Seize the Night Dean Koontz 2007-06-15 BONUS: This edition contains an excerpt from Dean Koontz's *The City*. There are no rules in the dark, no place to feel safe, no escape from the shadows. But to save the day, you must...**Seize the Night**. At no time does Moonlight Bay look more beautiful than at night. Yet it is precisely then that the secluded little town reveals its menace. Now children are disappearing. From their homes. From the streets. And there's nothing their families can do about it. Because in Moonlight Bay, the police work their hardest to conceal crimes and silence victims. No matter what happens in the night, their job is to ensure that nothing disturbs the peace and quiet of Moonlight Bay.... Christopher Snow isn't afraid of the dark. Forced to live in the shadows because of a rare genetic disorder, he knows the night world better than anyone. He believes the lost children are still alive and that their disappearance is connected to the town's most carefully kept, most ominous secret—a secret only he can uncover, a secret that will force him to confront an adversary at one with the most dangerous darkness of all. The darkness inside the human heart.

The Abandon Trilogy: Abandon, Underworld, Awaken Meg Cabot 2013-12-15 The first three books in Meg Cabot's Abandon series. **Abandon**: Last year, Pierce died - just for a moment. And when she was in the space between life and death, she met John: tall dark and terrifying, it's his job to usher souls from one realm to the next. There's a fierce attraction between them, but Pierce knows that if she allows herself to fall for John she will be doomed to a life of shadows and loneliness in the underworld. But now things are getting dangerous for her, and her only hope is to do exactly what John says ... **Underworld**: Pierce Oliviera isn't dead. Not this time. But she's been taken by John Hayden, Lord of the Underworld, to the place between heaven and hell where spirits gather before their final journey. John claims it's to protect her from the Furies, who are hell-bent on vengeance against him. But could he have other reasons for keeping Pierce close? When she learns that the people she loves are under threat from the Furies, can she convince John to release her to save them- or will the

price he asks for her freedom be too high? Awaken: Seventeen-year-old Pierce Oliviera knew that by accepting the undying love of John Hayden she'd be forced to live forever in the one place she's always dreaded most: the Underworld. The sacrifice seemed worth it, but now her happiness and safety in the realm are threatened. The Furies have discovered that John has broken one of their strictest rules and revived a dead soul. If the balance of life and death isn't restored, both the Underworld and Pierce's home on Earth will be wiped out by the Furies' wrath. Pierce has already cheated death once ... can she do it again?

My Side of the Mountain Jean Craighead George 2001-05-21 "Should appeal to all rugged individualists who dream of escape to the forest."—The New York Times Book Review Sam Gribley is terribly unhappy living in New York City with his family, so he runs away to the Catskill Mountains to live in the woods—all by himself. With only a penknife, a ball of cord, forty dollars, and some flint and steel, he intends to survive on his own. Sam learns about courage, danger, and independence during his year in the wilderness, a year that changes his life forever. "An extraordinary book . . . It will be read year after year." —The Horn Book

Shipwreck Gordon Korman 2001 Follows a group of six kids stranded on a deserted island as they embark on a quest for survival that tests their limits.

The Abandoned Empress, Vol. 1 (comic) 2022-01-25 "MY ONLY CRIME WAS LOVING YOU..." □Aristia la Monique was the child of prophecy, raised to be the companion of the future emperor—until she wasn't. When the actual child of prophecy appears on the palace grounds, Aristia is immediately cast aside by both fiancé and country and forced to watch as Jieun is handed the love, future, and throne that was supposed to be hers. Her only reward for a lifetime of obedience is death...or rather, a second chance at life! When she unexpectedly wakes up in her ten-year-old body, Aristia resolves to escape the shackles of prophecy no matter the odds. This time, she'll take fate into her own hands!

Abandoned Katie Berry 2021-06 Katie Berry continues the interwoven saga of Lively and Minerva Deadmarsh and Chief Inspector John Harder in this second book in the ABANDONED series, Beginnings And Betrayals. Some questions are finally answered, but others arise as Lively and Minerva find the Sinclair Resort Hotel to be much more than it seems. In a bold attempt to uncover more of what transpired forty years before, the pair formulate a plan that will

either help them immensely or doom them completely. Chief Inspector John Harder continues his official investigation to peel back the intricate web of mystery surrounding the Sinclair Incident. Along the way, he discovers that he may have a far greater role to play in things than he'd initially thought and that the stakes are more personal than he could have ever imagined.

Island of the Blue Dolphins Scott O'Dell 1960 Records the courage and self-reliance of an Indian girl who lived alone for eighteen years on an isolated island off the California coast when her tribe emigrated and she was left behind.

Atlas Shrugged Ayn Rand 2005-04-21 Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's *The Great American Read*. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. *Atlas Shrugged*, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

Lord of the Flies William Golding 2003-12-16 Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Where the Crawdads Sing (Movie Tie-In) Delia Owens 2022-06-28 NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (*The New York Times Book Review*). For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark,

the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. Where the *Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

Underworld Meg Cabot John Hayden, a death deity, takes seventeen-year-old Pierce Oliviera back to the Underworld against her will to keep her safe from the Furies, but her family is still at risk and she, herself, may never escape his captivity.

Abandoned Girl Lexie Winston 2020-07-29 With a junkie prostitute for a mother and a non-existent dad- well unless you believe he was a Russian prince, a British rock god or even a honey voiced Southern movie star, that is- Harlow was abandoned by everyone who should love her. By chance she was fostered by the one bright light in her young life. But even raised as one of the family, there is still a part of her that is lost. When a chance meeting and a tragic accident occur, she is catapulted into a life she never knew existed. But not everyone is happy with her arrival and if Harlow thought her life was difficult in the past, she is in for a rude awakening.

Adored By An Alpha L. P. Dillon 2020-03 Life is perfect for Freya Rose. She has a gorgeous boyfriend, a loving mother... Oh, and her very own stalker... Okay, so maybe Freya's life isn't quite as perfect as she thought. There is more to the picturesque town of Jasper, Alberta than meets the eye. The residents quiet, and laid back demeanors perfectly disguise an extraordinary community of werewolves, vampires, and hunters. When Freya is finally able to see beyond the secrets, she is introduced to a supernatural world full of temptation, power, and love rivals. Freya's relationship with Tristan struggles to make it past all of the lies and secrets, so when a mysterious stranger strolls into her life, will she be able to resist his seductive charms? The biggest question is, how will she react when she discovers that she belongs in this new world, far more than she ever realized. This book contains adult themes, therefore 18+ is advised. This story ends in a cliffhanger, and is then continued in *Abandoned By An Alpha*. There may be some triggers in this book, ie, stalking, murder, adultery, and hunks that might melt your clothes off. The series as a whole, has a reverse harem feel to it, but Freya does not entertain all of the guys at once. That being said, there are a few scenes where more than one guy is involved, so be prepared. Lastly, if you would like to follow me, I can be found on Facebook (L.P. Dillon) or at Author L.P.Dillon's Divas on Facebook. I'm also on Twitter and Instagram occasionally, and my Freya Rose series can be found on Radish. Ps. I'm sorry that you're hanging by your fingertips on that cliff edge, I'll send one of Freya's guys along to save you soon xxx

The Shadow of the Wind Carlos Ruiz Zafon 2011-12-16 Barcelona 1945: young Daniel Sempere is taken to a fabulous secret library called the Cemetery of Forgotten Books where he is told he must 'adopt' a single book, promising to care for it always. Entranced by his chosen book, *The Shadow of the Wind*, Daniel begins a quest to find the truth about the life and death of its mysterious author.

Lost & Found E B Brooks 2020-05-24 Raised without a family, can Maddy trust the offer of four men she just met? Or are they playing her? Growing up in the system left Maddy with an uneasy outlook on life. When she earns a scholarship to a university in Georgia, half the country away from where she grew up, she's determined to start new. Unfortunately for Maddy, her carefully laid plans take a nosedive as soon as she arrives. But Maddy is determined to make it on her own, and she's well versed in rolling with the punches. When she meets a handful of men eager to help her out, Maddy's suspicion kicks in. But they're determined to fight past her defenses and become the family she's never had. Soon, though, Maddy discovers not everything is as it seems with them. They have secrets they can't share, and their hot kisses followed by cold shoulders leave Maddy reeling. Where does she really stand with this group of men? Can she believe their words when their actions say something different? When Maddy's past rises to haunt her, will they be there to save her? Or will everything she worked so hard to build come crashing down?

Abandon #2: Underworld Meg Cabot 2012-05-08 From #1 New York Times bestselling author Meg Cabot, the dark reimagining of the Persephone myth begun in *ABANDON* continues ... into the Underworld. Seventeen-year-old Pierce Oliviera isn't dead. Not this time. But she is being held against her will in the dim, twilight world between heaven and hell, where the spirits of the deceased wait before embarking upon their final journey. Her captor, John Hayden, claims it's for her own safety. Because not all the departed are dear. Some are so unhappy with where they ended up after leaving the Underworld, they've come back as Furies, intent on vengeance . . . on the one who sent them there and on the one whom he loves. But while Pierce might be safe from the Furies in the Underworld, far

worse dangers could be lurking for her there . . . and they might have more to do with its ruler than with his enemies. And unless Pierce is careful, this time there'll be no escape.

Islands of Abandonment Cal Flyn 2022-06-14 A beautiful, lyrical exploration of the places where nature is flourishing in our absence "[Flyn] captures the dread, sadness, and wonder of beholding the results of humanity's destructive impulse, and she arrives at a new appreciation of life, 'all the stranger and more valuable for its resilience.'" --The New Yorker Some of the only truly feral cattle in the world wander a long-abandoned island off the northernmost tip of Scotland. A variety of wildlife not seen in many lifetimes has rebounded on the irradiated grounds of Chernobyl. A lush forest supports thousands of species that are extinct or endangered everywhere else on earth in the Korean peninsula's narrow DMZ. Cal Flyn, an investigative journalist, exceptional nature writer, and promising new literary voice visits the eeriest and most desolate places on Earth that due to war, disaster, disease, or economic decay, have been abandoned by humans. What she finds every time is an "island" of teeming new life: nature has rushed in to fill the void faster and more thoroughly than even the most hopeful projections of scientists. *Islands of Abandonment* is a tour through these new ecosystems, in all their glory, as sites of unexpected environmental significance, where the natural world has reasserted its wild power and promise. And while it doesn't let us off the hook for addressing environmental degradation and climate change, it is a case that hope is far from lost, and it is ultimately a story of redemption: the most polluted spots on Earth can be rehabilitated through ecological processes and, in fact, they already are.

These Times of Abandon Ryan Schow 2020-11-19 From the USA Today bestselling author of *The Last War*, *The Age of Embers*, and *Dark Days of the After* comes a BRAND NEW post-apocalyptic survival saga, *The Abandon Series*. Leighton McDaniel is in her first year at Northern Kentucky University when an EMP detonates above the US. The lights are out, the grid is down, and electronics have failed, including Leighton's new hearing aids. Unbeknownst to the town of Highland Heights, the weather warning system is down and tornados are forming. As Leighton heads for her boyfriend's farm, an admirer of hers quietly takes chase. Nothing covers one's tracks better than shadows and chaos, but some battles turn quickly, leaving one to wonder, who is the wolf, and who becomes the prey? As the tornado's winds begin to whip, and Kentucky descends into lawlessness, the former Golden Gloves boxer, Hudson Croft, is forced to defend his home from violent opportunists. Hudson is ready for the anarchy, but he never anticipated the tornado heading his way, or the war Leighton McDaniel brought with it. Although Hudson is anxious to return to the fight, he remains haunted by his past boxing injuries, for one blow to the head, and it's lights-out on his life. Amid such an unprecedented attack, a handful of citizens will fight to survive the many storms bearing down upon them. Those clinging to the old world will perish while those who abandon the former world will dig in and fight, proving the might and strength of America are not found solely in her military or her commerce, but in the heart of her people. Abandon Me Melissa Febos 2017-02-28 Named One of the Best Books of the year by: Esquire, Refinery29, BookRiot, Medium, Electric Literature, The Brooklyn Rail, Largehearted Boy, The Coil and The Cut. Winner of the Lambda Literary Jeanne Cordova Prize for Lesbian/Queer Nonfiction Finalist, Lambda Literary Award for Lesbian Memoir/Biography Finalist, Publishing Triangle's Judy Grahn Award for Lesbian Nonfiction An Indie Next Pick For readers of Maggie Nelson and Leslie Jamison, a fierce and dazzling personal narrative that explores the many ways identity and art are shaped by love and loss. In her critically acclaimed memoir, *Whip Smart*, Melissa Febos laid bare the intimate world of the professional dominatrix, turning an honest examination of her life into a lyrical study of power, desire, and fulfillment. In her dazzling *Abandon Me*, Febos captures the intense bonds of love and the need for connection -- with family, lovers, and oneself. First, her birth father, who left her with only an inheritance of addiction and Native American blood, its meaning a mystery. As Febos tentatively reconnects, she sees how both these lineages manifest in her own life, marked by compulsion and an instinct for self-erasure. Meanwhile, she remains closely tied to the sea captain who raised her, his parenting ardent but intermittent as his work took him away for months at a time. Woven throughout is the hypnotic story of an all-consuming, long-distance love affair with a woman, marked equally by worship and withdrawal. In visceral, erotic prose, Febos captures their mutual abandonment to passion and obsession -- and

the terror and exhilaration of losing herself in another. At once a fearlessly vulnerable memoir and an incisive investigation of art, love, and identity, *Abandon Me* draws on childhood stories, religion, psychology, mythology, popular culture, and the intimacies of one writer's life to reveal intellectual and emotional truths that feel startlingly universal.

Abandon Elana Johnson 2013-06-04 The fight for independent thought becomes a matter of life or death in this sizzling and intense conclusion to the *Possession* trilogy. Vi has made her choice between Jag and Zenn, and the resistance may have suffered for it. But with the Thinkers as strong as ever, the rebels still have a job to do. Vi knows better than anyone that there's more at stake than a few broken hearts. But there is a traitor among them...and the choices he makes could lead to the total destruction of everything Vi has fought for. Vi, Jag, and Zenn must set their problems aside for the resistance to have any hope of ending the Thinkers' reign. Their success means everything...and their failure means death.

Abandon #3: Awaken Meg Cabot 2013-07-02 From #1 New York Times bestselling author Meg Cabot, the dark reimagining of the Persephone myth comes to a thrilling conclusion. Death has her in his clutches. She doesn't want him to let go. Seventeen-year-old Pierce Oliviera knew by accepting the love of John Hayden, she'd be forced to live forever in the one place she's always dreaded most: the Underworld. The sacrifice seemed worth it, though, because it meant she could be with the boy she loves. But now her happiness -- and safety -- are threatened, all because the Furies have discovered that John has broken one of their strictest rules: He revived a human soul. If the balance between life and death isn't fixed, both the Underworld and Pierce's home back on earth will be wiped away. But there's only one way to restore order. Someone has to die.

Underworld Meg Cabot 2013-04-01 John Hayden, a death deity, takes seventeen-year-old Pierce Oliviera back to the Underworld against her will to keep her safe from the Furies, but her family is still at risk and she, herself, may never escape his captivity.

True Abandon Jeannine Colette 2017-11-13 Trish Hogan's life was destroyed when she gave her trust to her high school boyfriend, Jackson, and he abused it, changing the course of her life forever. A decade later she's living in Manhattan -- she has a roommate, a steady boyfriend and a career. When a hurricane puts the city on lock down, Trish gets a message she never thought she'd receive: Jackson is dying and alone. In a city of millions, she is the only person who can sit by his side. Jackson Davis was once the golden child of a senator who went against his father's plans and became a musician. Tatted up and broken, he wakes up in a hospital only to see Trish -- the one person he needs to atone his sins to -- standing before him. He will recover from his injuries, but not from the pain he caused in the past. Trapped by the storm, they embark on a night of reckoning that has one running away to Hawaii and the other following in her steps. As the victim becomes the villain, the two are forced to face the past, live in the present and find a way to navigate into the future.

Abandoned in Death J. D. Robb 2022-02-08 Homicide detective Eve Dallas must untangle a twisted family history while a hostage's life hangs in the balance—in *Abandoned in Death* by New York Times bestselling author J. D. Robb. The woman's body was found in the early morning, on a bench in a New York City playground. She was clean, her hair neatly arranged, her makeup carefully applied. But other things were very wrong—like the tattoo and piercings, clearly new. The clothes, decades out of date. The fatal wound hidden beneath a ribbon around her neck. And the note: Bad Mommy, written in crayon as if by a child. Eve Dallas turns to the department's top profiler, who confirms what seems obvious to Eve: They're dealing with a killer whose childhood involved some sort of trauma—a situation Eve is all too familiar with herself. Yet the clues suggest a perpetrator who'd be roughly sixty years old, and there are no records of old crimes with a similar MO. What was the trigger that apparently reopened such an old wound and sent someone over the edge? When Eve discovers that other young women—who physically resemble the first victim—have vanished, the clock starts ticking louder. But to solve this case she will need to find

her way into a hidden place of dim light and concrete, into the distant past, and into the cold depths of a shattered mind.

The Abandoned Daughter Mary Wood 2019-05-16 Will Ella ever find what she's looking for? Voluntary nurse Ella is haunted by the soldiers' cries she hears on the battlefields of Dieppe. But that's not the only thing that haunts her. When her dear friend Jim breaks her trust, Ella is left bruised and heartbroken. Over the years, her friendships have been pulled apart at the seams by the effects of war. Now, more than ever, she feels so alone. At a military hospital in France, Ella befriends Connie and Paddy. Slowly she begins to heal, and finds comfort in the arms of a French officer called Paulo – could he be her salvation? With the end of the war on the horizon, surely things have to get better? Ella grew up not knowing her real family but a clue leads her in their direction. What did happen to Ella's parents, and why is she so desperate to find out? *The Abandoned Daughter* by Mary Wood is the second book in *The Girls Who Went To War* series.

Abandon Meg Cabot 2011-04-26 New from #1 New York Times bestselling author Meg Cabot, a dark, fantastical story about this world . . . and the underworld. Though she tries returning to the life she knew before the accident, Pierce can't help but feel at once a part of this world, and apart from it. Yet she's never alone . . . because someone is always watching her. Escape from the realm of the dead is impossible when someone there wants you back. But now she's moved to a new town. Maybe at her new school, she can start fresh. Maybe she can stop feeling so afraid. Only she can't. Because even here, he finds her. That's how desperately he wants her back. She knows he's no guardian angel, and his dark world isn't exactly heaven, yet she can't stay away . . . especially since he always appears when she least expects it, but exactly when she needs him most. But if she lets herself fall any further, she may just find herself back in the one place she most fears: the Underworld.

Abandoned Mate Diana Persaud 2017-01-30 At last, he finds his mate... Alpha Werewolf Rylan is thrilled to finally find his mate. He is crushed when he soon discovers she is married with children. Placing her happiness above his own, he lets her go and accepts that he will have to spend the rest of his life alone, unloved and unmated. ...then he meets widowed Evie and her three young children. Still grieving over her mate's tragic demise, Evie sympathizes with Rylan's broken heart. Evie's companionship and her delightful children soon begin to ease Rylan's heartache. ...and learns a shocking secret: humans are hunting Werewolves. Unfortunately, Rylan's presence in Evie's life draws the attention of the Trapper. Can Rylan thwart a devious enemy intent on destroying their way of life?
