Beyond the Canon M. Grever 2007-10-11 'Beyond the Canon' deals with recent politicized processes of canonization and its implications for historical culture in a globalizing and postcolonial world. The volume discusses the framing and transmission of historical knowledge and its consequences for the construction of narratives and the teaching of history in multicultural environments.

The Nostradamus Prophecy Theresa Breslin 2009 When Nostradamus proclaims to the French court his prophecy of a great massacre, the young King Charles only laughs. His mother, Catherine de' Medici, pays more heed - she believes that Nostradamus can truly see the future. But the great soothsayer's prophecies are not only for those who rule; he also has a message for Melisande, the minstrel's daughter, who he believes is linked with him by Fate. And as the Angel of Death approaches, Nostradamus entrusts to her safekeeping some very special parchments - parchments that the rulers of France would do anything to see . . .

Drugs John Baselmans 2016-12-06 When we think of drugs, we immediately think of the old guard drugs like cocaine, heroin and hemp. Other than that, there are for some time synthetic drugs (XTC) made in many forms, colors and effects. We talk in this book about the ordinary old-fashioned drugs in the form of cocaine. WeOre going to expose what is behind and who are the true drug dealers. The old-fashioned drug is still the trade with which the super rich enrich themselves. Also, it is the elite who use a lot of this stuff. You can make it clear that most of the top in the business world, but also the politics and those who move into higher layers, are the permanent users of the cocaine stuff. Often in the most pure form and often used daily like a breakfast and dinner. But first I like to elaborate some things; what is cocaine and who are the driving forces behind these drugs according to world organizations of detecting drugs. Let's talk about drugs."

The Third Industrial Revolution Jeremy Rifkin 2011-10-04 The Industrial Revolution, powered by oil and other fossil fuels, is spiraling into a dangerous endgame. The price of gas and food are climbing, unemployment remains high, the housing market has tanked, consumer and government debt is soaring, and the recovery is slowing. Facing the prospect of a second collapse of the global economy, humanity is desperate for a sustainable economic game plan to take us into the future. Here, Jeremy Rifkin explores how Internet technology and renewable energy are merging to create a powerful "Third Industrial

Revolution." He asks us to imagine hundreds of millions of people producing their own green energy in their homes, offices, and factories, and sharing it with each other in an "energy internet," just like we now create and share information online. Rifkin describes how the five-pillars of the Third Industrial Revolution will create thousands of businesses, millions of jobs, and usher in a fundamental reordering of human relationships, from hierarchical to lateral power, that will impact the way we conduct commerce, govern society, educate our children, and engage in civic life. Rifkin's vision is already gaining traction in the international community. The European Union Parliament has issued a formal declaration calling for its implementation, and other nations in Asia, Africa, and the Americas, are quickly preparing their own initiatives for transitioning into the new economic paradigm. The Third Industrial Revolution is an insider's account of the next great economic era, including a look into the personalities and players — heads of state, global CEOs, social entrepreneurs, and NGOs — who are pioneering its implementation around the world.

English in Mind Level 1 Student's Book with DVD-ROM Herbert Puchta 2010-02-25 This second edition updates a course which has proven to be a perfect fit for classes the world over. New for the second edition is a DVD-ROM with the Level 1 Student's Book containing games, extra exercises and videos featuring the photostories' characters as well as a 'Videoke' record-yourself function. There is a full 'Vocabulary bank' at the back of the book which expands upon lexical sets learned in the units.

Teaching 20th-century European History Robert Stradling 2001-01-01 Produced for the Council of Europe project " Learning and teaching about the history of Europe in the 20th century", this book concentrates on the how rather than the what of teaching. Besides a study of selected themes and topics, it covers the teaching of sensitive issues, the reading of visual archives, analysing history on television and the Internet and assessing new technologies. Some of these new sources have not been made part of standard teacher training, yet they have a powerful role in the way young people perceive the past. The author is a Senior Research Fellow at Leirsinn Research Centre, University of Highlands and Islands Millennium Institute.

Orphans of the Tide Struan Murray 2020-02-20 Winner of the Branford Boase Award 2021, a breathtaking fantasy adventure for fans of His Dark Materials that The Times calls 'Unputdownable'. The City was built on a sharp mountain that jutted improbably from the sea, and the sea kept trying to claim it back. That grey morning, once the tide had retreated, a whale was found on a rooftop. When a mysterious boy washes in with the tide, the citizens believe he's the Enemy - the god who drowned the world - come again to cause untold chaos. Only Ellie, a fearless young inventor living in a workshop crammed with curiosities, believes he's innocent. But the Enemy can take possession of any human body and the ruthless Inquisition are determined to destroy it forever. To save the boy, Ellie must prove who he really is - even if that means revealing her own dangerous secret . . . 'Unputdownable' - The Times 'Enthralling' - The Daily Express 'Sumptuously atmospheric . . . tirelessly inventive' - The Daily Telegraph 'Gripping' - The Guardian 'Energetic and inventive' - Sunday Times 'Gripping and original' - The Observer 'Singularly brilliant' - Kiran Millwood Hargrave, author of The Girl of Ink and Stars and The Mercies

[The annals of St-Bertin](#) 2013-01-01 The Annals of St-Bertin, covering the years 830 to 882, are the main narrative source for the Carolingian world in the ninth century. This richly-annotated translation by a leading British specialist makes these Carolingian histories accessible in English for the first time, encouraging readers to reassess and evaluate a crucially formative period of European history. Produced in the 830s in the imperial palace of Louis the Pious, The Annals of St-Bertin were continued away from the Court, first by Bishop Prudentius of Troyes, then by the great scholar-politician Archbishop Hincmar of Rheims. The authors' distinctive voices and interests give the work a personal tone rarely found in medieval annals. They also contain uniquely detailed information on Carolingian politics, especially the reign of the West Frankish king, Charles the Bald (840-877). No other source offers so much evidence on the Continental activities of the Vikings. Janet L. Nelson offers in this volume both an entrée to a crucial Carolingian source and an introduction to the historical setting of the Annals and possible ways of reading the evidence. The Annals of St-Bertin will be valuable reading for academics, research students and undergraduates in medieval history, archaeology and medieval languages. It will also fascinate any general reader with an interest in the development of European culture and society.

Remembering the Second World War Patrick Finney 2017-07-14 Remembering the Second World War brings together an international and interdisciplinary cast of leading scholars to explore the remembrance of this conflict on a global scale. Conceptually, it is premised on the need to challenge nation-centric approaches in memory studies, drawing strength from recent transcultural, affective and multidirectional turns. Divided into four thematic parts, this book largely focuses on the post-Cold War period, which has seen a notable upsurge in commemorative activity relating to the Second World War and significant qualitative changes in its character. The first part explores the enduring utility and the limitations of the national frame in France, Germany and China. The second explores transnational transactions in remembrance, looking at memories of the British Empire at war, contested memories in East-Central Europe and the transnational campaign on behalf of Japan's former 'comfort women'. A third section considers local and sectional memories of the war and the fourth analyses innovative practices of memory, including re-enactment, video gaming and Holocaust tourism. Offering insightful contributions on intriguing topics and illuminating the current state of the art in this growing field, this book will be essential reading for all students and scholars of the history and memory of the Second World War.

The Russian Revolution Sheila Fitzpatrick 1984 Now in a new edition, this provocative, highly readable work presents a fascinating look at events that culminated in the Russian Revolution. Focusing on the Revolution in its widest sense, Sheila Fitzpatrick covers not only the events of 1917 and what preceded them, but the social transformations brought about by the Bolsheviks.

Tow-Truck Pluck Annie M. G. Schmidt 2017-01-10 Pluck has a little red tow truck. He drives it all over town looking for a place to live. Then Dolly the pigeon tells him that the tower of the Pill Building is empty. In the Pill Building, Pluck meets Mr. Penn and Zaza the cockroach. Pluck makes lots more friends and solves all kinds of problems. But the biggest problem is Dove Grove. It used to be a garden with tall trees, but it has been neglected and gone wild. Grown-ups never go there, but the kids from the Pill Building love playing there. But now the Park Superintendent has decided to chop down the trees to make a paved square. Pluck and his friends try to save Dove Grove. But first he has to rescue Longmount from the canal.

Intergroup Attitudes and Relations in Childhood Through Adulthood Sheri R. Levy 2008-02-15 This edited volume captures an exciting new trend in research on intergroup attitudes and relations, which concerns how individuals make judgments, and interact with individuals from different group categories, broadly defined in terms of gender, race, age, culture, religion, sexual orientation, and body type. This new approach is an integrative perspective, one which draws on theory and research in the areas of developmental and social psychology. Throughout human history, intergroup conflict has often served as

the basis for societal conflict, strife, and tension. Over the past several decades, individual and group mobility has enabled individuals to interact with a wider range of people from different backgrounds than ever before. On the one hand, this level of societal heterogeneity contributes to intergroup conflict. On the other hand, the experience of such heterogeneity has also reduced stereotypes, and increased an understanding of others' perspectives and experiences. Where does it begin? When do children acquire stereotypes about the other? What are the sources of influence, and how does change come about? To provide a deeper understanding of the origins, stability, and reduction of intergroup conflict, scholars in this volume report on current, cutting edge theory and new research findings. Progress in the area of intergroup attitudes relies on continued advances in both the understanding of the origins and the trajectory of intergroup conflict and harmony (as historically studied by developmental psychologists) and the understanding of contexts and conditions that contribute to positive and negative intergroup attitudes and relations (as historically studied by social psychologists). Recent social and developmental psychology research clarifies the multifaceted nature of prejudice and the need for an interdisciplinary approach to addressing prejudice. The recent blossoming of research on the integration of developmental and social psychology represented in this volume will appeal to scholars and students in the areas of developmental psychology, social psychology, cognitive psychology, education, social neuroscience, law, business, and political science.

An Introduction to the Ancient World Lukas de Blois 2008-10-24 Integrating the results of scholarly work from the past decade, the authors of *An Introduction to the Ancient World*, Lukas de Blois and R.J. van der Spek, have fully-updated and revised all sixteen chapters of this best-selling introductory textbook. Covering the history and culture of the ancient Near East, Greece and Rome within the framework of a short narrative history of events, this book offers an easily readable, integrated overview for students of history, classics, archaeology and philosophy, whether at college, at undergraduate level or among the wider reading public. This revised second edition offers a new section on early Christianity and more specific information on the religions, economies, and societies of the ancient Near East. There is extended coverage of Greek, Macedonian and Near Eastern history of the fourth to second centuries BC and the history of the Late Roman Republic. The consequences of Julius Caesar's violent death are covered in more detail, as are the history and society of Imperial Rome. This new edition is: comprehensive: covers 3,000 years of ancient history and provides the basis for a typical one-semester course lavishly illustrated: contains maps, line drawings and plates to support and supplement the text, with updated captions clearly and concisely written: two established and respected university teachers with thirty years' experience in the subject areas well-organized: traces the broad outline of political history but also concentrates on particular topics user-friendly: includes chapter menus, an extensive and expanded bibliography organized by subject area and three appendices, an improved introduction and the addition of an epilogue.

Non-Violent Resistance Haim Omer 2021-05-20 Non-violent resistance (NVR) is an approach for parents and other caregivers that helps to increase presence and overcome impulsive and dangerous behaviors, while reducing conflict and escalation. The practical, evidence-based advice accompanies a detailed list of all the new applications of NVR and an overview of the supporting literature. A step-by-step presentation of the treatment is laid out alongside a useful model on escalation and its prevention. The approach achieves high parent engagement and cooperation, with over twenty controlled studies showing that NVR effectively reduces parental helplessness, parental impulsiveness, parent-child

conflicts, and family discord.

BiSL® - A Framework for Business Information Management - 2nd edition Remko van der Pols & Frank van Outvorst & Ralph Donatz 2012-04-15 This book describes a process framework for business information management: the Business Information Services Library (BiSL®) – a public domain standard that is consistent with the IT Infrastructure Library (ITIL) and Application Services Library (ASL). BiSL establishes a bridge between IT and business processes, and between business information administrators and information managers. The BiSL process model provides an insight into all of the primary processes within their field of operations and into the relationship between the various processes. It offers a starting point for the improvement of these processes using best practices, amongst other things, and it provides uniform terminology. This book explains BiSL, a process framework for business information management, encompassing the best way to manage and execute business information management in day-to-day practice, and explains how the framework BiSL can help to improve business processes and the alignment of business and IT. Summer House with Swimming Pool Herman Koch 2014-06-25 When a medical procedure goes horribly wrong and famous actor Ralph Meier winds up dead, Dr Marc Schlosser needs to come up with some answers. After all, reputation is everything in this business. Personally, he's not exactly upset that Ralph is gone, but as a high profile doctor to the stars, Marc can't hide from the truth forever. It all started the previous summer. Marc, his wife, and their two beautiful teenage daughters agreed to spend a week at the Meier's extravagant summer home on the Mediterranean. Joined by Ralph and his striking wife Judith, her mother, film director Stanley Forbes and his much younger girlfriend, the large group settles in for days of sunshine, wine tasting, and trips to the beach. But when a violent incident disrupts the idyll, darker motivations are revealed, and suddenly no one can be trusted. As the ultimate holiday soon turns into a nightmare, the circumstances surrounding Ralph's (later) death begin to reveal the disturbing reality behind that summer's tragedy. Featuring the razor-sharp humour and acute psychological insight that made *The Dinner* an international phenomenon, *Summer House with Swimming Pool* is a controversial, thought-provoking novel that showcases Herman Koch at his finest. Herman Koch was born in 1953. He is a successful actor, screenwriter and columnist in the Netherlands, and has written a number of satirical novels, including *The Dinner* (2011) which became an international bestseller. *The Dinner* was adapted for stage and screen in the Netherlands. An English-language film adaptation starring Richard Gere, Steve Coogan, Laura Linney and Chloë Sevigny is in production. 'Herman Koch has a knack for asking the right simple questions that threaten to completely unhinge who we are and what holds us together. As in his previous novel, *The Dinner*, you'll wonder how far you would go for your children, and again you'll wonder what you might be capable of once the rules have been broken. But *Summer House with Swimming Pool* is more assured and complete and immersive. Viciously funny, tense, and disturbing, this is one vacation you won't forget.' David Vann 'Summer House [with Swimming Pool] is a dark satire, scalpel-sharp and more cohesive than *The Dinner*, with a more complex unreliable narrator, a compelling structure, and a sutured but festering wound of themes.' Weekend Australian 'Even in translation from Dutch, there's no false note...The ending is tantalisingly ambiguous. What is

clear is that Schlosser, with his scepticism and suspicion, has built his own dark universe. A world that is both disturbing and engrossing, to which we are granted a privileged view, from a merciful distance.' Saturday Paper 'This is a masterfully wrought, wickedly witty tale of sexual attraction, ambition, lewdness and deception...Summer House with Swimming Pool is an engrossing read written in a style that flows easily yet sneaks up to pack quite a punch.' 4.5 stars Good Reading 'Just as he did in his bestseller, *The Dinner* (2013), Dutch novelist Koch tells a sinister tale through the eyes of a questionable narrator...Koch's deft and nuanced exploration of gender, guilt, and vengeance make his second novel to be translated into English an absorbing read.' Booklist 'Another rich stew of language, character and cynicism from the author of *The Dinner*.' Shelf Awareness

Transnational Management Christopher A. Bartlett 2018-03-01 Transnational Management provides an integrated conceptual framework to guide students and instructors through the challenges facing today's multinational enterprises. Through text narrative and cases, the authors skilfully examine the development of strategy, organizational capabilities, and management roles and responsibilities for operating in the global economy. The key concepts are developed in eight chapters that are supplemented by carefully selected practical case studies from world-leading case writers. All chapters have been revised and updated for this eighth edition to reflect the latest thinking in transnational management while retaining the book's strong integrated conceptual framework. Ten new cases have been added, and four others updated. A full range of online support materials are available, including detailed case teaching notes, almost 200 PowerPoint slides, and a test bank. Suitable for MBA, executive education and senior undergraduate students studying international management, international business or global strategy courses, Transnational Management offers a uniquely global perspective on the subject.

The Angel Maker Stefan Brijs 2008-12-30 A literary page-turner about one man's macabre ambition to create life-and secure immortality The village of Wolfheim is a quiet little place until the geneticist Dr. Victor Hoppe returns after an absence of nearly twenty years. The doctor brings with him his infant children-three identical boys all sharing a disturbing disfigurement. He keeps them hidden away until Charlotte, the woman who is hired to care for them, begins to suspect that the triplets-and the good doctor- aren't quite what they seem. As the villagers become increasingly suspicious, the story of Dr. Hoppe's past begins to unfold, and the shocking secrets that he has been keeping are revealed. A chilling story that explores the ethical limits of science and religion, *The Angel Maker* is a haunting tale in the tradition of *The Strange Case of Dr. Jekyll and Mr. Hyde* and *Frankenstein*. Brought to life by internationally bestselling author Stefan Brijs, this eerie tale promises to get under readers' skin.
