*Monsieur Linh and His Child* Philippe Claudel 2011-03-31 Traumatized by memories of his war-ravaged country, his son and daughter-in-law dead, Monsieur Linh travels to a foreign land to bring the child in his arms to safety. To begin with, he is too afraid to leave the refugee centre, but the first time he braves the freezing cold to walk the streets of this strange, fast-moving town, he encounters Monsieur Bark, a widower whose dignified sorrow mirrors his own. Though they have no shared language, an instinctive friendship is forged; but Monsieur Linh's stay in the dormitory is only temporary. Sooner or later he and his child must find a permanent home. Delicate and restrained, but with an extraordinary twist, *Monsieur Linh and His Child* is an immensely moving novel of perfect simplicity, by the author of *Brodeck's Report*.

*A Chromatic Approach to Jazz Harmony and Melody* Dave Liebman 2006

**Ways of Going Home** Alejandro Zambra 2013-01-08 Alejandro Zambra's *Ways of Going Home* begins with an earthquake, seen through the eyes of an unnamed nine-year-old boy who lives in an undistinguished middleclass housing development in a suburb of Santiago, Chile. When the neighbors camp out overnight, the protagonist gets his first glimpse of Claudia, an older girl who asks him to spy on her uncle Raúl. In the second section, the protagonist is the writer of the story begun in the first section. His father is a man of few words who claims to be apolitical but who quietly sympathized—to what degree, the author isn't sure—with the Pinochet regime. His reflections on the progress of the novel and on his own life—which is strikingly similar to the life of his novel's protagonist—expose the raw suture of fiction and reality. *Ways of Going Home* switches between author and character, past and present, reflecting with melancholy and rage on the history of a nation and on a generation born too late—the generation which, as the author-narrator puts it, learned to read and write while their parents became accomplices or victims. It is the most personal novel to date from Zambra, the most important Chilean author since Roberto Bolaño.
