Basic Rescue Course, Instructor's Guide United States. Office of Civil Defense 1963 Rescue activities must start as soon as possible after attack in order to accomplish the rescue of the greatest number of people before hazards such as fire, impending building collapse, rising water, nuclear radiation, etc., restrict rescue operations.

Civil Defense Management Textbook United States. Office of Civil Defense 1968 This textbook has been prepared by the Office of Civil Defense Staff College, Battle Creek, Michigan, for use as a student reference manual in the Civil

Defense Management course. The chapters are keyed to corresponding sessions of the course. They are intended to summarize concisely the major concepts related to the subject area identified by the chapter title. They are not intended to be a comprehensive or exhaustive discussion of each subject. Students are urged to read the references cited at the end of each chapter for more detailed information. This textbook is for training purposes only and is not a policy guide document.

This resource is correlated to the Common Core State Standards. 104pp + CD.

Hearings United States. Congress. House. Committee on Armed Services 1967

Social Studies for Secondary Schools Alan J. Singer 2008-10-26 This popular text advocates an inquiry and activity-based view of social studies teaching that respects the points of view of students and teachers. Based in practice and experience, it offers systematic support and open, honest advice for new teachers, is conversational not pedantic, and provides lots of examples. While the structure and most of the topics remain largely the same as before, this Third Edition presents new lesson ideas in every chapter especially designed to help new teachers to address learning standards, to work in inclusive settings, and to promote literacy and the use of technology in social studies classrooms puts a heavier focus on what is important to know and why includes new essays on the politics of social studies education responds to opponents of project- or activity-based social studies instruction and multicultural education with a sharpened defense of both of these approaches throughout the book Intended as a text for undergraduate and graduate pre-service social studies methods courses, this text is also useful for in-service training programs, as a reference for new social studies teachers, and as a resource for experienced social studies educators who are engaged in rethinking their teaching practice.

Compendium of Civil Engineering Education Strategies Hudson Jackson 2022-06-08 This book compiles the latest strategies and information regarding civil engineering education, and the skills necessary for success that are tangential to engineering, including global perspectives, critical and design thinking skills, leadership skills, assessment, recruitment, retention, and more. It is designed so that each chapter can be used separately or in combination with other chapters to help enhance and foster student learning as well as promote the development of skills required for engineering practice. Features Includes overviews of successful academic approaches for each topic including implementation examples in every chapter Explains how assessment and the resulting data can be used for holistic evaluation and improvement of student

learning Addresses the complexities of moral and professional ethics in engineering Highlights the importance of adopting a global perspective and the successful strategies that have been used or considered in educating resilient, globally minded engineers Compendium of Civil Engineering Education Strategies: Case Studies and Examples serves as a useful guide for engineering faculty, practitioners, and graduate students considering a career in academia. Academic faculty and working professionals will find the content helpful as instructional and reference material in developing and assessing career skills. It is also useful for intellectually curious students who want a deeper understanding and appreciation of the need for professional development and life-long learning.
