The Haiku Anthology Cor Van den Heuvel 1986

Frogpond 1991

Write Your Own Haiku for Kids Patricia Donegan 2018-04-03 In this fun Japanese children's book, kids will learn to create haiku—elegant and simplistic Japanese poems. Haiku is a uniquely Japanese form of poetry that uses vivid words and imagery to capture a feeling or a moment in just three lines. Short but powerful, haiku poems are easy and fun to write and share with your friends. Haiku has become increasingly popular in school curriculums around the world, particularly among teachers introducing students to the art of poetry, as well as Asian history and heritage. The activities in this haiku-for-kids book will show you how to create original haiku and help you to think up meaningful words and images with which you can write beautiful poetry. Write Your Own Haiku For Kids introduces four styles of haiku to readers with clear explanations and numerous examples. This book includes chapters on: Your first haiku—how to get started writing this classic form of poetry Haiku about Nature—a traditional element in haiku Haibun—Haiku with a short story Haiga—Haiku with a drawing Renga—Haiku that you write together with friends The study and creation of haiku is a great way to have fun with both writing and reading poetry while exploring remarkable aspects of Japanese culture.

The Art of Haiku Stephen Addiss 2022-11-29 In the past hundred years, haiku has gone far beyond its Japanese origins to become a worldwide phenomenon—with the classic poetic form growing and evolving as it has adapted to the needs of the whole range of languages and cultures that have embraced it. This proliferation of the joy of haiku is cause for celebration—but it can also compel us to go back to the beginning: to look at haiku's development during the centuries before it was known outside Japan. This in-depth study of haiku history begins with the great early masters of the form—like Basho, Buson, and Issa—and goes all the way to twentieth-century greats, like Santoka. It also focuses on an important aspect of traditional haiku that is less known in the West: haiku art. All the great haiku masters created paintings (called haiga) or calligraphy in connection with their poems, and the words and images were intended to be enjoyed together, enhancing each other, and each adding its own dimension to the reader's and viewer's understanding. Here one of the leading haiku scholars of the West takes us on a tour of haiku poetry's evolution, providing along the way a wealth of examples of the poetry and the art inspired by it.

Haiku & Senryu Poetry for You Cleveland Deeds 2011-08-01 This Japanese style poetry book with lots of b/w pictures inside its pages will be one of the most colorful books read, as every verse truly does paint a full color image into the mind of all who reads, pictures that this poet greatly paints with his words that are written with perfectly mastered technique....

Log Cabin Lady Jean Elizabeth Ward 2008-08-11 THE LOG CABIN LADY begins with an Anonymous Autobiography by an Unknown Author. A true story, followed by Victorian Love Poetry by and about Mary Todd Lincoln, William Shakespeare, Edgar A. Poe, Elizabeth Barrett Browning, and many more. Intermingled with 100 poems by American Poet Laureate, Jean Elizabeth Ward. It has been edited to read alphabetically, with Famous English Poets, and Famous American Poets, to delight readers interested in the many aspects of love, and of Victoriana.

Sealed with a Kiss Jean Elizabeth Ward 2009-03-16 Victoriana Romance Prose and Poetry by Various Authors, from many different countries, and eras, with poetry by American Poet Laureate, Jean Elizabeth Ward, Love and love's loss...in all phases, A wonderful for Your love or your Valentine, your mother or your friend.

Through the Mist Régis Auffray 2015-04-02 The poems in this book offer hints through the mist of inspiration, often born of dreams, but more likely as a result of real life experiences and encounters, into the poet's soul. They touch on a myriad of themes that are common to all who have undertaken the journey through this particular life in this place known as Earth. It is the author's hope that the reader will be able to identify with, to understand and perhaps to empathize with the various situations, dilemmas, conflicts, miseries, euphoria etc. that are expressed and thus shared through his verses.

Writing Haiku Bruce Ross 2022-03-15 A world of dew And within every dewdrop A

world of struggle The iconic three-line haiku form is increasingly popular today as people embrace its simplicity and grace--and its connections to the Japanese ethos of mindfulness and minimalism. Say more with fewer words. This practical guide by poet and teacher Bruce Ross shows you how to capture a fleeting moment, like painting a picture with words, and how to give voice to your innermost thoughts, feelings, and observations. You don't have to be a practiced poet or writer to write your own haiku, and this book shows you how. In this book, aspiring poets will find: Accessible, easy-to-replicate examples and writing prompts A foreword that looks at the state of haiku today as the form continues to expand worldwide An introduction to related Japanese haiku forms such as tanka, haiga, renga, haibun, and senryu A listing of international journals and online resources Do you want to tell a story? Give haibun a try. Maybe you want to express a fleeting feeling? A tanka is the perfect vehicle. Are you more visual than verbal? Then a haiga, or illustrated haiku, is the ideal match. Finally, a renga is perfect as a group project or to create with friends, passing a poem around, adding line after line, and seeing what your group effort amounts to. Ross walks readers through the history and form of haiku, before laying out what sets each Japanese poetic form apart. Then it's time to turn to your notebook and start drafting some verse of your own!

Haiku...plus Ken Hill 2011-06-10 Take this book and toss it out a second story window. Eventually it will reach the ground. It's a law. Throw it at the ground, it will get there sooner than if you open it and cast it out into the wind where it may drift or even float for a time before it reaches the ground. Tear it page by page and give each one to the wind to do what it will do with it. One may be found by someone who will read the words on the page, feel glad they happened upon it and put the poem in their pocket, as another may consider it littering.

Senryu Poems of People J. C. Brown 2012-07-03 This is a collection of Japanese senryu poetry—a lesser known cousin to haiku poetry. In 1765 Karai Senryu published a selection of tsukeku that reflected his personal taste and humor. This anthology, Yanagidaru, became widely popular and was followed by 22 more of the same title, also compiled by Senryu, and a further 144 volumes compiled by his successors to the tradition. The type of poems Karai chose eventually came to be known as senryu. They did not require inclusion of a seasonal word, as did haiku, which developed from the introductory portion of linked verse. Although senryu were at first written in only seventeen syllables (in lines of five, seven, and five syllables) or fourteen syllables (in lines of seven and seven), these rules became less strictly adhered to as time passed. The main difference between senryu and haiku is one of tone. The meaning and structure of a haiku can be brilliant, but I personally often find them conventionally serious and sentimental, offering few surprises. One has to be a near genius to write good haiku, but almost anyone can write reasonably good senryu; the form seems somehow to have escaped the structural restrictions that bind and, perhaps, limit haiku.

Haiku Notebook W. F. Owen 2007-01-01 This notebook is a bridge between technical manuals on how to write haiku poetry and collections of haiku. There are two hundred haiku and senryu poems from w. f. owen's last several years of writing. As a professor of interpersonal communication and an award-winning haiku writer, the author presents commentaries, perceptions, brief stories and haibun that are intended to help authors new to this art compose their poems. Included are first-place poems from the Harold Henderson Haiku Contest (2004) and the Gerald Brady Senryu Contests (2002, 2003) sponsored by the Haiku Society of America.

Tanka, Senryu and Haiku...a collection Jan Oskar Hansen

My Special Book Jean Elizabeth Ward 2009

Haiku Patricia Donegan 2012-08-07 In this multicultural children's book, readers will learn to create haiku—elegant and simple Japanese poems. Haiku uses images from nature to make a statement or capture a moment. Haiku are short, but powerful expressions—making them easy and fun to write and share with your friends. The activities in this book will show the seven keys to creating your own haiku, and will help you to get started, think up memorable words and images, and write the three short lines that make up a great haiku. With clear expressions and many examples, this is a great way to have fun while you explore the fascinating aspect of Japanese culture. Kids will learn to write: Their first haiku Haiku about nature Haibun—haiku with a short story Haiga—haiku with a drawing Renga—haiku written to friends. About the Series: The Asian Arts & Crafts for Creative Kids series is the first series, aimed at readers ages 7-12, that provides a fun and educational introduction to Asian culture and art. Through hands on projects readers will explore each art—engaging in activities to gain a better understanding of each form.

Haiku, Other Arts, and Literary Disciplines Toru Kiuchi 2022-01-28 Haiku, Other Arts, and Literary Disciplines investigates the genesis and development of haiku in Japan and determines the relationships between haiku and other arts, such as essay writing, painting, and music, as well as the backgrounds of haiku, such as literary movements, philosophies, and religions that underlie haiku composition. By analyzing the poets who played major roles in the development of haiku and its related genres, these essays illustrate how Japanese haiku poets, and American writers such as Emerson and Whitman, were inspired by nature, especially its beautiful scenes and seasonal changes. Western poets had a demonstrated affinity for Japanese haiku which bled over into other art mediums, as these chapters discuss.

Missing You: A Collection Of Short Poems Willie Bongcaron 2017-02-20 MISSING YOU is the debut collection of haiku, senryu, tanka and haibun by Willie R. Bongcaron, a proficient haiku poet from the Philippines who is published widely. These poems mostly, if not all, follow the free modern haiku/senryu form; and not following the traditional 5-7-5 format. The author strives to capture in short poetic bursts or haiku moments special events in his life;

with the end view of inspiring in the reader the drive to weave a story or stories all the latter's own based on the author's prodding. Intended for all lovers of Japanese short poetry forms in the world, this labor of love offers glimpses of life's intricacies, mundane or otherwise.

Shamrock Haiku Journal: 2007 – 2011 edited by Anatoly Kudryavitsky 2011-12-02
SHAMROCK HAIKU JOURNAL: 2007-2011 is a print edition of the twenty issues of Shamrock, the Journal of the Irish Haiku Society, as they appeared on the Shamrock website. This collection comprises works by 248 authors representing 38 countries. It covers the full range of haiku in English, from classic to experimental styles, as well as haibun. Also included are selected essays on haiku. Shamrock is a quarterly dedicated to publishing and promoting haiku and related forms. Edited by Anatoly Kudryavitsky.

Night Loons, Mostly Haiku and Senryu Dan Lukiv 2020-10-21 An excerpt // a grasshopper / leaps through the open window, / into my coffee

The Other Side of Reality Michael Jordan 2008-03 Written by a ex-addict during and after his release from state prison.. A very strong recovery book it is the third in my addiction series - "The heart of an addict" - "The soul of Desire" and "The Other Side of Reality" - The three things that must be healed to change and become what the Lord intends for us to be. The truth is constantly being altered in order to fit our desires. The heart and soul unite and together they battle our worst enemy, our mind, We must learn to battle this old nemesis with all we are. The poems inside this book tells of one mans struggle with addiction and how it lead him to prison. It is a powerful book full of wisdom and joy. If your seeking to learn about addiction I urge you to read this book.This book is spiritually motivated.

Haiku Seasons William J. Higginson 2009-02-01 A guide to haiku uses examples from around the world to convey the importance of the seasons.

How to Haiku Bruce Ross 2002-03-15 This haiku book provides an invaluable guide to developing your own haiku-writing skills, with clear explanations, brilliant examples, and innovative writing exercises. It also offers an introduction to related Japanese poetic forms including: Senryu—commentaries on human nature that are often humorous or ironic Haibun—short, autobiographical narratives accompanied by a haiku Tanka—imaginative poems full of highly personal, emotional expressions Haiga—drawings accompanied by commentary in haiku form Renga—a collaborative form featuring linked sequences of poetry How to Haiku is a wonderful resource for anyone who wants to try their hand at this precise and poetic form of expression.

A Zen Wave (Large Print 16pt) Robert Aitken 2010-05 Zen Buddhism distinguishes itself by brilliant flashes of insight and its terseness of expression. The haiku verse form is a superb means of studying Zen modes of thought and expression, for its seventeen syllables impose a rigorous limitation that confines the poet to vital experience. Here haiku by Matsuo Basho (1644-94) -

the greatest Japanese haiku poet - are translated by Robert Aitken, with commentary that provides a new and deeper understanding of Basho's work than ever before. In presenting themes from the haiku and from Zen literature that open the doors both to the poems and to Zen itself, Aitken has produced the first book about the relationship between Zen and haiku. His readers are certain to find it invaluable for the remarkable revelations it offers.

Haiku, Senryu, Tanka Erich J Goller 2013-10-22 A book of Japanese style poetry to delight all lovers of their styled verse ... Within the book you will truly see Erich's great love of God and his wonderful at one feelings with nature in all forms ... seasons, animals, trees and flowers along with his true love of human life and gentle living...

Basic Poetry Jean Elizabeth, Poet Laureate Ward 2008-08-02 Basic Poems with instructions, and reference pages on how to write your own poetry. Illustrations within this charming book for the beginner or any one who needs to be inspired.

Musings and Reflections William Galvin 2016-11-23 After ""Reflections On A Moon"", my meanderings took me to a long stay in Arizona, another trip to see family and friends in Texas a few weeks later, and to a new apartment after packing up 30-plus years of memories and selling the house. So, the journey continued, and in ""Musings and Reflections"", I share the interpretations of what I saw and heard and felt on that path. Many good people of soul have impressed me when their journeys have intersected with mine. Plus, many great minds have inspired me with their words passed forward through time, and some are quoted here in what would have been empty white spaces. There is so much beauty out there to be seen, felt, and expressed... from a tear to a laugh; from a loss to a light; from a river to a mountain; from a speck of sand to a star; and all the moons and moods between... the best and the worst are all beautiful when accepted as part of the whole fabric of Life. Bill Galvin, Plainville, MA

The Woman Without a Hole - & Other Risky Themes from Old Japanese Poems Robin D. Gill 2007 17-syllabet Japanese poems about human foibles, sans season (i.e., not haiku), were introduced a half-century ago by RH Blyth in two books, "Edo Satirical Verse Anthologies" and "Japanese Life and Character in Senryu." Blyth regretted having to introduce not the best senryu, but only the best that were clean enough to pass the censors. In this anthology, compiled, translated and essayed by Robin D. Gill, like Blyth, a renowned translator of thousands of haiku, we find 1,300 of the senryu (and zappai) that would once have been dangerous to publish. The book is not just an anthology of dirty poems such as Legman's classic "Limericks" or Burford's delightful "Bawdy Verse," but probing essays of thirty themes representative of the eros - both real and imaginary - of Edo, at the time, the world's largest city. Japanese themselves use senryu for historical documentation of social attitudes and cultural practices; thousands of senryu (and the related zappai), including many poems we might consider obscene, serve as examples in the Japanese equivalent of the OED

(nipponkokugodaijiten). The specialized argot, obscure allusions and ellipsis that make reading dirty senryu a delightful riddle for one who knows just enough to be challenged yet not defeated, make them impenetrable to outsiders, so this educational yet entertaining resource has not been accessible to most students of Japanese (and the limited translations prove that even professors have difficulty with it). This book tries to accomplish the impossible: it includes all the information - original poems, pronunciation, explanation, glossary - needed to help specialists improve their senryu reading skills, while refraining from full citations to leave plenty of room for the curious monolingual to skip about the eclectic goodies. [Published simultaneously with two titles as an experiment.]

Poetic Anthology Haiku Senryu & Short Stories David Williams (David of Haughville) 2021-04-16 A book of poems and short stories. Poems and stories about life, the experiences of growing up, and the memories etched in your mind. An encouragement to family, grandchildren, and others. Learning and appreciating happenings, enjoying the amusement of true-to-life short stories. Educational writing exposing others to new thoughts and ideas. A quick read to bring a smile or laughter to readers during these stressful times. We gonna be alright.

Paul and Papa-Innocence and Emotions Harris Vernick 2006 A telephone call to Senator J. William Fulbright's Washington D.C. office affected a change of assignment for new Warrant Officer Pilot Thomas Butler to Medical Evacuation School. He could not have known how this favor' would effect his future and the decisions he would make in combat. With only minor glimpses into the struggles of an African American as a Warrant Officer Cadet during the late 1960's, we are catapulted into the jungles of Vietnam. Mr. Butler presents a rare look into the lives of the men whose task it was to retrieve the wounded from the battlefields and jungles of Vietnam. He tells the story like none other has, very effectively including the writings of a North Vietnamese officer, Captain Trang.

Haiku Richard Wright 2012-02 The haiku of acclaimed novelist Richard Wright, written at the end of his life.

Baseball Haiku: The Best Haiku Ever Written about the Game Nanae Tamura 2007-04-17 Presenting more than two hundred of the greatest haiku ever written about the game. There are moments in every baseball game that make fans catch their breath: the pause while a pitcher looks in for the sign, the moment a cocksure rookie gets picked off first, or the instant a batter lashes a game-winning homer into the night sky, just before the sell-out crowd explodes onto its feet. Haiku captures these moments like no other poetic form, and Baseball Haiku captures the sights, the sounds, the smells, and the emotions of the game like no previous collection. Some of the most important haiku poets of both America and Japan are featured in this anthology; including Jack Kerouac, a longtime baseball fan who pioneered English-language haiku; Alan Pizzarelli, one of the top American haiku and senryu poets of the last thirty years; and

Masaoka Shiki, one of the four great pillars of Japanese haiku—a towering figure—who was instrumental in popularizing baseball in Japan during the 1890s. With over two hundred poems spanning more than a century of ball playing, *Baseball Haiku* reveals the intricate ways in which this enduring and indelible sport—which is played on a field, under an open sky—has always been linked to nature and the seasons. And just as a haiku happens in a timeless now, so too does *Baseball Haiku* evoke those unforgettable images that capture the actions and atmospheres of the national pastime: each poem resonates like the lonely sound of cleats echoing in the tunnel as a grizzled veteran leaves his final game. The largest collection of haiku and senryu on baseball ever assembled, *Baseball Haiku* is an extraordinary treasure for any true baseball fan.

THEATER OF THE ABSURD: A COLLECTION OF HAIKU AND SENRYU POETRY KENNETH NORMAN COOK 2016-09-16 Kenneth Norman Cook puts his skills into the ancient arts of Haiku and Senryu and presents to you his brilliant collection gathered in this book for your enjoyment. Kenneth's varied styles keep him a versatile Poet who gives you everything you would ever want in the written word, for words are his FIRST LOVE.

American Haiku Toru Kiuchi 2017-11-30 *American Haiku: New Readings* explores the history and development of haiku by American writers, examining individual writers. In the late nineteenth century, Japanese poetry influenced through translation the French Symbolist poets, from whom British and American Imagist poets, Amy Lowell, Ezra Pound, T. E. Hulme, and John Gould Fletcher, received stimulus. Since the first English-language hokku (haiku) written by Yone Noguchi in 1903, one of the Imagist poet Ezra Pound's well-known haiku-like poem, "In A Station of the Metro," published in 1913, is most influential on other Imagist and later American haiku poets. Since the end of World War II many Americans and Canadians tried their hands at writing haiku. Among them, Richard Wright wrote over four thousand haiku in the final eighteen months of his life in exile in France. His *Haiku: This Other World*, ed. Yoshinobu Hakutani and Robert L. Tener (1998), is a posthumous collection of 817 haiku Wright himself had selected. Jack Kerouac, a well-known American novelist like Richard Wright, also wrote numerous haiku. Kerouac's *Book of Haikus*, ed. Regina Weinreich (Penguin, 2003), collects 667 haiku. In recent decades, many other American writers have written haiku: Lenard Moore, Sonia Sanchez, James A. Emanuel, Burnell Lippy, and Cid Corman. Sonia Sanchez has two collections of haiku: *Like the Singing Coming off the Drums* (Boston: Beacon Press, 1998) and *Morning Haiku* (Boston: Beacon Press, 2010). James A. Emanuel's *Jazz from the Haiku King* (Broadside Press, 1999) is also a unique collection of haiku. Lenard Moore, author of his haiku collections *The Open Eye* (1985), has been writing and publishing haiku for over 20 years and became the first African American to be elected as President of the Haiku Society of America. Burnell Lippy's haiku appears in the major American haiku journals, *Where the River Goes: The Nature Tradition in English-Language Haiku* (2013). Cid Corman is well-known not only as a haiku poet but a translator of Japanese ancient and modern haiku poets: *Santoka, Walking into the Wind* (Cadmus Editions, 1994).

Postmodernity and Cross-culturalism Yoshinobu Hakutani 2002 Whereas the text of modernity thrived on its rhythms, symbols, and representations of beauty, and above all on its impersonality, postmodernity in the late decades of the twentieth century sought relationships outside the text - those between literature and history, philosophy, psychology, society, and culture. The exploration of such relationships is literary to postmodernity as it is ancillary to modernity."--BOOK JACKET.

The Haiku Seasons William J. Higginson 1996

Haiku in English: The First Hundred Years Philip Rowland 2013-08-26 The first anthology to map the full range of haiku in the English tradition. Haiku in English is an anthology of more than 800 brilliantly chosen poems that were originally written in English by over 200 poets from around the world. Although haiku originated as a Japanese art form, it has found a welcome home in the English-speaking world. This collection tells the story for the first time of Anglophone haiku, charting its evolution over the last one hundred years and placing it within its historical and literary context. It features an engaging introduction by former U.S. poet laureate Billy Collins and an insightful historical overview by leading haiku poet, editor, and publisher Jim Kacian. The selections range from the first fully realized haiku in English, Ezra Pound's "In a Station of the Metro," to plentiful examples by haiku virtuosos such as John Wills, Marlene Mountain, Nick Virgilio, and Raymond Roseliep, and to investigations into the genre by eminent poets like John Ashbery, Allen Ginsberg, and Seamus Heaney. The editors explore the genre's changing forms and themes, highlighting its vitality and its breadth of poetic styles and content. Among the many poems on offer are organic form experiments by E. E. Cummings and Michael McClure, evocations of black culture by Richard Wright and Sonia Sanchez, and the seminal efforts of Jack Kerouac.

Finding You Leonard Dabydeen 2021-11-04 The information about the book is not available as of this time.

Modern Haiku 1998
