Heart of the Green Mountains Rutland Railroad Company 1897

The Dirt Diary Anna Staniszewski 2014-01-07 Eighth grade never smelled so bad Rachel can't believe she has to give up her Saturdays to scrubbing other people's toilets. So. Gross. But she kinda, sorta stole \$287.22 from her college fund that she's got to pay back ASAP or her mom will ground her for life. Which is even worse than working for her mother's new cleaning business. Maybe. After all, becoming a maid is definitely not going to help her already loserish reputation. But Rachel picks up more than smelly socks on the job. As maid to some of the most popular kids in school, Rachel suddenly has all the dirt on the 8th grade in-crowd. Her formerly boring diary is now filled with juicy secrets. And when her crush offers to pay her to spy on his girlfriend, Rachel has to decide if she's willing to get her hands dirty... "Holy fried onion rings! Fun from beginning to end." —Wendy Mass, New York Times bestselling author of 11 Birthdays and The Candymakers

Sound Sleep, Sound Mind Barry Krakow 2010-12-10 Praise for SOUND SLEEP, SOUND MIND "If you are one of the 100 million Americans suffering from poor quality sleep, Sound Sleep, Sound Mind provides a refreshing look at getting to the real solutions for our sleep-deprived, over-caffeinated, over-medicated, over-stressed, and exhausted society. Look no further to find the ways to address the root causes of your sleep problems." --Mark Hyman, MD, author of the New York Times bestseller, UltraMetabolism and editor in chief of Alternative Therapies in Health and Medicine "An excellent book that won't put you to sleep until bedtime--Sound Sleep, Sound Mind convinced me how important sleep is to good health. This is a wonderful treatment that teaches you how to identify and cope with feelings and emotions--one of the best, long-term remedies for insomnia."? --Leslie S. Greenberg, PhD, Professor of Psychology at York University and author of Emotion-Focused Therapy "At last, a book that addresses all the elements of sleep disturbances: biological, behavioral, emotional, and cognitive. Sound Sleep, Sound Mind will bring relief to the millions suffering from insomnia and other sleep ailments." -- Kenneth L. Lichstein, PhD, Professor of Psychology at The University of Alabama and Director of the Sleep Research Project Sound Sleep, Sound Mind is the first book of its kind to focus on all the causes--mental, emotional, and physical--that contribute to insomnia and poor sleep. Based on cutting-edge knowledge and research, this book explains why sleep problems are almost always a mind and body issue. It then guides you through the seven steps of Sleep Dynamic Therapy to identify and treat the specific problems that are at the root of your sleeplessness. You'll discover that the Sleep Dynamic Therapy program not only improves your sleep quality, but also enhances many other aspects of your mental and physical well-being. Whether you currently take over-the-counter or prescription sleeping

pills, suffer from chronic or occasional insomnia, or awaken without feeling refreshed and energized, Sound Sleep, Sound Mind will help you get the sleep you deserve.

Finding Flynn (Marlowe #1) Alexandria Bishop 2015-07-26 Ashtyn Moretti is ready for the best summer of her life. The one before her senior year. But hers is turning into one filled with lies. And it's being spent away from home, friends, and half of her family. Making the best of it, she's armed with her Summer from Hell playlist and a Kindle full of book boyfriends. Flynn James has one thing on his mind--the success of his pop punk band Marlowe. He's doesn't have time for distractions including facing his past. But then a petite brunette crashes into his life changing everything. Neither Ashtyn or Flynn were looking for love but they can't deny their obvious attraction. Can Ashtyn finally turn her summer around? Can Flynn keep his secrets without losing everything? Or will it really be the Summer from Hell?

Vancouver, Victoria and Whistler Ulysses Travel Guides 2006-02

Snapshots Norma Polovitz Nickerson 2013-03-18 Providing students with concise Snapshots of each sector of the tourism industry! Snapshots: An Introduction to Tourism is a concise, easy-to-read overview of the Canadian tourism industry. Beginning with a history of the industry's development, Snapshots proceeds to highlight the interrelation of the various components of the industry, as well as the impact of tourism on the Canadian economy, culture, and environment. The Sixth Canadian edition has been updated and reorganized to conform to the new North American Industrial Classification System's five sectors of tourism and features a chapter devoted to each segment. Note: The Companion Website is not included with the purchase of this product.

Far Out Fairy Tales Sean Tulien 2015 Three clever billy goats find themselves trapped in a video game, confronting the Hillside Castle run by a monster troll--and they have to use their new superpowers to get past the castle to the green field of grass, and lunch.

The Dark Side of Disney Leonard Kinsey 2011 THE DARK SIDE OF DISNEY reveals all of the tips, tricks, scams, and stories that THEY don't want you to know about! Unabashedly unafraid of offending the family-oriented audiences catered to by other Disney travel guides, author Leonard Kinsey gives intrepid travelers access to the seamy, raunchy, and often hilarious underbelly of Walt Disney World. From cautionary tales of scoring illegal tickets, to thrilling accounts of exploring off-limits areas, to chronicles of drug-induced debauchery, this completely unauthorized guidebook will change the way you think about vacationing at "The Happiest Place on Earth." "Pack the trunks and leave the kids at Grandma's because THE DARK SIDE is about to make your next Disney vacation the best one ever!" - Chris Mitchell, author of CAST MEMBER CONFIDENTIAL

FLORIDA TOUR BOOK 2004

Through Vincent's Eyes Eik Kahng 2021-11-23 Vincent van Gogh's (1853-1890) idiosyncratic style grew out of a deep admiration for and connection to the 19th-century art world. This fresh look at Van Gogh's influences explores the artist's relationship to the Barbizon School painters Jean-François Millet and Georges Michel--Van Gogh's self-proclaimed mentors--as well as to Realists like Jean-François Raffaëlli and Léon Lhermitte. New scholarship offers insights into Van Gogh's emulation of Adolphe Monticelli, his absorption of the Hague School through Anton Mauve and Jozef Israëls, and his keen interest in the work of the Impressionists. This copiously illustrated volume also discusses Van Gogh's allegiance to the colorism of Eugène Delacroix, as well as his alliance with the Realist literature of Charles Dickens and

George Eliot. Although Van Gogh has often been portrayed as an insular and tortured savant, *Through Vincent's Eyes* provides a fascinating deep dive into the artist's sources of inspiration that reveals his expansive interest in the artistic culture of his time.

Kids' Road Atlas Kristy McGowan 2012-12-01

Florida American Automobile Association 1998-04-01

The Heart of the Mission Cary Cordova 2017-05-04 In *The Heart of the Mission*, Cary Cordova combines urban, political, and art history to examine how the Mission District, a longtime bohemian enclave in San Francisco, has served as an important place for an influential and largely ignored Latino arts movement from the 1960s to the present. Well before the anointment of the "Mission School" by art-world arbiters at the dawn of the twenty-first century, Latino artists, writers, poets, playwrights, performers, and filmmakers made the Mission their home and their muse. The Mission, home to Chileans, Cubans, Guatemalans, Mexican Americans, Nicaraguans, Puerto Ricans, and Salvadorans never represented a single Latino identity. In tracing the experiences of a diverse group of Latino artists from the 1940s to the turn of the century, Cordova connects wide-ranging aesthetics to a variety of social movements and activist interventions. The book begins with the history of the Latin Quarter in the 1940s and the subsequent cultivation of the Beat counterculture in the 1950s, demonstrating how these decades laid the groundwork for the artistic and political renaissance that followed. Using oral histories, visual culture, and archival research, she analyzes the Latin jazz scene of the 1940s, Latino involvement in the avant-garde of the 1950s, the Chicano movement and Third World movements of the 1960s, the community mural movement of the 1970s, the transnational liberation movements in Nicaragua and El Salvador, and the AIDS activism of the 1980s. Through these different historical frames, Cordova links the creation of Latino art with a flowering of Latino politics.

Hendrix John McDermott 1994 Seven years in the making, this is the complete account of the career, music and legacy of Jimi Hendrix, based entirely on first-person recollections and new, exclusive photographs and documents. Since his death in 1970 at the age of twenty-seven, Jimi Hendrix has been mythologised as a risk-taker who lost it all - and not the serious musician whose sole desire was to play and write great music. Now, authors John McDermott and Eddie Kramer (Jimi's long-time producer) set the record straight. From Jimi's Greenwich Village days to his Electric Ladybird nights, they chronicle the innovative techniques of a pioneer who painstakingly worked to perfect the sounds others couldn't even imagine, despite being modest to the point of shyness about his own singing talent. Key figures in his inner circle such as his manager Chas Chandler shed light on Jimi's whirlwind three-and-a-half year career. *Hendrix: Setting the Record Straight* is the definitive biography of a legend whose recording career transformed the essence of rock and roll.

Overground Railroad Candacy A. Taylor 2020-01-07 This historical exploration of the Green Book offers "a fascinating [and] sweeping story of black travel within Jim Crow America across four decades" (The New York Times Book Review). Published from 1936 to 1966, the Green Book was hailed as the "black travel guide to America." At that time, it was very dangerous and difficult for African-Americans to travel because they couldn't eat, sleep, or buy gas at most white-owned businesses. The Green Book listed hotels, restaurants, gas stations, and other businesses that were safe for black travelers. It was a resourceful and innovative solution to a horrific problem. It took courage to be listed in the Green Book, and *Overground Railroad* celebrates the stories of those who put their names in the book and stood up against segregation. Author Candacy A. Taylor shows the history of the Green Book, how we arrived at

our present historical moment, and how far we still have to go when it comes to race relations in America. A New York Times Notable Book of 2020

The Art and Craft of Fiction Michael Kardos 2016-09-30 Brief, practical, and affordable, *The Art and Craft of Fiction* gives aspiring writers all they need, in a friendly voice that students love. Michael Kardos focuses on technique and presents fiction writing as a teachable (and learnable) art. With an organization built on methods and process rather than traditional literary elements, Kardos helps students begin their stories, write strong scenes, use images and research detail, revise for aesthetics and mechanics, and finish and polish their own stories. Instructors trust *The Art and Craft of Fiction* to help structure their course, and reinforce and complement their teaching points with examples and exercises. A brief fiction anthology at the back of the book includes 15 selections that instructors praise for their usefulness in the creative writing classroom.

Hotel Front Office Management James A. Bardi 1996-08-26 This Second Edition has been updated to include a brand new chapter on yield management, plus a human resources chapter refocused to cover current trends in training, employee empowerment, and reducing turnover. In addition, you'll discover how to increase efficiency with today's hospitality technology--from electronic lock to front office equipment.

Picturing Faith Colleen McDannell 2004-01-01 Henri Peyre (1901-1988), a giant figure in French studies, did more to introduce Americans to the modern literature and culture of French than any other person. Sterling Professor and chair of the French Department of Yale University for more than four decades, Peyre was also the author of forty-four books, a brilliant speaker, and a mentor to two generations of students. He left enormous legacies as both teacher and scholar. Peyre also left a large and fascinating body of correspondence. This collection of his letters documents the era in which he lived. His lively letters also bear witness to the vast network of his friends and colleagues, including such major post-war literary figures as Robert Penn Warren, Andre Gide, and Andre Malraux.

Safety Measures Laura Madeline Wiseman 2021-05

That Paris Year Joanna Biggar 2010-09-01 In *That Paris Year*, five smart, adventurous young women arrive on the banks of the Seine in 1962 for their junior year abroad. What they get is an education of a different sort. As they move from the grueling demands of the Sorbonne by day to late nights of discovery in smoky cafes, the young Americans discover a mythical country shaped not only by the upheavals of history, but by the great French writers of the 20th Century, a place where seduction is intellectual as well as sexual. Ten years later, our narrator, J. J., is asked to speak at her old college on the virtues of going abroad. Drawing on the emotionally charged tools of memory and imagination, as well as old journals, letters, and telegrams, she chronicles and re-creates the story of that momentous year. Following in the footsteps of Marcel Proust, Joanna Biggar has written a novel in which intellect, eroticism, and art reverberate from the page to the heartbeat of the City of Light, an American book with the sweep and elegance of French literary tradition.

Extraordinary Jobs in the Service Sector Alecia T. Devantier 2006 Ever wonder who wrangles the animals during a movie shoot? What it takes to be a brewmaster? How that play-by-play announcer got his job? What it is like to be a secret shopper? The new.

The Thousand Islands 2009 The Thousand Islands are more than 1,800 islands located in 35 miles of the upper St. Lawrence River between Upstate New York and southeastern Ontario. During the latter half of the 19th century, the region evolved as a vacation destination, initially for Canadian and American urbanites drawn by the restorative powers of spectacular scenery and relaxed summer life. Tourism expanded rapidly, and by the early 1900s, the Thousand Islands boasted dozens of grand hotels, daily railroad connections to New York and Philadelphia, steamship service to Montreal and Toronto, innumerable sightseeing and guided fishing excursions, and the best that North America's premier vacation spot could offer.
