Economics, Politics and Infrastructure*

basic principles of demand and supply. The energy crisis is self-evidently not the result of . market. failure but of . government. failure. The 18. th. century literary sage Samuel Johnson remarked that ‘a man is never more innocently employed than when engaged in making money’. The actions of private investors aren't hard to understand.

y Stephen Harris

Even amidst a global crisis, God finds ways to turn our situations into good. To redeem people, love them, and give them life, You intended to harm me, but God intended it for good to accomplish what is now being done, the saving of many lives.—Genesis Thank you for being resilient and tenacious enough to tackle online ministry and help
