Longman Anthology of Old English, Old Icelandic, and Anglo-Norman Literatures Richard North 2020-11-26 The Longman Anthology of Old English, Old Icelandic and Anglo-Norman Literatures provides a scholarly and accessible introduction to the literature which was the inspiration for many of the heroes of modern popular culture, from The Lord of the Rings to The Chronicles of Narnia, and which set the foundations of the English language and its literature as we know it today. Edited, translated and annotated by the editors of Beowulf and Other Stories, the anthology introduces readers to the rich and varied literature of Britain, Scandinavia and France of the period in and around the Viking Age. Ranging from the Old English epic Beowulf through to the Anglo-Norman texts which heralded the transition Middle English, thematically organised chapters present elegies, eulogies, laments and followed by material on the Viking Wars in the Anglo-Saxon Chronicle, Vikings gods and Icelandic sagas, and a final chapter on early chivalry introduces the new themes and forms which led to Middle English literature, including Arthurian Romances and Chaucer's Canterbury Tales. Laying out in parallel text format selections from the most important Old English, Old Icelandic and Anglo-Norman works, this anthology presents translated and annotated texts with useful bibliographic references, prefaced by a headnote providing useful background and explanation.

Al-Qur'an, the Guidance for Mankind - English Translation of the Meanings of Al-Qur'an with Arabic Muhammad Farooq-i-Azam Malik 2001 Al-Qur'an, the Guidance for mankind, is a unique translation of the Holy Qur'an in contemporary American English. It includes the Biography of the Prophet Muhammad, peace be upon him, his mission as a Prophet, his ranking as in the human history. Text is paragraphed by theme and theme is written in the margins on each page for easy reference. Its features include - (1) Field Testing the Communication of Divine Message: The unique feature of this translation is its field testing for over 3 1/2 years to improve the communication and understanding of the Divine Message. Translation passages were given to the New Muslim and Non-Muslim high school and college students for reading under the supervision of various Ulema (scholars). After reading, the person was asked to explain as to what he/she understood from the passage. If his/her understanding was the same as is in the Arabic Text of the Holy Qur'an then we concluded that we have been successful in conveying the Divine Message properly. If his/her understanding was different than what the Qur'anic verses were stating, we kept on rewording the translation until those verses were understood properly. It was tremendous patience on part of the participants. May Allah reward them all. (2) Simplicity: In this translation Simple Language and Direct Approach is used for appealing to the common sense of scholars and common people. (3) Understandability: There are no foot notes to refer and no commentary or lengthy explanations to read. All necessary explanations have been incorporated right there in the text with italic type setting to differentiate from the translation of the meanings of Qur'anic Arabic Text. (4) Outline of Pertinent Information: Before the start of each Sraah, information relating to its Period of Revelation, Major Issues, Divine Laws and Guidance has been presented as an outline. Then a summary of the preceding events has been tabulated for the reader to understand the historical background to grasp the full meaning of the Divine Message. (5) Reviews, Input and Approvals: This project was started in 1991 and initial draft completed in 1994. Then the Translation was sent to different Ulema (Scholars) in Town and throughout United States for their review and input. After their reviews and input it was sent to Jme Al-Azhar Al-Sharif in Egypt, Ummal Qur in Saudi Arabia and International Islamic University in Pakistan for their review, input and approval. This translation was published after their reviews and approvals.
