American English File: Starter: Workbook Oxford University Press 2019-08-15

*English File 1* Clive Oxenden 1996-01-01 English File is a flexible course for adults and young adults which reflects the realities of both learning and teaching. At each of the first two levels, there is a fast-track core of 60 hours' class work, with additional material which can extend the course to more than 120 hours. English File 1 is for beginners and false beginners. English File gives students a real sense of achievement and progress. It offers clear learning objectives, an organized approach to revision and reference work, and a fully integrated home-study programme. For teachers, there are well-planned lessons that work, a realistic syllabus focusing on what can be achieved in a first level course, and a complete source of ready-to-use supplementary materials.

- Lessons which cover the grammar pronunciation, and vocabulary syllabus of the course, with in-built revision and recycling.
- Systematic pronunciation work, with a memorable and learner-friendly introduction to English sounds.
- Graded listening materials and tasks.
- Travel with English. Functional language, practical communication in international 'survival' contexts.
- Revision and extension. Consolidation and development of core lessons through skills work.
- Vocabulary file. Systematic vocabulary development and revision, and learning tips.
- Grammar file. Self-check grammar reference in language graded for beginner level.
- Word bank. An active picture dictionary for memorable study and reference.

American English File 3E Starter Workbook Christina Latham-Koenig 2020-07-28

American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

**American Speakout, Starter** Frances Eales 2018-03-06 American Speakout is a six-level series based on topics that are relevant to students' lives and global in nature. Its emphasis on authentic listening opportunities and presentation of language in context enables learners to personalize the language they learn and express themselves confidently in real English-speaking environments. American Speakout follows a balanced approach to topics, language development, and skills work. Highlights Builds learner confidence Authentic, real-world language, challenging activities, and recycling of language builds student confidence in understanding context and communication. Video clips and interviews on the street expose students to a wide range of language and accents, familiarizing them with English as it is spoken. Encourages learners to spend more time on task Course package includes a wealth of practice material in specific areas including grammar, vocabulary, pronunciation, and skills. Clear objectives in every unit help students focus on what they will achieve so they can see how they are improving. Motivating lessons and practice materials engage learners, encouraging them to spend more time on task and make faster progress. Helps learners achieve their personal goals Tasks and activities encourage students to work collaboratively and build skills essential for both study and work. Helps learners see the relevance of what they are learning Clear goals and objectives aligned with the GSE/CEFR.

Don't let spellcheck let you down when it counts-get the tools to start spelling and pronouncing words the right way every time. Packed with clear explanations, quizzes, examples, and common mistakes, Complete English Spelling and Pronunciation Rules is the only spelling and pronunciation guide you'll ever need.

**American English File** Clive Oxenden 2010-01-07 "Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

**12 Rules for Life** Jordan B. Peterson 2018-01-23 #1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. *12 Rules for Life* shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

**The Reporter Who Knew Too Much** Mark Shaw 2016-12-06 Was journalist Dorothy Kilgallen murdered for writing a tell-all book about the JFK assassination? Or was her death from an overdose of barbiturates combined with alcohol, as reported? Shaw believes Kilgallen's death has always been suspect, and unfolds a list of suspects ranging from Frank Sinatra to a Mafia don, while speculating on the possibilities of reopening the case.

*The Facts on File Student's Dictionary of American English* Cynthia A. Barnhart 2014-05-14 The first purpose of any student's dictionary is to provide the basic information necessary to be able to understand a meaning, decipher a pronunciation, make a correct syllable break, and employ vocabulary appropriate to a particular situation. The Facts on File Student's Dictionary of American English is designed to provide such information as accurately, concisely, and clearly as possible. Its modest entry list of about 90,000 words includes the vocabulary most of us use every day in ordinary writing and encounter in reading a newspaper, novel, magazine, or online article. The dictionary also includes a selection of widely used new terms in English, from science and technology to contemporary American culture. The design is exceptionally user-friendly. Each entry of the standard vocabulary has been evaluated and revised according to current usage. Unlike other dictionaries--including collegiate--this dictionary features long entries that have been trimmed to their core meanings; shades of meanings are illustrated by phrases or sentences that follow a definition, rather than by different definitions entirely. The result is a reliable, easy-to-use guide to the English language.
