Recognizing the habit ways to get this books **alien bases on the moon** is additionally useful. You have remained in right site to start getting this info. get the alien bases on the moon link that we come up with the money for here and check out the link.

You could purchase guide alien bases on the moon or acquire it as soon as feasible. You could speedily download this alien bases on the moon after getting deal. So, next you require the book swiftly, you can straight get it. Its in view of that enormously easy and consequently fats, isnt it? You have to favor to in this vent

Saturn Pane Andov 2019-05-28 In 1986, Dr. Norman Bergrun published the book "Ringmakers of Saturn". He discovered strange anomalies in the Saturn system and based on collected NASA evidence he concluded that human civilization is not the only one in our solar system. On several photos and video evidence, he clearly pinpointed the existence of huge electromagnetic vehicles (EMVs) under intelligent control which was directly involved in the creation of rings on Saturn. This book picked up where Dr. Norman Bergrun left off back in 1986 and it went much deeper into the subject matter of the extraterrestrial presence in the Saturn system. The author is also an astral traveler with extensive experience and a contactee of a rare type. Andov's conclusions based on many years of extensive UFO research and direct astral observation are filling the gaps in the Big Picture which are currently missing. In 1964, Russian astrophysicist Nikolai Kardashev figured out that civilizations can be categorized by the total amount of energy available to them. He defined three levels of civilizations (Type I, Type II and Type III) based on their capacity to harness and use power, as well as the amount of knowledge the civilizations have access to. Type III can control energy on the scale of its entire host galaxy. Once it reaches the level of knowledge to harvest galactic energy, Type III can take a path of light, coexistence, prosperity which will lead towards further evolution or it can take a path that also leads to progress and expansion but will be full of darkness, manipulation and the exploitation of lower evolved civilizations. However, by taking the dark path it will seriously slow down the real evolution of Type III civilization towards Type IV civilization. In case Type III civilization has exhausted the power of a single star, it can easily reach out to other star systems. No natural catastrophe known to human science has the capacity to destroy a Type III civilization. The potentials are enormous, however, the appetite to grow and expand further can sometimes turn this type of civilization into a vampire type of predator that exploits and consumes the life force energy of the lower evolved civilizations. Unfortunately, a Type III civilization that exactly matches that description is present in this solar system and it uses a combination of highly sophisticated technology and the natural transmitting capacity of planet Saturn to manipulate the Astral Plane of planet Earth for purposes that will further be explained. During the last planetary conflict with the "gods" which happened around 4,000 ago, the Optimal Genetic Expression was lost. In other words, the biological gigantism on planet Earth was lost, the DNA abundance was no longer possible, and the human genetic functionality was downgraded. With only 5 sense input and higher abilities of consciousness deactivated, the humankind became an easy target for many

abusive ET species that stayed in the solar system. This book contains an abundance of scientific data collected by Cassini and other spacecraft in our solar system. In parallel, there is a metaphysical explanation of all that is happening. It is a perfectly balanced mix between advanced space science and metaphysical knowledge. The comments about many unexplained phenomena in our solar system are a product of Andov's direct observation on the Astral Plane. One thing is for sure. This book will take deep into the mysteries of the gigantic Saturn system and the presence of intelligently controlled space vehicles of enormous sizes. Explanations are given what exactly these EMVs are doing in "our" solar system, how they function and why they are doing what they are doing...

Moon, Mars, Monuments Madness Ross S. Marshall 2018-02-25 The Search for Alien Artifacts brings you Volume 2 - "Moon Mars Monuments Madness." A Lunar and Martian analyses of odd and offbeat surface features believed to be of Extraterrestrial origin by alien artifact hunters. Get this volume if you want to really know the truth. It is exciting and shocking for both students of planetary studies and professional space scientists! You will never be the same after reading The Search for Alien Artifacts Series! Does the Moon and Mars have alien refuse, left-over construction devices and abandoned habitat? See for yourself and decide whether or not aliens have visited and colonized our solar system! This volume studies in detail the researches put forth by Fred Steckling and Richard Hoagland in 'We Discovered Alien Bases on the Moon' and 'The Monuments of Mars.' Enjoy a trip through the wonderful world of wacky wastelands left behind by wayfaring ET wonderers! Illustrated with 100's of NASA photographs. Somebody Else is on the Moon George H. Leonard 1977

Area 51 Annie Jacobsen 2011-05-17 This "compellingly hard-hitting" bestseller from a Pulitzer Prize finalist gives readers the complete untold story of the top-secret military base for the first time (New York Times). It is the most famous military installation in the world. And it doesn't exist. Located a mere seventy-five miles outside of Las Vegas in Nevada's desert, the base has never been acknowledged by the U.S. government — but

Area 51 has captivated imaginations for decades. Myths and hypotheses about Area 51 have long abounded, thanks to the intense secrecy enveloping it. Some claim it is home to aliens, underground tunnel systems, and nuclear facilities. Others believe that the lunar landing itself was filmed there. The prevalence of these rumors stems from the fact that no credible insider has ever divulged the truth about his time inside the base. Until now. Annie Jacobsen had exclusive access to nineteen men who served the base proudly and secretly for decades and are now aged 75-92, and unprecedented access to fifty-five additional military and intelligence personnel, scientists, pilots, and engineers linked to the secret base, thirty-two of whom lived and worked there for extended periods. In *Area 51*, Jacobsen shows us what has really gone on in the Nevada desert, from testing nuclear weapons to building super-secret, supersonic jets to pursuing the War on Terror. This is the first book based on interviews with eye witnesses to Area 51 history, which makes it the seminal work on the subject. Filled with formerly classified information that has never been accurately decoded for the public, *Area 51* weaves the mysterious activities of the top-secret base into a gripping narrative, showing that facts are often more fantastic than fiction, especially when the distinction is almost impossible to make.

The Adventures of Diana James W. Balister 2006-07-01 "Unda mi nose" is a popular Jamaican phrase and was the last place Sandy expected to find love, or anything else for that matter. And so she lived her life searching in all wrong places often ending up hurt, lost and alone. Ten years later and scarred with tons of physical and mental baggage she winds up right where she started. Like all the other roads she had trodden her body was saying yes and her head was cautioning her to be careful. Question is: Is she prepared to look unda her nose and if and when she does will she keep it unda her nose?

Ancient Aliens on the Moon Mike Bara 2012-09-15 Best-selling author and Secret Space Program researcher Bara brings us this lavishly illustrated volume on alien structures on the Moon. He looks into the history of lunar anomalies and the early NASA programs. He gives us an examination of ruins on the Moon in the Sinus Medii region. Using images from the Surveyor, Lunar Orbiter and Ranger missions. He looks at the Apollo lunar missions to the Moon and the photographic evidence supporting the "transparent dome theory," plus he looks at further anomalies in the Mare Crisium region, including the hexagonal shape of the Crisium region itself, watch-crystal type glass domes over the craters Cleomedes F and Cleomedes F/a, and an historical image of a giant shard of transparent material that was whitewashed from later versions of the same image. Bara discusses the popular theory that the film "2001 -A Space Odyssey" was used as a training ground for Stanley Kubrick to develop the technology to fake the footage of the landings plus the curious mission of Apollo 17- possibly a technology salvage mission, primarily concerned with investigating an opening into a massive hexagonal ruin near the landing site. Bara details how the astronauts managed to get nearly 30 minutes of "off camera" time to investigate an entrance into the ruin and then later proceeded to a nearby crater to retrieve technological objects. He examines evidence from the Russian Zond series of lunar probes as well as the more current Clementine and Lunar Reconnaissance Orbiter data, including an in-depth study of strange objects in Tycho crater. Plus a look at the current politics of the new race to return to the Moon and what hidden agenda's may be behind it. Finally, Bara looks at the various arguments that the entire Moon is an artificial object. Bara shows how the Moon would have been an ideal place for an alien species involved in genetic experimentation on Earth to have set up a base. Includes 8-page Full-Color insert.

Hidden Agenda Mike Bara 2016-08-28 Space expert Bara delves into the secret space program, examining the possibility that there are secret bases on the Moon, and exploring the many other rumors surrounding the military's secret projects in space. Starting with the mysterious airship flap of 1897, tracing its possible origin to a 19th century Prussian secret society, Bara posits that man has had anti-gravity technology for quite a long time. What else doesn't the public know? Bara brings to light a lot of evidence showing that there is plenty. • On June 8, 1959, a group at the Army Ballistic Missile Agency produced for the U.S. Army a report entitled Project Horizon, a "Study for the Establishment of a Lunar Military Outpost." The permanent outpost was predicted to cost \$6 billion and was to become operational in December 1966 with twelve soldiers stationed at the Moon base. Did this happen? • The Brookings Report drawn up at the inception of NASA said we could expect to find alien artifacts in our exploration of space. Did NASA and the Pentagon find evidence of alien bases on the Moon? Did the Apollo 12 astronauts deliberately damage the mission's TV cameras in order to hide their explorations of one of these bases? • Does hacker Gary Mackinnon's discovery of defense department documents identifying "non-terrestrial officers" serving in space mean that the U.S. has clandestine space platforms designed to fight a war with an alien race? And, have civilian observers here on Earth photographed these secret military space platforms? Bara explores the evidence surrounding these questions and more in this explosive book. He maintains that aside from the actual secret space program, even the public space program—NASA—has at its core a secret agenda. Bara also examines the many allegations that the government has long been clandestinely working with aliens in various covert programs.

Ancient Aliens on Mars II Mike Bara 2014-06-02 In *Ancient Aliens on Mars II*, New York Times bestselling author Mike Bara returns the reader to Mars to examine the enduring mysteries of the Red Planet. Building on the case made in *Ancient Aliens on Mars* and using data acquired from sophisticated new scientific instruments like the Mars Odyssey THEMIS infrared imager, Bara shows that the region of Cydonia overlays a vast underground city full of enormous structures and devices that may still be operating. He peels back the layers of mystery to show images of tunnel systems, temples and ruins, and exposes the sophisticated NASA conspiracy designed to hide them and discredit the researchers that discovered these exotic ruins. Bara also tackles the enigma of Mars' hollowed out moon Phobos, and exposes evidence from over 30 years of observations that it is artificial. Long-held myths about Mars, including claims that it is protected by a sophisticated UFO defense system, are examined and illuminated. Data from the Mars rovers Spirit, Opportunity and Curiosity is examined; everything from fossilized plants to mechanical debris is exposed in images taken directly from NASA's own archives. Finally, the author offers his take on the secret history of the Red Planet and what happened to the highly advanced civilization that once flourished there.

Ancient Aliens on the Moon Mike Bara 2012-03-27 Best-selling author and Secret Space Program researcher Bara brings us this lavishly-illustrated volume on alien structures on the Moon. He looks into the history of lunar anomalies and the early NASA programs. He gives us an examination of ruins on the Moon in the Sinus Medii region using images from the Surveyor, Lunar Orbiter and Ranger missions. He looks at the Apollo lunar missions to the Moon and the photographic evidence supporting the theory that transparent domes exist at the edge of craters on the orb. Did the domes encompass settlements of humans or other beings who lived there? He looks at further anomalies in the Mare Crisium region, including the hexagonal shape of the Crisium

region itself. In this area, domes over the craters resemble watch-crystals. See the evidence in pictures of Cleomedes F and Cleomedes F/a, and an historical image of a giant shard of transparent material that was whitewashed from later versions of the same image. Bara discusses the popular theory that the film "2001 – A Space Odyssey" was used as a training ground for Stanley Kubrick to develop the technology to fake the footage of the moon landings. Have Space Suit, Will Travel Robert A. Heinlein 2005-02-08 Teenager Clifford "Kip" Russell wins second prize in a soap jingle contest, a used worn spacesuit, and, while trying on his prize in his backyard, suddenly finds himself on a space odyssey as a prisoner aboard the ship of a space pirate, headed toward the Moon and a series of encounters with many bizarre creatures and situations. Reprint. 10,000 first printing.

Alien Artifacts - 1 Ross S. Marshall 2015-08-05 A photographic study in Selenography (lunar geology), whereby an attempt is made to determine whether there is evidence (alien artifacts) for extraterrestrial activity on the moon and Mars. If aliens have been occupying our planetary neighbors, there should be some traces of their activities. George Leonard (Somebody Else is on the Moon), Fred Steckling (We Discovered Alien Bases on the Moon), and Richard Hoagland (The Monuments of Mars) say there are. This series of volumes uncovers the truth once and for all. Illustrated with hundreds of new enhanced B&W NASA photographs! 340 pages. Edition-2 Revised.

Forging the Future of Space Science National Research Council 2010-03-08 From September 2007 to June 2008 the Space Studies Board conducted an international public seminar series, with each monthly talk highlighting a different topic in space and Earth science. The principal lectures from the series are compiled in Forging the Future of Space Science. The topics of these events covered the full spectrum of space and Earth science research, from global climate change, to the cosmic origins of life, to the exploration of the Moon and Mars, to the scientific research required to support human spaceflight. The prevailing messages throughout the seminar series as demonstrated by the lectures in this book are how much we have accomplished over the past 50 years, how profound are our discoveries, how much contributions from the space program affect our daily lives, and yet how much remains to be done. The age of discovery in space and Earth science is just beginning. Opportunities abound that will forever alter our destiny.

Spacefarers Christopher Wanjek 2020 What will it take to make humanity a spacefaring species? The usual: good reasons and good planning. Christopher Wanjek explores the practical motivations for striking out into the far reaches of the solar system and the realities of the challenge. And he introduces us to the scientists and entrepreneurs who are already tackling that challenge.

The Book of the Moon Maggie Aderin-Pocock 2019-04-09 The BBC's "face of space" explores all things lunar in this comprehensive guide to the folklore, facts, and possible futures of our only natural satellite. Have you ever wondered if there are seasons on the moon or if space tourism will ever become widely accessible? So has Dr. Maggie Aderin-Pocock, astronomer and host of the BBC's docuseries, *The Sky at Night*. In this lucidly written guide, Aderin-Pocock takes readers on a fascinating lunar journey. Aderin-Pocock begins with a basic overview—unpacking everything from the moon's topography and composition to its formation and orbit around the Earth. She examines beliefs held by ancient civilizations, the technology that allowed for the first moon landing, a brief history of moonazing, and how the moon has influenced culture throughout the years. Looking to the future, she delves into the pros and cons of continued space travel and exploration. Throughout the book are sidebars, graphs, and charts to enhance the facts as well as black-and-white illustrations of the moon and stars.

Blue Planet Project Gil Carlson 2013-09-15 This is the mysterious manuscript authored by a U.S. Government insider. It describes, in amazing detail, the inter relationship between the U.S. Government and several extraterrestrials societies with whom we have working agreements. I've been told this information was once classified as "Above Top Secret" and that this information was never intended to be released to the public! The **Blue Planet Project Book** contains all the amazing notes and drawings made by the scientist. The scientist visited various UFO crash sites, and the notes and drawings were allegedly made from those visits. It is believed that this anonymous scientist (more info revealed in book) was contracted by the government over several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor. This book compiled from what is believed to be the original and complete information. In keeping with the format of the original information that was in a binder format, this book has been published in a full size 8.5 x 11 page size and bound in a comb binding format. This makes it easier to lay flat and open pages fully for easier reading and studying. We believe this to be the most complete, accurate and highest quality version of this book available. Be cautious of inferior editions and eBook versions which have been reported by reviewers to be of inferior quality and may be difficult to read.

Magnificent Desolation Buzz Aldrin 2009-08-17 Forty years ago, Buzz Aldrin became the second human - minutes after Neil Armstrong - to set foot on a celestial body other than the Earth. The event remains one of mankind's greatest achievements and was witnessed by the largest worldwide television audience in history. In the years since, millions more have had their earth-centric perspective changed forever by gazing at the iconic photograph of Aldrin standing on the surface of the Moon with the blackness of space behind him. He described what he saw as 'magnificent desolation'. The flight of Apollo 11 made Aldrin one of the most famous people on the planet, yet few people know the rest of the story. In *Magnificent Desolation*, Aldrin not only gives us a harrowing first-person account of the lunar landing that came within seconds of failure, as well as

the ultimate insider's view of life as one of the superstars of America's space program, he also opens up with remarkable candor about his more personal trials - and eventual triumphs - back on Earth. From the glory of being part of the mission that fulfilled President Kennedy's challenge to reach the Moon before the decade was out, Aldrin returned home to an Air Force career stripped of purpose or direction, other than as a public relations tool that NASA put to relentless use in a seemingly nonstop world tour. The twin demons of depression and alcoholism emerged - the first of which Aldrin confronted early and publicly and the second of which he met with denial until it nearly killed him. As an adventure story, a searing memoir of self-destruction and self-renewal, and as a visionary rallying cry to once again set our course for Mars and beyond, *Magnificent Desolation* is the thoroughly human story of a genuine hero.

Alien Base Timothy Good 1998

Is Anyone Else on the Moon? Ross Marshall 2014-02-17 A photographic study in Selenography (lunar geology), whereby an attempt is made to determine whether there is evidence for extraterrestrial activity of ET aliens and alien artifacts on the moon and Mars. Illustrated with hundreds of B&W NASA pictures! 483 pages.

Abduction to the Ninth Planet Michel Desmarquet 1993 Account of the author's 'abduction' to another planet by extraterrestrial beings in June of 1987. Includes a foreword by Howard Hencke, author of 'Involution/Evolution and the Development of Consciousness'.

For the Moon Is Hollow and Aliens Rule the Sky Rob Shelsky 2014-04-16 Is there a "No Trespassing" sign on the Moon? Have we been warned away from there by an alien intelligence? Is the Moon hiding a hollow core, one with an alien civilization? Do aliens take to hollowed out worlds out of a very real fear? If anyone DID NOT BELIEVE our Moon might be hollow, it was UFO Investigator and Author, Rob Shelsky. However, after researching the facts, the author did something he rarely does. He made a complete about-face on his views regarding The Hollow Moon Theory! Just why did he do this? For a good reason: because the evidence to support the idea of our Moon being hollow was far greater than he had ever suspected and comes from a wide variety of scientific disciplines and sources. The Author discovered there is also a veritable avalanche of evidence for the existence of aliens and UFOs being on or in a hollow Moon. If you have ever wondered if the Moon might just be hollow, after reading this book, *For The Moon Is Hollow And Aliens Rule The Sky*, you will wonder no more. This book includes evidence for: -- Recorded historical evidence for our Moon not always having been in our skies. -- Discusses the truth of the Spaceship Moon Theory (Hollow Moon Theory). -- Names the five main theories of our Moon's origin and what's wrong with them. -- Shows evidence for not just one, but possibly two hollow moons! -- Develops a new theory, that of the Diaspora of alien civilizations to the stars. -- Bizarre physical oddities about our Moon. -- Strange evidence for alien structures on the Moon. -- Weird events show evidence for aliens and UFOs in space, in our skies, and on the Moon. -- Convincing evidence and arguments as to just why the Moon is hollow. -- Documented account of aliens and our astronauts. -- An in-depth discussion of just what all this may mean for humanity? And more! The author builds his case for the idea of our Moon being hollow step by easy step, and provides information from a wide variety of sources to support this theory. Is our Moon hollow? Do aliens dwell within it? Do such strange

beings rule our sky? The answers all lie in *For The Moon Is Hollow And Aliens Rule The Sky*, a cutting edge look at all the latest ideas, theories, and facts to support them, as well as including a new theory of just why it may well be that all intelligent civilizations might take to the stars in hollowed-out worlds! And what fear drives them to do so! And should we be fearing the same thing?

172 Hours on the Moon Johan Harstad 2012-04-17 It's been decades since anyone set foot on the moon. Now three ordinary teenagers, the winners of NASA's unprecedented, worldwide lottery, are about to become the first young people in space--and change their lives forever. Mia, from Norway, hopes this will be her punk band's ticket to fame and fortune. Midori believes it's her way out of her restrained life in Japan. Antoine, from France, just wants to get as far away from his ex-girlfriend as possible. It's the opportunity of a lifetime, but little do the teenagers know that something sinister is waiting for them on the desolate surface of the moon. And in the black vacuum of space... no one is coming to save them. In this chilling adventure set in the most brutal landscape known to man, highly acclaimed Norwegian novelist Johan Harstad creates a vivid and frightening world of possibilities we can only hope never come true.

There are No Alien Bases on the Moon Francis G. Graham 1985

Space Case Stuart Gibbs 2014-09-16 It's a murder mystery on the moon in this humorous and suspenseful space adventure from the author of *Belly Up* and *Spy School* that *The New York Times Book Review* called "a delightful and brilliantly constructed middle grade thriller." Like his fellow lunarnauts—otherwise known as Moonies—living on Moon Base Alpha, twelve-year-old Dashiell Gibson is famous the world over for being one of the first humans to live on the moon. And he's bored out of his mind. Kids aren't allowed on the lunar surface, meaning they're trapped inside the tiny moon base with next to nothing to occupy their time—and the only other kid Dash's age spends all his time hooked into virtual reality games. Then Moon Base Alpha's top scientist turns up dead. Dash senses there's foul play afoot, but no one believes him. Everyone agrees Dr. Holtz went onto the lunar surface without his helmet properly affixed, simple as that. But Dr. Holtz was on the verge of an important new discovery, Dash finds out, and it's a secret that could change everything for the Moonies—a secret someone just might kill to keep...

Earth: An Alien Enterprise Timothy Good 2013-11-05 A worldwide history of alien contact from one of the most respected authorities on the phenomenon: "A bible for UFO watchers" (*The Wall Street Journal*). This fascinating new volume tells the story of contact between aliens and humans from all across the globe, dating back to 1932, including meetings with military personnel and American presidents such as Eisenhower and Kennedy. For the first time, a former member of MI6 reveals her conversation with Neil Armstrong at a NASA conference, when she confirmed that there were "other" spacecraft on the moon when Apollo 11 landed in 1969. Armstrong also confirmed that the CIA was behind the cover-up. In a further admission in December 2012, Russian Prime Minister Dmitry Medvedev revealed "the president of Russia is given a special top secret folder [that] in its entirety contains information about aliens who have visited our planet. Along with this, the president is given a report of the Special Service that exercises control over aliens in our country. I will not tell you how many of them are among us because it may cause panic."

Alien Interview Lawrence R. Spencer 2008-01-01 The content of this book is the letter, Top Secret interview transcripts and personal notes received from the late Matilda O'Donnell MacElroy, an Army Air Force nurse who stationed at the Roswell Army Air Field 509th Bomb Group. Her letter asserts that this material is based on a series of interviews she conducted with an extraterrestrial being as part of her official duty as a nurse in the U.S. Army Air Force. During July and August she interviewed a saucer pilot who crashed near Roswell, New Mexico on July 8th, 1947. The being identified itself as an officer, pilot and engineer of The Domain Expeditionary Force, a race of beings who are using the asteroid belt in our solar system as a intergalactic base of operations.

Suppressed Inventions and Other Discoveries Jonathan Eisen 2001-01-01 A scientist with a revolutionary cure for AIDS is incarcerated without explanation. Valuable artifacts are mysteriously misplaced by a prominent archaeological institution. Three celebrated astronauts perish in a suspicious fire after voicing their criticism of the US space program. Yet our world's most powerful agencies hastily dispel these alarming reports as conspiracy theories, and bury them in padlocked archives. The fact is that a suppression syndrome exists in our society. *Suppressed Inventions and Other Discoveries* exposes the startling degree of truth behind the rumors. Jonathan Eisen has collected over forty intriguing stories of scientific cover-ups and programs of misinformation concocted to conceal some of the most phenomenal innovations in mankind's history. These no-holds-barred accounts force us to confront the naiveté—and danger—of trusting our academic and political leaders to act always for the common good. *Suppressed Inventions and Other Discoveries* presents documented evidence that corporate self-interest, scientific arrogance, and political savvy have contrived to keep us in the dark about technological breakthroughs or interplanetary contact that may shift the current balance of power. Prepare yourself for a revealing look at the research and development to which we've been denied access. *Suppressed Inventions and Other Discoveries* begins by examining the ties that bind the medical establishment to powerful pharmaceutical corporations. Then it details the struggle of the independent research against Orthodox Science and its code of conduct, the Scientific Method. Next, the book investigates the cover-up of information concerning UFOs and extraterrestrial life that's certain to make you reconsider what you thought was science fiction. The final section discusses just a few of the numerous alternate energy resources and fuel savers that, if put on the market today, would soon run the fossil fuel monopolies out of business.

We Discovered Alien Bases on the Moon 2 GAF International 2014-01-01 Lunar Anomalies, UFOs.

The Occult Connection Ken Hudnall 2009

Someone Else Is on the Moon Pane Andov 2019-05-17 Till the present day there is sufficient evidence that a civilization already exists on the Moon. A civilization that is not ours and that has been there for a long time...Since July 20, 1969, the entire human population has been deliberately misled to believe that humans have traveled to the Moon and back via convectional Apollo spacecraft. Since then, one cannot argue that it is still one of the biggest hoaxes ever pulled by the Illuminati. This so-called Illuminati bloodline structure through occult powers, highly advanced technology and the monetary system rule the entire human population on Earth. They do not just rule the elected governments around the world, but they also rule the

so-called "Shadow Government", as well all of the secret societies including the most spread one - Masonic secret society. The Masonic secret society members have been infiltrated in all levels of human society for at least a few centuries, they run the highest levels of elected governments, control the entire military-industrial complex, intelligence and surveillance agencies including NSA, they are the CEOs of the world's major banks, the most powerful international corporations, they own the world leading media and are at the top of all religious systems. They control the scientific world and all the space agencies, including NASA. All UFO data and other space anomalies are filtered and forbidden to be released to the public under the excuse that it is a matter of National Security. Bottom-line, today we live in a fully controlled world where the civilians of all countries around the world only know so little of what is really going on the planet or in space that it is embarrassing to even discuss about it. However, there is a small percentage of humans that seems immune to all sorts of subtle manipulation and deception and makes enormous efforts to pursue the truth of what is really happening on "our" planet and what is the true nature of the reality we are living today. Over the last two decades, more and more evidence has been gathered, which triggered further investigation about the Apollo lunar landings. After taking everything into consideration, the conclusion is that the humans were not up to the technological challenge to reach the Moon and safely come back to Earth in those days. The main argument that cannot be ignored is the deadly radiation of the Van Allen Radiation belts against which Apollo missions crew didn't have adequate protection from. The space suits used in those days compared to one astronauts are using today were very simple and primitive and provided only limited protection from space radiation exposure. Not to be understood wrong, this book does not claim that the humans did not visit Moon, but on the contrary. Humans, even they established some form of bases there, but they didn't go there with the Apollo conventional spacecraft but with experimental or to be more accurate with alien back-engineered flying technology, acquired either through numerous of UFO crash sites or as gift from certain manipulative alien groups that the Shadow Government got in contact with at the time. Both Soviet and United States unmanned spacecraft started to send back strange photos from the dark side of the moon. The top military scientists of both countries were scratching their head while examining the photos that were showing huge and tall artificial towers, entire structures, roads, bridges and strange flying objects of many sizes and shapes emitting strange pulses of light. In other words, the received photo evidence from the space programs was showing evidence of a civilization that already exist on the Moon. A civilization that is not ours and that has been there for a long time...

Look - Up In The Sky John Stamey 2019-08-09 Dr. John Stamey takes a scientific approach to paranormal investigation. This book contains research articles as well as interesting stories of UFO and anomalous encounters. In the scholarly articles, his efforts lead to interesting explanations to phenomenon such as the Mandela Effect, potential alien bases on the moon, and the appearance of aliens in great art.

[Antarctica and the Secret Space Program](#) David Childress 2020-05-20 David Childress, popular author and star of the History Channel show Ancient Aliens, brings us the incredible tale of Nazi submarines and secret weapons in Antarctica and elsewhere. He looks into the strange life and death of Rudolf Hess, as well as the mystery of James Forrestal and the secret group called MJ-12. He examines Operation Highjump led by Admiral Richard Byrd in 1947 and the battle that he apparently had in Antarctica with flying saucers. Through "Operation

Paperclip,” the Nazis infiltrated aerospace companies, banking, media, and the US government, including NASA and the CIA after WWII. He reveals that the Nazis had built secret bases in a variety of places during WWII, including Greenland, the Canary Islands, Tibet and Antarctica. Childress discusses the secret U-boat fleet that patrolled the Atlantic and Antarctic Oceans for decades after the war. He looks into the secret German space program and its flying disks and tubular aircraft; the secret technology involved, including anti-gravity propulsion technology; underground and under ice bases; strange things happening in South America; and secret bases on the Moon and Mars. Childress looks at the possible merger of Nazi assets in Antarctic with the Americans’ and the use of Antarctica as a space base for traffic to secret space stations in orbit and below the surface of the Moon. The author looks at military space programs such as Solar Warden, Lunex and Project Horizon. Does the US Space Force have a secret space program that maintains huge ships in orbit around the Earth and employs hundreds of astronauts as crew for these vehicles? Includes a 16-page color section.

The Encyclopedia of Moon Mysteries Constance Victoria Briggs 2019-03-19 Our moon is an enigma. The ancients viewed it as a light to guide them in the darkness, and a god to be worshipped. In modern times, it has been taught that the Moon is simply a dead rock that is caught in Earth’s gravity, with no activity. As a researcher of metaphysical, paranormal and cosmic subjects, I have come across stories and information about the Moon that tell us that indeed there is activity there, and there has been for generations. Just who or what is causing the commotion is a mystery. There are stories that suggest that the Moon is home to extraterrestrials, theories that it is not a natural satellite, tales of anomalous lights, and tales that NASA astronauts saw extraterrestrial ships and ruins of an ancient civilization there. There is a rumor that Apollo13 was saved by extraterrestrials. Another story states that there are extraterrestrial bases on the Moon. There is even a tale that states that a part of the kingdom of Atlantis was once located there. Some even believe that there are cities beneath the surface of the Moon. There is an interesting account of a government employee using remote viewing as a means of seeing what is on the Moon. His experience is eye-opening! This is just a sample of the information that will be in The Encyclopedia of Moon Mysteries: Secrets, Conspiracy Theories, Anomalies, Extraterrestrials and More. For example, did you know that: • Aristotle and Plato wrote about a time when there was no Moon? They even gave a name of an ancient tribe of people that lived during that moonless period. • several of the NASA astronauts reported seeing UFOs while traveling to the Moon? • the Moon might be hollow? • Apollo 10 astronauts heard strange “space music” when traveling on the far side of the Moon? • strange and unexplained lights have been seen on the Moon for centuries? • there are said to be ruins of structures on the Moon? • there is an ancient tale that suggests that the first human was created on the Moon? • that radio signals have been detected coming from the Moon? • that famed astronomer Sir John Herschel saw unidentified lights above the Moon during an eclipse? • that ancient Bolivian symbols tell us that the Moon came into Earth’s orbit around 12,000 years ago? • a psychic was used by the government to relay information about the Moon? The book is separated into A to Z sections for easy reference and reading.

Dark Mission Richard C. Hoagland 2009-09-01 The New York Times bestseller about the strange history of NASA and its cover-ups regarding its origins and extraterrestrial architecture found on the moon and Mars is even more interesting in its new edition. Authors Richard C. Hoagland and Mike Bara include a new chapter about the discoveries made by ex-Nazi scientist and NASA stalwart Wernher von Braun regarding what he

termed "alternate gravitational solutions," or the rewriting of Newtonian physics into hyperdimensional spheres.

The Secret Space Program Who Is Responsible? Tesla? the Nazis? NASA? Or a Break Civilization?: Evidence We Have Already Established Bases on the Moon Timothy Green Beckley 2012-03-01 IS A COVERT "BREAKAWAY CIVILIZATION" RESPONSIBLE FOR A SECRET "INVISIBLE" SPACE PROGRAM? DID THE NAZIS LAND ON THE MOON AND MARS DURING THE FINAL DAYS OF WORLD WAR II? HAVE ASTRONAUTS PLANTED THE MASONIC FLAG ON BOTH INTERPLANETARY BODIES? ARE THE BOOMERANG AND TRIANGULAR UFOS OBSERVED WORLDWIDE PART OF A GLOBAL SURVEILLANCE PROGRAM, OFFERING EVIDENCE THAT "SOMEONE ELSE" IS CAPABLE OF TAKING OVER OUR SKY? WAS THE LATE SUPER SCIENTIST NIKOLA TESLA INVOLVED IN THE EARLY DEVELOPMENT OF THIS SECRET SPACE PROGRAM? WHAT RED BLOC NATION HAD AN ASTRONAUT PROGRAM NEARLY TWENTY YEARS BEFORE NASA LANDED ON THE MOON? IS THE FACE ON MARS DIRECT EVIDENCE THAT AN UNKNOWN "EMPIRE" HAS BEATEN US TO THE PUNCH AND ALREADY ESTABLISHED A VANGUARD ON THE RED PLANET? The Secret Space Program is among the most clandestine efforts ever undertaken and the questions are many as to who is responsible for its adaptation. Did the aliens establish colonies on the Lunar and Martian surfaces that we have seen and photographed despite attempts by NASA to eradicate them from photographic prints? Yes, the answers are of utmost importance despite the fact that the American public is being kept in the dark about a subject so intriguing, so controversial, that its mere utterance creates a frustrating clash among skeptics and those in opposition who claim they have access to undeniable proof. Indeed, are scientists and others traveling back and forth between colonies already established in space? Have their memories been erased so they have only dream-like recollections of such "adventures?" Even Jules Verne - and other early science fiction pioneers - might have hinted that secret societies had developed "advanced" technologies that enabled them to venture beyond our atmosphere.

Dark Fleet Len Kasten 2020-03-10 Reveals the Nazi-Reptilian infiltration of the U.S. government, their secret space program, and their slave colonies throughout the solar system • Details "Operation Paperclip," which enabled Nazis and their Reptilian partners to infiltrate the U.S. military-industrial complex, including NASA and the CIA • Reveals their interstellar space ports in Antarctica and on Mars, their base on the Moon, and their alien technologies, including nano-technology, antigravity propulsion, mass mind control, and hyperdimensional teleportation capabilities • Shares testimonies from American and British "supersoldiers" who participated in the "20 and Back" age-regression programs, revealing advanced human technology and our Space Armada that constitutes a counter-balance to the Nazi Dark Fleet The Nazis did not really lose World War II. They made it appear that way in order to divert attention from the alliance between the Fourth Reich and the race of aliens known as the Reptilians--an ancient galactic civilization obsessed with conquest and

domination. After the German surrender in 1945, the Nazi-Reptilian alliance infiltrated the U.S. military-industrial complex. Through "Operation Paperclip," the Nazis and Reptilians removed their political opponents, such as the Kennedys, and moved into policy-making positions in post-war America, infiltrating aerospace companies, banking, media, and the U.S. government, including NASA and the CIA. But their real target was not the United States--it was the solar system. As Len Kasten reveals in startling detail--including revelations of antigravity propulsion technology, alien techniques of mass mind control, and hyperdimensional teleportation capabilities--the Nazi-Reptilian alliance used their newfound power, wealth, and influence to launch a Secret Space Program with interstellar spaceports in Antarctica and on Mars as well as an eleven-story base of operations on the Moon. They commenced mining and manufacturing operations on Mars and Ceres, forming colonies there and elsewhere in the solar system. And, most shocking, they have used thousands of human slaves, easily transported in their spaceships, for both work and sexual exploitation. Sharing testimonies from American and British "supersoldiers" who participated in the "20 and Back" age-regression programs, Kasten reveals the various forces inside and outside government that are resisting the Nazis and thwarting Reptilian attempts to achieve total dominance of the planet and the solar system. The U.S.-led Secret Space Program has its own fleet of spaceships, the Solar Warden Space Armada, which patrols the edges of the solar system and poses a growing threat to the Nazi Dark Fleet.

Ken's Moon! Ken Johnston 2018-03-22 The story of Ken Johnston's archive of historic NASA photos and his decision to go public with evidence of the manipulation of those images from the Apollo moon missions is the stuff of legend in the alternative history community. The basic story is that Ken discovered a disturbing situation in the secret halls of our hallowed space agency. At the Lunar Receiving Laboratory, Ken was the Director of the Data and Photo Control Department, responsible for all the photographs and data generated by the contributing scientists from around the world. He also produced and edited the NASA Lunar Sample Information Catalog for each of the Lunar landing missions. One day, Ken enters the room where he sees strange activity. Given that he feels a sense of responsibility for the integrity of the NASA collection, he inquires as to what is going on. He spoke with several people who called themselves "strippers" because they were stripping out details in lunar images that might be hard to explain. That day, they were at the task of painting out the stars in particular lunar images. The unusually lame excuse given was that the stars in the lunar sky would "confuse people." This was alarming for Ken to discover. He found out also that "smudging out" anomalies on images was commonplace. Ken's story could be counted as a minority report in NASA's branded panorama of American heroics. The US Government and the American people had allocated significant financial and other resources toward the goal of reaching the moon at the behest of our young

President Kennedy. The idea was to see what was there, to share that information to the world, and elevate the knowledge of mankind. To discover that the artifacts of that effort might have been manipulated was highly disappointing. It is this scenario being asserted by Ken Johnston, the very human being, who at one time, had watch over the chain of evidence.
