The Fire Court (James Marwood & Cat Lovett, Book 2) Andrew Taylor 2018-04-05 From No.1 bestselling author Andrew Taylor comes the sequel to the phenomenally successful *The Ashes of London*

Balancing It All Candace Cameron Bure 2014-01-01 "How do you do it all?" That's the question that wife, mom, actress, and best-selling author Candace Cameron Bure is often asked. And it's a question that women everywhere are asking themselves as we seek to balance all of our roles, responsibilities, and opportunities. So, how do we do it? Working since the age of 5, Candace has been in a balancing act for nearly her entire life. She is the first to tell you that there is no miracle formula for perfect execution in every area of your life, but there definitely are some lessons to be learned, lessons that come to life in Candace's story. Come along and dig into Candace's story from her start in commercials, the balance-necessitating years on *Full House*, to adding on the roles of wife and mom while also returning to Hollywood. Insightful, funny, and poignant, Candace's story will help you balance it all.

Lord of the Flies William Golding 2003-12-16 Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted

island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Woman of the Hour Jane Lythell 2016-07-14

Beauty and the Beast Peter Raven 2020 "Beauty and the Beast: California Wildflowers and Climate Change" is a 12 x 12'' beautifully illustrated and designed 264 page coffee table book created by conservation photographers Rob Badger and Nita Winter. Illustrations: 190 stunning images of California's diverse wildflowers and their habitats, from high mountain passes in the Sierra Nevada mountains to below sea level in Death Valley National Park. Essays: Sixteen talented and diverse authors and scientists, most of whom are women, wrote 18 storytelling style essays (1,200 to 1,800 words) about nature, conservation, climate change or taking action. The two younger authors write about hope and action, and what people can do to help create positive change. The book has three sections: The Gift of Beauty, The Human Connection and Ensuring the Future. Because people are constantly hearing about all the negative things going on in the world, Nita and Rob believed there was a need for a different, softer approach to grab people's attention and center it on the climate-change story, and conservation and population issues. They engage their audiences by first inviting them to experience the splendor of the natural world through a universal symbol of beauty, the wildflower, and then educate and inspire them to take some of the simple actions they provide to create positive change and a healthier planet. Their goal is to spread conservation and climate change ideas far beyond native plant and nature lovers, and to plant the seeds to foster action. "Beauty and the Beast" is a 27 year photographic journey into the public lands of California. Lands we all own, lands under constant threat of development or resource extraction, impacts of global warming, sea level rise and wildfires. This book is as much a treasure as the flowers and creatures which are featured within its pages. Nita and Rob extend a hand to you to come in and take a long, slow look around and see what they have seen, experienced and have learned. Book includes two comprehensive indexes and a glossary. Co-published by WinterBadger Press and the California Native Plant Society

Balancing Acts Daniel Lamarre 2022-01-18 In this leadership memoir, take a step backstage at Cirque du Soleil. Vice Chairman Daniel Lamarre shares his experiences leading the awe-inspiring organization, and teaches readers what it takes for anyone, regardless of position or industry, to embrace the value of creative leadership. Without creativity, there is no business. At the core of Cirque du Soleil's lavish, multi-million-dollar productions is Vice Chairman Daniel Lamarre, who has mastered the ability to bring business and creativity together across multiple languages and cultures in a way that has never been seen before. The secrets he shares in *Balancing Acts* are rooted in tremendous faith in your own creative skills, even if you are convinced you have none, and

those of the sharpest minds within your organization. In this book, Daniel shares the untold stories behind Cirque's biggest shows, including Beatles Love, Michael Jackson One, the aquatic marvel, O, and many more. Through these tales of triumph and trials, he will teach you: How to shatter the perceived limitations standing in the way of your ability to think creatively and innovatively; When to step up and when to step back so that your team can create a masterpiece that doesn't break the bank; How in using the methods Daniel has uncovered, modern companies with entrenched bureaucracies can bring creativity and business together to foster innovation; and How to use creative thinking to lead your organization to new heights. Whether you work for one of the most creative organizations on the planet like Cirque du Soleil, in a stuffy corporate job, or somewhere in between—Balancing Acts is filled with principles that can strengthen and accelerate any business on the planet.

Shakespeare and the Actor Lois Potter 2022-05-23 What is a 'Shakespearean actor'? Does the term still have any meaning? Drawing on the biographical and autobiographical accounts of actors and directors, as well as on interviews with actors from a wide range of backgrounds, this book looks at these questions in a variety of contexts, historical and contemporary. A survey of the training of the classical actor, with its increasing vocal and physical demands, considers how it, like its subsequent career path, is affected by class and gender. There is discussion of the uneasy balance of power between actors and directors, rehearsal practice, the difficulties faced by women as performers and directors, and attempts at undirected productions. Other chapters consider the roles that actors do and don't want to play, and why, their relation to the Shakespeare text and editorial practice, the complex relationship between actor and audience, and the popularity of anecdotes about things that go wrong. Throughout, examples are taken, as far as possible, from the author's own long experience of theatregoing. A final chapter looks at new trends in the theatre that have been accelerated by the long period of closure during the pandemic, particularly attempts at greater inclusivity in both actors and audiences. It concludes that the main reason Shakespeare is performed is that actors want to play the roles he wrote.

The Oxford Book of Theatrical Anecdotes Gyles Brandreth 2020-10-08 This is the ultimate anthology of theatrical anecdotes, edited by lifelong theatre-lover Gyles Brandreth in the Oxford tradition, and covering every kind of theatrical story and experience from the age of Shakespeare and Marlowe to the age of Stoppard and Mamet, from Richard Burbage to Richard Briers, from Nell Gwynn to Daniel Day-Lewis, from Sarah Bernhardt to Judi Dench. Players, playwrights, prompters, producers—they all feature. The Oxford Book of Theatrical Anecdotes provides a comprehensive, revealing, and hugely entertaining portrait of the world of theatre across four hundred years. Many of the anecdotes are humorous: all have something pertinent and illuminating to say about an aspect of theatrical life—whether it is the art of playwriting, the craft of covering up missed cues, the drama of the First Night, the nightmare of touring, or the secret ingredients of star quality. Edmund Kean, Henry Irving, John Gielgud, Laurence Olivier, Ellen Terry, Edith Evans, Maggie Smith, Helen Mirren—the

great 'names' are all here, of course, but there are tales of the unexpected, too—and the unknown. This is a book—presented in five acts, with a suitably anecdotal and personal prologue from Gyles Brandreth—where, once in a while, the understudy takes centre-stage and Gyles Brandreth treats triumph and disaster just the same, including stories from the tattiest touring companies as well as from Broadway, the West End and theatres, large and small, in Australia, India, and across Europe.

Timebends Arthur Miller 2013-11-01 The definitive memoir of Arthur Miller—the famous playwright of *The Crucible*, *All My Sons*, *Death of a Salesman*, *A View from the Bridge*, and other plays—*Timebends* reveals Miller's incredible trajectory as a man and a writer. Born in 1915, Miller grew up in Harlem in the 1920s and 1930s, developed leftist political convictions during the Great Depression, achieved moral victory against McCarthyism in the 1950s, and became president of PEN International near the end of his life, fighting for writers' freedom of expression. Along the way, his prolific output established him as one of the greatest writers of the twentieth century—he wrote twenty-two plays, various screenplays, short stories, and essays, and won the Pulitzer Prize in 1949 for *Death of a Salesman* and the New York Drama Critics Circle Award in 1947 for *All My Sons*. Miller also wrote the screenplay for *The Misfits*, Marilyn Monroe's final film. This memoir also reveals the incredible host of notables that populated his life, including Marilyn Monroe, Elia Kazan, Clark Gable, Sir Laurence Olivier, John F. Kennedy, and Mikhail Gorbachev. Leaving behind a formidable reputation in the worlds of theater, cinema, and politics, Arthur Miller died in 2005 but his memoir continues his legacy.

The Balancing Act Joseph J. Wright 1991

The Architectural Forum 1960

Architectural Record 1959

North Korean Leadership Jei Guk Jeon 1998 One key to the unexpected longevity of North Korea—the world's last unreformed Stalinist polity—lies in Kim Jong Il's adroit balancing act between the old and young elites since coming to power in 1994 following his father's death. Based on "inclusive politics" and an "honor-power sharing" arrangement, Kim Jong Il's balancing act has effectively reduced factional cleavages that might otherwise have crippled the hereditary succession plan. The "honor-power sharing" arrangement—which gives honors to the older elites and real power to younger elites has secured the loyalty of both the old guard and younger hopefuls. As long as Kim Jong Il's balancing act works and internal solidarity remains firm, the new regime could survive for a prolonged period. If the balance breaks down, Pyongyang's power circle will slip into a centrifugal spiral, followed by power struggles among rival factions and the eventual collapse of the regime.

A Fine Balance Rohinton Mistry 2010-10-29 *A Fine Balance*, Rohinton Mistry's stunning internationally acclaimed bestseller, is set in mid-1970s India. It

tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a "State of Internal Emergency." Through days of bleakness and hope, their circumstances – and their fates – become inextricably linked in ways no one could have foreseen. Mistry's prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, *A Fine Balance* is a vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.

Chloe by Design: Measuring Up Margaret Gurevich 2017-09-01 Senior year is full of surprises when Chloe returns home from her internship in New York City. While she was learning the ins and outs of the fashion industry, her friends were getting ready for senior year. Settling back into her old life proves to be harder than Chloe thought. As much as she tries to fall into her old routine, she can't help feeling left out and left behind. Chloe is ready to realize her dream of being a designer, but deciding on a fashion school is another story -- especially when that means deciding between California or New York. And when she agrees to design dresses for Winter Formal, the pressure grows even more intense. Can Chloe handle the stress of senior year and figure out what her future holds?

A Sick Life Tionne "T-Boz" Watkins 2017-09-12 A candid memoir of fame, strength, family, and friendship from the lead singer of TLC As the lead singer of Grammy-winning supergroup TLC, Tionne "T-Boz" Watkins has seen phenomenal fame, success, and critical acclaim. But backstage, she has lived a dual life. In addition to the balancing act of juggling an all-consuming music career and her family, Tionne has struggled since she was a young girl with sickle-cell disease--a debilitating and incurable condition that can render her unable to perform, walk, or even breathe. *A Sick Life* chronicles Tionne's journey from a sickly young girl from Des Moines who was told she wouldn't live to see 30 through her teen years in Atlanta, how she broke into the music scene, and became the superstar musician and sickle-cell disease advocate she is today. Through Tionne's tough, funny, tell-it-like-it-is voice, she shares how she found the inner strength, grit, and determination to live her dream, despite her often unpredictable and debilitating health issues. She dives deep into never-before-told TLC stories, including accounts of her friendship with Lisa "Left-Eye" Lopes and her tragic death. Tionne's unvarnished discussion of her remarkable life, disease, unending strength, and ability to power through the odds offers a story like no other.

How to be Lovely Melissa Hellstern 2004-06-03 A rare glimpse into the woman behind the mystique and the definitive guide to living genuinely with glamour and grace. "Living is like tearing through a museum. Not until later do you

really start absorbing what you saw, thinking about it, looking it up in a book and remembering—because you can't take it all in at once.”—Audrey Hepburn On many occasions, Audrey Hepburn was approached to pen her autobiography, the definitive book of Audrey, yet she never agreed. A beloved icon who found success as an actress, a mother, and a humanitarian, Audrey Hepburn perfected the art of gracious living. More philosophy than biography, *How to Be Lovely* revisits the many interviews Audrey gave over the years, allowing us to hear her voice directly on universal topics of concern to women the world over: careers, love lives, motherhood and relationships. Enhanced by rarely seen photographs, behind-the-scenes stories, and insights from the friends who knew her well, *How to Be Lovely* uncovers the real Audrey, in her own words.

The Only Woman in the Room Rita Lakin 2015-09-01 (Applause Books). Rita Lakin was a pioneer a female scriptwriter in the early 1960s when Hollywood television was exclusively male. For years, in creative meetings she was literally "the only woman in the room." In this breezy but heartfelt remembrance, Lakin takes readers to a long-forgotten time when women were not considered worthy or welcome at the creative table. Widowed with three young children, she talked herself into a secretarial job at Universal Studios in 1962, despite being unable to type or take dictation. With guts, skill, and humor, she rose from secretary to freelancer, to staff writer, to producer, to executive producer and showrunner, meeting hundreds of famous and infamous show biz legends along the way during her long and unexpected career. She introduced many women into the business and was a feminist before she even knew she was one. The general public did not know her name, but Lakin touched the lives of millions of viewers week after week, year after year. The relevance of her personal journey charming yet occasionally shocking will be an eye-opener to present-day who take for granted the abundance of female creative talent in today's Hollywood.

Balancing Acts Nicholas Hytner 2018-12-04 Here is Nicholas Hytner's fascinating, candid memoir of his tenure at the helm of Britain's greatest theater. As artistic director of London's National Theatre from 2003 to 2015, Hytner was in charge of three stages, directing and producing such plays and musicals as *The Madness of George III*, *Rodgers and Hammerstein's Carousel*, Alan Bennett's *The History Boys*, David Hare's *Stuff Happens*, Richard Bean's *One Man, Two Guvnors*, and *War Horse*, among many others. Combining touches of gossip with serious insight into the processes that bring a production to life, Hytner discusses his major failures and spectacular successes. He looks at Shakespeare from every angle and writes about reinventing the classics; changing the public's perception of what theater is in our times; balancing the idea of art with what will sell; encouraging new talent; and collaborating with actors and playwrights, including Richard Griffiths, Helen Mirren, Maggie Smith, Mike Leigh, Daniel Day-Lewis, Michael Gambon, Simon Russell Beale, Tom Stoppard, Alan Bennett, and Harold Pinter. Intimate and insightful, *Balancing Acts* is a passionate exploration of the art and alchemy of making theater.

Byrd Kim Church 2017 Addie Lockwood believes in books. Roland Rhodes believes

Downloaded from avenza-dev.avenza.com

in blues guitar. Coming of age in the small-town South of the 1970s, they form a friendship as extraordinary as it is unlikely. They meet again in their disillusioned thirties, this time in California, where Roland's music career has landed him. Venice Beach is exotic, a world away from North Carolina and Addie's cloistered life as a bookstore clerk. But when her whirlwind reunion with Roland leaves Addie pregnant, reality sets in. Conflicted, unready to be a mother, she gives birth to a son--Byrd--and surrenders him for adoption without telling Roland, little imagining how the secret will shape their lives. Told through letters and sharply drawn vignettes, Byrd is an unforgettable story about making and living with the most difficult, intimate, and far-reaching of choices.

Balancing in Heels Kristin Cavallari 2016-03-15 For the first time ever, entrepreneur, designer, and TV star Kristin Cavallari shares how she juggles all facets of her busy life with style and grace. From outlining health and wellness, food, fitness, fashion, and her success as a businesswoman to more private matters of family, motherhood, and her relationship with her husband, NFL quarterback Jay Cutler, Kristin leaves no stone unturned to give fans of Laguna Beach and The Hills all of the answers they've been looking for. Tracing her journey from reality stardom to real life—the good, the bad, and the ugly—Kristin digs down to the most personal of relationships in her life and discusses how they made her who she is today. She also talks about the amazing effects of her healthy diet and exercise, which have made Kristin and her family the happiest and healthiest they've ever been. Kristin shares the family's favorite recipes and even reveals how her food philosophy has drastically improved Jay's type 1 diabetes. Balancing in Heels is a behind-the-scenes, in-depth look at who the real Kristin Cavallari is—unscripted.

Balancing Act Eric Ladley 2007-04 President Nixon has been criticized by some conservatives for going to China. In fact, Nixon has received criticism from people on all points along the political spectrum for actions that he took. Balancing Act is a positive assessment of Nixon that takes his most successful policy, improving relations with China, and concludes that he maintained his conservative principles by improving relations with a communist country.

Balancing Act George Hager 1998-09-29 "A compelling book on budget-balancing, past and present. Not only is it a useful historical reference work but it is amazingly relevant to today's headlines." --Business Week Why did it take twenty-five years to balance the federal budget? And why did that goal seem politically impossible up until the last possible moment? Why hasn't the nation achieved a single budget surplus since 1969? Why did the first Republican Congress since the 1950s fail so miserably to redeem its most important promise to voters? In Balancing Act, George Hager and Eric Pianin, two of the country's top political journalists, provide fascinating answers. The question of the deficit is the reigning obsession of modern politics. Never simply a quarrel over numbers, the deficit has always been a moral issue as well as a fiscal one--a bitter fight to the political death over competing ideas about the right to shape the nation's values and to proclaim publicly what those values are.

Bringing key political players like Newt Gingrich, Bill Clinton, Ronald Reagan, and George Mitchell vividly to life, Hager and Pianin provide a gripping and revealing look at what goes on behind the closed doors of Capitol Hill. "Vivid . . . provocative . . . rich in anecdote and drama, [Balancing Act] is a useful primer on the history of deficit spending" --Los Angeles Times

Bodies of Light Jennifer Down 2021-09-28 Jennifer Down cements her status as a leading light of Australian literary fiction in this heart-rending and intimate saga of one woman's turbulent life

Balancing Acts 2015-03-10 There are few jobs more rarefied or as physically and mentally demanding as prima ballerina. And yet, despite very real professional risks, three dancers from the world-class San Francisco Ballet all decided to have children at the pinnacle of their careers. In *Balancing Acts*, photographer Lucy Gray takes readers on an unforgettable fourteen-year journey with these ballerinas, capturing their remarkable grit and determination. In dramatic black-and white photography, Gray documents their struggles to balance the demands of family and work—from their tireless preparation in rehearsals and dazzling mastery of craft displayed on stage, to their time spent relaxing at home with family and even while giving birth. In extensive interviews the dancers and their husbands discuss their stories with great candor, providing remarkable insight into the life of a ballerina and the everyday challenges and joys of mothers everywhere.

Fortune Henry Robinson Luce 1960

Balancing Act Barbara Loomis Jackson 1995 According to Barbara Jackson, public schools are and always have been part of the political process, and any effective school superintendent must maintain a delicate balance among forces

and interests both political and educational. This book reviews the long history of the urban superintendent's changing role, with special attention to the racial and ethnic politics of the cities since the 1970s. Boston and Detroit are discussed as illustrative examples. The entire study is grounded in a wide range of published and unpublished information, including numerous interviews with urban superintendents and others in the field. Co-published with the Joint Center for Political and Economic Studies Press.

Range of Ghosts Elizabeth Bear 2012-03-27 A powerful new fantasy from Hugo award-winning author Elizabeth Bear, *Range of Ghosts* creates a world both deep and broad, where a sorcerer-prince seeks world domination for the glory of his God. Temur, grandson of the Great Khan, is walking from a battlefield where he was left for dead. All around lie the fallen armies of his cousin and his brother who made war to rule the Khaganate. Temur is now the legitimate heir by blood to his grandfather's throne, but he is not the strongest. Going into exile is the only way to survive his ruthless cousin. Once-Princess Samarkar is climbing the thousand steps of the Citadel of the Wizards of Tsarepheth. She was heir to the Rasan Empire until her father got a son on a new wife. Then she was sent to be the wife of a Prince in Song, but that marriage ended in battle and blood. Now she has renounced her worldly power to seek the magical power of the wizards. These two will come together to stand against the hidden cult that has so carefully brought all the empires of the Celadon Highway to strife and civil war through guile and deceit and sorcerous power. The Eternal Sky Trilogy #1 *Range of Ghosts* #2 *Shattered Pillars* #3 *Steles of the Sky* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Off Balance Dominique Moceanu 2012-06-12 In this searing and riveting New York Times bestseller, Olympic gold medalist Dominique Moceanu reveals the dark underbelly of Olympic gymnastics, the true price of success...and the shocking secret about her past and her family that she only learned years later. At fourteen years old, Dominique Moceanu was the youngest member of the 1996 US Women's Olympic Gymnastics team, the first and only American women's team to take gold at the Olympics. Her pixyish appearance and ferocious competitive drive quickly earned her the status of media darling. But behind the fame, the flawless floor routines, and the million-dollar smile, her life was a series of challenges and hardships. *Off Balance* vividly delineates each of the dominating characters who contributed to Moceanu's rise to the top, from her stubborn father and long-suffering mother to her mercurial coach, Bela Karolyi. Here, Moceanu finally shares the haunting stories of competition, her years of hiding injuries and pain out of fear of retribution from her coaches, and how she hit rock bottom after a public battle with her parents. But medals, murder plots, drugs, and daring escapes aside (all of which figure into Moceanu's incredible journey), the most unique aspect of her life is the family secret that Moceanu discovers, opening a new and unexpected chapter in her adult life. A mysterious letter from a stranger reveals that she has a second sister—born with a physical disability and given away at birth—who has nonetheless followed in Moceanu's footsteps in an astonishing way. A multilayered memoir that

transcends the world of sports, Off Balance will touch anyone who has ever dared to dream of a better life.

Balancing Green Yossi Sheffi 2018-03-30 An expert on business strategy offers a pragmatic take on how businesses of all sizes balance the competing demands of profitability and employment with sustainability. The demands and stresses on companies only grow as executives face a multitude of competing business goals. Their stakeholders are interested in corporate profits, jobs, business growth, and environmental sustainability. In this book, business strategy expert Yossi Sheffi offers a pragmatic take on how businesses of all sizes—from Coca Cola and Siemens to Dr. Bronner's Magical Soaps and Patagonia—navigate these competing goals. Drawing on extensive interviews with more than 250 executives, Sheffi examines the challenges, solutions, and implications of balancing traditional business goals with sustainability. Sheffi, author of the widely read *The Resilient Enterprise*, argues that business executives' personal opinions on environmental sustainability are irrelevant. The business merits of environmental sustainability are based on the fact that even the most ardent climate change skeptics in the C-suite face natural resource costs, public relations problems, regulatory burdens, and a green consumer segment. Sheffi presents three basic business rationales for corporate sustainability efforts: cutting costs, reducing risk, and achieving growth. For companies, sustainability is not a simple case of “profits versus planet” but is instead a more subtle issue of (some) people versus (other) people—those looking for jobs and inexpensive goods versus others who seek a pristine environment. This book aims to help companies satisfy these conflicting motivations for both economic growth and environmental sustainability.

BEHIND THE SCENES Jacob Anderson 2016-10-15 Take a detailed look at the history, making of, and legacy of one of television's most adored franchises - *Murder, She Wrote*. This unofficial guide, assembled by author/critic Jacob Anderson, will take you through every aspect of the show's development, including all guest stars and story arcs.

The Handbook of Wellness Medicine Waguih William IsHak 2020-08-20 Wellness medicine is the field that focuses on improving overall functioning, quality of life, and wellbeing, beyond symptom management of medical illness, leading to restoration and maintenance of health. *The Handbook of Wellness Medicine* provides a practical guide to the latest in evidence-based medicine, as well as best practice, to assist healthcare professionals in utilizing the full range of interventions to improve wellness and help patients complete their journeys to full health. The volume is organized into five parts: Part I introduces the concept of wellness by detailing the definitions and assessment/measurement methods, and formulating wellness plans. Part II describes wellness plans in major illnesses, categorized by organ system/disorder. Part III covers the methods to improve wellness in special populations. Part IV details each wellness intervention, including the scientific evidence behind it and its practical application. Part V focuses on integrating and personalizing the interventions into one's life to maintain wellness.

The Secret Life of the American Musical Jack Viertel 2016-03-01 A New York Times Bestseller For almost a century, Americans have been losing their hearts and losing their minds in an insatiable love affair with the American musical. It often begins in childhood in a darkened theater, grows into something more serious for high school actors, and reaches its passionate zenith when it comes time for love, marriage, and children, who will start the cycle all over again. Americans love musicals. Americans invented musicals. Americans perfected musicals. But what, exactly, is a musical? In *The Secret Life of the American Musical*, Jack Viertel takes them apart, puts them back together, sings their praises, marvels at their unflagging inventiveness, and occasionally despairs over their more embarrassing shortcomings. In the process, he invites us to fall in love all over again by showing us how musicals happen, what makes them work, how they captivate audiences, and how one landmark show leads to the next—by design or by accident, by emulation or by rebellion—from *Oklahoma!* to *Hamilton* and onward. Structured like a musical, *The Secret Life of the American Musical* begins with an overture and concludes with a curtain call, with stops in between for “I Want” songs, “conditional” love songs, production numbers, star turns, and finales. The ultimate insider, Viertel has spent three decades on Broadway, working on dozens of shows old and new as a conceiver, producer, dramaturg, and general creative force; he has his own unique way of looking at the process and at the people who collaborate to make musicals a reality. He shows us patterns in the architecture of classic shows and charts the inevitable evolution that has taken place in musical theater as America itself has evolved socially and politically. *The Secret Life of the American Musical* makes you feel as though you’ve been there in the rehearsal room, in the front row of the theater, and in the working offices of theater owners and producers as they pursue their own love affair with that rare and elusive beast—the Broadway hit.
