The Most Important Thing Antonella Abbatiello 2022-03-15 The animals of the forest have assembled to discuss what is the most important thing: to have a trunk like an elephant, quills like a porcupine, or a long neck like a giraffe? Naturally, every animal is convinced that its particular trait is the most important one and that everyone should have it. But when the double pages open to show all the animals with the quills of a porcupine, the long neck of a giraffe, or the trunk of the elephant, everyone must agree that the true importance lies precisely in their collective 'diversity'. It is that which makes them all unique and essential to life of the forest. The Most Important Thing received a UNESCO honorable mention for peace and collaboration. An important message of diversity and inclusion delivered in the form of a charming modern fable.

Hindi Nationalism (Tracts For The Times) Alok Rai 2001 This tract looks at the politics of language in India through a study of the history of one language Hindi. It traces the tragic metamorphosis of this language over the last century, from a creative, dynamic, popular language to a dead, Sanskritised, dePersianised language manufactured by a self-serving upper caste North Indian elite, nurturing hegemonic ambitions. From being a symbol of collective imagination it became a signifier of narrow sectarianism and regional chauvinism. The tract shows how this transformation of the language was tied up with the politics of communalism and regionalism.

Three Deaths Leo Tolstoy 2021-03-03 "She would not hear a word. She has made her plans for living abroad, as if she were well. But if I should tell her what her real condition is, it would kill her." A sick noblewoman and her maid are riding in a carriage that soon makes a brief stop at a posting-station. When the noblewoman's husband and a doctor come around to check on her and realize that she is close to dying, the husband suggests they postpone their journey and go back home. But the noblewoman refuses. At home there is nothing for her to do but die. Tolstoy himself called the noblewoman pathetic and disgusting. In this powerful short story he explores the inevitable death that awaits every living being, and how different social classes respond to it. Leo Tolstoy (1828-1910) was a Russian author, a master of realistic fiction and one of the world's greatest novelists. Tolstoy's major works include "War and Peace" (1865-69) and "Anna Karenina" (1875-77), two of the greatest novels of all time and pinnacles of realist fiction. Beyond novels, he wrote many short stories and later in life also essays and plays.

Journey of the Pale Bear Susan Fletcher 2019-10-01 “A lovely little miracle of a book.” —Katherine Applegate, Newbery Medal-winning author of *The One and Only Ivan* “[A] large-hearted and riveting medieval adventure.” —William Alexander, National Book Award-winning author of *Goblin Secrets* “A breathtaking adventure.” —Kirby Larson, Newbery Honor-winning author of *Hattie Big Sky* A runaway boy befriends a polar bear that’s being transported from Norway to London in this “stupendous coming-of-age tale stuffed with adventure” (Kirkus Reviews, starred review). The polar bear is a royal bear, a gift from the King of Norway to the King of England. The first time Arthur encounters the bear, she terrifies him. Yet, strangely, she doesn’t harm him—though she has attacked anyone else who comes near. So Arthur finds himself taking care of a polar bear on a ship to England. Tasked with feeding and cleaning up after the bear, Arthur’s fears slowly lessen as he begins to feel a connection to this bear, who like him, has been cut off from her family. But the journey holds many dangers, and Arthur knows his own freedom—perhaps even his life—depends on keeping the bear from harm. When pirates attack, Arthur must make a choice—does he do everything he can to save himself, or does he help the bear to find freedom? Based on the real story of a polar bear that lived in the Tower of London, this timeless adventure story thoughtfully looks at the themes of freedom, captivity, and the bond between a boy and a bear.
