**Die Redaktionsgeisha** Eugen Pletsch 2019-11-12 Ein Golfspieler, der in seiner Jugend zu viele psychedelische Substanzen konsumiert hat und nun glaubt ziemlich erleuchtet zu sein, leidet unter Boreout. Um unter normale Menschen zu kommen und um seiner kompletten Verblödung als Golfer vorzubeugen, folgt er der Empfehlung seiner esoterischen Nachbarschaftsberaterin Frau Liebeseel und betritt das ungewohnte Terrain geregelter Arbeit. In einem von Frauen dominierten Verlagshaus bewirbt er sich als Marketingspezialist, mutiert aber schnell zum Hausfaktotum und wird die REDAKTIONSGEISHA. *The Heart Beats on the Left* Oskar LaFontaine 2000-10-23 This is the English-language edition of what has become one of the most controversial books in German politics today. Oskar Lafontaine was the leader of Germany's Social Democratic party and finance minister in Gerhard Schröder's government until he suddenly resigned in March 1999. Lafontaine's left-wing commitments brought him into conflict with Schröder's endorsement of third way politics and with his attempt to remodel the SDP along the lines of Tony Blair's New Labour. The Heart Beats on the Left is the inside story of why Lafontaine broke with the SDP and Schröder's government, and why he believed that the social and political costs of Schröder's third way politics were too high. It is a merciless settling of scores in which the policies of Schröder and his government are subjected to scathing criticism. But it is also the most sustained

criticism of third way politics from a prominent political figure who stands on the left. A bestseller in Germany and already translated into many languages, this book is bound to be widely reviewed in English and to become a focal point for political debate about social democracy and its future.

A delicate, secretive boy with too much imagination and too few opportunities, he becomes the target of outrage and fear when strange phenomena convulse the town: snowfall in summer, inexplicable corn circles, a boy dead under the wheels of a train, swastikas crudely daubed on walls. Fingers point, and they single out Kuper. The more he tries to prove his innocence, the more fierce the accusations, until his only option is open war against the village and its inhabitants."--Book jacket.
