As recognized, adventure as capably as experience practically lesson, amusement, as with ease as union can be gotten by just checking out a ebook **armpit hair pictures** plus it is not directly done, you could agree to even more in the region of this life, not far off from the world.

We meet the expense of you this proper as skillfully as easy way to get those all. We have enough money armpit hair pictures and numerous ebook collections from fictions to scientific research in any way. in the course of them is this armpit hair pictures that can be your partner.

The Ruins of California Martha Sherrill 2007-01-02 For the Ruin family in 1970s California, as described by the precocious young Inez, life is complex. Her father, Paul, is self-obsessed, intrusive, and brilliant. He's also twice divorced, leaving Inez to bounce between two worlds and embracing neither-that of Paul's bohemian life in San Francisco and the more sedate world of her mother Connie, a Latin bombshell who plays tennis and attends EST seminars in the suburbs. As Inez progresses through high school we are witness to a remarkable family saga that renders a strange and fascinating slice of America in transition-one like the Ruins of California themselves, at once bold and innocent, creative and chaotic, obsessed and liberating.

Out Of The Picture Polly Samson 2010-12-02 Quite unlike her fair stepsisters, Lizzie is dark and secretive: 'Just like your father' says her mother. But what was her father like? Photos of him are hidden away; snatches of overheard conversation between her mother and her stepfather deepen the mystery. Only her best friend Savannah - also abandoned by her father when she was a baby - knows what it feels like to wonder, to try and piece together an earlier story. But when events propel Lizzie alone to London she stops wondering and starts searching... Beautifully evoking the ache of childhood loss, the scrappy joys of chaotic families, and the hurt and relief of understanding, OUT OF THE PICTURE reveals Polly Samson's talent for laying bare the uncomfortable truths that lie just under the skin - in every family, in every secret.

Women erotically posed on couches and rugs with pubic and armpit hair showing 2009 Artistic zine with six pictures of nude or mostly-nude women with pubic and armpit hair on couches and rugs and one picture of the sun through trees.

Sacrificing Safety Aeon Sage 2013-05-21 In a state where "majority rules" does not mean a state of democracy, a girl breaks all of the major rules, most significantly her own. In Sacrificing Safety, author Aeon Sage narrates her life story against the backdrop of the rules she believes she has broken—relating to sex, drugs, abortion, obsessions, and irrational reasoning. In this memoir, she shows how she sacrifices her safety in exchange for

experiences that lead her to appreciate life more than she could imagine. A collection of journal entries and poems, *Sacrificing Safety* provides a glimpse into the mind of someone diagnosed with bipolar disorder. It tells how Sage coped with life's twists and turns and how she transformed these trials and tribulations into positive lessons. It documents her journey from girl to woman—to professional writer, professional caregiver, professional wife, and professional woman. Covering sensitive personal issues, *Sacrificing Safety* shares the best and worst moments of Sage's life as she makes sense of who she is.

Plucked Rebecca M. Herzig 2016-11 "From using clamshell razors and homemade lye depilatories in the colonial era to using diode lasers and prescription pharmaceuticals in the twenty-first century, Americans have gone to great lengths to remove body hair deemed unsightly, unattractive, or unhealthy. In *Plucked*, Rebecca M. Herzig examines both the causes and consequences of routine hair removal in the U.S. *Plucked* illuminates some of the broad social and environmental effects of seemingly 'personal' choices: widespread experimentation on animals, exploitation of workers, exacerbation of racial divisions, and more. An engrossing, multidimensional history of cultural attitudes toward body hair and the increasingly sophisticated tools used to remove it, *Plucked* reveals the complex political significance of even the most mundane activities of modern life."--Back cover.

Halfway House Katharine Noel 2007-12-01 "A teenager's psychotic break unhinges her family in this sure-footed first novel." –The New York Times Book Review A New York Times Editors' Choice Winner of the Kate Chopin Writing Award Winner of the Ken/NAMI Award One day, Angie Voorster—diligent student, all-star swimmer, and ivy-league bound high school senior—dives to the bottom of a pool and stays there. In that moment, everything the Voorster family believes they know about each other changes. Katharine Noel's extraordinary debut illuminates the fault lines in one family's relationships, as well as the complex emotional ties that bind them together. With grace and precision rarely seen in a first novel, Noel guides her reader through a world where love is imperfect, and where longing for an imagined ideal can both destroy one family's happiness and offer them redemption. *Halfway House* introduces a powerful, eloquent new literary voice. "An eloquent literary performance . . . [A] memorable first novel with a uniquely powerful grace." –The Boston Globe

Sky Blue Water Jay D. Peterson 2016-09-06 From the Dakota people who first inhabited the state to its generations of immigrants and today's residents, Minnesota has long had a vibrant and unique storytelling tradition. A rich and often under appreciated part of this tradition is youth storytelling—a movement of which Minnesota is a national forerunner. Here, for the first time, two of the state's beloved independent booksellers collect a wide array of short stories for young readers that pay homage to Minnesota's diverse cultures and stunning landscapes. *Sky Blue Water* celebrates young adult and intermediate fiction from some of Minnesota's most beloved and award-winning authors to emerging talents and many more. With each turn of the page, every young reader

will find a poignant and relatable story: tales of discovering hidden truths about one's family, dealing with a difficult bully, and falling for the new kid who dresses like a cowboy, as well as settings from Rainy Lake to Lake Calhoun and time periods from Prohibition to the present day. Featuring primarily never-published stories, this anthology beautifully captures the essence of a Minnesota adolescence in twenty short stories and poems. Sky Blue Water features a Q&A between Minnesota classrooms and the contributing authors as well as curriculum materials for families, teachers, and students. This collection embodies passion for fostering literacy in young readers. A portion of the proceeds from Sky Blue Water will go to the Mid-Continent Oceanographic Institute, a Twin Cities organization offering free tutoring and writing assistance for students ages six to eighteen. Contributors: William Alexander; Swati Avasthi; Kelly Barnhill; Mary Casanova; John Coy; Kirstin Cronn-Mills; Anika Fajardo; Shannon Gibney; Pete Hautman; Lynne Jonell; Kevin Kling; Margi Preus; Marcie Rendon; Kurtis Scaletta; Julie Schumacher; Joyce Sidman; Phuoc Thi Minh Tran; Anne Ursu; Sarah Warren; Stephanie Watson; Kao Kalia Yang.

New York Magazine 1991-09-09 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Laxmi's Mooch Shelly Anand 2021-03-02 A joyful, body-positive picture book about a young Indian American girl's journey to accept her body hair and celebrate her heritage after being teased about her mustache. Laxmi never paid much attention to the tiny hairs above her lip. But one day while playing farm animals at recess, her friends point out that her whiskers would make her the perfect cat. She starts to notice body hair all over--on her arms, legs, and even between her eyebrows. With her parents' help, Laxmi learns that hair isn't just for heads, but that it grows everywhere, regardless of gender. Featuring affirming text by Shelly Anand and exuberant, endearing illustrations by Nabi H. Ali, Laxmi's Mooch is a celebration of our bodies and our body hair, in whichever way they grow.

Happy Trail Smartypants Romance 2019-10-22 A man of few words, Ranger Jay Daniels values the calm, quiet solitude of the Great Smoky Mountains. Never quite fitting in with either side of his family, he prefers the company of birds and trees to people. Yeah, he'd most definitely prefer a bird--any bird, any bird at all, take a vulture for instance--to the human-tornado hybrid that just blew onto his peaceful stretch of the Appalachian Trail. The path of true love never has run smooth for Olive Perry. After getting dumped and promptly abandoned in the middle of her multi-month hike, Olive swears off men. Determined to finish the long trek by herself, she doesn't need a prince--or broody and taciturn ranger--to save her. Yet, when an early snowstorm threatens the mountains, and Ranger Daniels is charged with getting hikers to safety,

that includes hot-tempered Olive Perry. Snowed in and forced to share an abandoned cabin, can Olive's heated intensity melt Jay's cool reserve? And if so, will this happy trail lead to true love? Or will their time together be just another bump in the road? 'Happy Trail' is a full-length contemporary romantic comedy, can be read as a standalone, and is book#1 in the Park Ranger series, Green Valley World, Penny Reid Book Universe.

Gender Dynamics, Feminist Activism and Social Transformation in China Guoguang Wu 2018-11-02 This book explores the extent to which women have been initiators, mobilizers, and driving forces of social transformation in China. The book considers how conceptions of women's roles have changed as China has moved from state socialism to engagement with capitalist globalization, examines the growth of women's gender and sexual consciousness and social movements for women's rights, including for marginalized social and sex/gender groups, and discusses women's roles in society-state interactions, including many forms of social activism, cultural events, educational innovations, and more. Overall, the book demonstrates that women have not simply been passive receivers of the consequences of the forces of global capitalism, but that they have had a profound, active impact on social transformation in China.

Love and Justice Laetitia Ky 2022-04-05 The deeply personal story of artist, activist, and influencer Laetitia Ky, told through the powerful sculptures she creates with her own hair that embrace Black culture and beauty, the fight for social justice, and the journey toward self-love. Laetitia Ky is a one-of-a-kind artist, activist, and creative voice based in Ivory Coast, West Africa. With the help of extensions, wool, wire, and thread, Ky sculpts her hair into unique and compelling art pieces that shine a light on, and ignite conversation around, social justice. Her bold and intimate storytelling, which she openly shares with her extensive social media audience, covers issues like: • Sexism and internalized misogyny • Racial oppression • Reproductive rights and consent • Harmful beauty standards • Shame and its corrosive effect on mental health • And more Love and Justice is equal parts memoir, artwork, and feminist manifesto. Ky's striking words, combined with 135 remarkable photographs, offer empowerment and inspiration. She emerges from her exploration of justice and equality with a message of self-love, showing readers the path to loving themselves and their bodies, expressing their voices, and feeling more confident. Through this celebration of women's empowerment, Ky extends a generous invitation to love ourselves, embrace our unique beauty, and to work toward a more just world.

The Face in the Smaller Picture Melvin Bolton 2008 Melvin Bolton's writing skills have long been recognized but never before has he combined fact, fiction and prediction to such memorable effect. The story is set in the near future. Organized crime has capitalized on growing social upheaval around the world. Two families, from entirely different cultures, but possibly having one crucial connection, are caught up in the same deadly snare. Intensely personal at the family level and yet global in perspective, The Face in the Smaller Picture has the authentic feel of a historical novel while looking forward instead of

backward. It is a story to be savoured for its drama and characterizations, and to be thought about for its politically unfettered view of our impact upon the planet.

The Routledge Handbook of Gender and Communication Marnel Niles Goins

2020-11-30 This volume provides an extensive overview of current research on the complex relationships between gender and communication. Featuring a broad variety of chapters written by leading and upcoming scholars, this edited collection uses diverse theoretical frameworks to provide insight into recent concerns regarding changing gender roles, representations, and resources in communication studies. Established research and new perspectives address vital themes in this comprehensive text, including the shifting politics of gender, ethical and technological trends in gendered media, and gender in daily life. Comprising 39 chapters by a team of international contributors, the Handbook is divided into six thematic sections: • Gendered lives and identities • Visualizing gender • The politics of gender • Gendered contexts and strategies • Gendered violence and communication • Gender advocacy in action These sections examine central issues, debates, and problems, including the ethics and politics of gender as identity, impacts of media and technology, legal and legislative battlegrounds for gender inequality and LGBTQ+ human rights, changing institutional contexts, and recent research on gender violence and communication. The final section links academic research on gender and communication to activism and advocacy beyond the academy. The Routledge Handbook of Gender and Communication will be an invaluable reference work for students and researchers working at the intersections of gender studies and communication studies. Its international perspectives and the range of themes it covers make it an essential and pragmatic pedagogical resource.

Beau, Lee, the Bomb, & Me Mary McKinley 2014 Bullied after transferring to a Seattle high school, overweight, alienated Rusty runs away with his two best friends Beau and Leonie and embarks on a West Coast road trip.

History of Photography Laurent Roosens 1999-05-28 The fourth volume in a history of photography, this is a bibliography of books on the subject.

The Wig in the Window Kristen Kittscher 2013-06-18 In this funny and clever middle grade mystery reminiscent of Rear Window and perfect for fans of the Mysterious Benedict Society series, Sophie Young and Grace Yang are best friends, seventh graders, and spies. Sophie and Grace have made a game out of spying on their neighbors. On one of their midnight stakeouts, they witness a terrifying scene at the home of their bizarre middle-school counselor Dr. Charlotte Agford (also known as Dr. Awkward). At least, they think they do. When the girls are proven wrong, they are still convinced that Dr. Agford is hiding a terrible secret—and they're determined to find out what it is. Soon the girls are breaking secret codes, being followed by a strange blue car, and tailing strangers with unibrows and Texas accents. But as their investigation heats up, Sophie and Grace start to crack under the pressure. Will solving the case destroy their friendship?

Betraying Big Brother Leta Hong Fincher 2021-04-27 A feminist movement clashing with China's authoritarian government. Featured in the Washington Post and the New York Times. On the eve of International Women's Day in 2015, the Chinese government arrested five feminist activists and jailed them for thirty-seven days. The Feminist Five became a global cause célèbre, with Hillary Clinton speaking out on their behalf and activists inundating social media with #FreetheFive messages. But the Five are only symbols of a much larger feminist movement of civil rights lawyers, labor activists, performance artists, and online warriors prompting an unprecedented awakening among China's educated, urban women. In *Betraying Big Brother*, journalist and scholar Leta Hong Fincher argues that the popular, broad-based movement poses the greatest challenge to China's authoritarian regime today. Through interviews with the Feminist Five and other leading Chinese activists, Hong Fincher illuminates both the difficulties they face and their "joy of betraying Big Brother," as one of the Feminist Five wrote of the defiance she felt during her detention. Tracing the rise of a new feminist consciousness now finding expression through the #MeToo movement, and describing how the Communist regime has suppressed the history of its own feminist struggles, *Betraying Big Brother* is a story of how the movement against patriarchy could reconfigure China and the world.

On the Corposphere José Enrique Finol 2021-06-08 The book presents and analyzes some of the most important issues related to the body seen as a rich and complex anthropological and semiotic object, capable of playing a decisive role in the meaning making processes of cultural and social life. The analysis presented in this book opens a whole set of new venues for the study of body performances and representations, and shows how the embodiment of social and cultural life shape our world. In all of its relationships and in itself, our body works in a sort of corposphere, which is, in turn, part of the semiosphere, defined by Lotman as a continuum occupied by different types of semiotic formations. It is from/in/by the body that all semiosis begins and ends; it is in its presence and absence, in its being and in its presentation amidst the lived situational life where we might discover and shape the senses of the world. Many different academic fields will find in this book deep insights about how the body is at the center of cultural and social processes.

Pretty as a Picture Elizabeth Little 2020-12-29 A Wall Street Journal, Seattle Times, and CrimeReads Best Mystery Book of 2020 "Funny, fast-paced, and a pleasure to read." --The Wall Street Journal An egomaniacal movie director, an isolated island, and a decades-old murder--the addictive new novel from the bestselling author of *Dear Daughter* Marissa Dahl, a shy but successful film editor, travels to a small island off the coast of Delaware to work with the legendary--and legendarily demanding--director Tony Rees on a feature film with a familiar logline. Some girl dies. It's not much to go on, but the specifics don't concern Marissa. Whatever the script is, her job is the same. She'll spend her days in the editing room, doing what she does best: turning pictures into stories. But she soon discovers that on this set, nothing is as it's

supposed to be--or as it seems. There are rumors of accidents and indiscretions, of burgeoning scandals and perilous schemes. Half the crew has been fired. The other half wants to quit. Even the actors have figured out something is wrong. And no one seems to know what happened to the editor she was hired to replace. Then she meets the intrepid and incorrigible teenage girls who are determined to solve the real-life murder that is the movie's central subject, and before long, Marissa is drawn into the investigation herself. The only problem is, the killer may still be on the loose. And he might not be finished. A wickedly funny exploration of our cultural addiction to tales of murder and mayhem and a thrilling, behind-the-scenes whodunit, *Pretty as a Picture* is a captivating page-turner from one of the most distinctive voices in crime fiction.

Making Pictures Joanne Klein 1985

Pics Or It Didn't Happen Arvida Byström 2017-04-25 Featuring photographs that have been banned from Instagram, this generously illustrated book explores modern censorship. Instagram's user guidelines prohibit posting "violent, nude, partially nude, discriminatory, unlawful, infringing, hateful, pornographic, or sexually suggestive photos." Unsurprisingly, these policies have been a source of tension and debate for many creatives who use the social media platform as a means of self-expression. Having received many takedown notices themselves, artists Arvida Byström and Molly Soda put out an open call asking avid Instagrammers to submit their own censored images. The result is this collection of pictures from well-known and emerging IG users including Petra Collins, Rupi Kaur, Amalia Ulman, Lina Scheynius, Harley Weir, and dozens more. The book features a wide range of subject matter, from body image and sexual relationships to menstruation and nude selfies. Pushing the boundaries of social media guidelines and social mores, this book reveals a fascinating picture of 21st century society's complex views on the image of the human body and censorship.

Evocative Autoethnography Arthur Bochner 2016-03-21 This comprehensive text is the first to introduce evocative autoethnography as a methodology and a way of life in the human sciences. Using numerous examples from their work and others, world-renowned scholars Arthur Bochner and Carolyn Ellis, originators of the method, emphasize how to connect intellectually and emotionally to the lives of readers throughout the challenging process of representing lived experiences. Written as the story of a fictional workshop, based on many similar sessions led by the authors, it incorporates group discussions, common questions, and workshop handouts. The book: describes the history, development, and purposes of evocative storytelling; provides detailed instruction on becoming a story-writer and living a writing life; examines fundamental ethical issues, dilemmas, and responsibilities; illustrates ways ethnography intersects with autoethnography; calls attention to how truth and memory figure into the works and lives of evocative autoethnographers.

Girls Will Be Girls Emer O'Toole 2015-02-26 'Part autobiography, part heartfelt plea to change the way we look at gender, Girls will be Girls is an excellent primer on feminist theory. Every teenage girl should be given a copy' HOT PRESS Being a woman is, largely, about performance - how we dress and modify our bodies, what we say, the roles we play, and how we conform to expectations. Gender stereotypes are still deeply embedded in our society, but Emer O'Toole is on a mission to re-write the old script and bend the rules of gender - and she shows how and why we should all be joining in. Exploring what it means to 'act like a girl', Emer takes us on a hilarious and thought-provoking journey through her life (including singing 'Get Your Pits Out for the Lads' on national TV after growing out her body hair). Cross-dressing, booty-shaking, sexual disasters, family dinners and full-body waxing are all lovingly dissected in search of wisdom. With game-changing ideas, academic intelligence and laugh-out-loud humour, this book will open your mind and revolutionise the way that you think about gender.

Unshaved Breanne Fahs 2022-05-11 Body hair, especially on women, provokes, disrupts, and, at times, offends. It is tangled up with culture itself—in art, families, workplaces, relationships, sex, the beauty industry, governments, and capitalism. From Chinese activists challenging the Communist Party, to students in Arizona rejecting their family and workplace ideas about grooming, to high-art feminist photographers boldly featuring hairy women, Fahs deftly explores the volatile and ever-changing landscape of women's body hair politics. She showcases an underground movement of artists, zine-makers, rebels, and activists who have used women's visible body hair as a declaration of freedom from patriarchal norms. Fahs presents body hair not just as a personal grooming choice but as a connection to broader cultural stories about women's reproductive rights, feminist battlegrounds about autonomy, neoliberal intrusions into beauty regimens, and even global tensions around women's place in society. Ultimately, *Unshaved* shows the collision between the mundane and the extraordinary, the everyday and the revolutionary.

The Unexpected Joy of the Ordinary Catherine Gray 2019-12-26 **From the Sunday Times Bestselling Author** Life-affirming - THE TELEGRAPH Wonderful - INDEPENDENT She made it her mission to learn how to be default happy rather than default disgruntled - RADIO 4 - WOMAN'S HOUR Take a leaf out of Gray's book and be kinder to yourself by appreciating life just as it is - IRISH TIMES This book came to me in an hour of need - during lockdown when I had to focus on the positive, appreciate simple things, not lose my shit, and value each day. It was a pure joy for me and held my hand - SADIE FROST Interesting and joyful. Lights a path that could help us to build resilience against society's urging to compare life milestones with peers - LANCET PSYCHIATRY Underwhelmed by your ordinary existence? Disillusioned with your middlin' wage, average body, 'bijou' living situation and imperfect loved ones? Welcome to the club. There are billions of us. The 'default disenchanting'. But, it's not us being brats. Two deeply inconvenient psychological phenomena conspire against our satisfaction. We have negatively-biased brains, which zoom like doom-drones in on what's wrong with our day, rather than what's right. (Back in the mists of

Downloaded from avenza-dev.avenza.com

time, this negative bias saved our skins, but now it just makes us anxious). Also, something called the 'hedonic treadmill' means we eternally quest for better, faster, more, like someone stuck on a dystopian, never-ending treadmill. Thankfully, there are scientifically-proven ways in which we can train our brains to be more positive-seeking. And to take a rest from this tireless pursuit. Whew. Catherine Gray knits together illuminating science and hilarious storytelling, unveiling captivating research showing that big bucks don't mean big happiness, extraordinary experiences have a 'comedown' and budget weddings predict a lower chance of divorce. She reminds us what an average body actually is, reveals that exercising for weight loss means we do less exercise, and explores the modern tendency to not just try to keep up with the Murphys, but keep up with the Mega-Murphies (see: the social media elite). Come on in to this soulful and life-affirming read, to discover why an ordinary life may well be the most satisfying one of all. PRAISE FOR CATHERINE GRAY'S WRITING: "Uplifting and inspiring" - The Evening Standard "Not remotely preachy" - The Times "Jaunty, shrewd and convincing" - The Telegraph "Admirably honest, light, bubbly and remarkably rarely annoying" - The Guardian "An empathetic, warm and hilarious tale from a hugely likeable human" - The Lancet Psychiatry

The End of Fashion Adam Geczy 2018-11-01 Attitudes to fashion have changed radically in the twenty-first century. Dress is increasingly approached as a means of self-expression, rather than as a signifier of status or profession, and designers are increasingly treated as 'artists', as fashion moves towards art and enters the gallery, museum, and retail space. This book is the first to fully explore the causes and implications of this shift, examining the impact of technological innovation, globalization, and the growth of the internet. The End of Fashion focuses on the ways in which our understanding of fashion and the fashion system have transformed as mass mediation and digitization continue to broaden the way that contemporary fashion is perceived and consumed. Exploring everything from the rise of online shopping to the emergence of bloggers as power elites who have revolutionized the terrain of traditional fashion reportage, this volume anatomizes a world in which runway shows now compete with live-streaming, digital fashion films, Instagram, and Pinterest. Bringing together original, cutting-edge contributions from leading international scholars, this book is essential reading for students and scholars of fashion and cultural studies, as well as anyone interested in exploring the dramatic shifts that have shaken the fashion world this century – and what they might say about larger changes within an increasingly global and digital society.

Fahrenheit 451 Ray Bradbury 1951 A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

Transmasculinity on Television Patrice Oppliger 2022-05-13 This book explores how television and streaming services portray transgender characters who identify as male or nonbinary in television media. Transmasculinity on Television takes a closer look at transmasculine and nonbinary characters on

broadcast, cable, and streaming services between 2000 and 2021. Significant changes have occurred since the release of the 1999 film *Boys Don't Cry*, and in particular through the increase in transgender producers, writers, and actors playing those roles. While a great deal of research has been published on gay, lesbian, and female transgender characters, very little analysis has been done on trans male representation in American media. This book examines the history of how film and television have portrayed transgender characters, how these depictions have developed over time and what impact these representations may have on audience attitudes. This accessible and engaging study is suitable for students and scholars in Gender Studies, Media Studies and LGBTQ Studies.

Time Release Martin J. Smith 2013-12-10 Pittsburgh, 1986: The city is gripped in a panic as a maniac slips poison onto pharmacy shelves. All of the evidence has pointed to Ron Corbett, but shoddy policework let Corbett off the hook, left the crime unsolved. Ten years later, it's happening again. This time, for the most personal of reasons, Detective Downing has made it his mission to see Corbett behind bars. He enlists the help of Jim Christensen, a psychologist who specializes in memory, to interview Corbett's son, now a young man with a painful past and problems of his own. Does the boy remember his father poisoning pill containers? Has he blocked memories of a horrific crime spree enacted in his own house? As Christensen explores the boy's memory and Downing grows more obsessive investigating the case, both men fear that the killings now may not be as random as they once thought, and that unlocking memories may draw them too close to a vicious predator. "Time Release sizzles, cooks, and sings! It's a whipcord thriller full of deftly drawn characters, intrigue, and taut action. This is a spellbindingly accomplished first novel" –James Ellroy, New York Times bestselling author of The Big Nowhere "Time Release is a fast, smart read and one fine thriller." –Robert Ferrigno, New York Times bestselling author of Prayers for the Assassin "Unexpected plot twists and breathless tension combine for a suspenseful ride that doesn't let up." –The Kansas City Star

The Diary of Amos Lee Adeline Foo 2010 It's my last year in primary school and I'm taking part in my school's first Tween Idol contest! I got myself a Twitter Account to gain supporters. I'm furious that my arch enemy, Michael, is doing the same. Oh man, he's everywhere—Facebook, IM, YouTube, you name it. But what he doesn't realise is how popular I am. My secret weapon? My sister WPI (Whiny, Pesky and Irritating) and her two-girl band. She's so popular these days it's good to be her big brother. I'm kind of sad that my best friend, Alvin, is also running against me in the contest, but hey, may the best man win. Psst...I've got a few tricks up my sleeve.

Liposuction Jin Yong Park 2018-03-06 This book provides easy-to-understand descriptions of high-quality liposuction techniques applicable to different parts of the body, including the face, abdomen, breasts, arms, buttocks, thighs, and calves. The coverage also encompasses the liposuction treatment of osmidrosis and fat injection techniques (facial, breast, and stem cell). Drawing on his extensive experience of more than ten thousand cases of liposuction and fat and stem cell transplantation, the author presents important new theoretical perspectives and novel surgical approaches that he has personally developed. These include the MDMP technique (multi-direction, multi-position), which is straightforward to perform and offers significant benefits. All procedures are described step by step, from preparation through to completion. The book is superbly illustrated throughout, with a wealth of informative photographs that will aid the practitioner. It will be of high

value for experienced plastic and cosmetic surgeons and also for residents and fellows.

Digital Cultures Smeeta Mishra 2021-02-15 The book explores contemporary selfie-taking practices; digital experiences of love, romance and infidelity; sexting rituals; self-tracking habits; strategies used by the Internet famous; and the power of hashtag campaigns and memes in espousing a cause. Rejecting binary narratives on digital cultures, it showcases the fascinating ways in which we use our digital devices, social media platforms, and apps by drawing upon academic research, everyday observations and a determination to challenge assumptions and hasty generalizations. It also engages with emerging narratives on online authenticity, privacy, digital detox, and the digital divides prevalent both in India and abroad.

Bad Girls and Dirty Pictures Alison Assiter 1993 For well over a decade, half-baked analysis and phony science have been used by some feminists to side-track the women's movement into puritanical campaigns against sexual material and imaginative sexual exploration. Many feminists would say that this widely publicised version of feminism is itself sexist, and that the increasingly vocal anti-pornography campaigns are founded on theoretical dead-ends that have allowed feminists to deviate drastically from the basic goals of women's liberation. *Bad Girls & Dirty Pictures* puts these anti-sex, anti-porn arguments under the microscope of a more thorough and considered feminist analysis. It examines the flaws in the research that purports to prove the harm of pornography and warns against the continuing use of censorship by politicians and the moral right, as well as exposing the dangers of anti-porn feminist arguments. Contributions from a wide range of women, including sex workers and academics, remind us that pornography does not have a special place in our oppression, and that censorship must still be seen as dangerous enemy of women. *Bad Girls & Dirty Pictures* is a much-needed antidote to falsehoods, shabby thinking, and patronising sexism that have fuelled anti-pornography campaigns and misled the women's movement.

The Handmaid's Tale Margaret Atwood 2010-12-10 An instant classic and eerily prescient cultural phenomenon, from "the patron saint of feminist dystopian fiction" (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, *The Handmaid's Tale* is at once a mordant satire and a dire warning.

And the Award Goes to Sally Bong! Sebastian Sim Sally Bong is the typical do-gooder. But her journey as an exemplary citizen of Singapore is put into

question when she meets people on the margins, upending everything she has learned in school. In a follow-up to the hilarious *Let's Give It Up for Gimme Lao!*, Sebastian Sim delves deeper into a nation's psyche with more shrewd humour than ever before. Reader Reviews: "An acerbic wit. Sim's prose zips along breezily." –The Straits Times "Hilarious and almost absurdist in its storytelling, *And the Award Goes to Sally Bong!* strings watershed events in Singapore's short history with the life of a dauntless but heartfelt protagonist, homing in on what it means to lead our best and authentic lives." –Cyril Wong, Singapore Literature Prize-winning author of *This Side of Heaven*

Yuck! Daniel Kelly 2011-06-10 An exploration of the character and evolution of disgust and the role this emotion plays in our social and moral lives. People can be disgusted by the concrete and by the abstract—by an object they find physically repellent or by an ideology or value system they find morally abhorrent. Different things will disgust different people, depending on individual sensibilities or cultural backgrounds. In *Yuck!*, Daniel Kelly investigates the character and evolution of disgust, with an emphasis on understanding the role this emotion has come to play in our social and moral lives. Disgust has recently been riding a swell of scholarly attention, especially from those in the cognitive sciences and those in the humanities in the midst of the "affective turn." Kelly proposes a cognitive model that can accommodate what we now know about disgust. He offers a new account of the evolution of disgust that builds on the model and argues that expressions of disgust are part of a sophisticated but largely automatic signaling system that humans use to transmit information about what to avoid in the local environment. He shows that many of the puzzling features of moral repugnance tinged with disgust are by-products of the imperfect fit between a cognitive system that evolved to protect against poisons and parasites and the social and moral issues on which it has been brought to bear. Kelly's account of this emotion provides a powerful argument against invoking disgust in the service of moral justification.
