The Tiger John Vaillant 2010-08-24 It's December 1997, and a man-eating tiger is on the prowl outside a remote village in Russia's Far East. The tiger isn't just killing people, it's annihilating them, and a team of men and their dogs must hunt it on foot through the forest in the brutal cold. As the trackers sift through the gruesome remains of the victims, they discover that these attacks aren't random: the tiger is apparently engaged in a vendetta. Injured, starving, and extremely dangerous, the tiger must be found before it strikes again. As he re-creates these extraordinary events, John Vaillant gives us an unforgettable portrait of this spectacularly beautiful and mysterious region. We meet the native tribes who for centuries have worshipped and lived alongside tigers, even sharing their kills with them. We witness the arrival of Russian settlers in the nineteenth and early twentieth centuries, soldiers and hunters who greatly diminished the tiger populations. And we come to know their descendants, who, crushed by poverty, have turned to poaching and further upset the natural balance of the region. This ancient, tenuous relationship between man and predator is at the very heart of this remarkable book. Throughout we encounter surprising theories of how humans and tigers may have evolved to coexist, how we may have developed as scavengers rather than hunters, and how early Homo sapiens may have fit seamlessly into the tiger's ecosystem. Above all, we come to understand the endangered Siberian tiger, a highly intelligent super-predator that can grow to ten feet long, weigh more than six hundred pounds, and range daily over vast territories of forest and mountain. Beautifully written and deeply informative, The Tiger circles around three main characters: Vladimir Markov, a poacher killed by the tiger; Yuri Trush, the lead tracker; and the tiger himself. It is an absolutely gripping tale of man and nature that leads inexorably to a final showdown in a clearing deep in the taiga.

Home David Storey 2013-12-11 One works. One looks around. One meets people. But very little communication takes place . . . That is the nature of this little island. As five apparently unrelated characters meet in a seemingly insignificant garden, the autumnal sun shines overhead and everybody waits for rain. What they discuss is superficially anything that can pass the time. What is portrayed is the very essence of England, Englishness, class, unfulfilled ambition, loves lost and homes that no longer exist. Storey's timeless play is a beautiful, compassionate, tragic and darkly funny study of the human mind and a once-great nation coming to terms with its new place in the world.

Hindi-Urdu Saadat Hasan Manto 2018-01-25 Ever since the Hindi-Urdu debate has been raging, Manto has tried to understand what the fuss is about. And while Maulvi Abdul Haq Sahib, Dr Tara Singh and Mahatma Gandhi seem to know all there is to know, the matter remains as elusive as ever to Manto. As Manto struggles to understand a seemingly pointless debate, what follows is an imagined conversation between Munshi Narain Parshad and Mirza Muhammad Iqbal who are arguing about the merits of lemon water over soda water. If anyone knows how to pack a punch and be tongue-in-cheek at the same time, it's Manto. Hilarious and brilliant, Hindi-Urdu is a fine example of the shape short fiction can take in the hands of a prolific writer like him.

Guns & Thighs Ram Gopal Varma 2015-12-01 In these delightfully candid musings about his life and his cinema, RGV reveals the man behind pioneering Telugu and Hindi films such as Shiva, Rangeela, Satya, Sarkar, Bhoot and Company. Discussing a wide range of subjects, from the influences and circumstances that drew him to films to his cinematic techniques, his successful and unsuccessful films, his Bollywood idols, his relations with the media and the controversies dogging him, Guns & Thighs is as much about RGV's life and philosophy of life as about his films and the Indian film world. Characteristically, he pulls no punches, whether he's talking about movies, women or the media. Even when it comes to his own films, he embraces his failures as much his successes and dissects them with rare honesty and humility. Refreshingly contrarian and politically incorrect, this book discloses a perspective as colourful and larger than life as Indian films. It is not for RGV fans alone but for all those passionate about cinema and the people associated with it.
