The Whiskey Rebels David Liss 2009-06-16 America, 1787. Ethan Saunders, once among General Washington's most valued spies, is living in disgrace after an accusation of treason cost him his reputation. But an opportunity for redemption comes calling when Saunders's old enemy, Alexander Hamilton, draws him into a struggle with bitter rival Thomas Jefferson over the creation of the Bank of the United States. Meanwhile, on the western Pennsylvania frontier, Joan Maycott and her husband, a Revolutionary War veteran, hope for a better life and a chance for prosperity. But the Maycotts' success on an isolated frontier attracts the brutal attention of men who threaten to destroy them. As their causes intertwine, Joan and Saunders--both patriots in their own way--find themselves on opposing sides of a plot that could tear apart a fragile new nation.

Graduation Day Joelle Charbonneau 2014 In book three of The Testing series, the United Commonwealth wants to eliminate the rebel alliance fighting to destroy The Testing for good, and though Cia is ready to lead the charge, will her lethal classmates follow her into battle? 75,000 first printing.

The Latte Rebellion Sarah Jamila Stevenson 2011-01-08 Getting called a "towel head" inspires high school senior Asha Jamison with a great money-making idea: selling T-shirts promoting the Latte Rebellion, a club that raises awareness of mixed-race students. When their "cause" goes viral, Asha's life spirals out of control.

Razor's Edge Martha Wells 2013 Attacked by Imperial forces while on a mission for the Rebel Alliance shortly after the destruction of the first Death Star, Princess Leia Organa, assisted by new friends Luke and Han, works with pirates and traitors to protect the secrecy of a crucial conspirator meeting. By the Nebula Award finalist author of *The Death of the Necromancer*. Movie tie-in.

The Weather Girls Aki 2018-03-06 Summer, Fall, Winter, or Spring--the Weather Girls are ready for whatever the seasons might bring! Charming rhyming verse and adorable art make this picture book irresistible and ideal for sharing.

The Kashmiri Shawl Joanne Dobson 2014-05-23 A nineteenth-century American missionary widow embarks on a daring quest to find her dark-skinned child. India, 1857: Anna Wheeler Roundtree,

missionary wife, flees her husband's pious tyranny, leaving the safety of the Protestant Mission in which she's spent most of the past decade. Her timing is bad: the train carrying her to freedom steams into the midst of the brutal Indian Rebellion. She is, however, plucked from danger by Ashok Montgomery, a wealthy Anglo-Indian tea planter. Together they escape the angry mobs and find the shelter of an isolated mountain cave. There, for the first time, Anna learns the true nature of love. New York City, 1860: Now a successful poet featured in national magazines, Anna Wheeler is astonished to learn that the daughter she bore upon her return was not stillborn, as she was told, but has been kidnapped. When Anna hears the baby described as "dark-skinned," she realizes that Ashok, the man she'd left behind in the tumult of the rebellion, is the true father, not her blond, fair-skinned husband. In her own racially inflamed nation on the verge of its own war, Anna throws respectability to the wind, learns to take risks, break rules, and trust strangers in a determined search for the little girl. Then a deranged voice arises from her tormented past, making demands that compel her back to India. Anna must confront the evil that set her running in the first place. Will her daring quest for her child, and for the love of her life, end in triumph or in heartbreak?

Stonewall David Carter 2010-05-25 The basis of the PBS American Experience documentary Stonewall Uprising. In 1969, a series of riots over police action against The Stonewall Inn, a gay bar in New York City's Greenwich Village, changed the longtime landscape of the homosexual in society literally overnight. Since then the event itself has become the stuff of legend, with relatively little hard information available on the riots themselves. Now, based on hundreds of interviews, an exhaustive search of public and previously sealed files, and over a decade of intensive research into the history and the topic, Stonewall: The Riots That Sparked the Gay Revolution brings this singular event to vivid life in this, the definitive story of one of history's most singular events. A Randy Shilts / Publishing Triangle Award Finalist "Riveting...Not only the definitive examination of the riots but an absorbing history of pre-Stonewall America, and how the oppression and pent-up rage of those years finally ignited on a hot New York night." - Boston Globe

Across the Floor Natasha Deen 2016-08-30 In this high-interest novel for teen readers, football player Luc is forced to take a dance class, where he discovers an unexpected new passion.

United States Code United States 1952

In the Shadow of Liberty Kenneth C. Davis 2016-09-20 Did you know that many of America's Founding Fathers—who fought for liberty and justice for all—were slave owners? Through the powerful stories of five enslaved people who were "owned" by four of our greatest presidents, this book helps set the record straight about the role slavery played in the founding of America. From Billy Lee, valet to George Washington, to Alfred Jackson, faithful servant of Andrew Jackson, these dramatic narratives explore our country's great tragedy—that a nation "conceived in liberty" was also born in shackles. These stories help us know the real people who were essential to the birth of this nation but traditionally have been left out of the history books. Their stories are true—and they should be heard. This thoroughly-researched and documented book can be worked into multiple aspects of the common core curriculum.

Reincarnation Suzanne Weyn 2014-03-25 The ultimate historical romance: one love story unfolds over many centuries and many lives in this captivating page-turner from Suzanne Weyn. From prehistory to the present, theirs was a love for the ages. It starts with a fight in a cave over an elusive green jewel . . . and then travels over time and lives to include Egyptian slaves, Greek temples, Massachusetts witch trials, Civil War battlefields, Paris on the eve of World War II, America in the 1960s . . . and a pair of modern-day teenagers. For readers who believe that love is stronger than time or death, this is an

unforgettable novel from a wonderful storyteller.

Civil War Voices from York County, PA. Scott L. Mingus 2011-04-01 The Pennsylvania border county of York and its people stood smack in the middle of things - where South met North - in the American Civil War. That war roiled York County from its tip near the capital of Harrisburg to its 40-mile base at the Mason-Dixon Line. Union soldiers moved to the South after seasoning and staging on county soil. Train cars dripping with blood carried many wounded and diseased soldiers back to a mammoth U.S. military hospital on York parkland. Thousands of York County residents donned blue uniforms, and untold scores died. The war marched onto county soil in those terrible days before the Battle of Gettysburg. The four-day Confederate visit drained money, food, supplies, and horseflesh. Soldiers in blue and gray died in fighting at Hanover and Wrightsville. Gettysburg came next, and county residents gathered food and supplies to treat the wounds of battle, a short 30 miles away. In "Civil War Voices from York County, Pa.," Scott L. Mingus Sr. and James McClure use oral histories, letters, diaries, and newspaper accounts to tell the stories of York countians in those bleak days, 150 years ago. They give a vibrant voice to those living, serving, and dying in a border county in this most tumultuous period in America's history.

Uglies & Pretties Scott Westerfeld 2015-06-16 The first two novels of Scott Westerfeld's New York Times bestselling series—a global phenomenon that started the dystopian trend—now available in one edition. Tally can't wait to turn sixteen. Only then will she be able to have an operation to turn her from a repellant ugly into a stunningly attractive pretty and live in New Pretty Town—a high-tech paradise where her only job will be to have fun. But when Tally finally becomes pretty, everything isn't as perfect as it seems. Underneath all the beauty and luxury is a nagging sense that something is wrong. Very wrong. Searching for the truth, Tally discovers a whole new side of the pretty world—and it isn't very pretty. Now Tally has a choice to make: fight to forget what she knows or fight for her life.

The Death of Cool Gavin McInnes 2013-07-16 The cartoonist from the award-winning comic *Pervert* and creator of *Vice* magazine unabashedly recounts such outrageous misadventures as his streaking through New York City during the 2003 blackout and his invention of the "Warhol Children." 50,000 first printing.

Sinopticon Gu Shi 2021-11-09 This celebration of Chinese Science Fiction — thirteen stories, all translated for the first time into English — represents a unique exploration of the nation's speculative fiction from the late 20th Century onwards, curated and translated by critically acclaimed writer and essayist Xueting Christine Ni. From the renowned Jiang Bo's 'Starship: Library' to Regina Kanyu Wang's 'The Tide of Moon City, and Anna Wu's 'Meisje met de Parel', this is a collection for all fans of great fiction. Award winners, bestsellers, screenwriters, playwrights, philosophers, university lecturers and computer programmers, these thirteen writers represent the breadth of Chinese SF, from new to old: Gu Shi, Han Song, Hao Jingfang, Nian Yu, Wang Jinkang, Zhao Haihong, Tang Fei, Ma Boyong, Anna Wu, A Que, Bao Shu, Regina Kanyu Wang and Jiang Bo.

Turning Money into Rebellion Gabriel Kuhn 2014-08-01 Blekingegade is a quiet Copenhagen street. It is also where, in May 1989, the police discovered an apartment that had served Denmark's most notorious twentieth-century bank robbers as a hideaway for years. The Blekingegade Group members belonged to a communist organization and lived modest lives in the Danish capital. Over a period of almost two decades, they sent millions of dollars acquired in spectacular heists to Third World liberation movements, in particular the Popular Front for the Liberation of Palestine (PFLP). In May 1991, seven of them were convicted and went to prison. The story of the Blekingegade Group is one of the most puzzling and captivating chapters from the European anti-imperialist milieu of the 1970s and

'80s. *Turning Money into Rebellion: The Unlikely Story of Denmark's Revolutionary Bank Robbers* is the first-ever account of the story in English, covering a fascinating journey from anti-war demonstrations in the late 1960s via travels to Middle Eastern capitals and African refugee camps to the group's fateful last robbery that earned them a record haul and left a police officer dead. The book includes historical documents, illustrations, and an exclusive interview with Torkil Lauesen and Jan Weimann, two of the group's longest-standing members. It is a compelling tale of turning radical theory into action and concerns analysis and strategy as much as morality and political practice. Perhaps most importantly, it revolves around the cardinal question of revolutionary politics: What to do, and how to do it?

In the Matter of Nat Turner Christopher Tomlins 2022-06-14 A bold new interpretation of Nat Turner and the slave rebellion that stunned the American South In 1831 Virginia, Nat Turner led a band of Southampton County slaves in a rebellion that killed fifty-five whites, mostly women and children. After more than two months in hiding, Turner was captured, and quickly convicted and executed. In *The Matter of Nat Turner* penetrates the historical caricature of Turner as befuddled mystic and self-styled Baptist preacher to recover the haunting persona of this legendary American slave rebel, telling of his self-discovery and the dawning of his Christian faith, of an impossible task given to him by God, and of redemptive violence and profane retribution. Much about Turner remains unknown. His extraordinary account of his life and rebellion, given in chains as he awaited trial in jail, was written down by an opportunistic white attorney and sold as a pamphlet to cash in on Turner's notoriety. But the enigmatic rebel leader had an immediate and broad impact on the American South, and his rebellion remains one of the most momentous episodes in American history. Christopher Tomlins provides a luminous account of Turner's intellectual development, religious cosmology, and motivations, and offers an original and incisive analysis of the Turner Rebellion itself and its impact on Virginia politics. Tomlins also undertakes a deeply critical examination of William Styron's 1967 novel, *The Confessions of Nat Turner*, which restored Turner to the American consciousness in the era of civil rights, black power, and urban riots. A speculative history that recovers Turner from the few shards of evidence we have about his life, *In the Matter of Nat Turner* is also a unique speculation about the meaning and uses of history itself.

The Amistad Rebellion Marcus Rediker 2013-11-26 "Vividly drawn . . . this stunning book honors the achievement of the captive Africans who fought for—and won—their freedom."—The Philadelphia Tribune A unique account of the most successful slave rebellion in American history, now updated with a new epilogue—from the award-winning author of *The Slave Ship* In this powerful and highly original account, Marcus Rediker reclaims the Amistad rebellion for its true proponents: the enslaved Africans who risked death to stake a claim for freedom. Using newly discovered evidence and featuring vividly drawn portraits of the rebels, their captors, and their abolitionist allies, Rediker reframes the story to show how a small group of courageous men fought and won an epic battle against Spanish and American slaveholders and their governments. The successful Amistad rebellion changed the very nature of the struggle against slavery. As a handful of self-emancipated Africans steered their own course for freedom, they opened a way for millions to follow. This edition includes a new epilogue about the author's trip to Sierra Leona to search for Lomboko, the slave-trading factory where the Amistad Africans were incarcerated, and other relics and connections to the Amistad rebellion, especially living local memory of the uprising and the people who made it.

Star Wars: Ahsoka E. K. Johnston 2016-10-11 Fans have long wondered what happened to Ahsoka after she left the Jedi Order near the end of the Clone Wars, and before she re-appeared as the mysterious Rebel operative Fulcrum in *Rebels*. Finally, her story will begin to be told. Following her experiences with the Jedi and the devastation of Order 66, Ahsoka is unsure she can be part of a larger whole ever again. But her desire to fight the evils of the Empire and protect those who need it will lead

her right to Bail Organa, and the Rebel Alliance....

The Bar Code Prophecy Suzanne Weyn 2012-11-01 The third book in the Bar Code series, in which one girl struggles to escape the conformity of a dystopian world. Just as in the original Bar Code Tattoo, the year is 2025 and the mysterious, ubiquitous, and seemingly omnipotent multi-national corporation, Global 1, is in power through their agent President Loudon Waters. But now this ominous situation is experienced through the eyes of sixteen-year-old Grace Morrow. When Grace finds out that she's adopted, her biological father, who's the head of the Global 1 nano-bot injection project, urges her against getting the bar code tattoo when she turns seventeen. Stunned by the revelations, she goes home to find her adoptive family vanished, and she's determined to find them, turning to the anti-bar-code group Decode. As they uncover more information about tracking, Grace must hide deep underground and under cover, trying to discover information that will allow Decode to figure out what Global 1 is up to, and trying desperately to shut the organization down for good.

Spies of Mississippi Rick Bowers 2010-01-12 The Spies of Mississippi is a compelling story of how state spies tried to block voting rights for African Americans during the Civil Rights era. This book sheds new light on one of the most momentous periods in American history. Author Rick Bowers has combed through primary-source materials and interviewed surviving activists named in once-secret files, as well as the writings and oral histories of Mississippi civil rights leaders. Readers get first-hand accounts of how neighbors spied on neighbors, teachers spied on students, ministers spied on church-goers, and spies even spied on spies. The Spies of Mississippi will inspire readers with the stories of the brave citizens who overcame the forces of white supremacy to usher in a new era of hope and freedom—an age that has recently culminated in the election of Barack Obama

Nineteen Eighty-Four George Orwell 2021-01-09 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

No Logo Naomi Klein 2000-01-15 An analysis of the invasion of our personal lives by logo-promoting, powerful corporations combines muckraking journalism with contemporary memoir to discuss current consumer culture

Chicken Little Steven Kellogg 1987-06-17 "The sky is failing! The sky is failing!" Chicken Little and her feathered friends are all aflutter when she gets a mysterious bump on the head. Steven Kellogg's hilarious retelling and irresistible illustrations bring fresh delight to this timeless classic of chain

reaction panic.

The Bar Code Rebellion Suzanne Weyn 2006 Desperate not to fall victim to the required bar coding tattoo system, Kayla becomes an exile in her own world until she gets a chance to join the resistance and fight unexpected enemies—including three clones of herself. Original.

The Boxer Rebellion and the Great Game in China David J. Silbey 2012-03-27 The year is 1900, and Western empires—both old and new—are locked in regional entanglements across the globe. The British are losing a bitter war against the Boers while the German kaiser is busy building a vast new navy. The United States is struggling to put down an insurgency in the South Pacific while the upstart imperialist Japan begins to make clear to neighboring Russia its territorial ambition. In China, a perennial pawn in the Great Game, a mysterious group of superstitious peasants is launching attacks on the Western powers they fear are corrupting their country. These ordinary Chinese—called Boxers by the West because of their martial arts showmanship—rise up, seemingly out of nowhere. Foreshadowing the insurgencies of the more recent past, they lack a centralized leadership and instead tap into latent nationalism and deep economic frustration to build their army. Their battle cry: "Support the Qing, exterminate the foreigners." Many scholars brush off the Boxers as an ill-conceived and easily defeated revolt, but the military historian David J. Silbey shows just how close they came to beating back the combined might of all the imperial powers. Drawing on the diaries and letters of allied soldiers and diplomats, Silbey paints a vivid portrait of the short-lived war. Even though their cause ended just as quickly as it began, the bravery and patriotism of the Boxers would inspire Chinese nationalists—including a young Mao Zedong—for decades to come.

Incandescence Anvi Tuteja 2021-10-04 The cards are on the table; you're holding and I'm folding. I don't want to play this game, but it doesn't change the fact that I am. THEY know what I am. THEY know what I've done. BUT do they know who I am? Or do they see what everyone else sees? A broken enigmatist with nowhere to run? Well, if I can't run, I'll hide... this is the story of fourteen years and the fourteen months that changed it all *Incandescence* paints a picture of the teenage psyche - confused, alone and scared. It talks about being brilliant, beautiful and different by simply being yourself. By bringing together an anthology of poems, *Incandescence* embodies what it truly means to be human; what it means to feel scared; what it means to feel loved. And what it means to feel like you were meant for something more. Because you were. And you are. Relatable to all ages, all *Incandescence* needs is a cup of coffee, a reliable window seat and the will to imagine.

A Confederacy of Dunces John Kennedy Toole 2007-12-01 Winner of the Pulitzer Prize "A masterwork . . . the novel astonishes with its inventiveness . . . it is nothing less than a grand comic fugue."—The New York Times Book Review *A Confederacy of Dunces* is an American comic masterpiece. John Kennedy Toole's hero, one Ignatius J. Reilly, is "huge, obese, fractious, fastidious, a latter-day Gargantua, a Don Quixote of the French Quarter. His story bursts with wholly original characters, denizens of New Orleans' lower depths, incredibly true-to-life dialogue, and the zaniest series of high and low comic adventures" (Henry Kisor, Chicago Sun-Times).

Rebellion, Rascals, and Revenue Michael Keen 2022-05-17 An engaging and enlightening account of taxation told through lively, dramatic, and sometimes ludicrous stories drawn from around the world and across the ages Governments have always struggled to tax in ways that are effective and tolerably fair. Sometimes they fail grotesquely, as when, in 1898, the British ignited a rebellion in Sierra Leone by imposing a tax on huts—and, in repressing it, ended up burning the very huts they intended to tax. Sometimes they succeed astonishingly, as when, in eighteenth-century Britain, a cut in the tax on tea

Downloaded from avenza-dev.avenza.com
on December 6, 2022 by guest

massively increased revenue. In this entertaining book, two leading authorities on taxation, Michael Keen and Joel Slemrod, provide a fascinating and informative tour through these and many other episodes in tax history, both preposterous and dramatic—from the plundering described by Herodotus and an Incan tax payable in lice to the (misremembered) Boston Tea Party and the scandals of the Panama Papers. Along the way, readers meet a colorful cast of tax rascals, and even a few tax heroes. While it is hard to fathom the inspiration behind such taxes as one on ships that tended to make them sink, Keen and Slemrod show that yesterday's tax systems have more in common with ours than we may think. Georgian England's window tax now seems quaint, but was an ingenious way of judging wealth unobtrusively. And Tsar Peter the Great's tax on beards aimed to induce the nobility to shave, much like today's carbon taxes aim to slow global warming. *Rebellion, Rascals, and Revenue* is a surprising and one-of-a-kind account of how history illuminates the perennial challenges and timeless principles of taxation—and how the past holds clues to solving the tax problems of today.

The Bar Code Rebellion Suzanne Weyn 2012-10-01 The second book in the action-packed Bar Code series. They want your identity. They want your freedom. They can't have them. The bar code rebellion. Kayla has resisted getting the bar code tattoo, even though it's mean forfeiting a "normal" life. Without the tattoo, she's an exile. But she can't stay an exile for long. . . . For reasons she doesn't completely understand--but will soon discover--Kayla is at the center of a lethal conspiracy that will soon threaten the very notion of freedom. Kayla can either give in to the bar code, or she can join the resistance and fight it. The choice, for her, is clear: It's time to fight. They want your identity. They want your freedom. They can't have them. The bar code rebellion.

Acid Dreams Martin A. Lee 1992 Provides a social history of how the CIA used the psychedelic drug LSD as a tool of espionage during the early 1950s and tested it on U.S. citizens before it spread into popular culture, in particular the counterculture as represented by Timothy Leary, Allen Ginsberg, Ken Kesey, and others who helped spawn political and social upheaval.

Legendborn Tracy Deonn 2020-09-15 An Instant New York Times Bestseller! Winner of the Coretta Scott King - John Steptoe for New Talent Author Award Filled with mystery and an intriguingly rich magic system, Tracy Deonn's YA contemporary fantasy reinvents the King Arthur legend and "braids together Southern folk traditions and Black Girl Magic into a searing modern tale of grief, power, and self-discovery" (Dhonielle Clayton, New York Times bestselling author of *The Belles*). After her mother dies in an accident, sixteen-year-old Bree Matthews wants nothing to do with her family memories or childhood home. A residential program for bright high schoolers at UNC-Chapel Hill seems like the perfect escape—until Bree witnesses a magical attack her very first night on campus. A flying demon feeding on human energies. A secret society of so called "Legendborn" students that hunt the creatures down. And a mysterious teenage mage who calls himself a "Merlin" and who attempts—and fails—to wipe Bree's memory of everything she saw. The mage's failure unlocks Bree's own unique magic and a buried memory with a hidden connection: the night her mother died, another Merlin was at the hospital. Now that Bree knows there's more to her mother's death than what's on the police report, she'll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled Legendborn with his own grudge against the group, and their reluctant partnership pulls them deeper into the society's secrets—and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur's knights and explain that a magical war is coming, Bree has to decide how far she'll go for the truth and whether she should use her magic to take the society down—or join the fight. This paperback edition of *Legendborn* contains a teaser to the thrilling sequel, *Bloodmarked*, as well as an exclusive short story from Selwyn Kane's perspective!

The Brothers Karamazov Fyodor Dostoevsky 2015-01-01 Four brothers reunite in their hometown in Russia. The murder of their father forces the brothers to question their beliefs about each other, religion, and morality.

Voices from the March on Washington J. Patrick Lewis 2014-10-01 The powerful poems in this poignant collection weave together multiple voices to tell the story of the March on Washington, DC, in 1963. From the woman singing through a terrifying bus ride to DC, to the teenager who came partly because his father told him, "Don't you dare go to that march," to the young child riding above the crowd on her father's shoulders, each voice brings a unique perspective to this tale. As the characters tell their personal stories of this historic day, their chorus plunges readers into the experience of being at the march—walking shoulder-to-shoulder with strangers, hearing Martin Luther King Jr.'s famous speech, heading home inspired.

Honor Among Thieves James S. A. Corey 2014 Han Solo and his new friends embark on a daring rescue mission just after the destruction of the first Death Star.

Faces of the Dead Suzanne Weyn 2014-08-26 When Marie-Therese, daughter of Marie Antoinette, slips into the streets of Paris at the height of the French Revolution, she finds a world much darker than what she's ever known. When Marie-Thérèse Charlotte of France learns of the powerful rebellion sweeping her country, the sheltered princess is determined to see the revolution for herself. Switching places with a chambermaid, the princess sneaks out of the safety of the royal palace and into the heart of a city in strife. Soon the princess is brushing shoulders with revolutionaries and activists. One boy in particular, Henri, befriends her and has her questioning the only life she's known. When the princess returns to the palace one night to find an angry mob storming its walls, she's forced into hiding in Paris. Henri brings her to the workshop of one Mademoiselle Grosholtz, whose wax figures seem to bring the famous back from the dead, and who looks at Marie-Thérèse as if she can see all of her secrets. There, the princess quickly discovers there's much more to the outside world - and to the mysterious woman's wax figures - than meets the eye.

The Bar Code Tattoo (The Bar Code Trilogy, Book 1) Suzanne Weyn 2012-10-01 Individuality vs. conformity. Identity vs. access. Freedom vs. control. The bar code tattoo. The bar code tattoo. Everybody's getting it. It will make your life easier, they say. It will hook you in. It will become your identity. But what if you say no? What if you don't want to become a code? For Kayla, this one choice changes everything. She becomes an outcast in her high school. Dangerous things happen to her family. There's no option but to run . . . for her life. Individuality vs. conformity.. Identity vs. access. Freedom vs. control. The bar code tattoo.

Possession Elana Johnson 2012-05-08 In a world where Thinkers control the population and Rules are not meant to be broken, fifteen-year-old Violet Schoenfeld must make a choice to control or be controlled after learning truths about her "dead" sister and "missing" father.

Empty Suzanne Weyn 2010-10-01 A dystopic look at what happens to one American town when all the fossil fuels run out...It's the near future - the very near future - and the fossil fuels are running out. No gas. No oil. Which means no driving. No heat. Supermarkets are empty. Malls have shut down. Life has just become more local than we ever knew it could be. Nobody expected the end to come this fast. And in the small town of Spring Valley, decisions that once seemed easy are quickly becoming matters of life and death. There is hope - there has to be hope - just there are also sacrifices that need to be made, and a whole society that needs to be rethought.

The Bar Kokhba Syndrome Yehoshafat Harkabi 1983 In the year 132, a well-planned rebellion broke out in Judea. The Jewish warrior Bar Kokhba emerged as its leader, and it has forever after been known by his name. Now, nearly two thousand years later, Dr. Yehoshafat Harkabi, former chief of Military Intelligence of the State of Israel, expert on Arab affairs, and Professor of International Relations and Middle Eastern Studies of the Hebrew University, has written the first comprehensive military analysis of the Bar Kokhba Rebellion. The implications of this work go well beyond the Jewish sphere. The Bar Kokhba Rebellion is an instance of how political and military decisions are made by leaders who perceive their situation as desperate. It explores under what conditions and in what straits should leaders risk national suicide?"
