Women in the New Testament Mary Ann Getty-Sullivan 2017-06-15 Much of the history of women, in religion as in other fields, is lost because it was overlooked or considered unimportant. It is therefore surprising that so many fragments of women's stories survive in the New Testament texts composed by men. Why did they include so many references to women and why are women, as a group, treated so positively by the male New Testament writers? Women in the New Testament shows how the stories of women are an integral part of the Gospel and its meaning for us. It also relays how we can respond to the challenge these women represent, whether we are men trying to understand or women trying to find our voices within the tradition of faith found in the New Testament. Chapter one discusses three women of expectant faith. Chapters two and three deal with women who are changed by Jesus. Chapter four focuses on New Testament women of influence. Chapters five and six show how women disciples spread and gave shape to the gospel message. Chapters are "Women of Expectant Faith," "Women Changed by Jesus," "More Women Changed by Jesus," "Women of Prominence," "Women and Discipleship," and "More Women and Discipleship." Mary Ann Getty-Sullivan, PhD, teaches at St.

Vincent College and St. Vincent Seminary, Latrobe, Pennsylvania. She is the author of First and Second Corinthians from the Collegeville Bible Commentary series, author of the God Speaks to Us series of children's books, and editor of the Zacchaeus Studies: New Testament series published by The Liturgical Press. "

Rural Tourism Development Janine Caalders 2003 How can economic development of tourism contribute to the presevation of qualities in rural areas? How can tourism innovations be generated? How can policy-makers effectively influence economic development? This book explores sense and non-sense of interactive approaches to rural tourism development. It confronts - often optimistic - theoretical ideas with pratices in four regions in the Netherlands and France.

Reading with My Eyes Open Gerdi Quist 2013-11-29 Untangling the various approaches to language teaching and their history, Gerdi Quist maps recent thinking in language studies at university. Using an interdisciplinary theoretical framework, drawn from educational philosophy, cultural studies, intercultural studies and language pedagogy, the author discusses the many tensions and currents in contemporary language teaching. The author puts forward an alternative pedagogy, that of a cultuurtekstperspective, which engages learners at complex linguistic and cultural levels. In discussing the case study in which this approach is tested, the author develops her argument for embracing various critical perspectives through the personal engagement of students. From the start the author acknowledges her own engaged position as a language teacher in a liberal humanistic educational environment. She adopts a self-critical perspective through which her engagement with adverse student reaction leads to deepening insights both for the author and her students as part of the non-linear process of learning. 'This book should be obligatory reading for all new lecturers in foreign languages at university. It is extremely thought-provoking and will help them make sense of the world in which they find themselves.' Jane Fenoulhet (Professor in Dutch Studies and co-editor of Mobility and Localisation in Language Learning)

Fears of a Setting Sun Dennis C. Rasmussen 2021-03-02 The surprising story of how George Washington, Alexander Hamilton, John Adams, and Thomas Jefferson came to despair for the future of the nation they had created Americans seldom deify their Founding Fathers any longer, but they do still tend to venerate the Constitution and the republican government that the founders created. Strikingly, the founders themselves were far less confident in what they had wrought, particularly by the end of their lives. In fact, most of them—including George Washington, Alexander Hamilton, John Adams, and Thomas Jefferson—came to deem America's constitutional experiment an utter failure that was unlikely to last beyond their own generation. Fears of a Setting Sun is the first book to tell the fascinating and too-little-known story of the founders' disillusionment. As Dennis Rasmussen shows, the founders' pessimism had a variety of sources: Washington lost his faith in America's political system above all because of the rise of partisanship, Hamilton because he felt that the federal government was too weak, Adams because he believed that the people lacked civic virtue, and Jefferson because of sectional divisions laid bare by the spread of slavery. The one major founder who retained his faith in America's constitutional order to the end was James Madison, and the book also explores why he remained relatively optimistic when so many of his compatriots did not. As much as Americans today may worry about their country's future, Rasmussen reveals, the founders faced even graver problems and harbored even deeper misgivings. A vividly written account of a chapter of American history that has received too little attention, Fears of a Setting Sun will change the way that you look at the American founding, the Constitution, and indeed the United States itself.

Better Work Monique Kremer 2021-11-13 This Open Access book provides a thorough analysis of the

quality of work in the Netherlands, and suggests policy proposals to promote and facilitate good work for more people. New technology, flexibilization and the intensification of work will have significant consequences for all those who will still have jobs in the future, and - much less studied so far - for the quality of their work. Good work is essential for general well-being: for the individual's quality of life, for the economy and for society. Good work for everyone should therefore be seen as an important aspiration for companies, institutions, social partners and governments. An essential read for an international audience of academics in the field of the sociology of work, labor economics and social policy, as well as for policymakers and researchers of trade unions, and representatives of other social movements.

Kensuke's Kingdom Michael Morpurgo 2014-05-01 When Michael's father loses his job, he buys a boat and convinces Michael and his mother to sail around the world. It's an ideal trip - even Michael's sheepdog can come along. It starts out as the perfect family adventure - until Michael is swept overboard. He's washed up on an island, where he struggles to survive. Then he discovers that he's not alone. His fellow-castaway, Kensuke, is wary of him. But when Michael's life is threatened, Kensuke slowly lets the boy into his world. The two develop a close understanding in this remote place, but the question of rescue continues to divide them.

Focus Exam Practice Pearson Education, Limited 2016-06-09 FOCUS Exam Practice: Cambridge English Key for Schools offers students intensive exam practice and support, and works alongside the Students' Book. Powered by Practice Tests Plus, it combines realistic exam practice with guidance and strategies for dealing with each exam paper.

Translation Policies in Legal and Institutional Settings Marie Bourguignon 2021-11-15 This edited volume documents the state of the art in research on translation policies in legal and institutional settings. Offering case studies of past and present translation policies from several parts of the world, it allows for a compelling comparison of attitudes towards translation in varying contexts. The book highlights the virtues of integrating different types of expertise in the study of translation policy: theoretical and applied; historical and modern; legal, institutional and political. It effectively illustrates how a multidisciplinary perspective furthers our understanding of translation policies and unveils their intrinsic link with topics such as multilingualism, linguistic justice, minority rights, and citizenship. In this way, each contribution sheds new light on the role of translation in the everyday interaction between governments and multilingual populations.

Syntax of Dutch Hans Broekhuis 2019-02-05 The multi-volume work *Syntax of Dutch* presents a synthesis of current thinking on Dutch syntax. The text of the seven already available volumes was written between 1995 and 2015 and issued in print between 2012 and 2016. The various volumes are primarily concerned with the description of the Dutch language and, only where this is relevant, with linguistic theory. They will be an indispensable resource for researchers and advanced students of languages and linguistics interested in the Dutch language. This volume is the final one of the series and addresses issues relating to coordination. It contains three chapters. Chapter 1 discusses the syntactic and semantic properties of coordinate structures and their constituting elements, that is, the coordinators and the coordinands they link. Chapter 2 discusses the types of ellipsis known as conjunction reduction and gapping found in coordinate structures. Chapter 3 discusses elements seemingly exhibiting coordination-like properties, such as *dan 'than'* in comparative constructions like *Jan is groter dan zij* 'Jan is taller than she'.

150 ECG Problems E-Book John Hampton 2013-07-24 This book offers 150 12-lead ECGs and rhythm

Downloaded from avenza-dev.avenza.com
on December 1, 2022 by guest

strips, each with a clinical case history and question. The full ECG is reproduced and a study of it with the case history should be enough to give an answer. On the back the case is examined, with a description of the main features of the ECG along with a clinical interpretation and a "what to do" section. The cases are graded in difficulty. The unique page size allows presentation of all 12-lead ECGs across a single page for clarity. Several of the cases incorporate chest X-rays and coronary angiograms illustrating the appearances that are associated with various cardiac conditions. All the cases are graded in difficulty and are cross-referenced to the new editions of ECG Made Easy and ECG in Practice for further information. For this Fourth Edition over 30 new ECGs have been included, mainly to provide clearer examples, though the book deliberately retains some technically poor records to maintain a 'real-world' perspective.

Towards a Sustainable Philosophy of Endurance Sport Ron Welters 2019-02-05 This book provides new perspectives on endurance sport and how it contributes to a good and sustainable life in times of climate change, ecological disruption and inconvenient truths. It builds on a continental philosophical tradition, i.e. the philosophy of among others Peter Sloterdijk, but also on "ecosophy" and American pragmatism to explore the idea of sport as a voluntary attempt to overcome unnecessary obstacles. Since ancient times, human beings have been involved in practices of the Self in order to work on themselves and improve themselves, for instance by strengthening their physical condition and performance through sport. In the contemporary world, millions of individuals engage in endurance sports such as running, swimming and cycling, to get or keep themselves in shape. This study focuses on the ethical dimension of long-distance sport, notably cycling, as a way to become better citizens, but also to contribute to a more sustainable society and healthier planet. Dominant world-views are challenged and an alternative vision is presented. Discourse analysis and conceptual analysis are combined with phenomenology and self-observations of a dedicated practitioner of endurance sport. This book is a great source for philosophers, sport philosophers, environmental philosophers, sport scientists, policy makers, sport journalists, and endurance sport practitioners.

Insight: Advanced: Student's Book Jayne Wildman 2013-12 insight will challenge, develop and inspire your students. It will motivate and engage them with thought provoking topics and information rich texts which will challenge their opinions and inspire them to think critically about the world they live in. It will prepare them for a life of learning with a clear focus on developing their skills and autonomous learning habits. It will give your students a deeper awareness of how language works, furnishing them with not just the meaning of vocabulary but also the rules that govern its use, allowing your students to use it with confidence.

Policy Instruments to Improve Energy Performance of Existing Owner Occupied Dwellings Lorraine Colette Murphy 2016-10-14 The aim of this thesis is to add knowledge to the role and impact of policy instruments in meeting energy performance ambition in the existing owner occupied housing stock. The focus was instruments available in the Netherlands in 2011 and 2012. These instruments represented the 'on the ground' efforts to meet climate change targets.

Service Profit Chain W. Earl Sasser 1997-04-10 In this pathbreaking book, world-renowned Harvard Business School service firm experts James L. Heskett, W. Earl Sasser, Jr. and Leonard A. Schlesinger reveal that leading companies stay on top by managing the service profit chain. Why are a select few service firms better at what they do -- year in and year out -- than their competitors? For most senior managers, the profusion of anecdotal "service excellence" books fails to address this key question. Based on five years of painstaking research, the authors show how managers at American Express, Southwest Airlines, Banc One, Waste Management, USAA, MBNA, Intuit, British Airways, Taco Bell,

Fairfield Inns, Ritz-Carlton Hotel, and the Merry Maids subsidiary of ServiceMaster employ a quantifiable set of relationships that directly links profit and growth to not only customer loyalty and satisfaction, but to employee loyalty, satisfaction, and productivity. The strongest relationships the authors discovered are those between (1) profit and customer loyalty; (2) employee loyalty and customer loyalty; and (3) employee satisfaction and customer satisfaction. Moreover, these relationships are mutually reinforcing; that is, satisfied customers contribute to employee satisfaction and vice versa. Here, finally, is the foundation for a powerful strategic service vision, a model on which any manager can build more focused operations and marketing capabilities. For example, the authors demonstrate how, in Banc One's operating divisions, a direct relationship between customer loyalty measured by the "depth" of a relationship, the number of banking services a customer utilizes, and profitability led the bank to encourage existing customers to further extend the bank services they use. Taco Bell has found that their stores in the top quadrant of customer satisfaction ratings outperform their other stores on all measures. At American Express Travel Services, offices that ticket quickly and accurately are more profitable than those which don't. With hundreds of examples like these, the authors show how to manage the customer-employee "satisfaction mirror" and the customer value equation to achieve a "customer's eye view" of goods and services. They describe how companies in any service industry can (1) measure service profit chain relationships across operating units; (2) communicate the resulting self-appraisal; (3) develop a "balanced scorecard" of performance; (4) develop a recognitions and rewards system tied to established measures; (5) communicate results company-wide; (6) develop an internal "best practice" information exchange; and (7) improve overall service profit chain performance. What difference can service profit chain management make? A lot. Between 1986 and 1995, the common stock prices of the companies studied by the authors increased 147%, nearly twice as fast as the price of the stocks of their closest competitors. The proven success and high-yielding results from these high-achieving companies will make *The Service Profit Chain* required reading for senior, division, and business unit managers in all service companies, as well as for students of service management.

How Writers Begin Their Sentences Aletta Smits 2002

Vocabulary Collins 2013 Hundreds of words to learn and remember Collins Work on your Vocabulary - Upper Intermediate (B2) is a new practice book that covers the key vocabulary needed by learners of English at Upper Intermediate level (CEF level B2). This book is an essential resource for learners who want to improve their English vocabulary. Each of the 30 units presents vocabulary relating to a particular topic using clear language and examples. This is followed by practice exercises to ensure the learner will remember and be able to use what they have learnt with confidence in their written and spoken English. The vocabulary covered in Collins Work on your Vocabulary - Upper Intermediate (B2) has been carefully selected based on Collins Corpus research and the experience of our language experts. As a result, this book provides plenty of useful practice with authentic, up-to-date examples of language usage in context. A carefully structured layout makes sure the language is always clear and the book is easy to navigate. Collins Work on your Vocabulary - Upper Intermediate (B2) is ideal for self-study or for use in the classroom, and is an essential resource for students and teachers. * Focuses on the vocabulary required at Upper Intermediate level (CEF level B2) * Thirty units with clear presentation material followed by practice exercises * Authentic examples of real English, taken from the Collins Corpus * Clear structure and presentation of language * Plenty of room to write in * Full answer key included * Ideal for self-study or for use in the classroom

Role Playing Materials Rafael Bienia 2016-04-11 Die Dissertation Role Playing Materials untersucht die materielle Seite von Larp, Mixed Reality und Pen'n'Paper Rollenspielen. Wie kooperieren Gewandung,

Downloaded from avenza-dev.avenza.com
on December 1, 2022 by guest

Virtuelle-Realität-Brille, oder ein Bleistift mit Erzählung und Spielregeln? Neben Antworten auf diese Frage versucht das Buch das Verständnis von Rollenspiel als eine Handlung zu erweitern, die nicht nur von Menschen geprägt wird. Role Playing Materials examines how larp, mixed and tabletop role-playing games work. Costumes, computers, pen and paper are not passive elements. Materials change and are changed during role-playing game sessions, because they work together with narrative and ludic elements. If we think about materials as social elements, how do they make role-playing games work? To answer this question, Role Playing Materials draws on ethnographic fieldwork among role-playing communities in Germany. The analysis draws upon the fields of game studies, and science, technology and society studies.

Literary Brooklyn Evan Hughes 2011-08-16 For the first time, here is Brooklyn's story through the eyes of its greatest storytellers. Like Paris in the twenties or postwar Greenwich Village, Brooklyn today is experiencing an extraordinary cultural boom. In recent years, writers of all stripes—from Jhumpa Lahiri, Jennifer Egan, and Colson Whitehead to Nicole Krauss and Jonathan Safran Foer—have flocked to its patchwork of distinctive neighborhoods. But as literary critic and journalist Evan Hughes reveals, the rich literary life now flourishing in Brooklyn is part of a larger, fascinating history. With a dynamic mix of literary biography and urban history, Hughes takes us on a tour of Brooklyn past and present and reveals that hiding in Walt Whitman's Fort Greene Park, Hart Crane's Brooklyn Bridge, the raw Williamsburg of Henry Miller's youth, Truman Capote's famed house on Willow Street, and the contested streets of Jonathan Lethem's Boerum Hill is the story of more than a century of life in America's cities. Literary Brooklyn is a prismatic investigation into a rich literary inheritance, but most of all it's a deep look into the beloved borough, a place as diverse and captivating as the people who walk its streets and write its stories.

Gold Advanced Maximiser Without Key Lynda Edwards 2014 Gold Exam Maximisers provide extensive support for the coursebook with language work, additional practice exam tasks and extras. The Exam Maximiser can be used alongside the coursebook or on its own for re-takers. The Jewish Encyclopedia Isidore Singer 1916

The Bunker Diary Kevin Brooks 2019-08-06 I can't believe I fell for it. It was still dark when I woke up this morning. As soon as my eyes opened I knew where I was. A low-ceilinged rectangular building made entirely of whitewashed concrete. There are six little rooms along the main corridor. There are no

windows. No doors. The elevator is the only way in or out. What's he going to do to me? What am I going to do? People are really quite simple, and they have simple needs. Food, water, light, space, privacy. Maybe a small measure of dignity. A bit of freedom. What happens when someone simply takes all that away?

BiSL® - A Framework for Business Information Management - 2nd edition Remko van der Pols & Frank van Outvorst & Ralph Donatz 2012-04-15 This book describes a process framework for business information management: the Business Information Services Library (BiSL®) - a public domain standard that is consistent with the IT Infrastructure Library (ITIL) and Application Services Library (ASL). BiSL establishes a bridge between IT and business processes, and between business information administrators and information managers. The BiSL process model provides an insight into all of the primary processes within their field of operations and into the relationship between the various processes. It offers a starting point for the improvement of these processes using best practices, amongst other things, and it provides uniform terminology. This book explains BiSL, a process framework for business information management, encompassing the best way to manage and execute business information management in day-to-day practice, and explains how the framework BiSL can help to improve business processes and the alignment of business and IT. Additional Training material is available for free for APMG accredited trainers. If you want to have this sent to you, please send an e-mail to: info@vanharen.net By this book is a separate file (free, via internet) available: • All images in the book, in Powerpoint format. Click on the button Training Material by the book on our website.

The Ironing Man Level 3 Colin Campbell 1999-04 Modern, original fiction for learners of English. A young man appears at the door and seems to be the answer to Marina's wishes. She and her husband Tom have moved from London to a quiet village, and Marina is bored with her life, as it seems she does nothing but housework. One day she wishes for somebody to help with the ironing, and the 'ironing man' appears. Not only does he help Marina with the housework, but he also helps Tom realise just how important Marina is to him.

Marcus Vega Doesn't Speak Spanish Pablo Cartaya 2019-07-09 One boy's search for his father leads him to Puerto Rico in this moving-middle grade novel, for fans of *Ghost* and *See You in the Cosmos*. Marcus Vega is six feet tall, 180 pounds, and the owner of a premature mustache. When you look like this and you're only in the eighth grade, you're both a threat and a target. After a fight at school leaves Marcus facing suspension, Marcus's mom decides it's time for a change of environment. She takes Marcus and his younger brother to Puerto Rico to spend a week with relatives they don't remember or have never met. But Marcus can't focus knowing that his father--who walked out of their lives ten years ago--is somewhere on the island. So begins Marcus's incredible journey, a series of misadventures that take him all over Puerto Rico in search of his elusive namesake. Marcus doesn't know if he'll ever find his father, but what he ultimately discovers changes his life. And he even learns a bit of Spanish along the way.

Approaches to Measuring Linguistic Differences Lars Borin 2013-10-14 The present volume collects contributions addressing different aspects of the measurement of linguistic differences, a topic which probably is as old as language itself but at the same time has acquired renewed interest over the last decade or so, reflecting a rapid development of data-intensive computing in all fields of research, including linguistics.

Understanding and Using English Grammar Betty Schramper Azar 2009 The Workbook consists solely of self-study exercises, with answers included, providing students the opportunity to explore and

practice grammar independently. It is keyed to explanatory grammar charts in both the Student Book and the Chartbook. Understanding and Using English Grammar is a classic developmental skills text for intermediate to advanced English language learners.

Please note, these are available in digital format only.

Stepping Stones Robert S. Gold 1981 Juvenile fiction.

Disrupting the Game Reggie Fils-Aimé 2022-05-03 Reggie Fils-Aimé, retired President and Chief Operating Officer of Nintendo of America Inc., shares leadership lessons and inspiring stories from his unlikely rise to the top. Although he's best known as Nintendo's iconic President of the Americas-immortalized for opening Nintendo's 2004 E3 presentation with, "My name is Reggie, I'm about kicking ass, I'm about taking names, and we're about making games"-Reggie Fils-Aimé's story is the ultimate gameplan for anyone looking to beat the odds and achieve success. Learn from Reggie how to leverage disruptive thinking to pinpoint the life choices that will make you truly happy, conquer negative perceptions from those who underestimate or outright dismiss you, and master the grit, perseverance, and resilience it takes to dominate in the business world and to reach your professional dreams. As close to sitting one-on-one with the gaming legend as it gets, you will learn: About the challenges Reggie faced throughout his life and career-from his humble childhood as the son of Haitian immigrants, to becoming one of the most powerful names in the history of the gaming industry. What it takes to reach the top of your own industry, including being brave enough to stand up for your ideas, while also being open to alternative paths to success. How to create vibrant and believable visions for your team and company. How to maintain relentless curiosity and know when to ask questions to shatter the status quo.

The Universal Art of Samuel Van Hoogstraten (1627-1678) Thijs Weststeijn 2013 The versatile painter, poet, courtier and European traveller Samuel van Hoogstraten (1627-1678), one of Rembrandt's pupils, has received much scholarly attention in the last two decades. Whereas older historians allotted him a marginal role as a minor figure in his master's studio, he is now recognized for his central position in the world of art and letters in the Dutch Golden Age. This new evaluation is mainly due to careful studies of his treatise on painting, 'Inleyding tot de Hooge Schoole der Schilderkonst' (Introduction to the Academy of Painting, 1678). His book has been mined for unique insights not only into Rembrandt's working methods but also into profounder problems relative to Dutch art and culture, such as pictorial realism, imitation and illusion, the rise of landscape and still life and the status of the 'learned artist'.

insight: Intermediate: Workbook Jayne Wildman 2013-07-25 Closely matches the Student's Book layout Listening tracks available to download from the Student's site Literature insight offers ready-made extra lessons which introduce students to classic pieces of English literature Extra support and practice of the grammar from the Student's Book in the Grammar reference section A unit-by-unit wordlist with dictionary style definitions which gives students more information about core vocabulary.

Trust in Me Sophie McKenzie 2014-09-11 The bestselling author of *Close My Eyes* returns with a chilling psychological thriller. Julia has always been the friend that Livy turns to when life is difficult. United fifteen years ago by grief at the brutal murder of Livy's sister, Kara, they've always told each other everything. Or so Livy thought. So when Julia is found dead in her home, Livy cannot come to terms with the news that she chose to end her own life. The Julia that Livy knew was vibrant and vivacious, a far cry from the selfish neurotic that her family seem determined to paint her as. Troubled by doubt but alone in her suspicions, Livy sets out to prove that Julia was in fact murdered. But little does she realise that digging into her best friend's private life will cause her to question everything she thought she knew about Julia. And the truth that Livy discovers will tear the very fabric of her own life apart.

Printing Images in Antwerp Jan van der Stock 1998
