Coloring Book by Numbers Graffiti Color by Numbers for Teens and Adults Andrew S. Moon 2021-01-21 The coloring book is the best gift idea in 2021. Do you like to color pictures? Do you like to draw? Probably yes, you like it. And I love to do it too. And if I ask: can you draw? Probably, many of you will answer that you draw poorly or do not know how to draw at all. So I thought about it and decided to start producing coloring books for people like you and me. This book is not simple. Numbers will help us to decorate it. Each number represents a different color. To the left of the picture is a color map. We look at it, find the corresponding number in the picture on the right, and paint this area with the indicated color. Each picture has its own individual color map. Everything is very simple. Are you wondering that while decorating a picture, you don't even know what will happen next? This is so exciting! This book is about graffiti. Many of us have seen young boys and girls paint the walls of houses with bright colors. It turns out pretty good. The colors of the pictures are very bright and juicy. The theme is people, fantasy, abstraction. Let us and you and I try to do this in this coloring book by numbers. Both adults and adolescents can decorate. This book will help you relax, and you will spend many interesting evenings with it. There are 24 pictures in this book. Each image is located on a separate sheet with a black base (so as not to smudge the next page). You can take this book for yourself or give it to others. If you are not afraid of difficulties, then this coloring book is for you. Enjoy your stay, everyone.

Some of these motifs, taken from tomb ceilings, murals, wood sculpture, vases, and papyrus paintings, have been featured in the traveling Tutankhamen exhibit. Motifs include the winged Isis, Osiris, Buto the Cobra-goddess, various Pharaohs, scarabs, and animal deities; scenes of daily life (hunting, boating, banqueting, masters, and servants), and decorative ornament ? lotus, ibis, falcon, lion, snake, barbarian. Identifying captions with historical information accompany each drawing, and a brief introduction and glossary of gods complete this coloring book, a fine source of ancient Egyptian pictorial design, and a pleasure to color in any medium.
