Is there a dream or purpose lying dormant inside of you? If so, what you are feeling is the tension of Scary Faith. This isn't just a faith that informs your beliefs, but a faith that opens the door to endless possibilities and miracles. Many of us have fallen for the lie that having faith means having no doubt or fear. Our thoughts are consumed with worries, insecurities, and uncertainties. Yet, no matter how hard we try to muster faith, we just can't seem to take that step. We give up before we grow up and never take our first step to pursue our dreams and callings. In Scary Faith, you will discover one of the biggest hidden secrets about fear and faith. Through his personal journey and Scriptural insights, church planter and founding pastor of X Church, Tim Moore, unpacks how to follow God's will and purpose for your life. Looking at the life of Peter from the New Testament, Tim reveals how we too can walk in faith as we follow Jesus. As you navigate the scary open waters with Tim, he will unfold the key to walking by faith while wrestling with fear. In Scary Faith, you will learn how to:

- Recognize the voice of God
- Find your purpose and calling
- Discern God's will for your life
- Override your natural response to fear
- Experience miracles in your life

Whether you are a stay-at-home mom, an entrepreneur, a pastor, or a college student, all of us have God-given dreams yet to be fulfilled. The real question is whether you will settle in the plains of comfort or adventure by faith into your destiny.
