

# Art Of Gothic Buch

This is likewise one of the factors by obtaining the soft documents of this **art of gothic buch** by online. You might not require more time to spend to go to the books establishment as capably as search for them. In some cases, you likewise do not discover the pronouncement art of gothic buch that you are looking for. It will very squander the time.

However below, similar to you visit this web page, it will be therefore certainly simple to get as competently as download guide art of gothic buch

It will not recognize many get older as we accustom before. You can realize it though play something else at home and even in your workplace. therefore easy! So, are you question? Just exercise just what we manage to pay for below as capably as evaluation **art of gothic buch** what you as soon as to read!

**The Palaeography of Gothic Manuscript Books** Albert Derolez 2003-08-28 A detailed and highly illustrated survey of medieval book hands, essential for graduate students and scholars of the period.

Believing and Seeing Roland Recht 2008-10-15 Developments in medieval science that elevated sight above the other senses found religious expression in the Christian emphasis on miracles, relics, and elaborate structures. In his incisive survey of Gothic art and architecture, Roland Recht argues that this preoccupation with vision as a key to religious knowledge profoundly affected a broad range of late medieval works. In addition to the great cathedrals of France, Recht explores key religious buildings throughout Europe to reveal how their grand designs supported this profusion of images that made visible the signs of scripture. Metalworkers, for example, fashioned intricate monstrances and reliquaries for the presentation of sacred articles, and technical advances in stained glass production allowed for more expressive renderings of holy objects. Sculptors, meanwhile, created increasingly naturalistic works and painters used multihued palettes to enhance their subjects' lifelike qualities. Reimagining these works as a link between devotional practices in the late Middle Ages and contemporaneous theories that deemed vision the basis of empirical truth, Recht provides students and scholars with a new and powerful lens through which to view Gothic art and architecture.

*Hell Bound* Francesca Gavin 2008-10-29 Looks at more than 150 works by thirty-five contemporary artists who reflect the dark side of modern life, including the photographic collages of Marnie Weber, the paintings of Matt Greene, and the outsider punk art of Pure Evil.

Mexican Gothic Silvia Moreno-Garcia 2020-06-30 NEW YORK TIMES BESTSELLER • “It’s Lovecraft meets the Brontës in Latin America, and after a slow-burn start Mexican Gothic gets seriously weird.”—The Guardian IN DEVELOPMENT AS A HULU ORIGINAL LIMITED SERIES PRODUCED BY KELLY RIPA AND MARK CONSUELOS • WINNER OF THE LOCUS AWARD • NOMINATED FOR THE BRAM

STOKER AWARD ONE OF THE BEST BOOKS OF THE YEAR: The New Yorker, Vanity Fair, NPR, The Washington Post, Tordotcom, Marie Claire, Vox, Mashable, Men's Health, Library Journal, Book Riot, LibraryReads An isolated mansion. A chillingly charismatic aristocrat. And a brave socialite drawn to expose their treacherous secrets. . . . From the author of *Gods of Jade and Shadow* comes “a terrifying twist on classic gothic horror” (Kirkus Reviews) set in glamorous 1950s Mexico. After receiving a frantic letter from her newly-wed cousin begging for someone to save her from a mysterious doom, Noemí Taboada heads to High Place, a distant house in the Mexican countryside. She's not sure what she will find—her cousin's husband, a handsome Englishman, is a stranger, and Noemí knows little about the region. Noemí is also an unlikely rescuer: She's a glamorous debutante, and her chic gowns and perfect red lipstick are more suited for cocktail parties than amateur sleuthing. But she's also tough and smart, with an indomitable will, and she is not afraid: Not of her cousin's new husband, who is both menacing and alluring; not of his father, the ancient patriarch who seems to be fascinated by Noemí; and not even of the house itself, which begins to invade Noemí's dreams with visions of blood and doom. Her only ally in this inhospitable abode is the family's youngest son. Shy and gentle, he seems to want to help Noemí, but might also be hiding dark knowledge of his family's past. For there are many secrets behind the walls of High Place. The family's once colossal wealth and faded mining empire kept them from prying eyes, but as Noemí digs deeper she unearths stories of violence and madness. And Noemí, mesmerized by the terrifying yet seductive world of High Place, may soon find it impossible to ever leave this enigmatic house behind. “It's as if a supernatural power compels us to turn the pages of the gripping Mexican Gothic.”—The Washington Post “Mexican Gothic is the perfect summer horror read, and marks Moreno-Garcia with her hypnotic and engaging prose as one of the genre's most exciting talents.”—Nerdist “A period thriller as rich in suspense as it is in lush '50s atmosphere.”—Entertainment Weekly

*Horror Rudey Artist Design Coloring Book* Monsters and Martians 2019-06-26 Rockabilly Coloring Book For Adults Who Love Lowbrow Skulls and Goth Culture. Features Pages of Monsters Zombies Skulls and the Best of Horror Movie Art in a Black Felt Poster Style.

**Gothic Lolita Punk** Rico Komanoya 2009-05-19 A showcase of the cutting-edge vanguard of Gothic Lolita and punk drawing, and a valuable how-to guide for aspiring artists. Gothic Lolita Punk profiles top Japanese and Korean Gothic Lolita artists working in this hugely popular area of anime and manga—all of whom eagerly discuss their work and share their thoughts on this incredible and increasingly popular genre. Each profile includes a biography of the artist, a visual of his or her most engaging representative work, and a pictorial gallery with detailed explanations of their techniques. Also included is information on the materials used by each artist, how-to draw and illustrate guidelines, and a glossary of terms for drawing lifelike Gothic Lolita manga and anime characters.

**Gothic** Robert Suckale 2006 This book contains a selection of the most important works of the epoch. It features artists such as Giotto di Bondone, Duccio di Bouninsegna, Dieric Bouts, Robert Campin, Cimabue, Petrus Christus, Barthelemy d'Eyck, Jan van Eyck, Andrea da Firenze and Jean Fouquet.

*Gothic* Institute of Contemporary Art (Boston, Mass.) 1997 As the millennium draws to a close, a Gothic spirit once again penetrates much of today's art and culture. Over the past decade, American and European artists have grown increasingly fascinated with the dark and uncanny side of the human psyche—the theatrical and grotesque, the violent and destructive. Taking its starting point and title from the Gothic novel, this book investigates the full-blown revival of a Gothic sensibility in contemporary art; in American and British fiction labeled the "New Gothic"; in film with its long tradition of horror; and in video, music, fashion, design, and underground culture. Gothic accompanies an exhibition at The Institute of Contemporary Art, Boston, of twenty-three artists who produce horror as well as amazement through often ugly, fragmented, and contorted forms. Some employ a detached and reductive formal language to transmute images of excessive and gruesome violence, nevertheless achieving an equally disconcerting impact. The old Gothic themes of the fantastic and pathological are infused with new potency as they address concerns about the body, disease, voyeurism, and power. Essays by John Gianvito, Christoph Grunenberg, James Hannaham, Patrick McGrath, Joyce Carol Oates, Shawn Rosenheim, Csaba Toth, and Anne Williams, and a short story by Dennis Cooper, explore the Gothic in history and in contemporary art and culture. Artists: Julie Becker, Monica Carocci, Dinos and Jake Chapman, Gregory Crewdson, Keith Edmier, James Elaine, Robert Gober, Douglas Gordon, Wolfgang Amadeus Hansbauer, Jim Hodges, Cameron Jamie, Mike Kelley, Abigail Lane, Zoe Leonard, Tony Oursler, Sheila Pepe, Alexis Rockman, Aura Rosenberg, Pieter Schoolwerth, Cindy Sherman, Jeanne Silverthorne, Gary Simmons. Copublished with The Institute of Contemporary Art, Boston.

*Dark Art Gothica* François Gautier 2022-08-30 A horror coloring book sequel to *Dark Art*, featuring intricate and macabre gothic artwork by illustrator François Gautier The perfect coloring book for fans of all things spooky and colorists who love other intricate coloring books like those by Kerby Rosanes and Johanna Basford. This book will be packed with beautiful, complex illustrations of all the gothic classics: brooding ravens, gargoyles, creepy castles, and more!

**The Art of Gothic** Natasha Scharf 2014-10 Dressed head-to-toe in black, often with extreme make-up, the gothic look has been a popular once since the 1980s. Gothic art is about more than just album covers and ephemera; it's about fashion, book jackets, cinematography, computer graphics and fine arts. And its influence frequently seeps through into mainstream culture. The first ever English language collection of gothic images available. Features 224 pages of gothic photography and artwork. Contains up to date references that encompass the modern gothic movement as well as the original movement that came from punk. Gathers imagery from around the world, including previously unpublished photographs and artwork. Each chapter includes two special features, including profiles of influential artists or styles. Features articles on the work of well-known artists such as Anne Sudworth and Roman Dirge as well as graphic design teams Parched Art, Leisure Process and 23 Envelope.

**Like a Gothic Cathedral** Robert D. Harlan 1988

The Gothic David Punter 2004 This guide provides an overview of the most significant issues and debates in Gothic studies. The guide is divided into four parts: The opening section explains the origins and development

of the term 'Gothic', considers the particular features of the Gothic within specific periods, and explores its evolution in both literary and non-literary forms, such as art, architecture and film. The following section contains extended entries on major writers of the Gothic, pointing to the most significant features of their work. The third section features authoritative readings of key works, ranging from Horace Walpole's *The Castle of Otranto* to Bret Easton Ellis's *American Psycho*. Finally, the text considers recurrent concerns of the Gothic such as persecution and paranoia, key motifs such as the haunted castle, and figures such as the vampire and the monster. Supplementary material includes a chronology of key Gothic texts, listing literature and film from 1757 to 2000, and a comprehensive guide to further reading.

**Skyscraper Gothic** Kevin D. Murphy 2017-06-08 Of all building types, the skyscraper strikes observers as the most modern, in terms not only of height but also of boldness, scale, ingenuity, and daring. As a phenomenon born in late nineteenth-century America, it quickly became emblematic of New York, Chicago, and other major cities. Previous studies of these structures have tended to foreground examples of more evincing modernist approaches, while those with styles reminiscent of the great Gothic cathedrals of Europe were initially disparaged as being antimodernist or were simply unacknowledged. *Skyscraper Gothic* brings together a group of renowned scholars to address the medievalist skyscraper—from flying buttresses to dizzying spires; from the Chicago Tribune Tower to the Woolworth Building in Manhattan. Drawing on archival evidence and period texts to uncover the ways in which patrons and architects came to understand the Gothic as a historic style, the authors explore what the appearance of Gothic forms on radically new buildings meant urbanistically, architecturally, and socially, not only for those who were involved in the actual conceptualization and execution of the projects but also for the critics and the general public who saw the buildings take shape. Contributors: Lisa Reilly on the Gothic skyscraper ● Kevin Murphy on the Trinity and U.S. Realty Buildings ● Gail Fenske on the Woolworth Building ● Joanna Merwood-Salisbury on the Chicago School ● Katherine M. Solomonson on the Tribune Tower ● Carrie Albee on Atlanta City Hall ● Anke Koeth on the Cathedral of Learning ● Christine G. O'Malley on the American Radiator Building

**Videogames and the Gothic** Ewan Kirkland 2021-09-30 This book explores the many ways Gothic literature and media have informed videogame design. Through a series of detailed case studies, *Videogames and the Gothic* illustrates the extent to which particular tropes of Gothic culture –neo-medieval aesthetics, secret-filled labyrinthine spaces, the sense of a dark past impacting upon the present – have been appropriated by and transformed within digital games. Moving beyond the study of the generic influences of horror on digital gaming, Ewan Kirkland focuses in on the Gothic, a less visceral mode tending towards the unsettling, the uncertain and the uncanny. He explores the extent to which imagery, storylines and narrative preoccupations taken from Gothic fiction facilitate the affordances and limitations of the videogame medium. A core contention of this book is that videogames have developed as an inherently Gothic form of popular entertainment. Arguing for close proximity between Gothic culture and the videogame medium itself, this book will be a key contribution to both Gothic and digital game scholarship; as such, it will have resonance with scholars and students in both areas, as well as those interested in Gothic novels, media and popular culture, digital games and interactive fiction.

*Surrealism and the Gothic* Neil Matheson 2017-08-07 Surrealism and the Gothic is the first book-length analysis of the role played by the gothic in both the initial emergence of surrealism and at key moments in its subsequent development as an art and literary movement. The book argues the strong and sustained influence, not only of the classic gothic novel itself – Ann Radcliffe, Charles Maturin, Matthew Lewis, etc. – but also the determinative impact of closely related phenomena, as with the influence of mediumism, alchemy and magic. The book also traces the later development of the gothic novel, as with Bram Stoker's *Dracula*, and its mutation into such works of popular fiction as the *Fantômas* series of Marcel Allain and Pierre Souvestre, enthusiastically taken up by writers such as Apollinaire and subsequently feeding into the development of surrealism. More broadly, the book considers a range of motifs strongly associated with gothic writing, as with insanity, incarceration and the 'accursed outsider', explored in relation to the personal experience and electroshock treatment of Antonin Artaud. A recurring motif of the analysis is that of the gothic castle, developed in the writings of André Breton, Artaud, Sade, Julien Gracq and other writers, as well as in the work of visual artists such as Magritte.

**Gothic Art in Ireland, 1169-1550** Colum Hourihane 2003 It will come as a surprise to many that a wealth of Gothic art and architecture can still be found in Ireland. This text examines the most westerly expression of Gothic - on the edge of Europe - and traces its development from the beginning of the 13th century to the Reformation. Colum Hourihane offers insights into Gothic Irish art, and he presents a revised view of art in Ireland in the Middle Ages.

American Gothic Susan Wood 2017-09-05 From humble beginnings sketching Iowa's cornfields and rolling hills as a child, Grant Wood became the father of regionalism, an artistic movement that celebrated the simple and real-life surroundings of the people. When studying art in Europe in the early 20th century, Grant couldn't find a style that touched his heart quite right. Impressionism, cubism, and abstract art didn't reflect his view of the world. It wasn't until he stumbled upon Gothic art that Grant recognized something familiar. Back home in America, Grant asked his sister and his dentist to pose for what would become the founding, iconic image of regionalism and a uniquely American work of art. Grant's art celebrated hard-working Americans who finally saw themselves in fine art. *American Gothic* is a picture-book biography that explores the birth of the famous painting, the movement that made it possible, and the artist who created it all.

Late Gothic 2021-04-23 A magnificent panorama of the creative revolutions of mid-15th-century Europe From roughly the 1430s onward, inspired by developments in the Netherlands, artistic expression began to transform, as the depiction of light and shade, body and space came to be depicted with increasing realism. With advances in printing techniques, these innovations found mass distribution. Artists such as Nicolaus Gerhaert and Martin Schongauer became widely known and influenced the development of the visual arts throughout Europe and across all genres. Despite their primarily religious function, such images increasingly came to be conceived of as "works of art." Gathering around 120 objects, including outstanding loans and key works from the holdings of the Staatliche Museen zu Berlin, this substantial book traces the massive paradigm shifts of the Late Gothic period across artistic genres, from painting to sculpture and more.

*Gothic Art* Jessica Gunderson 2008-07 Presents an introduction to Gothic Art, describing the art movement's basic tenets, how and when it started, and its most significant artists.

*A Companion to Medieval Art* Conrad Rudolph 2019-05-07 A fully updated and comprehensive companion to Romanesque and Gothic art history This definitive reference brings together cutting-edge scholarship devoted to the Romanesque and Gothic traditions in Northern Europe and provides a clear analytical survey of what is happening in this major area of Western art history. The volume comprises original theoretical, historical, and historiographic essays written by renowned and emergent scholars who discuss the vibrancy of medieval art from both thematic and sub-disciplinary perspectives. Part of the Blackwell Companions to Art History, *A Companion to Medieval Art, Second Edition* features an international and ambitious range of contributions covering reception, formalism, Gregory the Great, pilgrimage art, gender, patronage, marginalized images, the concept of spolia, manuscript illumination, stained glass, Cistercian architecture, art of the crusader states, and more. Newly revised edition of a highly successful companion, including 11 new articles Comprehensive coverage ranging from vision, materiality, and the artist through to architecture, sculpture, and painting Contains full-color illustrations throughout, plus notes on the book's many distinguished contributors *A Companion to Medieval Art: Romanesque and Gothic in Northern Europe, Second Edition* is an exciting and varied study that provides essential reading for students and teachers of Medieval art.

*French Gothic Architecture of the Twelfth and Thirteenth Centuries* Jean Bony 1983 Traces the development of the Gothic style of architecture in France and examines the designs of French cathedrals and churches

*Jewish Book Art Between Islam and Christianity* Katrin Kogman-Appel 2004-04-01 This book discusses the decoration types of Sephardic illuminated Bibles in their broader historical, and social context in an era of cultural transition in Iberia and culture struggle within Spanish Jewry.

Architecture: Gothic and Renaissance. (Text-book of art educ.). Thomas Roger Smith 1880

**Renaissance Gothic** Ethan Matt Kavaler 2012-01-01 This compelling book offers a new paradigm for the periodization of the arts, one that counters a prevailing Italianate bias among historians of northern Europe of this era. The years after 1500 brought the construction of several iconic Late Gothic monuments, including the transept facades of Beauvais cathedral in northern France, much of King's College in Cambridge, England, and the parish church at Annaberg in Saxony. Most designers and patrons preferred this elite Gothic style, which was considered fashionable and highly refined, to alternative Italianate styles. Ethan Matt Kavaler connects Gothic architecture to related developments in painting and other media, and considers the consequences of the breakdown of the Gothic system in the early 16th century. Late Gothic architecture is recognized for its sensuous and abundant ornament. Its visually rich surfaces signify wealth and magnificence, and its flamboyant geometric designs portray a system of perfect and essential forms that convey spiritual authority, while often serving as signs of personal or corporate identity. Renaissance Gothic presents a groundbreaking and detailed study of the Gothic architecture of the late 15th and 16th centuries across Europe.

**Gothic Revival** Megan Brewster Aldrich 1994 In this richly illustrated book, Megan Aldrich traces the story of the Gothic Revival from its beginnings in the small, experimental buildings of the eighteenth century to its ultimate phase in the lavish buildings of the late nineteenth century. The book concentrates on the domestic forms of the style, from its use in castles and country houses to its influence on villas and cottages from the old world to the New World. This book is essential reading for all those interested in architecture and design. It covers the influence of the Gothic style, not only through the work of the great designers such as Burges, Pugin, Viollet-le-Duc and Wyatt, but also through many lesser-known figures. The worldwide influence of the Gothic Revival is amply demonstrated in the large selection of illustrations showing wall, floor and window treatments, as well as furniture. An invaluable source of ideas, this book illustrates much new material and celebrates an important chapter in the history of design.

**Gardner's Art through the Ages: Backpack Edition, Book B: The Middle Ages** Fred S. Kleiner 2015-01-01 The most widely read and respected history of art and architecture in the English language for over 85 years just got easier to carry. GARDNER'S ART THROUGH THE AGES: BACKPACK EDITION, BOOK B: THE MIDDLE AGES, 15e is part of a six-book set that provides you with a comprehensive, beautifully illustrated tour of the world's great artistic traditions. GARDNER has built its stellar reputation on up-to-date and extensive scholarship, reproductions of unsurpassed quality, and the consistent voice of a single storyteller. Author and award-winning scholar-professor Fred Kleiner continues to set the standard for art history textbooks, combining impeccable and authoritative scholarship with an engaging approach that discusses the most significant artworks and monuments in their full historical and cultural contexts--all reproduced according to the highest standards of clarity and color fidelity. The Fifteenth Edition includes new images, new boxed features, updated maps, Google Earth coordinates for every artwork and site in the text, architectural reconstructions beautifully rendered by John Burge, and more. In addition, more than 40 reviewers contributed to the accuracy and readability of this edition. For half-year and Western-only courses, books within the six-book set can be purchased individually. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Grant Wood** Barbara Haskell 2018-01-01 The social and political climate in which Wood's art flourished bears certain striking similarities to America today, as national identity and the tension between urban and rural areas reemerge as polarizing issues in a country facing the consequences of globalization and the technological revolution. Wood portrayed the tension and alienation of contemporary experience. By fusing meticulously observed reality with fables of childhood, he crafted unsettling images of estrangement and apprehension that pictorially manifest the anxiety of modern life.

*American Gothic* Steven Biel 2005 Describes Grant Wood's portrait of Iowa farmers, and documents how the piece has represented midwestern Puritanism, hard-working endurance, and the often-parodied American heartland.

Anne Stokes John Woodward 2019-03-15 Anne Stokes is a hugely popular artist in the field of gothic and magical fantasy. This long-overdue book showcases Anne's oeuvre in all its glory, accompanied by illuminating

text about Anne and her inspirations, techniques and processes. It features the dark and the gothic, dragons, unicorns, mermaids and all that is mystical and magical.

**The Oxford Book of Gothic Tales** Chris Baldick 2009 A fresh contemporary look for the first anthology to trace the strength and diversity of Gothic fiction from its origins in the eighteenth century, with authors as diverse as Edgar Allan Poe, Thomas Hardy, Jorge Luis Borges, and Angela Carter.

Smith - LAST SUMMER Melissa Stanziale - THE CHILIDREN OF ORORO Editors: Cynthia (cina) Pelayo Gerardo Pelayo Cover Art: Abigail Larson

**The Ideal Book** William Morris 2016-04-03 This early work by William Morris was originally published in 1899 and we are now republishing it with a brand new introductory biography. William Morris was born in London, England in 1834. Arguably best known as a textile designer, he founded a design partnership which deeply influenced the decoration of churches and homes during the early 20th century. However, he is also considered an important Romantic writer and pioneer of the modern fantasy genre, being a direct influence on authors such as J. R. R. Tolkien. As well as fiction, Morris penned poetry and essays. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

**Modern Gothic** Jamie Mahon 2018 Welcome to the fantasy-made-flesh that is Jamie Mahon's imagination. Weaving together sublime locations, superb photography, and striking models, this award-winning photographer has created true artwork of the alternative subculture. He and a clique of extraordinary creators have labored to produce images of beautiful women, expertly made up and professionally styled in fantastic surroundings. Whether it's the ethereal otherworldliness of his Gothic heroines and villainesses, the provocative postures of his fetish performers, or the adrenalin-charged action of his fantasy characters, each image leaps from its page to shock and awe you. Mahon's imagination is realized with such depth, passion, and color as to be an entire reality of its own. So come join us in this wicked world of sinful style.

**The Palgrave Handbook of Gothic Origins** Clive Bloom 2022-01-01 This handbook provides a comprehensive overview of research on the Gothic Revival. The Gothic Revival was based on emotion rather than reason and when Horace Walpole created Strawberry Hill House, a gleaming white castle on the banks of the Thames, he had to create new words to describe the experience of gothic lifestyle. Nevertheless, Walpole's house produced nightmares and his book *The Castle of Otranto* was the first truly gothic novel, with supernatural, sensational and Shakespearean elements challenging the emergent fiction of social relationships. The novel's themes of violence, tragedy, death, imprisonment, castle battlements, dungeons, fair maidens, secrets, ghosts and prophecies led to a new genre encompassing prose, theatre, poetry and painting, whilst opening up a whole world of imagination for entrepreneurial female writers such as Mary Shelley, Joanna Baillie and Ann Radcliffe, whose immensely popular books led to the intense inner landscapes of the Bronte sisters. Matthew Lewis's *The Monk* created a new gothic: atheistic, decadent, perverse, necrophilic and hellish. The social upheaval of the French Revolution and the emergence of the Romantic movement with its more intense (and often) atheistic self-absorption led the gothic into darker corners of human experience with a greater emphasis on the inner life, hallucination, delusion, drug addiction, mental instability, perversion and death and the emerging science of psychology. The intensity of the German experience led to an emphasis on doubles and schizophrenic behaviour, ghosts, spirits, mesmerism, the occult and hell. This volume charts the origins of this major shift in social perceptions and completes a trilogy of Palgrave Handbooks on the Gothic—combined they provide an exhaustive survey of current research in Gothic studies, a go-to for students and researchers alike.

**Weirdo Noir** Matt Dukes Jordan 2010-08-18 Like a corpse in a zombie movie, the Goth movement has been resuscitated stronger, more powerful, and more contagious than ever before. From fashion to music, Goth influences have crept into every area of pop culture, and nowhere is that influence creepier, more fascinating, and more playful than in the art world. *Weirdo Noir* is the follow-up volume to *Weirdo Deluxe*, the book that

brought the once underground Low Brow art scene to prominence in the public eye. In these pages you'll find the latest and greatest work from 30 Low Brow artists who have embraced the dark side, employing gothic themes in their art. Spooky and witty, *Weirdo Noir* is destined to become a classic of the millennial Goth aesthetic.

**The Gargoyle Book** Lester Burbank Bridaham 2006-08-04 Originally published: Gargoyles, chimeres, and the grotesque in French Gothic sculpture. New York: Architectural Book Pub. Co., 1930.
