Acorna's Children Anne McCaffrey 2007 Fantasy-roman.

Restoree Anne McCaffrey 2002-04-09 A classic sci-fi novel from the beloved author of the Dragonriders of Pern® series She was a restoree, kidnapped. Torn from Earth by a bizarre and nameless black force, Sara had no idea where she was or why she was in a beautiful new body. Controlled by brutal guards and tamed by terror, she could not comprehend her role as a nurse for a man who appeared to be an idiot. But once she discovered that the planet she had been brought to was Lothar and that the man she was caring for was its regent, Sara knew the restorees had to escape—and fast. And when they did, they became fugitives on a world of multiple evils—bound together on a daring adventure that would either join them for all time . . . or separate them forever.

Acorna Anne McCaffrey 2009-03-17 "Something's Alive In There!" She was just a little girl, with a tiny horn in the center of her forehead, funny-looking feet, beautiful silver hair, and several curious powers: the ability to purify air and water, make plants grow, and heal scars and broken bones. A trio of grizzled prospectors found her drifting in an escape pod amid the asteroids, adopted her, and took her to the bandit planet Kezdet, a place where no questions are asked and the girl might grow up free. But Kezdet has its own dark secret. The prosperity of the planet is based on a hideous trade in child slave labor, administered by "The Piper" -- a mystery man with special plans for Acorna and her powers. But free little girls have a way of growing into freedom-loving young women, and Acorna has special plans all her own. . .

Acorna's Triumph Anne McCaffrey 2005 Focuses on the adventures of the brave unicorn girl, Acorna, as she faces her most difficult challenge ever. She has defeated slavers, a deadly international conspiracy, and the vicious alien Khleevi, only to endure the loss of her beloved Aari, distant in both time and space. Having rescued her people from their enemies, Acorna is disturbed by

sinister changes that are demonstrated by her beloved lifemate. Aari, a situation that is complicated by the workings of a vicious criminal and the deadly Khleevi.

Acorna's World Anne McCaffrey 2011-02-15 Although she has made peace with her Linyaari heritage, Acorna knows that only by returning to the frozen stillness of space will she ever feel truly at home.

Third Watch Anne McCaffrey 2008 Khorii, the rebellious daughter of the near-mythic Acorna and her lifemate, Aari, has followed in Acorna's footsteps leading their people from danger, but the pressure to succeed and fulfill a legacy is tremendous.

Acorna's Search Anne McCaffrey 2009-10-13 The homeworld Acorna has never known was horribly scarred in the brutal attack by the cold-blooded Khleevi, but the Linyaari -- the unicorn girl's gentle, spiritual race -- live on. Now is the time for healing and rebuilding, for restoring the natural beauty corrupted by the savage insectile oppressors. But Acorna's Linyaari friends and colleagues begin mysteriously disappearing soon after work gets under way, among them her beloved Aari. And her desperate search for answers will lead courageous Acorna to a shocking discovery beneath the surface of her people's world -- and deep into the realms of limitless space, where the truth of the origin of everything awaits.

Marsbound Joe Haldeman 2008-08-05 Young Carmen Dula and her family are embarking on the adventure of a lifetime--they're going to Mars. But Carmen's rebellious streak leads her to venture out into the bleak Mars landscape alone, where she is saved by an angel. An angel with too many arms and legs, a head that looks like a potato gone bad--and a message for the humans on Mars: We were here first...

Acorna's Children Anne McCaffrey 2006

Pegasus in Flight Anne McCaffrey 2002-04-09 "[Anne] McCaffrey's world of the Talented is as vivid as that of Pern and its dragons."--Publishers Weekly Earth has reached its darkest moment. In subterranean warrens, the poor eke out precarious lives where jobs are scarce and children are sold for labor--while on the surface, a privileged few enjoy lives of luxury. As the population surges and unrest spreads, a disaster of epic proportions seems inescapable. The only hope: a platform under construction in space from which starships will be launched to colonize distant planets. But the project is critically behind schedule. In the midst of the chaos, Rhyssa Owen and her fellow Talents--telepaths who read minds, kinetics who manipulate matter, and precogs to whom the future is an open book--struggle to survive. Then two children are discovered whose extraordinary psychic gifts have the potential to avert the looming catastrophe--or hasten its ominous arrival. . . .

novella in the "fast-paced, exciting military SF series"* featuring Kris Longknife. Kris Longknife is back home from her galactic adventures, but her entire Fleet of Discovery has been annihilated. Now, humanity finds itself at war with an alien race more monstrous than anyone could have possibly imagined. General Terrance "Trouble" Tordon, Kris's great-grandfather, is given the task of calming the panicked politicians, some of whom blame Kris for the disaster and would like to eliminate the ever bothersome Commander Longknife. But as "Trouble" struggles to defend his Kris, the level of uncertainty among the civilians leads to more panic and a rush to judgment that makes him believe that he's facing a fight he's bound to lose... Includes a preview of the newest Kris Longknife novel, *Furious*, available November 2012. *SF Site

Third Watch Anne McCaffrey 2009-10-13 The dramatic conclusion to the breathtaking saga of the children of Acorna and Aari. Khorii, the rebellious daughter of Acorna, the near-mythic heroine of her people, has tried to follow in her mother's footsteps in this time of plague and terror. But the pressure on the courageous young woman to succeed is tremendous, and the legacy she is expected to fulfill is overwhelming. The insidious enemy that has ravaged countless known worlds has left Khorii's illustrious parents too weak to oppose it. Now, as the deadly foe prepares to launch its devastating final assault, it falls to Acorna's children—Khorii and her newly discovered sister, Ariin—to halt the brutal attack once and for all. But victory may prove too difficult, elusive, and ultimately fragile—and even time itself may be conspiring against the daughters in their desperate battle to save their family . . . and their universe.

Cleopatra 7.2 Elizabeth Ann Scarborough 2011-02 SA science fiction thriller that feels like a futuristic James Bond . . . The idea of two minds inhabiting one body is a fascinating premise. The way they blend together and respect each other "s personality makes Elizabeth Ann Scarborough "s latest work a fascinating, often humorous speculative fiction. Midwest Book Review SScattered throughout the narrative, Scarborough provides amusing asides from the viewpoints of the Cleopatras. The modern day is filled with marvels from the viewpoints of the ancient queens, and Scarborough does a marvelous job of giving the world we take for granted a new angle of understanding . . . [She] has done a fabulous job of researching the past, and through the observations of the two Cleos paints a heartrending picture of loss and yet at the same time presents awe-inspiring descriptions of wonders that have managed, despite war, neglect, and outright vandalism, to survive for millennia to the modern day. SF Revu S[An] exciting speculative thriller . . . Scarborough deftly weaves her suspenseful web and then untangles the threads with her clear and concise prose, preventing a plot with dual-identity characters from spinning out of control. The DNA-blending concept is fascinating. . . retains the breathless action, frenetic pacing, and dry wit, [of its predecessor] with homages to Elizabeth Peters and Indiana Jones, and will appeal to a wide audience.

First Warning Anne McCaffrey 2009-10-13 Beloved by millions of readers, Anne McCaffrey is one of science fiction's favorite authors. Writing with award-

winning author Elizabeth Ann Scarborough, she has created the bestselling Acorna series focusing on the adventures of the brave unicorn girl. Now the exciting saga of the next generation begins. First Warning Khorii, daughter of the near-mythic Acorna and her lifemate, Aari, must contend with an overwhelming legacy to forge a path of her own through a universe filled with new adversaries and adventures. A simple journey home to visit her parents turns into a race against time when Khorii happens upon a derelict spacecraft drifting in space, its crew dead in their seats. But this gruesome discovery is only a dread harbinger—a deadly plague is spreading across the universe and not even the healing powers of the Linyaari can slow its horrific advance. Khorii, one of the few unaffected by the outbreak, must find the nefarious perpetrators and a cure before the disease consumes all in its path—including her beloved parents.

Acorna's People Anne McCaffrey 2001-01-01 In the search, Acorna and her new friends rescue another survivor, also given up for lost. Most importantly, though, Acorna at last uncovers the Universe's most carefully guarded secret - the true nature of the ancient link between the hoofed, telepathic Linyaari and the space-faring humans she has come to think of as her people as well.

Power Lines Anne McCaffrey 2002-04-09 The spellbinding sequel to "Powers That Be," by Hugo and Nebula Award-winning authors Anne McCaffrey and Elizabeth Ann Scarborough. The natives of Petaybee claimed their planet was sentient, but the officials of Intergal did not believe them . . . or want to believe them. The planet was rich in valuable ore, and Intergal was determined to mine that ore no matter what the cost. Yanaba Maddock, once a company spy, was adopted by the planet and its people as one of their own. Now her loyalties are to Petaybee, not Intergal, and she is dedicated to keeping Intergal from killing the world she has come to love. But without proof of the planet's sentience, Intergal will proceed with its mining operations. Can Yana find a way to convince Intergal of Petaybee's sentience before it is too late?

Stardoc S. L. Viehl 2000-01-01 Dr. Cherijo Grey Veil leaves Earth and accepts a position as a physician at Kevarzanga-2's FreeClinic. Her surgical skills are desperately needed on a hostile frontier world with over 200 sentient species—and her understanding of alien physiology is nothing short of miraculous. But the truth behind her expertise is a secret which, if discovered, could have disastrous consequences between human and alien relations.

Acorna's Rebels Anne McCaffrey 2005 Acorna sets off on a mission to save her beloved Aari. But a crash landing brings the crew to the exotic jungle world of Makahomia, home of the mysterious Temple Cats. Beautiful and barbaric, Makahomia has been blockaded for years to protect itself - and the Federation. Racing to save the Temple Cats from a deadly disease, Acorna uncovers a plot to destroy the sacred felines and exploit Makahomia's people, and finds herself leading a small band of rebels determined to stop the conspiracy - a quest that takes them into the hidden sanctuaries of that world. But within one sacred shrine Acorna discovers shocking information that may lead to Aari...or to disaster.

Second Wave Anne McCaffrey 2006-08-08 It is difficult growing up in the shadow of heroes revered throughout the galaxy. But that is the lot of young Khorii—daughter of the legendary Acorna and her lifemate, Aari—who must now follow her own destiny through a fantastic universe of wonders and perils. Khorii became a hero in her own right as she fought to save the universe from a mysterious, deadly plague that not even the healing powers of the Linyaari could stop. Now, confined with the rest of the survivors on Paloduro, the home planet of the disease, it seems as if the danger may be fading, and Khorii and her friends may be able to stem the tide of death and disease . . . until ominous signs indicate that the perpetrators are near and that the epidemic is only beginning. As old enemies reemerge and a shocking family secret is revealed, Khorii must unlock the malevolent mysteries of the deadly pestilence with the aid of her android "brother" before their unknown foes complete their covert mission to cripple the entire star system.

Father Christmas Elizabeth Ann Scarborough (With K. B. Dundee) 2019-10-04 Spam the cat thought he'd seen a lot of the world in his nine months of life. After all, he was the foremost vampire hunter of Port Deception, WA. (SPAM VS THE VAMPIRE)! This was his first Christmas, however, and from what he'd heard on TV, on Christmas all was supposed to be calm, all was supposed to be bright. The deer and Renfrew the raccoon had other ideas however. In an attempt to keep Renfrew, aka "The UPS Bandit" from ruining a lot of Christmases, Spam begins a task that leads to his being the sole protection of a new mother and child, and a less-than-warm-and-fuzzy reunion with his feral father. Altogether, his first Christmas eve is a less than Silent Night.

Phantom Banjo Elizabeth Ann Scarborough 2010-10 This is a fantasy series about a bunch of folk musicians, good pickers and flawed but likable human beings, trying to reclaim songs destroyed by the evil forces (or devils, including but

by no means limited to the Expediency Devil, the Stupidity and Ignorance Devil, and the Debauchery Devil) that want humanity to lose its humanity. Hauntings abound, as they do in the folk songs.

Acorna's World Anne McCaffrey 2009-10-13 Acorna, the "unicorn girl" has made peace with her Linyaari past, and aboard the interplanetary salvage vessel Condor she is finally free. But dread overtakes her when a distress signal summons Acorna and her companions to a nearby planet. For among the myriad wonders of this world of sentient plants and intoxicating perfumes are unmistakable signs that everything Acorna holds dear is in peril. A promise of world-shattering devastation is in the celestial winds-and impending catastrophe at the claws of the cold-blooded insectile race that seeks to eradicate all Linyaari and human life from the galaxy...the Khleevi!

Centaur Aisle Piers Anthony 2002-03-26 The magic of Xanth was useless in Mundania—until Dor tried honesty! Dor was having troubles growing up to be the next Magician-King of the magic Land of Xanth. He wanted no part of running the Kingdom. But now the Good King Trent was leaving on a trade mission to non-magical Mundania, home of such weird beasts as horses and bears, so Dor had to take over as King for a week. A week passes. No Trent. Then three weeks. King Trent still hasn't returned. Surely, something terrible had happened; he was apparently held captive in some foul dungeon, unable to escape. Dor was left with the burden of ruling—and with Irene, who was entirely too willing to be his Queen! His only hope was to enter Mundania and free King Trent. But how could it be done without the powers of magic? Nevertheless, he started forth bravely—together with Irene, a golem, a centaur, and a young ogre—heading for the far south of Xanth. The entrance to Mundania, of course, lay to the north.

Acorna's Children Anne McCaffrey 2009-11-03 Anne McCaffrey and Elizabeth Ann Scarborough, two of science fiction's favorite authors, created the world of Acorna, the unicorn girl. Now Acorna's children start to have their own adventures. **FIRST WARNING** Acorna's daughter, Khorii, must contend with an overwhelming legacy to forge a path of her own. A simple journey to visit her relatives turns into a race against time when Khorii comes across a derelict spacecraft drifting in space, its crew dead in their seats. But this gruesome discovery is only a dread harbinger - a deadly plague is spreading across the universe and not even the healing powers of the Linyaari can slow its horrific

advance. Khorii, one of the few unaffected by the outbreak, must find a cure before the disease consumes all in its path - including her beloved parents.

Deluge Anne McCaffrey 2009 Selkie twins Ronan and Murel are captured and held on a prison planet by the Company, which wants them as workers, and Dr. Mabou, an unscrupulous scientist who hopes to study their unusual shape-changing talent.

Untold Lives Elizabeth Scarborough 1989-03 In the outpouring of books on education in the last decade, none has been more important than Paul Willis' *Learning to Labor*, The unique contribution of this book is that it shows, with glittering clarity, how the rebellion of poor and working class kids against school authority prepares them for working class jobs. No American interested in education or in labor can afford not to read and study this book carefully.
--Stanley Aranowitz

Lord of the Fire Lands Dave Duncan 2014-04-01 "Exceptional . . . Duncan can swashbuckle with the best, but his characters feel more deeply and think more clearly than most" (Publishers Weekly). Raider and Wasp have spent five years at Ironhall studying to become Blades, expert swordsmen whose talents stand unmatched. Magic both enhances the Blades' fighting skills and binds them to lifelong duty. But when Raider and Wasp are selected to protect the king of Chivial himself, they refuse, an act unprecedented in the living history of the Blades. Now on the run for their "treasonous" act, the two gifted swordsmen must escape to the Fire Lands, where pirates, monsters, and mixed allegiances wait around every corner. As old hatreds and still-fresh tragedies come to light, these young swashbucklers must confront both harsh truths from the past and a present swarming with their would-be brothers at arms seeking vengeance and intending punishment. Dave Duncan's *Lord of the Fire Lands* serves as a splendid sequel and companion to his earlier book *The Gilded Chain*, and his later *Tale of the King's Blades Sky of Swords*. Engaging and complex, it may be enjoyed as a standalone novel or in combination with the rest of the trilogy. Either way, readers are in for a smart, thrilling adventure that cuts like a knife.

Acorna's Quest Anne McCaffrey 2009-10-13 "I must find my own kind!" Found as an infant drifting in space, Acorna, the Unicorn Girl, has become a young woman. She still has her tiny, translucent horn, and her "funny" feet and hands. And, she still has her miraculous ability to make plants grow and heal human sickness. But Acorna has strange dreams of a gentle folk who mind-speak by touching horns. With her "Uncle" Calum, one of the three grizzled asteroid prospectors who rescued, protected, and raised her, she sets off to find her people. No sooner does she leave than a mysterious craft appears, piloted by the Linyaari, a gentle race with telepathic powers. The Linyaari are roaming the galaxy, spreading the alarm about the deadly Khleev--And searching for a beloved little girl they had given up for lost, long ago...
