**Comfort for Christians** Arthur W. Pink 2007-01 The work unto which the servant of Christ is called is many sided. Not only is he to preach the Gospel to the unsaved, to feed God's people with knowledge and understanding (Jer. 3:15), and to take up the stumbling stone out of their way (Isa. 57:14), but he is also charged to "cry aloud, spare not, lift up thy voice like a trumpet, and show My people their transgression" (Isa. 58:1 and cf. 1 Tim. 4:2). While another important part of his commission is stated in, "Comfort ye, My people, said your God" (Isa. 40:1). What an honorable title, "My people!" What an assuring relationship: "your God!" What a pleasant task: "comfort ye My people!" A threefold reason may be suggested for the duplicating of the charge. First, because sometimes the souls of believers refuse to be comforted (Psa. 77:2), and the consolation needs to be repeated. Second, to press this duty the more emphatically upon the preacher's heart, that he need not be sparing in administering cheer. Third, to assure us how heartily desirous God himself is that His people should be of good cheer (Phil. 4:4). God has a "people," the objects of His special favor: a company whom He has taken into such intimate relationship unto Himself that He calls them "My people." Often they are disconsolate: because of their natural corruption's, the temptations of Satan, the cruel treatment of the world, the low state of Christ's cause upon earth. The "God of all comfort" (2 Cor. 1:3) is very tender of them, and it is His revealed will that His servants should bind up the brokenhearted and pour the balm of Gilead into their wounds. What cause have we to exclaim "Who is a God like unto Thee!" (Micah 7:18), who has provided for the comfort of those who were rebels against His government and transgressors of His Law. The contents of this little volume have appeared from time to time in our monthly magazine during the last thirty years. They were, previously, sermons which we preached long ago in the U.S.A. and Australia. Here and there is an expression (especially where Prophecy is touched upon) that we would not use today; but since the Lord was pleased to bless them in their original form to not a few of His distressed people, we have not revised them. May it please Him to speak peace by them to afflicted souls today, and the glory shall be His alone. Pink (1890-1953) was a Baptist Preacher in England, Australia, and the United States. He is most famous for his book *The Sovereignty of God*. After its advent, he, assisted by his editor Mr. I. Herendeen, launched his yearly publication, *Studies in the Scriptures* in 1921. These continued until his death, totaling altogether 33 volumes of 288 pp. each. Most of Pink's books are taken from these yearly volumes (written monthly in 24 page format).

Continuing in the thrilling tradition of *Heart of Ice*, Alan Moore and Kevin O'Neill rampage through twentieth-century culture in a blazing new adventure, set in a city of totalitarian shadows and mechanical nightmares. *Simplicity in Preaching* J. C. Ryle 2019-08-29 This is a new and updated edition by H&E Publishing with a helpful addition by Bennett W. Rogers. The early preaching ministry of J. C. Ryle, one of the most powerful preachers of the Victorian era, was an unmitigated disaster. He struggled to keep the attention of his rural congregation, and so he embarked on a series of failed "pulpit experiments." Through this process of trial and error, Ryle learned to "crucify" his style and win the attention of his parishioners. Once he found his voice, popularity soon followed. He filled his churches to suffocation and became a sought after platform speaker. He was repeatedly chosen to be the select preacher for Oxford and Cambridge, and continued to draw large crowds well into his eighties as the Bishop of Liverpool. In *Simplicity in Preaching*, J. C. Ryle presents the fruit of a lifelong quest to attain a simplicity in preaching for his fellow ministers.

**An Amazonian Myth and Its History** Peter Gow 2001 Peter Gow unites the ethnographic data collected by the fieldwork methods invented by Malinowski with Levi-Strauss's analyses of the relations between myth and time. His book is an analysis of a century of social transformation in an indigenous Amazonian society, the Piro people of Peruvian Amazonia, taking as its starting point a single myth told to the author by a Piro man. Gow explores Piro history and ethnography outwards into the domains of myth-telling in general, and following the logic of certain important myths, further out into important domains of Piro experience such as visual art, shamanry and girls' initiation ritual. All of these domains, like the myths themselves, have been demonstrably changing over the period since the 1880s. The book then shows how these changes are in fact transformations of transformations, changes in social forms that are intrinsically about change. The logic of these changes are then followed through the historical circumstances of Piro people from the 1880s to the 1980s, to show how the intrinsically transformational nature of Piro social forms led them to respond in the ways that they did to the coming of rubber bosses, missionaries, and film-makers. This book makes an important contribution to debates in anthropology on the nature of history and social change, as well as addressing neglected areas such as myth, visual art, and the methodological issues involved in addressing fieldwork and archival data.

**The Flip Side** Flip Flippen 2007-12-06 Learn how recognizing your biggest weakness can unleash your greatest strength in THE FLIP SIDE, the bestselling motivational guide by educator, business coach, and growth guru Flip Flippen. Flip Flippen is the most influential man you've never heard of. This personable Texan is the founder of The Flippen Group, one of the fastest-growing corporate and personal training companies in America, and his philosophy has touched the lives of some of the most powerful individuals in the country--from Wall Street leaders to top sports figures like Terry Bradshaw and his NASCAR team, and from Joel Osteen's team at Lakewood Church to the 150,000 people who trained with Flip's company in 2005. Great advice for everyone, but particularly appealing to those who are taking stock of what they want to do with the rest of their lives, Flippen's approach is surprisingly simple. When we learn how to identify our "personal constraints" and take the necessary steps to correct self-limiting behaviors, we will experience a dramatic surge in productivity, achieve things we have only dreamed of, and find greater happiness overall. Flippen has created a simple process to help readers find their greatest constraint (the results may be surprising!) and build a plan to help "flip" that weakness into a newfound strength.

King Faisal: A Life James Edmonds 2015-03-18 Faisal bin Abdul Aziz, the third king of Saudi Arabia, was born in a mud house in a small desert village and died as one of the most powerful men on the planet. His reign marked the Kingdom's transition, in barely two generations, from the Middle Ages to the 20th century. Devout and cautious, Faisal brought gradual change to his nation without eroding its traditions and Islamic value system. Saudis recall his reign as a golden age - when an infrastructure was built, welfare services established and hardliners in the religious establishment were kept in check. American support for Israel led Faisal to institute the 1973 oil embargo, bringing an end to the era of cheap energy and dramatically transforming Saudi society. His death left a void, one which his successors have filled with an overdose of religion. Saudi Arabia and the world are still suffering the consequences.
