**Intonation in Romance** Sonia Frota 2015 This text offers the first comprehensive description of the prosody of nine Romance languages that takes into account internal dialectal variation. The analyses all use the Autosegmental Metrical framework of intonational phonology and the ToBI transcription system, and have been carried out by groups of well-known experts in the field.

**Elements of Structural Syntax** Lucien Tesnière 2015-02-11 This volume appears now finally in English, sixty years after the death of its author, Lucien Tesnière. It has been translated from the French original into German, Spanish, Italian, and Russian, and now at long last into English as well. The volume contains a comprehensive approach to the syntax of natural languages, an approach that is foundational for an entire stream in the modern study of syntax and grammar. This stream is known today as dependency grammar (DG). Drawing examples from dozens of languages, many of which he was proficient in, Tesnière presents insightful analyses of numerous phenomena of syntax. Among the highlights are the concepts of valency and head-initial vs. head-final languages. These concepts are now taken for granted by most modern theories of syntax, even by phrase structure grammars, which represent, in a sense, the opposite sort of approach to syntax from what Tesnière was advocating. Now Open Access as part of the Knowledge Unlatched 2017 Backlist Collection.

**Quoi de Neuf ? 3+4 Student Book with EBook** Judy Comley 2019-11-18 Quoi de Neuf ? 1-4, 2nd Edition Student Books for Years 7-10 were revised based on teacher feedback and are aligned with the latest Australian Curriculum: Languages - French (Year 7 entry), Victorian Curriculum for the AC, Western Australian Curriculum for the AC and the NSW Syllabus for the AC. Student Books are up-to-date, relevant to students, helping them build communication, intercultural and viewing skills, and offer new insights into the

Francophone cultures and communities. Students are motivated and learn to become independent learners and communicators whilst using intercultural, investigating and critical thinking skills. They get the opportunity to use French in immersion learning context with the CLIL/extension pages material at the back of each student book. *Quoi de Neuf ? 3+4*, each unit includes additional pages of reading and tasks material which encourage critical thinking and higher order thinking. *Quoi de Neuf ? 1-4*, 2nd Edition eBooks allow students and teachers to interact with the Student Books content and much more, both online and offline. Access to audio tracks, worksheets, grammar learning animations, interactive games and modelling and fun videos that can be used in many different ways. For example, grammar animations may be used in class (whole class or assigned to individuals), at home for flipped learning, or as catch up lessons or revision material, and are a great way to discover or revisit language points in a different way.

*French in Three Months* Ronald Overy 1998 This series of self-study language courses comprises grammar lessons, contextual conversation drills, relevant word lists, and graded exercises to allow the traveler an immediate grasp of a foreign language.

*Liberte* Gretchen V. Angelo 2008-09 *Liberte* is a French language textbook for first-year college students. Please note that an instructor guide is included as a downloadable attachment.

*Language Hacking French* Benny Lewis 2017-03-28 It's true that some people spend years studying French before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of French, #LanguageHacking shows you how to learn and speak French through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language

abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in French from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.

**Du tac au tac: Managing Conversations in French** Jeannette D. Bragger 2013-01-01 Improve your French conversation skills with DU TAC AU TAC: MANAGING CONVERSATIONS IN FRENCH! The communicative strategies used in this French text help you reactivate, strengthen, and build on what you already know so that you can improve your French communication skills with ease. Each chapter is organized around what you need to know to interact with native speakers: how to initiate, maintain, and close conversations; how to communicate and respond to feelings and emotions; how to express opinions; and how to give and get information. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**501 French Verbs Fully Conjugated in All the Tenses and Moods in a New Easy-to-learn Format, Alphabetically Arranged** Christopher Kendris 2007 Students of French quickly discover that knowing the meanings of commonly used verbs—then learning how to use them in all their many tenses and forms—is a vital part of becoming fluent in the new language. This brand-new edition of Barron's 501 French Verbs now comes with a bonus CD-ROM that offers helpful practice exercises in verb conjugation and a concise grammar review. The book presents the most common regular and irregular French verbs alphabetically arranged in table form, one verb per page, and completely conjugated in all tenses with English equivalents. The book also reviews rules of grammar applicable to verb usage, provides a bilingual list of hundreds more regular verbs, and offers tips on idiomatic verb usage. Tinted page-edge tabs offer language students quick alphabetical reference.

**Streetwise French (Book + 1 CD)** Isabelle Rodrigues 2006-12-12 The next best thing to a year abroad . . . Streetwise French with Audio CD offers you a unique opportunity to learn first-hand how French is actually spoken. With the help of more than 25 everyday dialogues performed by native speakers, you pick up on the idioms, colloquialisms, slang, and vulgarisms currently used by people from all walks of life. Fascinating features help explain the cultural attitudes behind many expressions. And exercises enable you to flex your comprehension and conversational skills.

**Allez, Viens!: level 3** John DeMado 2000

French Verb Drills R. de Roussy de Sales 2004-01-09 The shortest route to mastering verb conjugations One of the greatest challenges in learning a language is mastering verb conjugations. The books in the unique Language Verb Drill series make it easier than ever for learners to meet that challenge. Drilling, whether it's for learning a musical instrument, a sport, or a language, is an essential part of a sound education because repeated, concentrated practice makes specialized skills become second nature. Unlike most verb books, which tend to concentrate on tables of conjugations, the books in the Language Verb Drills series allow students to focus exclusively on building mastery of verbs without being distracted by other elements of grammar. Combining the features of a workbook and reference manual, they clearly and systematically explain how a verb system works while providing numerous drills for practice. These revised editions of the popular study guides now include a final review section to reinforce the reader's ability to automatically select the correct verb form.
