We Too Sing America Deepa Iyer 2017-03-07 "Powerful...Iyer catalogues the toll that various forms of discrimination have taken and highlights the inspiring ways activists are fighting back. [She] is an ideal chronicler of this experience." —The Washington Post The nationally renowned racial justice advocate's illumination of the ongoing persecution of a range of American minorities In the lead-up to the recent presidential election, Donald Trump called for a complete ban on Muslims entering the United States, surveillance against mosques, and a database for all Muslims living in the country, tapping into anti-immigrant, anti-Muslim hysteria to a degree little seen since the targeting of South Asian, Arab, Muslim, and Sikh people in the wake of 9/11. In the American Book Award-winning *We Too Sing America*, nationally renowned activist Deepa Iyer shows that this is the latest in a series of recent racial flash points, from the 2012 massacre at the Sikh gurdwara in Oak Creek, Wisconsin, to the violent opposition to the Islamic Center in Murfreesboro, Tennessee, and to the Park 51 Community Center in Lower Manhattan. Iyer asks whether hate crimes should be considered domestic terrorism and explores the role of the state in perpetuating racism through detentions, national registration programs, police profiling, and constant surveillance. Reframing the discussion of race in America, she "reaches into the complexities of the many cultures that make up South Asia" (Publishers Weekly) and provides ideas from the front lines of post-9/11 America.

Looking For An Address Nabaneeta Dev Sen 2020-01-31 Set in the 1990's New York, when Rudy Giuliani was the Mayor and Bill Clinton was the President, *Looking for an Address* explores the lives of several South Asian Bengali men and women from both Bangladesh and India, and their interactions with 'native born Americans' like Gloria, Joshua, and Benjamin. With her keen power of observation, Nabaneeta Dev Sen ('Sahitya Akademi Awards', 1999, 2019) depicts in this novel with touching sensitivity the intersection of the immigrants' lives in New York as they search for their individual 'addresses'. The notion of address gradually expands beyond the physical to embrace 'refuge' from racial disparity in case of Gloria and the 'ideal of love' in case of Benjamin and Jhilli, a young woman from Kolkata who came to New York.

Geography Of Bangladesh Haroun Er Rashid 2019-04-11 In its struggle for independence, Bangladesh became the focal point of world attention in the early 1970s. It emerged victorious, but its development was hindered by the after-effects of the war—the destruction of much of its infrastructure, problems of governmental change, and the enormous difficulties faced by government and aid officials in assembling a data base for long-range planning. Professor Rashid's book—the first major comprehensive geographic inventory of Bangladesh—provides the key elements for such a base. Emphasizing the rural and agricultural characteristics of the country, it also covers in depth its physiography, hydrography, climate, soils, land utilization, migration and settlement patterns, transportation

infrastructure, and human and natural resources.

Feeding Children Inside and Outside the Home Vicki Harman 2018-10-26 This cross-disciplinary volume brings together diverse perspectives on children's food occasions inside and outside of the home across different geographical locations. By unpacking mundane food occasions - from school dinners to domestic meals and from breakfast to snacks - *Feeding Children Inside and Outside the Home* shows the role of food in the everyday lives of children and adults around them. Investigating food occasions at home, schools and in nurseries during weekdays and holidays, this book reveals how children, mothers, fathers, teachers and other adults involved in feeding children, understand, make sense of and navigate ideological discourses of parenting, health imperatives and policy interventions. Revealing the material and symbolic complexity of feeding children, and the role that parenting and healthy discourses play in shaping, perpetuating and transforming both feeding and eating, this volume shows how micro and macro aspects are at play in mundane and everyday practices of family life and education. This volume will be of great interest to a wide range of students and researchers interested in the sociology of family life, education, food studies and everyday consumption.

Put Tony's Nuts in Your Mouth! Bimisi Tayanita 2016-12-01 Curious but not concerned as to where they would sleep that night, Bimisi and Sumguyen aimlessly meandered down the cobblestone calles of Puerto Vallarta, Mexico. As the sun set over the Pacific they found themselves sequestered by a weathered native peddler who mimed towards his cart and through his guttural broken english encouraged them to "Put Tony's nuts in your mouth..." 60 pesos later, as a cold cerveza washed down the first of Tony's nuts, pen was put to parchment and book four of season one came to be. *Put Tony's Nuts in Your Mouth* is the fourth of five books that make up Reach Around Books Season One.

President Ziaur Rahman: Legendary Leader of Bangladesh Q M Jalal Khan 2021-06-25 President Ziaur Rahman holds a unique distinction to make the historic declaration of the Independence of Bangladesh. He then led the glorious liberation war to victory in 1971, and then became the maker of modern Bangladesh in 1975-1981. He succeeded where Sheikh Mujibur Rahman failed, both as a political leader and as an administrator. In view of his crucial role at the time of the creation of Bangladesh and thereafter, President Zia was perhaps the most phenomenally popular figure of his country. His short life of forty-five years was like an intense flare of incandescent light. Even after forty-two years since his assassination by some deviant army officers, with Indian instigation and insinuation, Zia remains irreplaceable; his void unfillable. His character, nobility and dignity could perhaps be matched only by his wife, the great and glorious Begum Khaleda Zia, who would later be a three-time Prime Minister. Both being the most famed and famous, both are/were almost equally legendary not only in their amazing and enormous popularity but also in their achievements and their sacrifice for the cause of the nation. Beside the devilish and dastardly actions of torture and terror by Sheikh Hasina and her corrupt-to-the-core fascist regime, Zia's and Begum Zia's accomplishments, together with their sufferings, stand out as bright as the solar shine of the day. In contrast with Hasina's politics of destruction, oppression and repression, Zia's and

Begum Zia's patriotic deeds and ideals continue to remain in the limelight as William Blake's tiger "burning bright/In the forests of the night." President Zia saved Bangladesh at least twice. He rescued the nation by making the clarion call for the independence of Bangladesh on 26 March 1971, when the political leadership failed to respond to the trust the people reposed on them. The declaration was followed by Zia's role as an effective organizer of war and a liberation war hero. The second time was in early November 1975, when the nation plunged into chaos and confusion by the India-instigated conspiracy crushed by the army-people uprising. A group of patriotic soldiers rescued General Zia from custody and restored his authority. He rose to the occasion to save the nation during this crisis time. Zia's stewardship and statesmanship grew through the years of his rule and professional career. He was a successful sector commander, deputy chief of the army, chief of the army, and, finally, the most successful president with a track record of unprecedented contributions. He was a "large, sweet soul" and "the sweetest, wisest soul of all [our] days and lands," as President Abraham Lincoln was to American poet Walt Whitman. Like Lincoln, who was also assassinated at the age of 56, following a civil war, Zia also was, "The great star early droop'd. O powerful western fallen star!" This book is a great collection of writings about a great President by a number of notable authors and scholars, who place President Zia highly in the annals of the country's formation and political development. It is an effort to contribute to the nationalist narrative with accuracy and objectivity. Highly readable and worth reading, the volume is a landmark publication in the political history of Bangladesh that all concerned will find interesting and informative.

Let Me Take You by the Hand Jennifer Kavanagh 2021-06-03 In 1861, the great journalist and social advocate Henry Mayhew published *London Labour and the London Poor*, an oral history of those living and working on the streets of Victorian London. Nothing on this scale had been attempted before. On the surface, the streets of London in 1861 and in 2019 are entirely different places. But dig just a little and the similarities are striking and, in many cases, shocking. Taking Mayhew's book as inspiration, Jennifer Kavanagh explores the changes and continuities by collecting and mapping stories from today's London. Beggars, street entertainers, stalls selling a variety of food, clothes, second-hand goods, thieves and the sex trade are all still predominant. The rise of the gig economy has brought a multitude of drivers and cyclists, delivering and moving goods, transporting meals and people, all organized through smart phones but using the same streets as Mayhew's informants. The precarity faced by this new workforce would also be familiar to the street-sellers of Mayhew's day. In terms of resources, gone are the workhouses, almshouses, paupers' lunatic asylums. Enter shelters, day centres, hostels, and food banks. *Let Me Take You By The Hand* is an x-ray of life on the streets today: the stories in their own words of those who work and live in our capital.

Times bestselling author of *Emergency Contact*, which Rainbow Rowell called “smart and funny,” comes a “captivating” (The New York Times) romance about how social media influences relationships every day. On paper, college dropout Pablo Rind doesn’t have a whole lot going for him. His graveyard shift at a twenty-four-hour deli in Brooklyn is a struggle. Plus, he’s up to his eyeballs in credit card debt. Never mind the state of his student loans. Pop juggernaut Leanna Smart has enough social media followers to populate whole continents. The brand is unstoppable. She graduated from child stardom to become an international icon, and her adult life is a queasy blur of private planes, step-and-repeats, aspirational hotel rooms, and strangers screaming for her just to notice them. When Leanna and Pablo meet at 5:00 a.m. at the bodega in the dead of winter it’s absurd to think they’d be *A Thing*. But as they discover who they are, who they want to be, and how to defy the deafening expectations of everyone else, Lee and Pab turn to each other. Which, of course, is when things get properly complicated.

Cold War, Hot Wings Chris J. Bain 2007-11-13 This is a semi-autobiographical account of a fighter pilot in the RAF from 1962 to 1994. He was both a Hunter and Harrier pilot, rose to Squadron Leader level, and commanded fighter and strategic reconnaissance units. He was CO of the Desert Rescue Team, flew Dakotas on desert supply running, and saw active fighter service receiving bullet holes in his aircraft during the Aden Radfan campaign. He flew Cold War covert reconnaissance missions, commanded the Harrier unit in Belize, spent the Gulf War working with the US Defense Intelligence Agency, and became a nuclear weapons specialist. The book includes inside accounts of army support missions on the Yemen border, flying cold war reconnaissance missions in Europe, early day conversion to Harriers without any training aids, and long range ultra-high-level, covert photo intelligence gathering sorties, including helping police and customs with airborne photography, most notably for the 2nd Moors Murder Inquiry. It also includes political, geographical and economic background of all the places in which he served, and comments on political and military decisions made at those times.

Rehana Haque, a young widow transplanted to the city of Dhaka in East Pakistan, is fiercely devoted to her adolescent children, Maya and Sohail. Both become fervent nationalists in the violent political turmoil which, in 1971, transforms a brutal Pakistani civil war into a fight to the death for Bangladeshi independence. Fair-minded and intensely protective of her family, but not at all political, Rehana is sucked into the conflict in spite of herself. A story of passion and revolution, of family, friendship and unexpected heroism, *A Golden Age* depicts the chaos of an era and the choices everyone—from student protesters to the country's leaders, and rickshaw wallahs to the army's soldiers—must make. Rehana herself will face a cruel dilemma; the choice she makes is at once heartbreaking and true to the character we have come to love and respect.
