The Book of Lies Aleister Crowley 2018-01-23 Aleister Crowley's The Book of Lies is an important and complex work of occultism. Deciphering its many layers of hidden meaning requires a little patience and more than a beginner's knowledge of Thelema. For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth the effort. This new 2018 edition of The Book of Lies from Kismet Publishing restores all of Crowley's original text, including the important keys, sigils and diagrams often omitted from reprints.

Enquire Within Upon Everything Various Authors 2013-04-16 Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Raw Lamont "U-God" Hawkins 2018-03-06 Selected as a Best Book of the Year by Esquire "Couldn't put it down." – Charlamagne Tha God "Mesmerizing." – Raekwon da Chef "Insightful, moving, necessary." – Shea Serrano "Cathartic." –The New Yorker "A classic." –The Washington Post The explosive, never-before-told story behind the historic rise of the Wu-Tang Clan, as told by one of its founding members,

Lamont "U-God" Hawkins. "It's time to write down not only my legacy, but the story of nine dirt-bomb street thugs who took our everyday life—scrappin' and hustlin' and tryin' to survive in the urban jungle of New York City—and turned that into something bigger than we could possibly imagine, something that took us out of the projects for good, which was the only thing we all wanted in the first place." —Lamont "U-God" Hawkins

The Wu-Tang Clan are considered hip-hop royalty. Remarkably, none of the founding members have told their story—until now. Here, for the first time, the quiet one speaks. Lamont "U-God" Hawkins was born in Brownsville, New York, in 1970. Raised by a single mother and forced to reckon with the hostile conditions of project life, U-God learned from an early age how to survive. And surviving in New York City in the 1970s and 1980s was no easy task—especially as a young black boy living in some of the city's most ignored and destitute districts. But, along the way, he met and befriended those who would eventually form the Clan's core: RZA, GZA, Method Man, Raekwon, Ol' Dirty Bastard, Inspectah Deck, Ghostface Killah, and Masta Killa. Brought up by the streets, and bonding over their love of hip-hop, they sought to pursue the impossible: music as their ticket out of the ghetto. U-God's unforgettable first-person account of his journey, from the streets of Brooklyn to some of the biggest stages around the world, is not only thoroughly affecting, unfiltered, and explosive but also captures, in vivid detail, the making of one of the greatest acts in American music history.

In the Heat of the Forest Patrick M. Ohana 2022-05-15 In the Heat of the Forest features over 50 pieces, in the form of prose and poetry, spinning around trees and their prehistoric plight of being considered as

material instead of fully alive like all animals, except that they cannot take flight whether to the sky or away from predators and fire, although there are species of trees that can withstand the latter and even many predators, save us, of course. I love trees and most other plants. I seem to love humans too, and most other animals, but I may be biased, of course. Yet, in terms of being able to communicate, I think that I can understand trees better, not caring much about what most other animals are purported to be implying, with an adequate quantity of exceptions, nonetheless, such as many birds and a bit higher number of humans. This “literary” assembly starts with 19 prose pieces, followed by 32 poems in several forms, including the sonnet (my favourite), alexandrine and acrostic. Other forms of poetry include the haiku, haiku plus (my “novelty”), tanka, mantinada and, of course, free verse, as well as new lyrics to three known songs. A couple of the prose pieces use poetry for one reason or another, even in the form of a paragraph instead of the typical layout of a poem. Most of In the Heat of the Forest’s pieces were penned over a period of 15 months between 2020 and 2021, while several others were written in 2022. I hope that you can appreciate these tree stories and poems, or at least trees and their right to live as tall and as old as they can become.

The Wanton Sublime Anna Rabinowitz 2006 "Anna Rabinowitz gives us language at a height and experience at a depth that the whole art suddenly appears as a plinth on the plain of American letters."- Molly Peacock In this probing exploration of motherhood, one of our most imaginative contemporary poets cuts through the pieties to the human issues spiraling around the Annunciation and the Virgin Mary. This is not a "religious" book by any means. Instead, we see a new slant on freedom, subjugation, and the mother-child relationship illuminated by interconnected fragments, lyrics, multiple choice questions, argument, and ancient texts. *The Wanton Sublime* rewards with formal invention and linguistic brilliance- blissful marriages of form and content. WHO/WHAT IS IT COMES? Out of a vast silence, a spring spray, a drench of dew, all so still into the cave of her body? For mother read lover For "like dew in April/That falleth on the flower" read "like dew in April/That falleth to de-flowera_ " String theorists concede that their equations are approximations to an unknown theory they call M-theory standing for matrix, magic, mystery of mother as in mother of all theories as in mother of us all Anna Rabinowitz's volumes of poetry include *Darkling*, finalist for ForeWord Magazine's Best Poetry Book of 2001 Award, and *At the Site of Inside Out*, winner of the Juniper Prize. A former NEA Arts Fellow, she has published widely in such journals as *Atlantic Monthly*, *Boston Review*, *The Paris Review*, and *Best American Poetry* 1989.

Killarney: a Descriptive Poem. By Pat. O'Kelly Patrick O'Kelly 1791

Legends Gr. 4-6

The Outward-Focused Life Dave Workman 2008-08-01 Dave Workman wants to start a revolution that will turn Christians--and the world--inside out. With keen insight and sharp wit, Workman uncovers our self-motivated and self-centered tendencies and shows us how to turn them around in service to others. A collection of short chapters derived from Workman's popular radio program, *The Outward Focused Life* offers busy people practical ideas that turn their thoughts from themselves to other people. This book gives readers the encouragement and energy they need to change their world one day at a time through generosity of time, money, and spirit.

Long Way Down Jason Reynolds 2017-10-24 “An intense snapshot of the chain reaction caused by pulling a trigger.” –Booklist (starred review) “Astonishing.” –Kirkus Reviews (starred review) “A tour de force.” –Publishers Weekly (starred review) A Newbery Honor Book A Coretta Scott King Honor Book A Printz Honor Book A Time Best YA Book of All Time (2021) A Los Angeles Times Book Prize Winner for Young Adult Literature Longlisted for the National Book Award for Young People’s Literature Winner of the Walter Dean Myers Award An Edgar Award Winner for Best Young Adult Fiction Parents’ Choice Gold Award Winner An Entertainment Weekly Best YA Book of 2017 A Vulture Best YA Book of 2017 A Buzzfeed Best YA Book of 2017 An ode to Put the Damn Guns Down, this is New York Times bestselling author Jason Reynolds’s electrifying novel that takes place in sixty potent seconds—the time it takes a kid to decide whether or not he’s going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That’s what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That’s where Will’s now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother’s gun. He gets on the elevator, seventh floor, stoked. He knows who he’s after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that’s when Will sees that one bullet is

missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

Alice's Adventures in Wonderland and Through the Looking-Glass Lewis Carroll 2009-09-10 A little girl falls down a rabbit hole and discovers a world of nonsensical and amusing characters.
