The Girl on the Page John Purcell 2019-12-30 Two women, two great betrayals, one path to redemption. A punchy, powerful and page-turning novel about the redemptive power of great literature, from industry insider, John Purcell. Amy Winston is a hard-drinking, bed-hopping, hot-shot young book editor on a downward spiral. Having made her name and fortune by turning an average thriller writer into a Lee Child, Amy is given the unenviable task of steering literary great Helen Owen back to publication. When Amy knocks on the door of their beautiful townhouse in north west London, Helen and her husband, the novelist Malcolm Taylor, are conducting a silent war of attrition. The townhouse was paid for with the enormous seven figure advance Helen was given for the novel she wrote to end fifty years of making ends meet on critical acclaim alone. The novel Malcolm thinks unworthy of her. The novel Helen has yet to deliver. The novel Amy has come to collect. Amy has never faced a challenge like this one. Helen and Malcolm are brilliant, complicated writers who unsettle Amy into asking questions of herself - questions about what she values, her principles, whether she has integrity, whether she is authentic. Before she knows it, answering these questions becomes a matter of life or death. From ultimate book industry insider, John Purcell, comes a literary page-turner, a ferocious and fast-paced novel that cuts to the core of what it means to balance ambition and integrity, and the redemptive power of great literature. '[A] mischievous commentary on...literary culture ... a commercial paean to great literature, an elegy to words and reading.' Weekend Australian 'The Girl on the Page is funny, fast paced, frank, ribald, hip, erudite and clever ... This is an entire novel about books, writing and editing, and it's a delicious romp. At its heart, this story is about how the literary arts can cohabit with the mercantile world of publishing, and how writers and editors can help each other do better, richer, more relevant work. This is a book about the joys of creating - both for writers and for editors.' The Listener 'A slick, sharp novel about books and relationships, drenched in delicious insider detail from the book industry. Impossible not to enjoy.' - Matt Haig, international bestselling author of Notes on a Nervous Planet and How to Stop Time 'Hilarious and heartbreaking ... I know people are going to enjoy this book as much as I did.' - Christian White, bestselling author of The Nowhere Child 'Fast-paced, clever, funny, seriously thought and talk-provoking.' - Dervla McTiernan, bestselling author of The Ruin 'Like getting on a fast-moving train or rocket ... you cannot and don't want to get off, but must follow every dynamic, insatiable, brilliant character right to the stunning end.' - Caroline Overington, bestselling author of The One Who Got Away and The Ones You Trust 'In The Girl on the Page, John Purcell triumphs with a scalpel in one hand and his heart in the other. It is a gripping, dark comedy of a novel which eviscerates the cynicism of contemporary publishing while uttering a cri du coeur for what is happening to writers and readers this century. Through this dark comedy - I squealed with laughter, page after page - flash questions about cultural life that Purcell asks but leaves us to ponder.' Blanche d'Alpuget 'A juicy page turner that takes a scalpel to the literary world, written with deep insider intel and a gleeful sense of mischief, The Girl on the Page is a wickedly clever, razor-sharp satire of lust, betrayal and ambition.' Nothing More Dangerous Allen Eskens 2019-11-12 Missouri native Allen Eskens' "stunning small-town mystery" (New York Times Book Review) is a necessary exploration of family, loyalty, and racial tension in America and "a coming-of-age book to rival some of the best, such as *Ordinary Grace*" (Library Journal, starred review). In a small Southern town where loyalty to family and to "your people" carries the weight of a sacred oath, defying those unspoken rules can be a deadly proposition. After fifteen years of growing up in the Ozark hills with his widowed mother, high-school freshman Boady Sanden is beyond ready to move on. He dreams of glass towers and cityscapes, driven by his desire to be anywhere other than Jessup, Missouri. The new kid at St. Ignatius High School, if he isn't being pushed around, he is being completely ignored. Even his beloved woods, his playground as a child and his sanctuary as he grew older, seem to be closing in on him, suffocating him. Then Thomas Elgin moves in across the road, and Boady's life begins to twist and turn. Coming to know the Elgins -- a black family settling into a community where notions of "us" and "them" carry the weight of history -- forces Boady to rethink his understanding of the world he's taken for granted. Secrets hidden in plain sight begin to unfold: the mother who wraps herself in the loss of her husband, the neighbor who carries the wounds of a mysterious past that he holds close, the quiet boss who is fighting his own hidden battle. But the biggest secret of all is the disappearance of Lida Poe, the African-American woman who keeps

the books at the local plastics factory. Word has it that Ms. Poe left town, along with a hundred thousand dollars of company money. Although Boady has never met the missing woman, he discovers that the threads of her life are woven into the deepest fabric of his world. As the mystery of her fate plays out, Boady begins to see the stark lines of race and class that both bind and divide this small town -- and he will be forced to choose sides. The short-sighted adolescent is a passionate reader who takes various cultural figures as models, trying to emulate both their lives and their works. The pupil protagonist is a poor student, who likes science and reads a lot of books, sometimes staying up all night to do so. At the age of 15, he decides to write a novel to demonstrate to his teachers that he is not as mediocre as all the other students, and is prepared to give up everything he holds dear for his art. The novel is written in a number of notebooks--the "diary" of the title--but our myopic hero ultimately fails in three subjects and is too lazy to learn and has to repeat the school year. Diary of a Short-Sighted Adolescent was written by the young Mircea

Eliade, one of Romania's greatest writers and intellectuals. The book can be viewed as an early 20th century *Catcher in the Rye*, and allows us an intimate view of the developing genius--his teachers, his classmates' academic and amorous rivalries, his first sexual experiences--and an introduction to the themes of religion, self-knowledge, erotic sensibility, artistic creation, and otherness; ideas which would preoccupy him until the end of his life.

Succubus On Top Richelle Mead 2011-01-28 A succubus must balance a burgeoning romance as she fights to save a co-worker's soul in this urban fantasy from a #1 New York Times--bestselling author. Love hurts, and no one knows it better than Georgina Kincaid. If she so much as kisses Seth Mortensen, the shy, sexy writer she's been dating, she'll drain his life force. Admittedly, the shapeshifting and immortality perks of a succubus are terrific, but it's completely unfair that a she-demon whose purpose is seduction can't get down with the one mortal who accepts her for who she is... It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. She could use an assist from Bastien, an irresistibly charming incubus and her best immortal friend, but he's giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one--and fast, because soon, Doug's life won't be the only one on the line... The Immortal Crown Richelle Mead 2015-06-02 The #1 New York Times bestselling author of the Vampire Academy and Bloodline series returns with the second installment in her acclaimed Age of X series. Religious investigator Justin March and Mae Koskinen—the beautiful supersoldier assigned to protect him—have been charged with investigating reports of the supernatural and the return of the

gods, both inside the Republic of United North America and out. With this highly classified knowledge comes a shocking revelation: Not only are the gods vying for human control, but the elect—special humans marked by the divine—are turning against one another in bloody fashion. Their mission takes a new twist when they are assigned to a diplomatic delegation headed by Lucian Darling, Justin's old friend and rival, going into Arcadia, the RUNA's dangerous neighboring country. Here, in a society where women are commodities and religion is intertwined with government, Justin discovers powerful forces at work, even as he struggles to come to terms with his own reluctantly acquired deity. Meanwhile, Mae—grudgingly posing as Justin's concubine—has a secret mission of her own: finding the illegitimate niece her family smuggled away years ago. But with Justin and Mae resisting the resurgence of the gods in Arcadia, a reporter's connection with someone close to Justin back home threatens to expose their mission—and with it the divine forces the government is determined to keep secret.

commonplace, including those to stop violence against people of color, women, and LGBT people. *Unlivable Lives* reveals the unintended consequences of this approach within the transgender rights movement in the United States. It illustrates how this form of activism obscures the causes of and lasting solutions to violence and exacerbates fear among members of the identity group, running counter to the goal of making lives more livable. Analyzing over a thousand documents produced by thirteen national organizations, Westbrook charts both a history of the movement and a path forward that relies less on identity-based tactics and more on intersectionality and coalition building. Provocative and galvanizing, this book envisions new strategies for anti-violence and social justice movements and will revolutionize the way we think about this form of activism.
