The Nursery Present, Or, Alphabet of Pictures 2012-01 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Nursery Kids Alphabets Ahlan Emirate Nursery flashcards contains 26 giant shaped flashcards designed to help children learn a variety of first concepts in preparation for entering school. One side of the flashcards has a picture, while the other side has the written word. By sharing the flashcards with an adult, children are encouraged to sound out the simple words, developing their awareness of letter sounds, increasing their vocabulary, and promoting their reading skills. With fun, colourful images and clear word labels, children will be introduced to first words from key first-concept topics, including colours, shapes, animals, and vehicles. The flashcards are perfect for little hands to hold, and are shaped to allow clear distinctions for adults and children between the different first-concept topics. Learn a range of first-concept topics in preparation for entering Kindergarten, including: colours, shapes, animals, vehicles, first words, and more

This letter tracing work book enables your child to learn the basics of handwriting with a structured and fun approach to letters and numbers. As your child's confidence and skill increase through practice, so does the complexity and difficulty to further hone his skill. Level 1: Establishes the basics of letter printing or handwriting Lines and Curves Alphabet ABC Numbers 0-9 Level 2: Simple Sight Words Application of the basics of letter writing to form words Visual and physical involvement teaches children to recognize words on sight Form the foundation for sentences Accompanied with drawings to illustrate the word Level 3: Simple Sentences Application of handwriting and sight words to form sentences Further strengthens skills through practice and repetition Aids in grammar and sentence formation The variety of exercises in this handwriting practice book for kids are guaranteed to be helpful in building hand-eye coordination, dexterity and muscle memory and is great for kids of all ages from nursery, preschool, pre k, kindergarten and kids ages 3-5 and 5 -6. Handwriting has its place even in the midst of technology. A case study published in the US National Library of Medicine National Institute of Health states that letter tracing and handwriting has significant benefits over typing on electronic devices. The study tested the effect on brain engagement with traditional handwriting and typing on a tablet. The conclusion was that tracing and handwriting activates and engages both the left side of the brain which is responsible for
