The Forty-Five Guardsmen Alexandre Dumas 2012-01-01 Fans of historical fiction will delight in this action-packed account of Henri III's court and the secretive plot to exact revenge upon the murderer of the leader of the royal guards. From the romantic intrigue and entanglements among the aristocrats to the painstakingly executed ambush plan, every detail is brought fully to life in this engrossing novel.

The Pact Karina Halle 2014 *The Pact is a full-length, standalone "friends to lovers" contemporary adult romance*It all started with a pinky swear...Linden McGregor is tall, rugged, and gunslinger handsome; a helicopter pilot with a Scottish brogue and charm to spare. He's also one of Stephanie Robson's best friends and has fit into that box for as long as she's known him.Beautiful, funny and an ambitious businesswoman (with one hell of an ass), Stephanie Robson is one of Linden McGregor's best friends and has fit into that box for as long as he's known her.But some relationships can't be boxed, can't be classified, can't be tamed.Back in their mid-twenties and tired of the competitive hit-or-miss dating scene of San Francisco, Steph and Linden made a pact to marry each other if neither one of them were in a serious relationship by the time they hit thirty.It sounded like fun and games at the time but as the years to thirty tick past and lovers come and go out of their lives, the pact becomes larger than life.Sex is inevitable. Friendships are tested. Hearts are on the line.The pact is about to change everything.Note: due to the dirty talk and sexy times, The Pact is not meant for anyone under the age of 18.

Mad, Bad, and Sad: A History of Women and the Mind Doctors Lisa Appignanesi 2009-08-31 "[A work of] wit, wisdom and richness. . . . A grand tour of derangement, from matricide to anorexia." —John Leonard, Harper's This fascinating history of mind doctors and their patients probes the ways in which madness, badness, and sadness have been understood over the last two centuries. Lisa Appignanesi charts a story from the days when the mad were considered possessed to our own century when the official psychiatric manual lists some 350 mental disorders. Women play a key role here, both as patients—among them Virginia Woolf, Sylvia Plath, and Marilyn Monroe—and as therapists. Controversially, Appignanesi argues that women have significantly changed the nature of mind-doctoring, but in the process they have also inadvertently highlighted new patterns of illness.

The Corsican Brothers Alexandre Dumas 2021-07-05 Two brothers, blessed with a telepathic connection, living under the shadow of a family vendetta. Can their strange power protect them? In "The Corsican Brothers", Alexander Dumas ventures into the supernatural. The brothers of the title,

Lucien and Louis, are born as conjoined twins, but then separated. Despite this, they can still sense what the other is feeling, no matter the distance between them. This mysterious bond is tested when a centuries-old feud erupts into violence. A sprightly novella, "The Corsican Brothers" has been adapted multiple times for the screen. Matinee idol Douglas Fairbanks Jr. played the dual roles of the brothers in a 1941 movie version. And the book also partly inspired the Gene Wilder comedy "Start the Revolution Without Me". Alexandre Dumas (1802 - 1870) was a hugely popular 19th Century French writer. Born of mixed French and Haitian heritage, Dumas first rose to prominence in Paris as a playwright, but later gained international fame with his historical fiction. Often co-authored with other writers, these stories wove together swashbuckling adventure, romance, and real events from France's past. Among the best known are "The Three Musketeers", and its sequels "Twenty Years After", and "Le Vicomte de Bragelonne: Ten Years Later". Set across four decades, this trilogy follows the rise of the dashing D'Artagnan—from hot-headed soldier to trusted captain under Louis XIV. Dumas' other novels include "The Count of Monte Cristo" and "The Black Tulip". His works have been adapted into more than 200 movies, including The Man in the Iron Mask starring Leonardo DiCaprio.

I Was There Hans Peter Richter 1987-01-01 A young German boy narrates his experiences in the Hitler youth movement during the early years of the Third Reich.

Father Christmas is coming to Toyland to check that all the toys will be ready to be delivered to the boys and girls in time for Christmas. Everyone is very excited about the visit, and nobody more than Noddy. Not that he expects to be able to actually meet such an Important Person. But then a special song comes into his head...

Thea Stilton and the Dragon's Code Geronimo Stilton 2009 Thea Stilton and her journalism class try to find a missing student.

The Idea of Europe George Steiner 2015-03-10 The Idea of Europe finds George Steiner reckoning with Europe from a number of different angles. "Europe,†? he writes, "is the place where Goethe's garden almost borders on Buchenwald, where the house of Corneille abuts on the market-place in which Joan of Arc was hideously done to death.†? It is, in other words, a continent rich with contradiction, whose many tensions—cultural, social, political, economic, and religious—have for centuries conspired to pull it apart, even as it has become more and more unified. But what lies ahead for a continent whose borders are growing and economic might is strengthening, even as its cultural identity recedes? A continent where, in Steiner's words, "young Englishmen choose to rank David Beckham high above Shakespeare and Darwin in their list of national treasures†?? This is the trajectory that Steiner explores so brilliantly in The Idea of Europe.

On the Right Track Claudia Boldt 2017-02-01 Show off your best animal-tracking skills in this brilliant matching game. The task is to match 25 tracks to their animal owners. Has an elephant just crossed your path or was it an echidna? Can you track down a coyote, make out the trail of a peacock, and recognize the paw-print of a panda? Beat your opponents by making as many matches as you can!

Probability Applications in Mechanical Design Franklin Fisher 2000-06-15 The authors of this text seek to clarify mechanical fatigue and design problems by applying probability and computer analysis, and further extending the uses of probability to determine mechanical reliability and achieve optimization. The work solves examples using commercially available software. It is formatted with examples and problems for use in a one-semester graduate course.

The Lonely Nightshades Lea Malot 2016-01-06 Welcome to St. Mary's, Woodborough's biggest mental institution. Meet Klaudia and her friends, all determined to get better to get out of here... Or to escape by other ways. They're nightshades- these flowers that evolve from being pale to a deep shade of purple, those plants that evocate dark thoughts and moments, they are born innocent, until all of them grow into something so dark and twisted it's almost unrecognisable. And, in the same manner, life would be taken away from them, much... Much too soon.

Incipio - the essential handbook of 2,000 sentence starters for every writer Marc Dettenrieder 2008-05-19 Build your sentence starter vocabulary! INCIPIO, which is Latin for 'begin', is a unique and comprehensive reference guide with over 2,000 ways to begin a sentence. INCIPIO is an indispensable tool designed to enhance an essay, thesis, research paper, article, business proposal, or speech. This collection of sentence beginnings will help elevate your writing skills, structure a written piece effectively, and avoid repetition. Alphabetically organized, Part I of INCIPIO allows you to search key words for a variety of sentence beginnings. An accompanying list of alternate key words provides numerous possibilities. Part II features a compilation of categorized sentence starters like ways to introduce authors, how to present a final point, how to present a point of view, and many more. Incipio is a must have complement to a dictionary and thesaurus in every home and office and is the definitive source of its kind.

Performer's Reprints are produced in conjunction with the International Music Score Library Project. These are out of print or historical editions, which we clean, straighten, touch up, and digitally reprint. Due to the age of original documents, you may find occasional blemishes, damage, or skewing of print. While we do

extensive cleaning and editing to improve the image quality, some items are not able to be repaired. A portion of each book sold is donated to small performing arts organizations to create jobs for performers and to encourage audience growth.

Deathtrap Dungeon Ian Livingstone 2009 Baron Sukumvit's devilish labyrinth of Fang is riddled with fiendish traps and bloodthirsty monsters.

The Cinderella Murder Mary Higgins Clark 2015-08-25 In her new reality television series that explores unsolved crimes, Laurie Moran brings together the friends and family of a murdered UCLA student to see what new evidence from the cold case comes to light.

The Torture Letters Laurence Ralph 2020-01-10 Torture is an open secret in Chicago. Nobody in power wants to acknowledge this grim reality, but everyone knows it happens—and that the torturers are the police. Three to five new claims are submitted to the Torture Inquiry and Relief Commission of Illinois each week. Four hundred cases are currently pending investigation. Between 1972 and 1991, at least 125 black suspects were tortured by Chicago police officers working under former Police Commander Jon Burge. As the more recent revelations from the Homan Square “black site” show, that brutal period is far from a historical anomaly. For more than fifty years, police officers who took an oath to protect and serve have instead beaten, electrocuted, suffocated, and raped hundreds—perhaps thousands—of Chicago residents. In *The Torture Letters*, Laurence Ralph chronicles the history of torture in Chicago, the burgeoning activist movement against police violence, and the American public’s complicity in perpetuating torture at home and abroad. Engaging with a long tradition of epistolary meditations on racism in the United States, from James Baldwin’s *The Fire Next Time* to Ta-Nehisi Coates’s *Between the World and Me*, Ralph offers in this book a collection of open letters written to protesters, victims, students, and others. Through these moving, questing, enraged letters, Ralph bears witness to police violence that began in Burge’s Area Two and follows the city’s networks of torture to the global War on Terror. From Vietnam to Geneva to Guantanamo Bay—Ralph’s story extends as far as the legacy of American imperialism. Combining insights from fourteen years of research on torture with testimonies of victims of police violence, retired officers, lawyers, and protesters, this is a powerful indictment of police violence and a fierce challenge to all Americans to demand an end to the systems that support it. With compassion and careful skill, Ralph uncovers the tangled connections among law enforcement, the political machine, and the courts in Chicago, amplifying the voices of torture victims who are still with us—and lending a voice to those long deceased.

Pezzettino Leo Lionni 2012-01-10 A classic fable about the search for identity, from Caldecott Honor winning picture book creator Leo Lionni. Pezzettino lives in a world in which everyone is big and does daring and wonderful things. But he is small, just a “little piece,” which is the meaning of pezzettino in Italian. “I must be a piece of somebody. I must belong to someone else,” he thinks. How Pezzettino learns that he belongs to no one but himself is the joyous and satisfying conclusion to this beautiful mosaic style picture book.

Ultimate Game Christian Lehmann 2000 When three high-school-age video game fanatics purchase a new virtual reality game they have no idea they are about to be transported to the battlefields of Verdun, Guernica, and Bosnia.

Marathon Nicolas Debon 2021-09-22T00:00:00+02:00 Amsterdam, August 1928. The crowd goes wild as the world's star athletes take off from the starting line for the crowning event of the Olympic Games: the marathon. Few so much as notice the short, slight Algerian runner—a factory worker by day—who

wears the French jersey. But that was before a strong wind, cramps, and 42.195 kilometers of ruthless competition combined to produce an astonishing upset...

Notre Dame de Paris Victor Hugo 2015-09-18

Bug Muldoon and the Killer in the Rain Paul Shipton 2001 A sequel to the popular book, 'Bug Muldoon', about a beetle detective told in a Raymond Chandler-type narrative. Bug's latest case is to find out who the killer in the rain is - and this means a treacherous trip to the House, where the Humans live. No insect in their right mind would go there- except Bug. * Humorous detective story with a twist that will appeal to boy readers who are into comics and young detective stories (and insects!!). * US film interest in first 'Bug Muldoon' story. * Second in series, with a third story to come. * Being reissued in mass market format with a new cover. * Paul Shipton lives in the USA with his wife and two daughters.

Island of the Lizard King Ian Livingstone 2003 Kidnapped by a vicious race of Lizard men, the young men of Oyster Bay face a grim future of slavery, starvation and death. Their new master is the mad dangerous Lizard King. YOU are the only one who can hope to rescue the suffering prisoners, but do you have the courage to risk this dangerous mission? Ages 10+.

The Three Musketeers II Alexandre Dumas 2021-07-05 France's fate hangs in the balance! In this second part of Dumas' classic, our heroes must race across Europe to save the day. It all begins with Queen Anne of France, who is having an affair with the English Duke of Buckingham. Hoping to expose the tryst, and thereby enrage King Louis XIII into declaring war, Cardinal Richelieu plans a ball. He suggests the Queen wear a necklace that the King gifted her. But the necklace is with Buckingham. The Musketeers' mission is to bring back the jewellery, doing battle with agents of the Cardinal along the way. It's a breathless adventure, set across 17th Century Paris, Calais, and London. And this volume also introduces D'Artagnan's infatuation with the mysterious Milady. Alexandre Dumas (1802 - 1870) was a hugely popular 19th century French writer. Born of mixed French and Haitian heritage, Dumas first rose to prominence in Paris as a playwright, but later gained international fame with his historical fiction. Often co-authored with other writers, these stories wove together swashbuckling adventure, romance, and real events from France's past. Among the best known are "The Three Musketeers", and its sequels "Twenty Years After", and "Le Vicomte de Bragelonne: Ten Years Later". Set across four decades, this trilogy follows the rise of the dashing D'Artagnan—from hot-headed soldier to trusted captain under Louis XIV. Dumas' other novels include "The Count of Monte Cristo" and "The Black Tulip". His works have been adapted into more than 200 movies, including The Man in the Iron Mask starring Leonardo DiCaprio.

Livres de France 2009-10

Cerulean Sins Laurell K. Hamilton 2010-04-01 'People don't like dealing with people who raise the dead. Don't ask me why, but we make them nervous.' There's something about Leo Harlan that I don't like. He's asked me to reanimate his long-dead ancestor, and it seems like a perfectly ordinary case for someone like me: Anita Blake, preternatural expert, vampire hunter and raiser of the dead. So I agree - sometimes you deal with the devil not because you want to, but because if you don't, someone else will. But what he hasn't told me is that the corpse may hold the secret to an ancient crime that not everyone wants to be remembered.

The Ogre's Progress Jonathan F. Krell 2009 This book examines how modern French fiction writers

Downloaded from avenza-dev.avenza.com
on December 6, 2022 by guest

have appropriated the ogre figure in order to evoke violence in all its voracity, as well as destructive time, which eats away the moments of our lives as the prototypical ogre of Western literature, Cronus, devoured his own children. The ogre is a ubiquitous figure that appears not only in mythology and literature, but in real life. For French authors haunted by the horrors of World War II, it symbolizes the abominations of the Nazis and their French collaborators, whose memory has been rekindled in recent years, initiating a national malaise that historians have come to call the "Vichy Syndrome." For other writers, the ogre is the sexual deviate who preys upon the innocent. This ogre too has roots in recent history: it began to appear in the 1970s, coinciding with the rise of French feminism, when violence towards women and children finally began to be openly confronted. Jonathan F. Krell teaches modern and contemporary French literature and business French at the University of Georgia.

Twenty Years After Alexandre Dumas 1896

Cassino John Ellis 2003 The struggle to capture Monte Cassino, the impregnable heights barring the Allied advance on Rome in 1944, was the longest land battle fought in Western Europe in World War II and among the most costly. In four separate assaults over the course of the grim six-month epic, more than 105,000 men from the Allied armies and at least 80,000 Germans became casualties, and, between the attacks, the armies of both sides endured conditions of appalling privation. In John Ellis' classic account of the battle, few of the Allied commanders, except for the Free French General Juin, emerge with credit. But the author has nothing but admiration and compassion for the courage and endurance of the common soldiers whose experiences he vividly recreates in the pages of this narrative.

Gonzo Girl Cheryl Della Pietra 2015-07-28 The road to hell is paved with good intentions...and tequila, guns, and cocaine in this "rambunctiously entertaining" (Teddy Wayne) debut novel inspired by the author's time as Hunter S. Thompson's assistant. Alley Russo is a recent college grad desperately trying to make it in the grueling world of New York publishing, but like so many who have come before her, she has no connections and has settled for an unpaid magazine internship while slinging drinks on Bleecker Street just to make ends meet. That's when she hears the infamous Walker Reade is looking for an assistant to replace the eight others who have recently quit. Hungry for a chance to get her manuscript onto the desk of an experienced editor, Alley jumps at the opportunity to help Reade finish his latest novel. After surviving an absurd three-day "trial period" involving a .44 magnum, purple-pyramid acid, violent verbal outbursts, brushes with fame and the law, a bevy of peacocks, and a whole lot of cocaine, Alley is invited to stay at the compound where Reade works. For months Alley attempts to coax the novel out of Walker page-by-page, all while battling his endless procrastination, vampiric schedule, Herculean substance abuse, mounting debt, and casual gunplay. But as the job begins to take a toll on her psyche, Alley realizes she's alone in the Colorado Rockies at the mercy of a drug-addicted literary icon who may never produce another novel—and her fate may already be sealed. "A margarita-fueled, miniskirt-clad cautionary tale of lost literary innocence" (Vogue), *Gonzo Girl* is a loving fictional portrait of a larger-than-life literary icon.

Fantasy Lover Sherrilyn Kenyon 2002-02-18 Dear Reader, Being trapped in a bedroom with a woman is a grand thing. Being trapped in hundreds of bedrooms over two thousand years isn't. And being cursed into a book as a love-slave for eternity can ruin even a Spartan warrior's day. As a love-slave, I know everything about women. How to touch them, how to savor them, and most of all, how to pleasure them. But when I was summoned to fulfill Grace Alexander's sexual fantasies, I found the first woman in history who saw me as a man with a tormented past. She alone bothered to take me out of the bedroom and onto the world. She taught me to love again. But I was not born to love. I was cursed to walk eternity alone. As a general, I had long ago accepted my sentence. Yet now I have found Grace--the one

thing my wounded heart cannot survive without. Sure, love can heal all wounds, but can it break a two-thousand-year-old curse? Julian of Macedon

The Woman in the Row Behind Françoise Dorner 2005 Struggling with a stale marriage and the stresses of her busy Paris newspaper kiosk, Nina divides her time between her straitlaced husband, her selfish mother, a formerly absent father, and her newly single best friend before exploring new realms of her sexuality. Original.
