Notes From a Liar and Her Dog Gennifer Choldenko 2013-08-16 Ant (short for Antonia) is sure she is adopted. She doesn't look anything like her mother or her sisters - or even her dad (who is away working too much). Ant's best friend is a boy called Harrison who draws chickens, and her dog Pistachio, a tiny ageing chihuahua, is her constant companion, but she feels that she just doesn't fit in. Ant's life meanders along until one day her lying starts to cause her, and those around her, some rather serious problems. Forced to face up to some of the things she has spent her life trying to hide from, in particular Ant has to come to terms with why she doesn't get on with her mother. An uplifting, exciting and truly original story.

The Calder Game Blue Balliett 2012-12-01 This new mystery from bestselling author Blue Balliett is now available in After Words paperback! When Calder Pillay travels with his father to a remote village in England, he finds a mix of mazes and mystery . . . including an unexpected Alexander Calder sculpture in the town square. Calder is strangely drawn to the sculpture, while other people have less-than-friendly feelings towards it. Both the boy and the sculpture seem to be out of place . . . and then, on the same night, they disappear! Calder's friends Petra and Tommy must fly out to help his father find him. But this mystery has more twists and turns than a Calder mobile . . . with more at stake than first meets the eye.

Amber Brown Sees Red Paula Danziger 2009-02-05 Amber Brown's going through a growth spurt . . . and her body's not the only thing that's changing. Her mom and Max are engaged. Her dad is moving back from Paris. And now her school's overrun by skunks, and she feels like she's being held captive in a hot, crowded school bus that's going nowhere. But growth spurts and skunks are not her only concerns. Why can't her parents agree on anything . . . and most important, what will happen when Dad moves back?

I, Amber Brown Paula Danziger 1999-10-25 Amber Brown loves the holidays. The shopping, the wrapping, the unwrapping. She isn't having any troubles with gifts, but life is another story. She's so happy when her dad has moved back to New Jersey, but her mom isn't. It means the beginning of shared custody, and that means more fighting. Amber feels as if half of her belongs to her mom and half belongs to her dad, and that doesn't feel good at all. Then her mom says she can't get her ears pierced, but her dad doesn't know that. Amber makes a decision. Something has to belong to her, so why shouldn't it be her ears? Full of the fun, humor, and punny dialogue Paul Danziger's famous for, this is a winning entry in the ever popular series.

Amber Brown Goes Fourth Paula Danziger 2007-10-04 Only Amber Brown can handle going to a new grade without her best friend with such honesty, humor, and heart. Amber Brown isn't entirely ready for fourth grade. She has her pens, pencils, new clothes, and new shoes. But the one thing she doesn't have is her best friend, Justin Daniels. Justin has moved away, leaving Amber utterly best friend-less. Amber knows Justin can't be replaced, but she is on the lookout for a new friend. Brandi seems a likely choice, but does Brandi want to choose Amber in return? Will Amber Brown go fourth, and go forth, with a new best friend? Along with the ups and downs of shared custody, the Amber Brown chapter books are beloved for tackling relatable dilemmas with thoughtfulness, humor, and plenty of puns.

Hello Ocean Pam Muñoz Ryan 2001-02-01 Dive into this playful poem about the draw of the shore and the effect the ocean has on all five senses. Relive a day at the beach with this lovely book of memories. You can almost feel the salt spray on your face and smell the musky scent of ocean in the cool morning air. Remember how the sand squishes between your toes as the tide rushes to shore and taste the tang of the ocean on your lips. Spirited language evokes a sense of closeness and nostalgia for an old friend. The inspiration of the ocean will make learning the five senses as easy as a day at the beach. Crisp, realistic illustrations fill the pages with the rush of surf and the warmth of sun-baked sand. The sights and smells and sensations of the sea become vividly clear in these beautifully rendered paintings.

Second Grade Rules, Amber Brown Paula Danziger 2005-07-21 Amber Brown thinks that second grade rules! But when her teacher says desks have to be kept clean, Amber knows that is one rule she cannot follow. She desperately wants the desk fairy, Deskarina, to visit her desk and leave a reward. A messy desk never bothered Amber before, but now that a treat is involved, it does... Following closely on the events in *Get Ready for Second Grade*, Amber Brown, kids and teachers will applaud this hilarious take on a universal classroom issue.

The Most Dangerous Book Kevin Birmingham 2015-05-26 Recipient of the 2015 PEN New England Award for Nonfiction "The arrival of a significant young nonfiction writer . . . A measured yet bravura performance." —Dwight Garner, *The New York Times* James Joyce's big blue book, *Ulysses*, ushered in the modernist era and changed the novel for all time. But the genius of *Ulysses* was also its danger: it omitted absolutely nothing. Joyce, along with some of the most important publishers and writers of his era, had to fight for years to win the freedom to publish it. *The Most Dangerous Book* tells the remarkable story surrounding *Ulysses*, from the first stirrings of Joyce's inspiration in 1904 to the book's landmark federal obscenity trial in 1933. Written for ardent Joyceans as well as novices who want to get to the heart of the greatest novel of the twentieth century, *The Most Dangerous Book* is a gripping examination of how the world came to say Yes to *Ulysses*.

Shaking Hands with Wisdom Ron Webb 2020-03 "Shaking Hands with Wisdom," is an epic tool that is needed in the lives of every mentor and mentee. Authors Bishop Ron Webb and Amber M. Brown share powerful revelation that will challenge you to learn how to help and serve others. Mentorship is a special part of God's plan of keeping the world going and operating in Wisdom and Excellence. From the knowledge gained by the authors, they will show us that when walking in mentorship, the mentee will have different experiences than the mentor and vice versa. Also, when you put them both together, we can visit the values and intentions of true mentorship at its core.

in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

book of contemporary fables about a rambunctious group of fourth graders and their amazing teacher—the globe-trotting, Mayan-ceremonial-robe-wearing Mr. Jupiter—that is sure to delight students and teachers alike. There's Calvin Tallywong, who wants to go back to kindergarten. But when he actually gets the chance, he's forced to do the squirrel dance and wear a school bus name tag. The moral of his story? Be careful what you wish for. Then there's Amisha Spelwadi, who can spell wildebeest, no problem. When Mr. Jupiter asks the class to spell cat, all Amisha can come up with is kat. The moral: Don't count your chickens before they hatch. Kids will laugh out loud as they learn tried-and-true lessons in this funny, fast-paced book. And don't miss the class's continued adventures in *The Fabled Fifth Graders of Aesop Elementary School* by Candace Fleming.

How Learning Works Susan A. Ambrose 2010-04-16 Praise for *How Learning Works* "How Learning Works is the perfect title for this excellent book. Drawing upon new research in psychology, education, and cognitive science, the authors have demystified a complex topic into clear explanations of seven powerful learning principles. Full of great ideas and practical suggestions, all based on solid research evidence, this book is essential reading for instructors at all levels who wish to improve their students' learning." —Barbara Gross Davis, assistant vice chancellor for educational development, University of California, Berkeley, and author, *Tools for Teaching* "This book is a must-read for every instructor, new or experienced. Although I have been teaching for almost thirty years, as I read this book I found myself resonating with many of its ideas, and I discovered new ways of thinking about teaching." —Eugenia T. Paulus, professor of chemistry, North Hennepin Community College, and 2008 U.S. Community Colleges Professor of the Year from The Carnegie Foundation for the Advancement of Teaching and the Council for Advancement and Support of Education "Thank you Carnegie Mellon for making accessible what has previously been inaccessible to those of us who are not learning scientists. Your focus on the essence of learning combined with concrete examples of the daily challenges of teaching and clear tactical strategies for faculty to consider is a welcome work. I will recommend this book to all my colleagues." —Catherine M. Casserly, senior partner, The Carnegie Foundation for the Advancement of Teaching "As you read about each of the seven basic learning principles in this book, you will find advice that is grounded in learning theory, based on research evidence, relevant to college teaching, and easy to understand. The authors have extensive knowledge and experience in applying the science of learning to college teaching, and they graciously share it with you in this organized and readable book." —From the Foreword by Richard E. Mayer, professor of psychology, University of California, Santa Barbara; coauthor, *e-Learning and the Science of Instruction*; and author, *Multimedia Learning*

The Glass Castle Jeannette Walls 2006-01-02 Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

White Socks Only Evelyn Coleman 1996-01-01 When Grandma was a little girl in Mississippi, she sneaked into town one day. It was a hot day—the kind of hot where a firecracker might light up by itself. But when this little girl saw the "Whites Only" sign on the water fountain, she had no idea what she would spark when she took off her shoes and—wearing her clean white socks—stepped up to drink. Bravery, defiance, and a touch of magic win out over hatred in this acclaimed story by Evelyn Coleman. Tyrone Geter's paintings richly evoke its heat, mood, and legendary spirit.
