The Ultimate Random Encounters Book Travis "Wheels" Wheeler 2021-10-05 "Playing a role-playing game is a delicate dance. If everything runs smoothly, it feels like you and your friends are able to maneuver effortlessly through dramatic, epic, and uproariously silly scenes where everyone gets a chance to shine. And yet, other times it just doesn't come together. Combat slows to a repetitive grind, the Game Master runs out of good Non-Player Character (NPC) ideas, or after twenty-six rounds maybe even the most beautifully designed encounter just gets a bit stale. Sure, you could prep an absolute powerhouse of an all-killer-no filler role-playing session. Spend time getting fun character voices ready for every NPC. But that sounds like way too much work. This is the book you turn to for help. It's a big book of ideas designed to slot right into your existing campaign, organized into neat little tables. If you salivate at chaos magic effect tables and daydream about wild, unexpected die results, you already know it can also be fun to throw caution to the wind and let randomness determine as much as possible. Even the most organized GMs and the tightest adventure modules benefit from a little spice!"--

Capture Your Dream Michael Muthengi Makau 2011-04-29 Have you ever wondered how you can capture your dream? There are people who have created organizations, lived fulfilled lives or even changed their countries. How did they do it? It all started with a dream. However they did more than dream, they lived their dream. Do you want to live your dream? For any organization to grow and be noticed, they must have a strategy. That strategy details the vision of the organization, the values that organization holds and the action points that organization will follow to achieve its goals. Imagine if all individuals in this world did the same thing. One way of capturing your dream is by having a personal strategy. This entails coming up with a personal vision, drawing up your personal values, and setting goals. That is what this notebook is about, capturing the dream that you have always had. It is a step by step workbook on ensuring you do not go to the grave with your dream.

Outdoor Adventure Guide 1994

Strangers and Sojourners Arthur W. Turner 1994 Arthur Turner tells of the enormous struggle of the diverse immigrants who built and sustained energetic towns and communities, creating a lively civilization in what was essentially a forest wilderness. Their story is one of incredible economic success and grim tragedy in which mine workers daily risked their lives. By highlighting the roles women, African Americans, and Native Americans played in the growth of the Keweenaw community, Turner details a neglected and ignored past. The history of Keweenaw Peninsula for the past one hundred and fifty years reflects contemporary American culture—a multicultural, pluralistic, democratic welfare state still undergoing evolution. *Strangers and Sojourners*, with its integration of social and economic history, for the first time tells the complete story of the people from the Keweenaw Peninsula's Baraga, Houghton, Keweenaw, and Ontonagon counties.
