimate glove-box guide, now in a newly expanded and updated edition. For nearly fifteen years Okanagan Wine Tour Guide has been the definitive companion for travelling the winding roads of BC's Interior wine region. In this, the 6th edition, John Schreiner and his new co-author—wine writer, podcaster, and instructor Luke Whittall—chart the latest developments at the oldest wineries and the very first vintages from the newest startups in a region that stretches along Okanagan Lake, west to the Similkameen, north to the Thompson, and east to the Kootenays. This edition includes 240 wineries (that's over 40 openings in five years!), revised and updated maps, contact information, tasting room information, and recommendations. From pioneers like Quail's Gate on Mount Boucherie to the newest arrivals like Cliff & Gorge in Lillooet, these stories are as varied as the personalities of the wines themselves—a few vines planted as a retirement project, a few acres purchased on a whim, or a gala grand opening underpinned by years of planning and consultation. What emerges across the guide is the sense of community and the room for wildly different philosophies on everything from growing to fermenting to naming. Whether you're paging through the aisles of the local liquor store, sorting your Viogniers from your Syrahs, or relishing a family vineyard's journey from its Quonset-hut

years to international acclaim, John Schreiner's Okanagan Wine Tour is the ultimate guide to and celebration of Interior BC wine.
