Language Mixing in Infant Bilingualism Elizabeth Lanza 2004 Examines the simultaneous acquisition of Norwegian and English by two first-born children each with one American and one Norwegian parent. Investigates the issue of language mixing in relation to language dominance and the child's differentiation between the two languages in relation to the communicative demands of the context. The paperback edition of Elizabeth Lanza's classic investigation of infant bilingualism includes a new section assessing recent research and contains an extensive updated bibliography.

Beat Literature in a Divided Europe 2019-01-03 Beat Literature in Europe offers in-depth analyses of how European authors and intellectuals working in different kind of political contexts read, translated and appropriated American Beat literature from the late 1950s to the present.

Sophie's World Jostein Gaarder 2007-03-20 One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

Welcome Aboard Penny Jarrett 2020-11-06 After leaving her job in Hawaii and a failed relationship, moving to Los Angeles and knowing that she was literally going to starve to death at her new job, which was total commission, Penny read about a job in the newspaper that said, 'Sail, see the world, travel.' Thinking it was the Navy but knowing that she had to have a job, she applied. Fortunately for her, it turned out to be a cruise company that offered her a job in the gift shops on board a ship. She accepted, having never b

The Princess Doll's Scrapbook Elaine Melby Ayre 2014-12-05 "...imparts evanescent visions of oceans crossed and lands traversed from the late 1800s and grounds the reader to the present time. Beginning in Norway and culminating in Canada, a lovingly crafted outline of the author's rich family history..." "...more than the record of an heirloom or a family tree;...the reconstruction of the story of a

family, rooted and established in love, sharing an unshakeable faith, and reaping the blessing of a clan that has spanned centuries. ...a compelling work— because of the universal appeal of seeking out one's family history, and the sense of timeless belonging revealed throughout... a haunting, yet comforting story that shares the same interesting elements of famous stories...that explore the details of pioneer living..." "...I...compliment you on your thorough, thoughtful research and your writing style. This book is a real treasure! It will appeal to a variety of readers:...young and old...anyone interested in Norwegian immigrant stories or who want to know something about researching family history and learn...what drew relatives to Canada a century ago...and about the adventure of doing research about things of value to us."

There is a Season Margaret Pritchard Houston 2013-03-21 Would you like to plan liturgical celebrations that are accessible to children while remaining true to the riches of the Anglican tradition? Then this book is for you. Drawing on her experience as a children's worker and primary school teacher, Margaret Pritchard Houston provides a whole year's worth of material to celebrate the church year with children.

Nordic Tales Chronicle Books 2019-08-13 Trolls haunt the snowy forests, and terrifying monsters roam the open sea. A young woman journeys to the end of the world, and a boy proves he knows no fear. This collection of 16 traditional tales transports readers to the enchanting world of Nordic folklore. Translated and transcribed by folklorists in the 19th century, and presented here unabridged, the stories are by turns magical, hilarious, cozy, and chilling. They offer a fascinating view into Nordic culture and a comforting wintertime read. Ulla Thynell's glowing contemporary illustrations accompany each tale, conjuring dragons, princesses, and the northern lights. This special gift edition features an embossed, textured case and a ribbon marker.

When Children Become Parents Daguerre, Anne 2006-11 Teenage parenthood is recognised as a significant disadvantage in western industrialised nations. It has been found to increase the likelihood of poverty and to reinforce inequalities. This book explores, for the first time, the links between welfare state provision and teenage reproductive behaviour across a range of countries with differing welfare regimes. Drawing on both welfare state and feminist literature, as well as on new empirical evidence, the book compares public policy responses to teenage parenthood in each 'family' of welfare regime: Nordic, Liberal and Continental (Western European); analyses the different socio-political contexts in which teenage pregnancy is constructed as a social problem and identifies best practice in Europe and the USA. Countries included in the study are the UK, USA, New Zealand, France, Italy, Poland, Denmark, Norway, the Canadian province of Quebec and Russia. The contributors are all internationally recognised experts in the fields of welfare and/or gender studies. *When children become parents* is important reading for a wide audience of students, policy makers, practitioners and academics in sociology, social policy, social geography, education, psychology, and youth and gender studies.

The Mystery of Nils. Part 1 - Norwegian Course for Beginners. Learn Norwegian - Enjoy the Story. Werner Skalla 2014-05-07 We all hate text books that begin with "Hello, what's your name?,"

don't we? "The Mystery of Nils" is a coherent story, which starts very simply, but develops into a fascinating novel. Can't stop reading? Well then you will have to learn Norwegian! We have carefully selected the most frequently used words in the Norwegian language and made sure that the story is primarily made up of them. Separate texts and exercises focus on conversational topics that will prepare you for living in Norway. Grammar is a headache? Not with "The Mystery of Nils." Uncover the structure of the Norwegian language with pictures, casual yet comprehensive explanations, and a lot of easy to remember examples. Repetition is the key to learning a language. At www.skapago.eu/nils you will find a great number of exercises, a vocabulary trainer, videos about pronunciation, and a whole lot more. Our Norwegian teachers have co-created this book. They know all the obstacles you might incur and can help you with individual training. Since we teach through online video conferences, you can take lessons wherever you are on this planet. Schedule a free demo lesson at www.skapago.eu. This is the story: Erna Langvik gives her eight year old granddaughter a special birthday present: a doll inspired by the traditional Norwegian mythical creature "Nisse." Nils as the doll is called leads a happy life with his new family in Oslo. But due to an accident, Nils finds out that he means a lot more to Erna than just being a birthday present. Without knowing it, he has been carrying a painful secret, and during an adventurous trip to Northern Norway, he helps Erna to make one of the most important decisions of her life."

Children's Peer Talk Asta Cekaite 2014-04-03 Inside and outside the classroom, children of all ages spend time interacting with their peers. Through these early interactions, children make sense of the world and co-construct their childhood culture, while simultaneously engaging in interactional activities which provide the stepping stones for discursive, social and cognitive development. This collection brings together an international team of researchers to document how children's peer talk can contribute to their socialization and demonstrates that if we are to understand how children learn in everyday interactions we must take into account peer group cultures, talk, and activities. This book will be of interest to students and researchers in the fields of language acquisition, sociolinguistics, pragmatics and discourse analysis, and related disciplines. It examines naturally occurring talk of children aged from three to twelve years from a range of language communities, and includes ten studies documenting children's interactions and a comprehensive overview of relevant research.

Peeps at the World's Dolls H. W. Canning-Wright 2017-09-06 This vintage book contains an fantastic treatise on the dolls of the world, looking at these timeless children's toys as enjoyed in Russia, China, Great Britain, Switzerland, and many other countries. every recording Chuck Berry has ever made is now universally acknowledged as the standard reference work on the man known throughout the world as 'Mr. Rock & Roll'. Includes an overview of the man's life and career, his influences, the stories behind his most famous compositions, full session details, listings of all his key US/UK vinyl and CD releases (including track details), TV and film appearances, and much, much more. The author presents this wealth of information and his enlightening critiques of Berry's recordings in a lightweight style tinged with humour that makes for a highly entertaining read. Over 100 illustrations including label shots, vintage ads and previously unpublished photographs.

Adventures in Norway Virginia Olcott 1953

The Modern Stage and Other Worlds (Routledge Revivals) Austin E. Quigley 2015-08-11 Modern plays are strikingly diverse and, as a result, any attempt to locate an underlying unity between them encounters difficulties: to focus on what they have in common is often to overlook what is of primary importance in particular plays; to focus on their differences is to note the novelty of the plays without increasing their accessibility. In this study, first published in 1985, Austin E. Quigley takes as his paradigm case the relationship between the world of the stage and the world of the audience, and explores various modes of communication between domains. He asks how changes in the structure of the drama relate to changes in the structure of the theatre, and changes in the role of the audience. Detailed interpretations of plays by Pinero, Ibsen, Strindberg, Brecht, Ionesco, Beckett and Pinter question principles about the modern theatre and establish links between drama structure and theatre structure, theme, and performance space.

Transplant 35th Anniversary Edition Philip Dossick 2011-11-19 "TRANSPLANT is not just a book about heart disease (any more than *First, You Cry* is just a book about breast cancer). It's about people – and they get to you. It's a touching, sweet, tough book – and it rings true." -BETTY ROLLIN "I got utterly hooked – it's Edith and Archie Bunker catapulted to greatness by an existential crisis they could never have dreamed of. A testament to the miracle of people growing, almost in spite of themselves. Very gripping and moving." – EDA LeSHAN "TRANSPLANT is a very moving account of how a family responded to the terrible stresses of severe heart disease. If the Hurleys are the ordinary people they would seem to be, there is hope for the human race. Transplant shows that humor, courage, wisdom, and tolerance are alive and well. It's a fine book." – WILLIAM A. NOLEN, M.D. Philip Dossick is one of America's finest writers. - DAVID SUSSKIND

Norwegian Knits with a Twist Arne & Carlos 2019-01-04 Traditional embroidery, tapestry, and knitting motifs from Setesdal, in the south of Norway, are brilliantly reconceived in this fabulously fresh collection of knitting projects from Arne and Carlos. Through experience gained from working alongside Scandinavia's most respected knitters, Arne and Carlos seek to preserve tradition—with their own creative "twist"! Over 30 patterns promise endless sources of delight and inspiration: men's and women's sweaters, pillows, hats, cowls, mittens, wrist and leg warmers, socks, blankets, and so much more! Includes gorgeous photographs, step-by-step instructions, and pattern diagrams.

A Doll's House Henrik Ibsen 2018-05-23 Reproduction of the original: *A Doll's House* by Henrik Ibsen

Growing Up in Norway, 800 to 1990 Floyd Mansfield Martinson 1992 Floyd M. Martinson's book is an ethnographic study of the daily life of children in Norway from the ninth century to the last decade of the twentieth century. Martinson focuses on the ways in which the care and supervision of children, which at one time was the responsibility solely of the family, has become a public concern. Martinson discusses five perspectives that have influenced the lives of Norwegian children through the generations: as the private property of their family, as participants in the economic and social life of family and community, as inherently evil creatures, as incomplete adults in the process of becoming adults, and as citizens with freedoms and rights. The last view, the currently prevalent one, has initiated changes, some of which are unique to Norway. In the 1980s, two social agencies for children were established: a national office of the Commissioner of Children (a child ombud whose duty it is to attend to the needs and concerns of children) and the National Center for Child Research, which is responsible for stimulating research on child life and disseminating information to child-serving organizations and to the general public. This extraordinary book is not only for the scholar or individual interested in Scandinavian, or specifically Norwegian, culture and history. It will interest all who value the lives of children, their impact upon a culture, and a society's regard and treatment of them.

Baby Names Made Easy Amanda Elizabeth Barden 2009-02-10 LOOKING FOR A NAME THAT MEANS SOMETHING SPECIAL TO YOU? Given the dizzying array of choices available, picking the right name for your baby can be daunting. Why waste hours looking through one long alphabetical list of names just to burn out even before you've run through A, B, and C? In this creative twist on the traditional name book, *Baby Names Made Easy* offers selections organized into categories of meaning, making it easier than ever to choose a name that is significant to you. Traditional or trendy, American in origin or from all over the globe, the names here cover an array of topics. For example, look under: Animals & Insects (and find "Naia" -- Hawaiian for "dolphin") Victory (and find "Vincent" -- Latin for "conquerer") Love & Affection (and find "Mia" -- Italian for "mine") Religion & Faith (and find "Dev" -- Sanskrit for "God") The book's handy alphabetical index makes cross-referencing easy, so you can find the perfect name in no time. *Baby Names Made Easy* is a practical and one-of-a-kind reference for

anyone searching for the most important gift they can give their child.

Encyclopedia of Urban Legends Jan Harold Brunvand 2002 Presents descriptions of hundreds of urban legends and their variations, themes, and scholarly approaches to the genre, including such tales as disappearing hitchhikers and hypodermic needles left in the coin slots of pay telephones.

The witches Salem, 1692 Stacy Schiff 2015 Analyzes the Salem Witch Trials to offer key insights into the role of women in its events while explaining how its tragedies became possible.

Encyclopedia of Urban Legends, 2nd Edition [2 volumes] Jan Harold Brunvand 2012-07-16 This revised edition of the original reference standard for urban legends provides an updated anthology of common myths and stories, and presents expanded coverage of international legends and tales shared and popularized online. • Approximately 300 individual entries for specific urban legends • An introduction provides a brief history of urban legend research • A selected bibliography and reference citations

A Doll's House Henrik Ibsen 2021-02-16 Nora Helmer is a dutiful young wife and mother of three children whose attempt to secure her family's future may ultimately lead to its destruction. Ibsen's play explores female identity and independence in a male dominated society. The Helmer family consists of Torvald and Nora, as well as three children: Ivar, Bobby and Emmy. From the outside, they appear to live a happy and idyllic life. Yet, a secret from Nora's past threatens to destroy everything she loves. One of Torvald's employees blackmails Nora, hoping she can influence her husband in the workplace. When she doesn't succeed, Torvald is informed of her misdeeds. This leads to a life-changing confrontation that forces Nora to reevaluate her marriage and desire for a family. A Doll's House a one of Ibsen's most forward-thinking plays. It was deemed scandalous for its depiction of a wife who prioritizes her own well-being over others. It's an insightful examination of how gender roles dominated nineteenth century Europe. With an eye-catching new cover, and professionally typeset manuscript, this edition of A Doll's House is both modern and readable.
