**Beginnings** S. Bodhesako 2008-01-01 This book contains all the known published and unpublished essays by S. Bodhesako: *Beginnings*, *Change*, *The Buddha and Catch-22*, *The Myth of Sisyphus*, *Faith*, and *Being and Craving*. In the first essay, *Beginnings*, the author discusses the authenticity and relevance of the Buddhist Canon. The second essay, *Change*, investigates the concepts of change, impermanence and time in relation to experience and argues against equating them with the concept of flux or continuous change. In the third essay, *The Buddha and Catch-22*, the similarities between Joseph Heller's novel and the Buddha's Teaching are discussed. The next essay, *The Myth of Sisyphus*, is a Buddhist reinterpretation of the Greek myth of Sisyphus, which is symbolizing the endless, recurring nature of our tasks. Ven. Bodhesako also discusses Albert Camus' interpretation of this myth. The essay *Faith* investigates the relevance of faith in the Buddha's Teaching, while the last essay, *Being and Craving*,

deals with the Buddhist concept of craving and its traditional interpretation.

**Unchained Mind** Ricardo G. Williams 2017-03-15 I took a three-year break from work to explore the topic

of peace, love, and success. I spent the time analyzing my thoughts and the effects my thoughts had on my emotional state of mind. The things I found out were quite intriguing. I came to the realization that many of us are not living to our full potential. We live with a measured joy. We keep our happiness in check. Our smiles are met with a restriction from our breath, which makes it short-lived. We seldom breathe fully because our breath is interrupted by the depth of our thoughts. We never really let go fully. We are bound by layers of chains that have entangled our thinking chains from an uncertain future, chains of work, chains of relationships, chains of our finances, too many chains to mention. My time away from work gave me the opportunity to explore how to break the chains. I admit that even a broken chain is not permanently broken but can be easily reunited if old habits are not changed. My book focuses on the actions we can take to break chains and keep them broken. My book explores how our thoughts control our destiny. It teaches thought control and the importance of silence. It teaches how to overcome fear, anger, negative thoughts, stress, and hatred. You will learn how to nurture your emotions, embrace moments, and the importance of spiritual peace. I will teach you how to live in thankfulness, with compassion, while activating love.

**Outlandish Knight** Minoo Dinshaw 2016-09-29 **ECONOMIST AND SPECTATOR BOOKS OF THE YEAR 2016** 'An extraordinary book ... exceptionally fascinating, always readable and penetratingly intelligent' David Abulafia 'As rich, funny and teeming with people as Anthony Powell's *A Dance to the Music of Time* ... Dinshaw writes with wit and elegance, and the most elegiac passages of *Outlandish Knight* evoke a lost society London and way of life' Ben Judah, *Financial Times* 'This dazzling young writer is a mine of

fascinating, memorable and totally useless information... I have been riveted by this book from start to finish, and leave the reader with one word of advice. Watch Minoo Dinshaw. He will go far' John Julius Norwich, Sunday Telegraph The biography of one of the greatest British historians - but also of a uniquely strange and various man In his enormously long life, Steven Runciman managed not just to be a great historian of the Crusades and Byzantium, but Grand Orator of the Orthodox Church, a member of the Order of Whirling Dervishes, Greek Astronomer Royal and Laird of Eigg. His friendships, curiosities and intrigues entangled him in a huge array of different artistic movements, civil wars, Cold War betrayals and, above all, the rediscovery of the history of the Eastern Mediterranean. He was as happy living in a remote part of the Inner Hebrides as in the heart of Istanbul. He was obsessed with historical truth, but also with tarot, second sight, ghosts and the uncanny. *Outlandish Knight* is a dazzling debut by a writer who has prodigious gifts, but who also has had the ability to spot one of the great biographical subjects. This is an extremely funny book about a man who attracted the strangest experiences, but also a very serious one. It is about the rigours of a life spent in the distant past, but also about the turbulent world of the twentieth century, where so much that Runciman studied and cherished would be destroyed.

*Beyond Memory* Max Mojapelo 2008 "South Africa possesses one of the richest popular music traditions in the world - from marabi to mbaqanga, from boeremusiek to bubblegum, from kwela to kwaito. Yet the risk that future generations of South Africans will not know their musical roots is very real. Of all the

recordings made here since the 1930s, thousands have been lost for ever, for the powers-that-be never deemed them worthy of preservation. If one peruses the books that exist on South African popular music, one still finds that their authors have on occasion jumped to conclusions that were not as foregone as they had assumed. Yet the fault lies not with them, rather in the fact that there has been precious little documentation in South Africa of who played what, or who recorded what, with whom, and when. This is true of all music-making in this country, though it is most striking in the music of the black communities. Beyond memory: recording the history, moments and memories of South African music is an invaluable publication because it offers a first-hand account of the South African music scene of the past decades from the pen of Max Thamagana Mojapelo, who was situated in the very thick of things, thanks to his job as a DJ at the South African Broadcasting Corporation. This book -astonishing for the breadth of its coverage - is based on his diaries, on interviews he conducted and on numerous other sources, and we find in it not only the well-known names of recent South African music but a countless host of others whose contribution must be recorded if we and future generations are to gain an accurate picture of South African music history of the late 20th and early 21st centuries"--Publisher's description.

*Twelve Years a Slave* Solomon Northup 2021-01-01 "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

**Behind Diplomatic Lines** Patrick Wright 2018-01-29 Patrick Wright's memoir opens on a diplomatic crisis. A growing number of countries are threatening to boycott the Commonwealth Games in protest of the British government's handling of South African apartheid. And the problems only get worse. Patrick Wright was one of the pre-eminent diplomats of his day, putting him at the forefront of some of the late twentieth century's most important global events. His six years at the FCO found him dealing with the backlash from the Falklands War, the collapse of the Soviet Union, strained relations with the EU, the First Gulf War and, perhaps most challenging of all, the 'fire and glares' of Prime Minister Margaret Thatcher. Lord Wright's account is not only an essential documentation of a significant historical period, but witty and entertaining throughout. He revels in gossip, despairs at the mischievous press 'painting lurid pictures of Britain versus the Rest', recalls numerous amusing scenarios and is rather brutal in his assessment of various high-profile political figures.
