A Wine Journey along the Russian River Steve Heimoff 2010-11-15 Steve Heimoff takes readers on an intimate and enlightening tour of one of California's most diverse and accomplished wine areas as he travels along the Russian River and talks with growers and vintners from the Cabernet country of the Alexander Valley to the Pinot Noir producers of the Sonoma coast. This first comprehensive look at the natural history and winemaking practices of the region by one of America's most respected wine critics brings the Russian into the exalted company of the great wine rivers of the world—the Loire, the Rhône, the Rhine, the Mosel, and the Douro. Part wine guidebook, part history and geology, and part travelogue of the author's adventures in wine country, *A Wine Journey along the Russian River* is essential reading for wine lovers—both those fortunate enough to be familiar with the region and those who have never been there. Heimoff guides readers along the length of the scenic river, from its warm, northern border with Mendocino out to foggy Jenner. He discusses the history and progress of Alexander Valley Zinfandel and Cabernet Sauvignon, Russian River Valley and

Sonoma coast Pinot Noir, Sonoma County's Rhône-oriented wines, old-style field blends, and other interesting wines. In the process, he introduces readers to many of the growers and vintners who have made Sonoma County famous: Dick Arrowood, the Rochiolis, the Seghesios, Tom Jordon, Bob Cabral of Williams Selyem, Jess Jackson of Kendall-Jackson, Merry Edwards, and many others. Describing how the river's formation and evolution, both products of the planet's fiery tectonic past, as well as the region's complex climate, have created the potential for unparalleled viticultural enclaves, and recounting how a variety of people realized that potential, Heimoff provides a fascinating explanation of why the Russian River's reputation as a premium winegrowing region continues to grow.

Travel Fact and Travel Fiction Z.R.W.M. von Martels 1994-08-01 "Travel Fact and Travel Fiction" contains 18 articles by different authors on important examples of travel writing from Classical Antiquity (Herodotus) until the first half of the nineteenth century. Discussed are among others Herodotus, Egeria, Rubruck, Marco Polo, Columbus, Joachim Du Bellay, Busbequius, Gryphius, Goethe and Dickens. Central themes are fiction, literary tradition, scholarly discovery and observation.

Great, Grand & Famous Hotels Fritz Gubler 2008 This is a book for lovers of remarkable hotels. Whether you are a long-term luxury hotel addict, or just fantasising about a visit to one of the world's great hotels, this book is for you. This book features stories about great, grand and famous hotels sourced from history, legend and the occasional snippet of gossip. Take a peek inside and discover a treasure trove of famous or forgotten anecdotes. See the dramas unfold in lobbies, dining rooms, bars and ballrooms, or behind the closed doors of guest rooms and Presidential Suites. Marvel at those who made these hotels what they are: daring financiers, visionary owners, inventive architects, cutting-edge designers, devoted hoteliers and renowned chefs. Remember the great, grand and famous celebrity guests and meet the new breed of visionaries who are creating the great hotels of the future. Visit historic hotels, including The Ritz, Paris; the Waldorf-Astoria, New York; the Beverly Hills Hotel, Los Angeles; the Savoy, London; the Hassler, Rome; The Peninsula, Hong Kong; Raffles, Singapore; Mena House, Cairo; Taj Lake Palace, Udaipur; Chateau Lake Louise, Alberta; the Cipriani, Danieli and Gritti Palace, Venice; Reid's Palace, Madeira; and the Baur au Lac, Zurich, alongside modern masterpieces such as The Burj al Arab, Icehotel and other futuristic hotels. The book is intended to give the traveller a better understanding of, and greater insight into, the hotels they admire and love. It is also a reference book for the passionate hotel professional and provides knowledge for young hoteliers, helping them to understand the history and the development of their industry. Combining four years of research, assisted by many students in various hotel schools around the world, and with contributions by six travel writers, it is hoped this book will entice more people to seek out the world's great, grand and famous hotels, and to stay in them for an unforgettable experience, not just as a place to spend the night.

Change here is not only driven by innovations in winemaking and fashions in wine, it is also an essential response to a rapidly shifting climate, which has seen temperatures rise significantly over the last 40 years and extreme weather events become more commonplace. Walls provides a rounded picture of this large and complex region, which varies greatly along the 200-kilometre stretch of river, from Vienne in the north to Provence in the south. Beginning with a vivid journey through the terrain, he explores one of the region's constants, its varied geology, before moving on to the pressing issue of climate. A short tour through the Rhône's winemaking history, from early Greek settlers to the modern industry, is followed by vignettes of all the AOC-permitted grapes and an explanation of the five levels of the region's appellation system. While the region contains some of the world's most recognizable appellations, there are also many that are less well-known. Walls encourages readers to venture beyond the famous crus, making it easy for those eager to explore by detailing the terroir of every appellation and describing and assessing typical wines. Profiles of 200 key producers complete the picture. Boxes throughout the text provide interesting asides on current issues as well as key appellation facts, while an appendix on ageing wines offers a guide to the last 40 vintages. This comprehensive examination of a renowned region is an ideal introduction for those new to the Rhône, while providing fresh insights for long-time admirers of the wines.

The Wines of the Northern Rhone John Livingstone-Learmonth 2005-12-01 For anyone who wants to understand the full story that lies within a glass of wine, this book opens up the inner secrets of the geology, the vineyards, the wines, and the growers of the northern Rhône Valley in France. Home to the spicy Syrah, or Shiraz, and the floral Viognier grapes, the northern Rhône Valley is one of France's oldest wine-growing regions; its appellations include Hermitage, Côte-Rôtie, Condrieu, Crozes-Hermitage, St-Joseph, and Château-Grillet. With evocative descriptions and marvelous insights, this accessible, elegant book, the culmination of more than thirty years following the Rhône, is a comprehensive and authoritative survey of the various estates, winemakers, and their wines. Taking a deeper look at the northern Rhône than Livingstone-Learmonth's highly regarded previous volumes on the Rhône Valley, this revised and up-to-date edition covers more producers and includes more in-depth information on the various terroirs, the histories of the wines, and the methods for making the wines. Livingstone-Learmonth concentrates on letting the producers explain their outlook and

methods and includes much local color. The Wines of the Northern Rhône includes *

- * Assessments of thousands of wines, with guide dates on when to drink and how long to age them
- * Winemakers' views on what foods best accompany their wines
- * New vineyard maps for each appellation
- * Detailed descriptions by growers discussing the effect of different soils on their wines
- * Precise information on how each domaine makes its wines
- * New research on the historical links between Hermitage and Bordeaux

Adventures on the Wine Route Kermit Lynch 2013-11-12 When *Adventures on the Wine Route* was first published, Victor Hazan said, "In Kermit Lynch's small, true, delightful book there is more understanding about what wine really is than in everything else I have read." A quarter century later, this remarkable journey of wine, travel, and taste remains an essential volume for wine lovers. In 2007, Eric Asimov, in *The New York Times*, called it "one of the finest American books on wine," and in 2012, *The Wall Street Journal* proclaimed that it "may be the best book on the wine business." In celebration of its twenty-fifth anniversary, *Adventures on the Wine Route* has been thoroughly redesigned and updated with an epilogue and a list of the great wine connoisseur's twenty-five most memorable bottles. In this singular tour along the French wine route, Lynch ventures forth to find the very essence of the wine world. In doing so, he never shies away from the attitudes, opinions, and beliefs that have made him one of our most respected and outspoken authorities on wine. Yet his guiding philosophy is exquisitely simple. As he writes in the introduction, "Wine is, above all, about pleasure. Those who make it ponderous make it dull . . . If you keep an open mind and take each wine on its own terms, there is a world of magic to discover." *Adventures on the Wine Route* is the ultimate quest for this magic via France's most distinguished vineyards and wine cellars. Lynch draws vivid portraits of vintners—from inebriated négociants to a man who oversees a vineyard that has been in his family for five hundred years—and memorably evokes the countryside at every turn. "The French," Lynch writes, "with their aristocratic heritage, their experience and tradition, approach wine from another point of view . . . and one cannot appreciate French wine with any depth of understanding without knowing how the French themselves look at their wines, by going to the source, descending into their cold, humid cellars, tasting with them, and listening to the language they employ to describe their wines." Here, Kermit Lynch assures a whole new generation of readers—as well as his loyal fans—that discussions about wine need not focus so stringently on "the pH, the oak, the body, the finish," but rather on the "gaiety" of the way "the tart fruit perfume[s] the palate and the brain."

Cadogan Guides Rhone-Alpes Philippe Barbour 2007 From the spectacular mountain scenery of the Alps to the tranquil beauty of the Rhone Valley, Cadogan's guide brings the best out of your trip to this stunning part of France. Chapters on the history, art and architecture of the region provide a compelling framework to the breathtaking countryside.

The River Loire Cycle Route Mike Wells 2022-05-11 The 1061km Loire Cycle Route starts at the source of the River Loire in the Massif Central mountains of central France and finishes at the Atlantic opposite St Nazaire. It descends past extinct volcanoes, crater lakes and deep gorges before joining EuroVelo route 6, followed by the fully waymarked Loire à Vélo, France's most popular cycle trail. Following the river downstream in 26 stages, the route is generally downhill or level, often on dedicated traffic-free cycle tracks. Packed with a wealth of useful information - from practical planning advice to fascinating insights about the river and its surroundings - the guidebook features detailed route descriptions and informative mapping. Details of facilities and places to stay, and a French glossary, are also included. The route goes through the heart of France as the Loire becomes the royal river, bounded by extravagant châteaux, fields of Charolais cattle and vineyards. It passes through historic cities like Orléans and Tours, continuing past Angers and France's fourth largest city Nantes to finish on the Atlantic coast.

Auvergne, Rhone Valley Terry Marsh 2013 For people who want to see more. Sights and attractions rated by the Michelin star system. Suggested driving tours. 81 easy-to-use and detailed maps and plans. Addresses - places to eat, drink, stay and relax for every budget.

The River Rhone Cycle Route Mike Wells 2023-01-15 Guidebook to cycling the Rhone Cycle Route, an 890km ride through France and Switzerland from the Swiss Alps to the Mediterranean Sea.
