Family Life: A Novel Akhil Sharma 2014-04-07 Winner of the 2016 International Dublin Literary Award "Gorgeously tender at its core...beautiful, heartstopping...Family Life really blazes." —Sonali Deraniyagala, New York Times Book Review Hailed as a "supreme storyteller" (Philadelphia Inquirer) for his "cunning, dismaying and beautifully conceived" fiction (New York Times), Akhil Sharma is possessed of a narrative voice "as hypnotic as those found in the pages of Dostoyevsky" (The Nation). In his highly anticipated second novel, Family Life, he delivers a story of astonishing intensity and emotional precision. We meet the Mishra family in Delhi in 1978, where eight-year-old Ajay and his older brother Birju play cricket in the streets, waiting for the day when their plane tickets will arrive and they and their mother can fly across the world and join their father in America. America to the Mishras is, indeed, everything they could have imagined and more: when automatic glass doors open before them, they feel that surely they must have been mistaken for somebody important. Pressing an elevator button and the elevator closing its doors and rising, they have a feeling of power at the fact that the elevator is obeying them. Life is extraordinary until tragedy strikes, leaving one brother severely brain-damaged and the other lost and virtually orphaned in a strange land. Ajay, the family's younger son, prays to a God he envisions as Superman, longing to find his place amid the ruins of his family's new life. Heart-wrenching and darkly funny, Family Life is a universal story of a boy torn between duty and his own survival.

How Students Write: A Linguistic Analysis Laura Louise Aull 2020-04-01 Broad generalizations about "people today" are a familiar feature of first-year student writing. *How Students Write* brings a fresh perspective to this perennial observation, using corpus linguistics techniques. This study analyzes sentence-level patterns in student writing to

develop an understanding of how students present evidence, draw connections between ideas, relate to their readers, and, ultimately, learn to construct knowledge in their writing. Drawing on both first-year and upper-level student writing, the book examines the discourse of students at different points in their education. It also distinguishes between argumentative and analytic essays to explore the way school genres and assignments shape students' choices. In focusing on sentence-level features such as hedges ("perhaps") and boosters ("definitely"), this study shows how such rhetorical choices work together to open or close opportunities for thoughtful exchanges of ideas. Attention to these features can help instructors foster civil discourse, design effective assignments, and expose and question norms of higher education.

From Sentences to Essays: A Guide to Reflective Writing through Reflective Thinking Mara Cogni 2019-07-01 There is hardly any doubt that reading and writing are related activities, and that both rely on creating meaning. When we read, as well as when we write, we find ourselves in the process of becoming. We change our knowledge and understanding along the way. However, writing is a daunting activity not only for language learners but for anyone who wants to communicate their thoughts and ideas persuasively and accurately. When students engage in speaking activities, they are often able to communicate extraordinarily interesting ideas with few problems. Yet, when asked to form these ideas into coherent texts, they seem helpless. From basic sentence structure to writing persuasively, this book aims to help students tackle the various challenges and difficulties they face when writing. Divided into three accessible sections, Cogni presents a comprehensive and reflective approach to writing that combines grammar, vocabulary, and literature into a simultaneous and coherent whole. Cogni acknowledges that today more than ever learning a language needs to be perceived as a deeply meaningful process, and this book seeks to make that possible.

Popular Magazines and Fiction in Shanghai, 1914-1925 Peijie Mao 2021-12-02 This book examines Shanghai-based popular magazines and fiction and their role in catalyzing the process of Chinese modernity in the early twentieth century. The author argues that the national, gender, family, and social imaginaries constructed in popular magazines articulated the values and aspirations of the emerging Chinese "middle society."

Changing Practices for the L2 Writing Classroom Nigel A Caplan 2019-04-26 This volume was written to make the case for changes in second language writing practices away from the five-paragraph essay and toward purposeful, meaningful writing instruction. As the volume editors say, "If you have already rejected the five-paragraph essay, we offer validation

and classroom-tested alternatives. If you are new to teaching L2 writing, we introduce critical issues you will need to consider as you plan your lessons and as you consider/review the textbooks and handbooks that continue to promote the teaching of the five-paragraph essay. If you need ammunition to present to colleagues and administrators, we present theory, research, and pedagogy that will benefit students from elementary to graduate school. If you are skeptical about our claims, we invite you to review the research presented here and consider what your students could do beyond writing a five-paragraph essay if you enacted these changes in practice.” Part 1 discusses what the five-paragraph essay is not: it is not a very old, established form of writing; it is not a genre; and it is not universal. Part 2 looks at writing practices to show the essay’s ineffectiveness in elementary schools, secondary schools, first-year writing classes, university writing courses, undergraduate discipline courses, and graduate school. Part 3 looks beyond the classroom at testing. At the end of each chapter, the authors--all well-known in the field of second language writing--suggest changes to teaching practices based on their theoretical approach and classroom experience. The book closes by reviewing some of the major questions raised in the book, by exploring which questions have been left unanswered, and by offering suggestions for teachers who want to move away from the five-paragraph essay. An assignment sequence for genre-aware writing instruction is included.

I Am Not Your Perfect Mexican Daughter Erika L. Sánchez 2019-03-05 #1 NEW YORK TIMES BESTSELLER • A “stunning” (America Ferrera) YA novel about a teenager coming to terms with losing her sister and finding herself amid the pressures, expectations, and stereotypes of growing up in a Mexican American home. “Alive and crackling—a gritty tale wrapped in a page-turner. ”—The New York Times Perfect Mexican daughters do not go away to college. And they do not move out of their parents’ house after high school graduation. Perfect Mexican daughters never abandon their family. But Julia is not your perfect Mexican daughter. That was Olga’s role. Then a tragic accident on the busiest street in Chicago leaves Olga dead and Julia left behind to reassemble the shattered pieces of her family. And no one seems to acknowledge that Julia is broken, too. Instead, her mother seems to channel her grief into pointing out every possible way Julia has failed. But it’s not long before Julia discovers that Olga might not have been as perfect as everyone thought. With the help of her best friend Lorena, and her first love, first everything boyfriend Connor, Julia is determined to find out. Was Olga really what she seemed? Or was there more to her sister’s story? And either way, how can Julia even attempt to live up to a seemingly impossible ideal?

Changing Family Values Gill Jagger 2003-12-16 Changing Family Values offers a comprehensive introduction to contemporary debates and new research surrounding the family. It explores how we define traditional family values and how these values are perceived as being underthreat in contemporary society. Ranging across politics, social policy, law and sociology, the contributors focus on the diverse realities of contemporary family life. Issues covered include: * the recent backlash against single mothers * lesbian and gay families and the law * men's changing roles within the family * the future of the nuclear family. This book is ideal for courses covering the family, a central topic in sociology and women's studies.

Writing Argumentative Essays Nancy V. Wood 2000-05 This brief rhetoric helps students develop strategies for critical reading, critical thinking, research, and writing that will help them argue clearly and convincingly. It teaches them to identify and develop arguments, to read and form reactions and opinions of their own, to analyze an audience, to seek common ground, and to use a wide, realistic range of techniques to write argument papers that express their individual views and original perspectives on modern issues. It includes clear explanations and examples of argument theory and reading and writing processes, research and documentation skills, and offers engaging, class-tested writing assignments and activities. 49 Essays for Analysis cover several broad issue and sub-issue areas, all of contemporary concern. Unique chapters discuss student argument styles, Rogerian argument, and argument and literature.

Among the Hidden Margaret Peterson Haddix 2002-06-12 In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the Shadow Children series from Margaret Peterson Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day

Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to?

Teaching Academic Literacy Katherine L. Weese 1999-02-01 Teaching Academic Literacy provides a unique outlook on a first-year writing program's evolution by bringing together a group of related essays that analyze, from various angles, how theoretical concepts about writing actually operate in real students' writing. Based on the beginning writing program developed at the University of Wisconsin-Madison, a course that asks students to consider what it means to be a literate member of a community, the essays in the collection explore how students become (and what impedes their progress in becoming) authorities in writing situations. Key features of this volume include: * demonstrations of how research into specific teaching problems (e.g., the problem of authority in beginning writers' work) can be conducted by examining student work through a variety of lenses such as task interpretation, collaboration, and conference, so that instructors can understand what factors influence students, and can then use what they have learned to reshape their teaching practices; * adaptability of theory and research to develop a course that engages basic writers with challenging ideas; * a model of how a large writing program can be administered, particularly in regards to the integration of research and curriculum development; and * integration of literary and composition theories.

Ethan Frome Edith Wharton 1911 Set against the bleak winter landscape of New England, Ethan Frome is the story of a poor farmer, lonely and downtrodden, his wife Zeena, and her cousin, the enchanting Mattie Silver. In the playing out of this short novel's powerful and engrossing drama, Edith Wharton constructed her least characteristic and most celebrated book.

A CHANCE IN THE WORLD Steve Pemberton 2012-01-09 A heart-rending but uplifting story of the human spirit's ability to prevail. From the day he is five-years-old and dropped off at his foster home of the next eleven years, Stephen is mentally and physically tortured. No one in the system can help him. No one can tell him if he has a family. No one can tell him

why, with obvious African-American features, he has the last name of Klakowicz. Along the way, a single faint light comes only from a neighbor's small acts of kindness and caring—and a box of books. From one of those books he learns that he has to fight in any way he can—for victory is in the battle. His victory is to excel in school. Against all odds, the author succeeded. He attended college, graduated, became a successful corporate executive, and married a wonderful woman with whom he established a loving family of his own. Through it, he dug voraciously through records and files and found his history, his birth family—and the ultimate disappointment as some family members embrace him, but others reject him. Readers won't be the same after reading this powerful story. They will share in the hurts and despair but also in the triumph against daunting obstacles. They will share this story with their family, with their friends, with their neighbors.

How to Read Like a Writer Mike Bunn When you Read Like a Writer (RLW) you work to identify some of the choices the author made so that you can better understand how such choices might arise in your own writing. The idea is to carefully examine the things you read, looking at the writerly techniques in the text in order to decide if you might want to adopt similar (or the same) techniques in your writing. You are reading to learn about writing. Instead of reading for content or to better understand the ideas in the writing (which you will automatically do to some degree anyway), you are trying to understand how the piece of writing was put together by the author and what you can learn about writing by reading a particular text. As you read in this way, you think about how the choices the author made and the techniques that he/she used are influencing your own responses as a reader. What is it about the way this text is written that makes you feel and respond the way you do?

Indian Horse Richard Wagamese 2018-04-10 A First Nations former hockey star looks back on his life as he undergoes treatment for alcoholism in this novel from the author of *Dream Wheels*. Saul Indian Horse is a child when his family retreats into the woods. Among the lakes and the cedars, they attempt to reconnect with half-forgotten traditions and hide from the authorities who have been kidnapping Ojibway youth. But when winter approaches, Saul loses everything: his brother, his parents, his beloved grandmother—and then his home itself. Alone in the world and placed in a horrific boarding school, Saul is surrounded by violence and cruelty. At the urging of a priest, he finds a tentative salvation in hockey. Rising at dawn to practice alone, Saul proves determined and undeniably gifted. His intuition and vision are unmatched. His speed is remarkable. Together they open doors for him: away from the school, into an all-Ojibway amateur circuit, and finally within grasp of a professional career. Yet as Saul's victories mount, so do the indignities and the taunts, the racism and the hatred—the harshness of a world that will never welcome him, tied inexorably to the sport he loves. Spare and compact yet undeniably rich, *Indian Horse* is at once a heartbreaking account of a dark chapter in our history and a moving coming-of-age story. “Shocking and alien, valuable and true... A master of empathy.”—Jane Smiley, Pulitzer Prize-winning author of *Golden Age* “A severe yet beautiful novel.... *Indian Horse* finds the granite solidity of

The Other Wes Moore Wes Moore 2011-01-11 NEW YORK TIMES BESTSELLER • The "compassionate" (People), "startling" (Baltimore Sun), "moving" (Chicago Tribune) true story of two kids with the same name from the city: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. In development as a feature film executive produced by Stephen Curry, who selected the book as his "Underrated" Book Club Pick with Literati The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn't shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they'd hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, The Other Wes Moore tells the story of a generation of boys trying to find their way in a hostile world.

The Glass Castle Jeannette Walls 2007-01-02 A triumphant tale of a young woman and her difficult childhood, The Glass Castle is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes.

Computer-Supported Collaborative Chinese Second Language Learning Yun Wen 2019-09-25 This book explores the implementation of an online representational tool, GroupScribbles, in Chinese-as-a-second-language classrooms from primary school to secondary school. It demonstrates the effectiveness of combining online representational tools with face-to-face

classroom learning, and provides a workable approach to analysing interactions interweaving social and cognitive dimensions, which take place in the networked classroom. A series of suggestions regarding networked second language learning will help educators effectively implement information and communication technology tools in the classroom.
