The Course in Miracles Experiment Pam Grout 2020-01-28 ACIM, the Fun Version! A real-world rewrite of the lessons of A Course in Miracles by the #1 New York Times best-selling author of E-Squared. A Course in Miracles is profound, deeply moving, and as boring to read as a bookshelf assembly manual. Ask for a show of hands at any self-help gathering, and 95 percent will happily admit to owning the dense blue book that's a famous resource for spiritual transformation. Ask the obvious follow-up, "How many have actually read it?" and all but a smattering of hands go down. It's as if everyone wants the miracles, the forgiveness, and the mind shifts, but they just can't bear its ponderous heaviness. Pam Grout to the rescue! Her new book is for all those still struggling with the Course. Grout offers a modern-day rewrite of the 365-lesson workbook-the text at the heart of the Course. Unlike the original, it's user-friendly, accessible and easy for everyone to understand. In daily lessons with titles like "The Home Depot of Spiritual Practices" and "Transcending the Chatty Asshat in My Head," Grout drills down to the Course's essential message and meaning, grounding it in the context of everyday life in a way that's bound to stick. The lessons here blend eternal truths with pop culture and personal stories that are laugh-out-loud funny and deeply soul-stirring, often at the same time. You won't be tempted to use this Course in Miracles as a doorstop. You'll want to use it, every day, to change your life.

The Thread Ronald L. Dart 2006-06 There is a thread that runs from the beginning to the end of the Bible that few seem to understand. There are specific points along that thread where God chose to act in history. In the Bible, these are called, "the appointments" of God. Because they occurred in connection with events in Jewish history, the days took on the meaning of those events. But then came Jesus, and the great events of his life and work also took place on these appointments. Moreover, the future plans of Christ are also reflected in these appointments along the thread. Traditional beliefs say that the festivals came in with the old covenant and went out with the cross. But as you follow The Thread, you will find that explanation will not hold. The feasts we find in the Bible are transcendent, and from the very beginning pointed, not so much at Israel's history, but at the work and ministry of Jesus Christ in history. As you pick up The Thread and follow it, things will become clearer. The Festivals of Jehovah mark places where we can most easily find The Thread. You will understand how each of God's holidays points to Christ and impacts your life. Understanding this will simplify the Bible and deepen your understanding. This is a book you will read again and again and share with others.
