Zombie Abbey Lauren Baratz-Logsted 2018-04-03 1920, England And the three teenage Clarke sisters thought what they'd wear to dinner was their biggest problem... Lady Kate, the entitled eldest. Lady Grace, lost in the middle and wishing she were braver. Lady Lizzy, so endlessly sunny, it's easy to underestimate her. Then there's Will Harvey, the proud, to-die-for—and possibly die with!—stable boy; Daniel Murray, the resourceful second footman with a secret; Raymond Allen, the unfortunate-looking young duke; and Fanny Rogers, the unsinkable kitchen maid. Upstairs! Downstairs! Toss in some farmers and villagers! None of them ever expected to work together for any reason. But none of them had ever seen anything like this.

Avenging Shadow (Amica Saga #1) Richard S. Tuttle 2013-01-24 It has been four hundred years since the Mage Wars ended, and Terrus the Liberator banished the mage lords to the island of Lantana. Since that time, the continent of Amica has been free from their destructive influences, but an archivist fears that sacred vow is being broken, and he is willing to risk his life to stop it. Indeed, he willing to risk all of Lantana to foil the evil plot. Marcus is an apprentice blacksmith in his father's village forge. His ambition is to become the best blacksmith he can, but fate holds a different future for young Marcus of Kor. When a dark stranger appears in the forge with a black, hiltless sword made of an unknown metal, Marcus is propelled on a dangerous adventure that will change the world. Along his path, Marcus will have to deal with a rebel spymaster whose goal is to mold a young captive into a deadly assassin, a cloaked stranger whose focus is on ancient history with an urgency to avoid a feared future, a young warrior woman who befriends everyone yet trusts no one, a noble's son with an eye for archery and a yearning for adventure, a once benevolent king who has mysteriously grown evil and greedy, an elite military group willing to slaughter entire villages to please their masters, and a general who knows that the world has gone awry but feels helpless to change it.

Avenging Shadow is a tale of adventure, magic, intrigue, betrayal, and bravery. While it is a story of a young man's struggle for justice, it also a story of friendship and the binding of diverse goals in a gripping saga of daring and hope.

Polymath John Brunner 2011-09-29 Colonising a new planet requires much more than just settling on a newly discovered island of Old Earth. New planets were different in thousands of ways, different from Earth and from each other. Any of those differences could mean death and disaster to a human settlement. When a ship filled with refugees from a cosmic catastrophe crash-landed on such an unmapped world, their outlook was precarious. Their ship was lost, salvage had been minor, and everything came to depend on one bright young man accidentally among them. He was a trainee planet-builder. It would have been his job to foresee all the problems necessary to set up a safe home for humanity. But the problem was that he was a mere student - and he had been studying the wrong planet. Bedtime Stories for the Apocalypse, Volumes 1 - 3 Joel Arnold 2015-10-24 All three volumes of Joel Arnold's popular BEDTIME STORIES FOR THE APOCALYPSE series gathered together in ONE omnibus edition! Over thirty stories of horror and sci-fi, including bonus stories by Daniel Pyle and H.P. Lovecrabbe! These are the kind of bedtime stories that will keep you reading far into the night! "'Bedtime Stories' is a wonderful collection of short stories all linked together with an unsettling distrust of the future...Any fan of either horror or short stories should be willing to give this collection a shot. Delightfully macabre." - David Dalglish, author of the 'Shadowdance' and 'Half-Orcs' series, on Volume 1 "They're chilling in the classic campfire story way, but all the more frightening for the dark societies they posit for perhaps the not-so-far future." - Isabela Morales on Volume 1

The O.C.L.T. Omnibus David Niall Wilson 2015-04-17 There are incidents and emergencies in the world that defy logical explanation, events that could be defined as supernatural, extraterrestrial, or simply otherworldly. Standard laws do not allow for such instances, nor are most officials or authorities trained to handle them. In recognition of these facts, one organization has been created that can. Assembled by a loose international coalition, their mission is to deal with these situations using diplomacy, guile, force, and strategy as necessary. They shield the rest of the world from their own actions, and clean up the messes left in their wake. They are our protection, our guide, our sword, and our voice, all rolled into one. They are O.C.L.T. BROUGHT TO LIGHT - by Aaron Rosenberg - When a world-renowned scientist with a high-level security clearance goes missing in Uppsala, Sweden, and then a trained CIA operative follows suit, the DIA (Defense Intelligence Agency) taps Reed Christopher Hayes ("R. C." to his friends and "Crease" to his teammates) and the rest of his Military Intelligence unit to investigate. What they find lurking in the shadows of that quiet little city defies belief. The real question, though, is can they take it down before more lives are lost—including their own? THE PARTING - by David Niall Wilson - A vision from ancient Egypt

and a call from an old acquaintance send Rebecca York, mystic, occult expert, and adventurer to Arizona, and then Jerusalem and the Dead Sea to prevent a horrifying attack from the annals of history. Rebecca and computer expert Wendell "Mack" Macklemore team up with a renegade Vatican monk, a street urchin from Jerusalem, and an agent of the Mossad to prevent Amunet, an Egyptian sorceress, from exacting an ancient revenge and unleashing a terrorist attack that could plunge the Middle East into an era of darkness. THE TEMPLE OF CAMAZOTZ - Headless bodies are turning up along the Mexican border. The Mexican government blames overzealous US Border guards. The border guards blame drug runners. In a village just on the Mexican side of the border, they have other ideas. There are legends, older even than the Mayan civilization that has died away, of a God. A bat-headed vengeful demon. Someone is fanning the flames of that superstition, and the piles of bodies continue to grow. Geoffrey Bullfinch, folklorist, dabbler in the occult, and Wendell "Mack" Macklemore, computer genius and extreme sports enthusiast are called down to investigate. There are plenty of questions, but can they find the answers before the body count gets too high? Is it possible that they should have let sleeping gods lie? INCURSION - R.C. Hayes has settled into his job with the FBI, and put behind him the strange incident that ended his military career. But when he and his partner are sent to the Flathead Indian Reservation in Montana to look into a murder, events take an unsettling and eerily familiar turn. R.C. struggles to solve the case as deaths pile up around him and as the situation takes a decidedly unnatural cast. With the help of a mysterious new ally, he may finally come to terms with what happened to him long ago—and enter a strange new career he is uniquely suited for. Provided he can survive the incursion of supernatural elements into his supposedly safe and mundane world.

Coming Home Rebecca Barber 2016-09-14 Running away was Zoe Sinclair's answer to her problems... Zoe has missed too much since she fled home ten years ago. Now it is finally time to go back. And with her friend's birthday party days away, it is the perfect opportunity. On her way into town, her car breaks down, and then she's attacked and left for dead among the dirt and dust on the roadside. Spencer McLaren never left home, but his heart did. In the same moment Zoe fled... Spencer had always been in Zoe's life. Every time she'd needed him, he'd been there, arms open wide. When he spots a broken and battered Zoe stumbling along the side of the road, he can't help but swoop in and rescue her. He rushes her to the hospital, but when she's released, he can't seem to let her go. Not again. Physically, Zoe feels fine. Emotionally, her head and her heart are a disaster... Spencer takes Zoe into his home and assigns himself the task of guardian and nurse. But her return puts strain on Spencer's relationship with his brother, who isn't happy to see Spencer falling for the girl who broke his heart again. Zoe knows she should leave, but her attacker is still out there, and being with Spencer is the only place she feels safe. She wants to make up for the pain she caused him in the past, but the attack has left her so broken and scared. Despite Zoe's hesitations and constant battle to keep her emotions in check, Spencer is determined to keep her safe and make her never regret finally... Coming Home.

The Girl in Red Christina Henry 2019-06-18 From the national bestselling author of Alice comes a postapocalyptic take on the perennial classic "Little Red

Riding Hood"...about a woman who isn't as defenseless as she seems. It's not safe for anyone alone in the woods. There are predators that come out at night: critters and coyotes, snakes and wolves. But the woman in the red jacket has no choice. Not since the Crisis came, decimated the population, and sent those who survived fleeing into quarantine camps that serve as breeding grounds for death, destruction, and disease. She is just a woman trying not to get killed in a world that doesn't look anything like the one she grew up in, the one that was perfectly sane and normal and boring until three months ago. There are worse threats in the woods than the things that stalk their prey at night. Sometimes, there are men. Men with dark desires, weak wills, and evil intents. Men in uniform with classified information, deadly secrets, and unforgiving orders. And sometimes, just sometimes, there's something worse than all of the horrible people and vicious beasts combined. Red doesn't like to think of herself as a killer, but she isn't about to let herself get eaten up just because she is a woman alone in the woods....

Aeon Society: Collection Books 1-3 J.R. Pearse Nelson 2021-11-03 A secret society guards the gates between worlds...but they're not all good guys. Step through the gates to a new world of magic. In Aeon, powers are perilous. Wisdom is scarce. Fear is ever present. And love still wins. ***A collection of the first three novels in the Aeon Society fantasy romance series. *** The series begins with Storm Crossing... The mission sounds simple. Travel to Earth, collect the commander's daughter, and bring her back to Aeon. But any thought of simple ends when Caleb meets the woman in question. Bristol thought she'd always have to hide her power. Until a leather-clad warrior like something out of a fantasy novel steps into her library and speaks her name. She doesn't want to follow him, but his message could only come from one source: Her mother. Rosaline is a traveler, unreliable...a flake. They share the gift of storm and little else. What Caleb says can't possibly be true. Mom would have told her if she was one of the leaders of a magical secret society...wouldn't she? Caleb prides himself on always doing the right thing...for everyone else. It's never been hard to put duty first in the past. But when Bristol is threatened, his need to protect her has nothing to do with the commander's orders. Simple is beginning to look like an illusion... ***** This collection includes three Aeon Society fantasy romance novels, Storm Crossing, Magic Reigns, and Visions of Flame.

Misrule Heather Walter 2022-05-10 Does true love break curses or begin them? The dark sorceress of "Sleeping Beauty" reclaims her story in this sequel to Malice. "Fans of reimagined fairy tales and LGBTQ+ themes will be delighted with the conclusion of this fantasy duology."—Booklist (starred review) The Dark Grace is dead. Feared and despised for the sinister power in her veins, Alyce wreaks her revenge on the kingdom that made her an outcast. Once a realm of decadence and beauty, Briar is now wholly Alyce's wicked domain. And no one will escape the consequences of her wrath. Not even the one person who holds her heart. Princess Aurora saw through Alyce's thorny facade, earning a love that promised the dawn of a new age. But it is a love that came with a heavy price: Aurora now sleeps under a curse that even Alyce's vast power cannot seem to break. And the dream of the world they would have built together is nothing but ash. Alyce vows to do anything to wake the woman she loves, even if it means turning into the monster Briar believes her to be. But could Aurora love the villain Alyce has become? Or is true love only for fairy tales? Book Two of the Malice Duology

Worlds of The Golden Queen David Farland 2005-06 Originally published as two books, *Worlds of the Golden Queen* is a stellar tale of love, adventure, sacrifice, and war set in a fantastic future. In the first novel, *The Golden Queen*, the insectoid Dronons have slain the human queen Semarritte, throwing into chaos the ten thousand worlds over which she reigned. Desperate to save mankind, Lord Veriasse, her near-immortal consort, has created a new queen: Everynne, cloned from the dead original. Hotly pursued, Everynne falls in with cocky bodyguard Gallen O'Day; the pious Orick, an intelligent black bear; and the beautiful orphan Maggie Flynn. With Gallen and the others newly sworn to her service, the young queen begins the great struggle against the aliens. Leaping from world to world via an ancient system of instantaneous transport gates, the heroes face terrible dangers and great wonders as they seek the heart of the dronon worlds, carrying the battle straight to the enemy. In the second novel, *Beyond the Gate*, Maggie Flynn has become, by test of combat, the new Golden Queen. Gallen, Maggie, and Orick face an attack by Dronons on a planet where humans have achieved the pinnacle of genetic engineering. They must stop them while guarding the secret of Maggie's whereabouts, for she is only the Golden Queen until her champion, Gallen, is defeated by a Dronon challenger. In the midst of a slam-bang story, Farland raises and examines deep questions of humanity's definition and identity.

Mistborn trilogy, and the Stormlight Archive. Spensa's life as a Defiant Defense Force pilot has been far from ordinary. She proved herself one of the best starfighters in the human enclave of Detritus and she saved her people from extermination at the hands of the Krell—the enigmatic alien species that has been holding them captive for decades. What's more, she traveled light-years from home as an undercover spy to infiltrate the Superiority, where she learned of the galaxy beyond her small, desolate planet home. Now, the Superiority—the governing galactic alliance bent on dominating all human life—has started a galaxy-wide war. And Spensa's seen the weapons they plan to use to end it: the Delvers. Ancient, mysterious alien forces that can wipe out entire planetary systems in an instant. Spensa knows that no matter how many pilots the DDF has, there is no defeating this predator. Except that Spensa is Cytonic. She faced down a Delver and saw something eerily familiar about it. And maybe, if she's able to figure out what she is, she could be more than just another pilot in this unfolding war. She could save the galaxy. The only way she can discover what she really is, though, is to leave behind all she knows and enter the Nowhere. A place from which few ever return. To have courage means facing fear. And this mission is terrifying.

Awakening (The Witch Who Came in from the Cold Season 2 Episode 1) Lindsay Smith 2017-02-08 The Cold War gets magical when spies brush shoulders with sorcerers in this genre-defying serial created by Lindsay Smith and Max Gladstone. This is the 1st episode in the second season of The Witch Who Came In From The Cold, a 13-episode serial from Serial Box Publishing. This episode written by Lindsay Smith. The spies and sorcerers of Prague face hard questions and increased oversight in the wake of last season's explosive events. On the Vltava, a Flame op goes up in literal flames when a mysterious interloper joins the fray. Welcome to Prague, 1970: the epicenter in a Cold War of spies and sorcerers. The streets are a deadly chessboard on which the CIA and KGB make their moves, little dreaming that a deeper game is being played between the Consortium of Ice and the Acolytes of Flame, ancient factions of sorcery. Praise for The Witch Who Came in from the Cold: "Those who like to mix magic, spycraft, and secret history should enjoy this—it may please fans of Stross's Laundry series." —Locus Magazine "Full of fast-paced, high-intensity action paired with magic at a level that has not been seen until now, with a cliff-hanger that lets readers know that the game is not over and has only just begun." —The San Francisco Book Review "The Witch Who Came in from the Cold is a chilly evocation of a different kind of Cold War." —Charles Stross, author of the Laundry Files series "Take a double shot of Le Carré, a dash of Deighton, a twist of Quiller, a splash of Al Stewart's The Year of the Cat, throw in a jigger full of elemental magic, mix well ... and voilà! The Witch Who Came In From The Cold." —Victor Milán, author of The Dinosaur Lords "The occult love child of John le Carre and The Sandbaggers." —Marie Brennan, author of A Natural History of Dragons "As soon as I saw that, I was instantly hooked, and the pilot jacked the intrigue to the max. Two female Soviet spy witches, an American spy with something weird drilling magical holes in his head, and a world of secrets within secrets in a locale where old-world myth and the Cold War face off, pedal to the metal . . . it's awesome. Or as we said in 1970, Far out. " —Sherwood Smith, author of Crown Duel "The installments are easy to read one at a time, but the tangles of alliances, secrets, and shocking double-crosses will have readers up all night mumbling, "Just one more." —Publishers Weekly, starred review

Blood Eye Giles Kristian 2012-08-28 A Viking adventure, packed with battles, blood and gore, Raven is historical fiction at its very best, and marks the debut of an outstanding new talent. For two years Osric has lived a simple

life, apprenticed to the mute old carpenter who took him in when others spurned him. But when Norsemen from across the sea burn his village, Osríc is taken prisoner by these warriors. Their chief, Sigurd the Lucky, believes the Norns have woven this strange boy's fate together with his own, and Osríc begins to sense glorious purpose among this fellowship of warriors. Immersed in the Norsemen's world and driven by their lust for adventure, Osríc proves a natural warrior and forges a blood bond with Sigurd, who renames him Raven. But the Norsemen's world is a savage one, where loyalty is often repaid in blood and where a young man must become a killer in order to survive. When the Fellowship faces annihilation from ealdorman Ealdred of Wessex, Raven chooses a bloody and dangerous path, accepting the mission of raiding deep into hostile lands to steal a holy book from Coenwolf, King of Mercia. There he will find much more than the Holy Gospels of St Jerome. He will find Cynethryth, an English girl with a soul to match his own. And he will find betrayal at the hands of cruel men, some of whom he regards as friends.

Temptress Lola Dodge 2019-11-12 "My two favorite things in one book - superheroes and romance - uh YES PLEASE!" -Literary George A seductress. A super brain. She's an indie operative who only works alone, stealing other super heroes' powers with a kiss and bringing down the bad guys. Those stolen powers add up to a crazy arsenal, but Temptress isn't built for super strength and shooting laser beams. Her body is falling apart and a teensy mission slip-up gets her tangled with the Manhattan Ten. He's the M10's leader. The man, the myth, the Mensa-conquering legend. Nothing escapes Thinktank's calculations... Until a run-in with Temptress leaves him powerless. Superpowers stolen with a kiss can only be returned with a kiss. Natural enemies can only get closer. And closer. And closer... It's love at first fight in the second volume of the Manhattan Ten Series. [A novella-length superhero romance of 30K words. Rated 18+ for adult language and some sexual content. Perfect reading for fans of Jennifer Estep's Bigtime series and Lexi Dunne's Superheroes Anonymous.] The Manhattan Ten Series: 1. Ivory - October 2019 2. Temptress - November 2019 3. Belle Fury - December 2019 4. Angel - January 2020

Strands of Starlight Gael Baudino 2013-12-10 In the first book of the epic Strand Novels, a victimized young woman sets out to avenge the wrongs committed against her and her elven protectors In the mid-fourteenth century, when the lands of Adria are replete with violence and intolerance, plot and counterplot, Miriam—an uncommonly gifted healer—is accused of witchcraft by the Inquisition, imprisoned, and tortured. After escaping, she is assaulted by Roger, baron of Aurverelle, who violates her and then leaves her for dead. Her salvation appears in the form of Varden, an Elf of Malvern Forest, whose magic first heals her, then provides her with the strength and stature she requires to pursue her revenge against those who have so grievously wronged her. Thus begins Miriam's battle against her past, against her present, and even, in the
