A Grammar of Epic Sanskrit Thomas Oberlies 2003-01-01 The two great epics of (old) India, the Mahabharata and the Ramayana, are written in a language, which differs from so-called classical Sanskrit in many details. Both texts still are of an enormous importance in India and other countries. Because of this, a grammar describing all the different characteristics of epic Sanskrit has been missed until now. The Grammar of Epic Sanskrit will now close this gap.

Artifact Space Miles Cameron 2021-06-24 Out in the darkness of space, something is targeting the Greatships. With their vast cargo holds and a crew that could fill a city, the Greatships are the lifeblood of human occupied space, transporting an unimaginable volume - and value - of goods from City, the greatest human orbital, all the way to Tradeport at the other, to trade for xenoglas with an unknowable alien species. It has always been Marca Nbaro's dream to achieve the near-impossible: escape her upbringing and venture into space. All it took, to make her way onto the crew of the Greatship Athens was thousands of hours in simulators,

dedication, and pawning or selling every scrap of her old life in order to forge a new one. But though she's made her way onboard with faked papers, leaving her old life - and scandals - behind isn't so easy. She may have just combined all the dangers of her former life, with all the perils of the new . . .

Way of the Argosi Sebastien de Castell 2021-04-15 Ten year old Ferius Parfax has a simple plan: kill every last inhabitant of the spell-gifted nation that destroyed her people, starting with the man who murdered her parents. Killing mages is a difficult business, of course, so Ferius undertakes to study the ways of the Argosi: the loosely-knit tribe of tricksters known for getting the better of even the most powerful of spellcasters. But the Argosi have a price for their teachings, and by the time Ferius learns what it is, it may be too late. Perfect for fans of *The Dark Tower*, *Firefly*, *Guardians of the Galaxy*, Terry Pratchett, Ben Aaronovitch and Jim Butcher.

Jean Desmet and the Early Dutch Film Trade Ivo Blom 2003 The Netherlands Film Museum's Desmet Collection contains the estate of Dutch cinema owner and film distributor Jean Desmet (1875-1956): almost nine hundred European and American films of all genres, a collection of publicity material, and a massive business archive. These three sources form the basis of this book, the first comprehensive reconstruction of Desmet's career. From his nomadic beginnings as a traveling showman to his successful switch to permanent cinema operation and film distribution, Blom shows how Desmet's fortunes encapsulated a series of structural changes within the new culture of the cinema.

The Scholar as Human Anna Sims Bartel 2021-01-15 *The Scholar as Human* brings together faculty from a wide range of disciplines—history; art; Africana, American, and Latinx studies; literature, law, performance and media arts, development sociology, anthropology, and Science and Technology Studies—to focus on how scholarship is informed, enlivened, deepened, and made more meaningful by each scholar's sense of identity, purpose, and place in the world. Designed to help model new paths for publicly-engaged humanities, the contributions to this groundbreaking volume are guided by one overarching question: How can scholars practice a more human scholarship? Recognizing that colleges and universities must be more responsive to the needs of both their students and surrounding communities, the essays in *The Scholar as Human* carve out new space for public scholars and practitioners whose rigor and passion are equally important forces in their work. Challenging the approach to research and teaching of earlier generations that valorized disinterestedness, each contributor here demonstrates how they have energized their own scholarship and its reception among their students and in the wider world through a deeper engagement with their own life stories and humanity. Contributors: Anna Sims Bartel, Debra A. Castillo, Ella Diaz, Carolina Osorio Gil, Christine Henseler, Caitlin Kane, Shawn McDaniel, A. T. Miller, Scott J. Peters, Bobby J. Smith II, José Ragas, Riché Richardson, Gerald Torres, Matthew Velasco, Sara Warner Thanks to generous funding from Cornell University, the ebook editions of this book are available as Open Access volumes from Cornell Open (cornellopen.org) and other repositories.

Saint's Blood Sebastien de Castell 2016-04-07 'High energy, highly unique, swashbuckling-cop-epic-noir story. Buy it. BUY IT NOW' Sam Sykes The Greatcoats are back - and this time it's personal. How do you kill a Saint? Falcio, Brasti and Kest are about to find out, as someone is doing just that, and they've started with a friend. The Dukes were already looking for ways to weasel out of their promise to put Aline on her father's throne - but with Saints turning up dead, and Church Inquistitors pushing for control - rumours are spreading that the Gods themselves oppose her ascension. The only way Falcio can stop the country turning into a vicious theocracy is to find and stop the Saint-killer - but his only clue is the iron mask encasing the head of the Saint of Mercy, which prevents her from speaking. And even if he can find the murderer, he will still have to face them in battle - and this may be a duel that no swordsman, no matter how skilled, can win.

The Arabic Dialect of Tillo in the Region of Siirt (south-eastern Turkey) Ablahad Lahdo 2009

Afghanistan's Islam Nile Green 2017 "This book provides the first ever overview of the history and development of Islam in Afghanistan. It covers every era from the conversion of Afghanistan through the medieval and early modern periods to the present day. Based on primary sources in Arabic, Persian, Pashto, Urdu and Uzbek, its depth and scope of coverage is unrivalled by any existing publication on Afghanistan. As well as state-sponsored religion, the chapters cover such issues as the rise of Sufism, Sharia, women's religiosity, transnational Islamism and the Taliban. Islam has been one of the most influential social and political forces in Afghan history. Providing idioms and organizations for both anti-state and anti-foreign mobilization, Islam has proven to be a vital socio-political resource in modern Afghanistan. Even as it has been deployed as the national cement of a multi-ethnic 'Emirate' and then 'Islamic Republic,' Islam has been no less a destabilizing force in dividing Afghan society. Yet despite the universal scholarly recognition of the centrality of Islam to Afghan history, its developmental trajectories have received relatively little sustained attention outside monographs and essays devoted to particular moments or movements. To help develop a more comprehensive, comparative and developmental picture of Afghanistan's Islam from the eighth century to the present, this edited volume brings together specialists on different periods, regions and languages. Each chapter forms a case study 'snapshot' of the Islamic beliefs, practices, institutions and authorities of a particular time and place in Afghanistan"-- Provided by publishe

Critical Pedagogy, Ecoliteracy, & Planetary Crisis Richard V. Kahn 2010 We live in a time of unprecedented planetary ecocrisis, one that poses the serious and ongoing threat of mass extinction. Drawing upon a range of theoretical influences, this book offers the foundations of a philosophy of ecopedagogy for the global north. In so doing, it poses challenges to today's dominant ecoliteracy paradigms and programs, such as education for sustainable development, while theorizing the needed reconstruction of critical pedagogy itself in light of our presently disastrous ecological conditions.

Lights and Shadows of Spiritualism Daniel Dunglas Home 1877 Daniel Dunglas Home (1833-1886) was a charismatic medium whose seances were attended by European royalty and eminent Victorians like Elizabeth Barrett Browning. Thrown out by his aunt because of the paranormal events which plagued him since childhood, Home became a 'professional house guest' and medium at the age of 17. During seances he purportedly levitated, handled hot coals and channelled the voices of the dead. This volume, first published in 1877, is an evocative examination of spiritualism which explores the history of the practice via the Greeks, the Romans, and Joan of Arc. Simultaneously attacking fraudulent mediums while celebrating 'true' spiritualist practitioners, this fascinating work details both the criticism and support received by Home and features reproductions of numerous fan letters. Although colourful and impassioned, Home's polemic is written in an amiable style and provides fascinating insights into the life and work of the self-proclaimed 'Grandfather of English Spiritualism'.

Tyrant's Throne Sebastien de Castell 2017-06-06 After years of struggle and sacrifice, Falcio val Mond, First Cantor of the Greatcoats, is on the brink of fulfilling his dead king's dream: Aline, the king's daughter, is about to take the throne and restore the rule of law once and for all. But for the Greatcoats, nothing is ever that simple. In the neighboring country of Avars, an enigmatic new warlord is uniting the barbarian armies that have long plagued Tristia's borders--and even worse, he is rumored to have a new ally: Trin, who's twice tried to kill Aline

to claim the throne of Tristia for herself. With the armies of Avars at her back, led by a bloodthirsty warrior, she'll be unstoppable. Falcio, Kest, and Brasti race north to stop her, but in those cold and treacherous climes they discover something altogether different, and far more dangerous: a new player is planning to take the throne of Tristia, and with a sense of dread the three friends realize that the Greatcoats, for all their skill, may not be able to stop him. As the nobles of Tristia and even the Greatcoats themselves fight over who should rule, the Warlord of Avars threatens to invade. With so many powerful contenders vying for power, it will fall to Falcio to render the one verdict he cannot bring himself to utter, much less enforce. Should he help crown the young woman he vowed to put on the throne, or uphold the laws he swore to serve?
