The Bridge Home Padma Venkatraman 2020 "Readers will be captivated by this beautifully written novel about young people who must use their instincts and grit to survive. Padma infuses her story with hope and bravery that will inspire readers."--Aisha Saeed, author of the New York Times Bestseller *Amal Unbound* Four determined homeless children make a life for themselves in Padma Venkatraman's stirring middle-grade debut. Life is harsh on the teeming streets of Chennai, India, so when runaway sisters Viji and Rukku arrive, their prospects look grim. Very quickly, eleven-year-old Viji discovers how vulnerable they are in this uncaring, dangerous world. Fortunately, the girls find shelter--and friendship--on an abandoned bridge that's also the hideout of Muthi and Arul, two homeless boys, and the four of them soon form a family of sorts. And while making their living scavenging the city's trash heaps in the pits, the kids find plenty to take pride in, too. After all, they are now the bosses of themselves and no longer dependent on untrustworthy adults. But when illness strikes, Viji must decide whether to risk seeking help from strangers or to keep holding on to their fragile, hard-fought freedom.

Walk Like a Man Mani Hayre 2021-10-05 Amraj "AJ" Rai was born into two worlds: one as a first-generation UK Punjabi Sikh, the other as a disabled child. From the onset, his parents were told that their eldest child would not amount to much in life due to his limited physical ability. Based on the real-life events of Amoj Raju, *Walk Like a Man* follows the trials and tribulations of navigating a world not designed for disabled people. In Amoj's case, it led to a hidden life of depression. Amoj has battled societal norms as a disabled man to make his place in the world. He has overcome many obstacles and assumptions thrown at him, and he has made a real difference to the community around him. *Walk Like a Man* is co-authored by Mani Hayre, a writer who helped bring Amoj's story to life through the eyes of our main protagonist AJ. AJ has his own yet very similar path, and in this semi-autobiographical book, you will walk right beside him facing no end of challenges in a life filled with meaning and purpose.

Why India Votes? Mukulika Banerjee 2017-09-19 *Why India Votes?* offers a fascinating account of the Indian electorate through a series of comprehensive ethnographic explorations conducted across the country — Delhi, Uttar Pradesh, Bihar, West Bengal, Chhattisgarh, Madhya Pradesh, Tamil Nadu, Kerala, Maharashtra, Gujarat, and Rajasthan. It probes the motivations of ordinary voters, what they think about politicians, the electoral process, democracy and their own role within it. This book will be useful to scholars and students of political science, anthropology and sociology, those in media and politics, and those interested in elections and democracy as also the informed general reader.

Warraparna Kurna! Rob Amery 2016-02-22 This book tells the story of the renaissance of the Kurna language, the language of Adelaide and the Adelaide Plains in South Australia, principally over the earliest period up until 2000, but with a summary and brief discussion of developments from 2000 until 2016. It chronicles and analyses the efforts of the Nunga community, and interested others, to reclaim and relearn a linguistic heritage on the basis of mid-nineteenth-century materials. This study is breaking new ground. In the Kurna case, very little knowledge of the language remained within the Aboriginal community. Yet the Kurna language has become an important marker of identity and a means by which Kurna people can further the struggle for recognition, reconciliation and liberation. This work challenges widely held beliefs as to what is possible in language revival and questions notions about the very nature of language and its development.

Pregnancy, Childbirth, Postpartum, and Newborn Care World Health Organization. Reproductive Health and Research 2003 This guide provides a full range of updated, evidence-based norms and standards that will enable health care providers to give high quality care during pregnancy, delivery and in the postpartum period, considering the needs of the mother and her newborn baby. All recommendations are for skilled attendants working at the primary level of health care, either at the facility or in the community. They apply to all women attending antenatal care, in delivery, postpartum or post-abortion care, or who come for emergency care, and to all newborns at birth and during the first week of life (or later) for routine and emergency care. This guide is a guide for clinical decision-making. It facilitates the collection; analysis, classification and use of relevant information by suggesting key questions, essential observations and/or examinations, and recommending appropriate research-based interventions. It promotes the early detection of complications and the initiation of early and appropriate treatment, including time referral, if necessary. Correct use of this guide should help reduce high maternal and perinatal mortality and morbidity rates prevalent in many parts of the developing world, thereby making pregnancy and childbirth safer.

Logotherapy and Existential Analysis Alexander Batthyány 2016-04-08 This landmark volume introduces the new series of proceedings from the Viktor Frankl Institute, dedicated to preserving the past, disseminating the present, and anticipating the future of Franklian existential psychology and psychotherapy, i.e. logotherapy and existential analysis. Wide-ranging contents keep readers abreast of current ideas, findings, and developments in the field while also presenting rarely-seen selections from Frankl's work. Established contributors report on new applications of existential therapies in specific (OCD, cancer, end-of-life issues) and universal (the search for meaning) contexts as well as intriguing

possibilities for opening up dialogue with other schools of psychology. And this initial offering establishes the tenor of the series by presenting varied materials across the field, including: Archival and unpublished articles and lectures by Frankl. Peer-reviewed studies on logotherapy process, measures, and research. New case studies using logotherapy and existential analysis in diverse settings. Papers advocating cross-disciplinary collaboration. Philosophical applications of existential psychology. Critical reviews of logotherapy-related books. Volume 1 of Logotherapy and Existential Analysis will attract a wide audience, including psychologists (clinical, social, personality, positive), psychotherapists of different schools, psychiatrists in private practice, and researchers in these fields. Practitioners in counseling, pastoral psychology, coaching, and medical care will also welcome this new source of ideas and inspiration.

The Diary of a Young Girl Anne Frank 2010-09-15 THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Island's End Padma Venkatraman 2011-08-04 From the acclaimed author of *Climbing the Stairs* comes a fascinating story set on a remote island untouched by time. Uido is ecstatic about becoming her tribe's spiritual leader, but her new position brings her older brother's jealousy and her best friend's mistrust. And looming above these troubles are the recent visits of strangers from the mainland who have little regard for nature or the spirits, and tempt the tribe members with gifts, making them curious about modern life. When Uido's little brother falls deathly ill, she must cross the ocean and seek their help. Having now seen so many new things, will Uido have the strength to believe in herself and the old ways? And will her people trust her to lead them to safety when a catastrophic tsunami threatens? Uido must overcome everyone's doubts, including her own, if she is to keep her people safe and preserve the spirituality that has defined them. Drawing on firsthand experience from her travels to the Andaman Islands, Padma Venkatraman was inspired to write this story after meeting natives who survived the 2004 tsunami and have been able to preserve their unique way of life. Uido's transformation from a young girl to tribal leader will touch both your heart and mind.

History, Power, Text Timothy Neale 2014-01-01 *History, Power, Text: Cultural Studies and Indigenous Studies* is a collection of essays on Indigenous themes published between 1996 and 2013 in the journal known first as *UTS Review* and now as *Cultural Studies Review*. This journal opened up a space for new kinds of politics, new styles of writing and new modes of interdisciplinary engagement. *History, Power, Text* highlights the significance of just one of the exciting interdisciplinary spaces, or meeting points, the journal enabled. 'Indigenous cultural studies' is our name for the intersection of cultural studies and Indigenous studies showcased here. This volume republishes key works by academics and writers Katelyn Barney, Jennifer Biddle, Tony Birch, Wendy Brady, Gillian Cowlshaw, Robyn Ferrell, Bronwyn Fredericks, Heather Goodall, Tess Lea, Erin Manning, Richard Martin, Aileen Moreton-Robinson, Stephen Muecke, Alison Ravenscroft, Deborah Bird Rose, Lisa Slater, Sonia Smallacombe, Rebe Taylor, Penny van Toorn, Eve Vincent, Irene Watson and Virginia Watson—many of whom have taken this opportunity to write reflections on their work—as well as interviews between Christine Nicholls and painter Kathleen Petyarre, and Anne Brewster and author Kim Scott. The book also features new essays by Birch, Moreton-Robinson and Crystal McKinnon, and a roundtable discussion with former and current journal editors Chris Healy, Stephen Muecke and Katrina Schunke.

A Distinctive Voice in the Antipodes Kirsty Gillespie 2017-07-17 This volume of essays honours the life and work of Stephen A. Wild, one of Australia's leading ethnomusicologists. Born in Western Australia, Wild studied at Indiana University in the USA before returning to Australia to pursue a lifelong career with Indigenous Australian music. As researcher, teacher, and administrator, Wild's

work has impacted generations of scholars around the world, leading him to be described as ‘a great facilitator and a scholar who serves humanity through music’ by Andrée Grau, Professor of the Anthropology of Dance at University of Roehampton, London. Focusing on the music of Aboriginal Australia and the Pacific Islands, and the concerns of archiving and academia, the essays within are authored by peers, colleagues, and former students of Wild. Most of the authors are members of the Study Group on Music and Dance of Oceania of the International Council for Traditional Music, an organisation that has also played an important role in Wild’s life and development as a scholar of international standing. Ranging in scope from the musicological to the anthropological—from technical musical analyses to observations of the sociocultural context of music—these essays reflect not only on the varied and cross-disciplinary nature of Wild’s work, but on the many facets of ethnomusicology today.

Pregnancy, Childbirth, Postpartum and Newborn Care World Health Organization 2016-11-15
Pregnancy, childbirth, postpartum and newborn care: a guide for essential practice (3rd edition) (PCPNC), has been updated to include recommendations from recently approved WHO guidelines relevant to maternal and perinatal health. These include pre-eclampsia & eclampsia; postpartum haemorrhage; postnatal care for the mother and baby; newborn resuscitation; prevention of mother-to-child transmission of HIV; HIV and infant feeding; malaria in pregnancy, interventions to improve preterm birth outcomes, tobacco use and second-hand exposure in pregnancy, post-partum depression, post-partum family planning and post abortion care. The aim of PCPNC is to provide evidence-based recommendations to guide health care professionals in the management of women during pregnancy, childbirth and postpartum, and newborns, and post abortion, including management of endemic diseases like malaria, HIV/AIDS, TB and anaemia. The PCPNC is a guide for clinical decision-making. All recommendations are for skilled attendants working at the primary level of health care, either at the facility or in the community. They apply to all women attending antenatal care, in delivery, postpartum or post abortion care, or who come for emergency care, and to all newborns at birth for routine and emergency care.

Shri Sai Satcharita Govind Raghunath Dabholkar 1999 Translated from original Marathi by Indira Kher, this work is a verse composition containing the known facts about Shri Sai Baba's life at Shirdi, and also his teachings seeks to meet a long-felt need. This is the Bible of Sai devotees in every sense of the term,

In its veracity, sanctity, faith and devotion that it inspires and the deep satisfaction, a sense of fulfilment that it brings to the devotee, it has no equal. Its sanctity derives from the fact that its idea was conceived during Baba's lifetime and with his blessings and express permission. For those unaware of Shri Sai Satcharita it is necessary to add that in the original it runs into 53 chapters and contains over 9,000 verses. Every chapter has a judicious mixture of philosophy, stories and anecdotes along with the Baba's teachings.

Gender, Modernity & Indian Delights Goolam H. Vahed 2010 "For decades, South Africans aspiring to make the perfect biryani have turned to Indian Delights, the best selling cookbook produced by Zuleikha Mayat and the Women's Cultural Group. This is the story of the women behind the recipes; it is an account that brings to life the changing, gendered worlds of Muslim women in 20th century Durban. Through a blend of scholarly rigour and compelling biography, this book reveals how a group of women, who were formally excluded from both political and customary power, nevertheless forged a vibrant citizenship and public life for themselves. In the midst of unfolding global and local transformation, apartheid, feminism, doctrinal shifts in Islam - the members of the Women's Cultural Group were themselves agents of change, not only within the local communities that benefited from their proficient and varied labours, but in the making of South African modernity. Academic historians Goolam Vahed and Thembisa Waetjen have constructed a multilayered narrative that captures the spirit and housewifely appeal of their subjects. A fascinating read for anyone interested in local history, gender identity, and Islam in the Indian-Ocean region"--<http://www.exclusives.co.za>.

Guns & Thighs Ram Gopal Varma 2015-12-01 In these delightfully candid musings about his life and his cinema, RGV reveals the man behind pioneering Telugu and Hindi films such as Shiva, Rangeela, Satya, Sarkar, Bhoot and Company. Discussing a wide range of subjects, from the influences and circumstances that drew him to films to his cinematic techniques, his successful and unsuccessful films, his Bollywood idols, his relations with the media and the controversies dogging him, Guns & Thighs is as much about RGV's life and philosophy of life as about his films and the Indian film world. Characteristically, he pulls no punches, whether he's talking about movies, women or the media. Even when it comes to his own films, he embraces his failures as much his successes and dissects them with rare honesty and humility. Refreshingly contrarian and politically incorrect, this book discloses a perspective as colourful and larger than life as Indian films. It is not for RGV fans alone but for all those passionate about cinema and the people associated with it.
